(SEE ALSO SECTION D, FAMILY AND MEDICAL LEAVE ACT).

7. Employees shall be given an accounting of accumulated sick leave each September.
8. Unused sick leave days shall be maintained in each employee's bank but shall not accrue during any leave of absence.

Section B. Medical Leave of Absence

1. An employee may be granted up to one (1) year leave of absence, without pay, due to personal or immediate family illness. Immediate family shall be defined as: father, mother, husband, wife, son/daughter in laws, members of blended families or other persons in a similar relationship to the family household.

Employees who have exhausted their accumulated sick days and who have applied for and received an extended unpaid sick leave or qualify to receive Long Term Disability shall be carried under the insurance plan for one (1) year.

Employees who have available sick days and are on an approved medical leave and do not qualify for Long Term Disability will have health insurance coverage for one (1) year from the date that the employee's sick leave days are exhausted.

Employees who qualify for Long Term Disability will have health insurance coverage for one (1) year from the date that the Long Term Disability begins.

Under this provision, upon return to work, the employee must complete one (1) full year of service (according to each employee's individual contract (42 weeks, 44 weeks, etc.) before the employee would be eligible for the year coverage of health insurance while on a leave. This requirement does not preclude the employee from using his/ her accumulated

2. Written application for a medical leave shall be made by the employee to the Assistant Superintendent of Human Resources.
3. An employee returning from a leave of absence due to personal illness, with a physician's statement, shall be placed according to the Obligation List in a classification as close as possible to the one held when leave began. If the physician recommends a lighter work load, every effort shall be made by the Director to place the employee in a classification in which he/she is capable of performing. The District reserves the right to have an employee examined by his/ her own physician before his/her return to work. This shall be at the expense of the Board of Education. In some cases, the services of a mutually agreed upon third physician may have to be secured.
4. If the leave granted is not sufficient for recovery, the employee may request a further leave of absence.
5. Maximum leave shall not exceed two (2) years unless the employee is covered by long term disability.
6. An employee's leave of absence cannot be rescinded unless it can be proven that such employee has not adhered to the terms or conditions under which the leave was granted; e.g., an employee on leave of absence who accepts employment elsewhere.
7. Sick leave can be used to cover the fourteen (14) calendar day elimination period for employees who have purchased short term disability. A portion of the remaining sick days may be used to supplement short term disability benefit for participants not to exceed 100% of pre-disability earnings.
8. Up to one (1) year of available sick leave may be used in combination with long term disability benefit in order to receive 100% of salary during this time period.

Section C. Personal Leave

1. An employee who has been employed for one (1) year or more may be granted up to one (1) year leave of absence, without pay, due to personal reasons including child care and/or adoptions. Up to one additional year may be granted upon request.

4. An employee requesting return from a personal leave shall be placed on the Obligation List consistent with his/her seniority date, level, hours and months.

A person on a personal leave may request to return before the leave has ended and shall be placed consistent with the paragraph above.

Section D. Family and Medical Leave Act (FMLA)

In accordance with the Family and Medical Leave Act (FMLA) of 1993, the Board will grant a leave of absence for one or more of the following:

1. Because of the birth of a son or daughter of the employee, and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the employee's spouse, son or daughter, or parent, in laws or members of blended families or other persons in a similar relationship that live in the family household or are in a similar family relationship who has a serious health condition; or,

4. The employee is unable to perform the essential job functions because of a serious health condition.

As of February 2008, an employee who is the spouse, son, daughter, parent or the next of kin of a covered service member can take up to 26 weeks of FMLA leave during a single twelve (12) month period to care for the injured service member. The same eligibility requirements apply for employees requesting a leave under this category. Regulations as established by the Department of Labor will be followed when granting leaves under this provision.

FMLA leaves are only available to employees who have been employed by the District for at least twelve (12) months and have worked 1,250 hours during the previous twelve (12) month period.

Such leaves are counted against an employee's annual FMLA leave entitlement. Under the FMLA, an employee is eligible for a total of twelve (12) work weeks of leave in a twelve (12) month period. This twelve (12) month period is measured back from the date a requested leave is to begin. Continuation of medical, optical and dental benefits and the right to job restoration ceases when an employee has used twelve (12) work weeks of FMLA leave in the twelve (12) month period. (See Section B, Medical Leave of Absence).

An employee requesting a FMLA leave must provide the Assistant Superintendent of Human Resources at least thirty (30) days advance notice of when the leave is to begin. If such notice is not practicable, then notice is to be provided as soon as practicable.

When a leave denoted as (1) or (2) above is granted, the leave must be taken in one (1) continuous increment, and must be concluded within twelve (12) months of the date of birth or placement. Employees granted such leave must utilize accumulated vacation days and accumulated personal business days (in that order), after which time the leave is unpaid.

When a leave denoted as (3) above is granted, the employee must utilize accumulated sick leave time, accumulated vacation days, and accumulated personal business days (in that order), after which time the leave is unpaid.

When a leave denoted as (4) above is granted, the employee must utilize accumulated sick leave days and accumulated personal business days (in that order), after which time the leave is unpaid. After these days have been used and if more sick time is needed, the employee may choose to use accumulated vacation time. When additional time is needed during the 90 calendar day (13 week) LTD elimination period, the employee may use available vacation days. If the employee has purchased and is filing for short term disability, vacation days may be used during the 14 day elimination period. Vacation days cannot be used once the short term disability coverage starts. Leaves denoted as (3) or (4) above must be supported by medical certification from a health care provider stating (1) the date on which the serious health condition commenced, (2) the probable duration of the condition, (3) the appropriate medical facts, and (4) a statement that the employee is unable to perform the essential functions of his/her position, or that the employee is needed to care for the person. The District reserves the right to require the employee to obtain the opinion of a second health care provider designated or approved by the District concerning any information within the medical certification.

When a FMLA leave denoted as (1) or (2) above is granted to spouses who are both employed by the District, the total amount of time on leave (in total for both employees) cannot exceed twelve (12) weeks of FMLA time.

At the expiration of a medical leave or if the employee wishes to return to work before completion of the leave, there must be a physician's certification confirming his/her fitness to return to work. The District may condition the employee's return to work upon a fitness for duty examination and approval by a health care provider designated by the District.

The District will continue to provide an employee's medical, optical and dental insurance while he/she is on a FMLA leave for a period of up to twelve (12) weeks on the same terms and conditions as prior to the leave.

An employee on a FMLA leave shall not engage in any outside or supplemental employment.

The District may recover insurance premiums paid while an employee was on an unpaid FMLA leave if:

1. The employee fails to return to work for at least thirty (30) days after the expiration of the leave; and
2. The failure to return is for a reason other than a serious health condition, or other circumstances beyond the control of the employee. Certification from the health care provider may be required for this purpose.

An employee returning from a FMLA leave will be restored to the position he/she left, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

If the employee has not satisfactorily completed the probationary period at the commencement of a FMLA leave, then upon cessation of the leave, the employee must work the days needed to complete the probationary period.

Section E. Jury and Court Leave

Jury and Court Leave: Each full-time employee shall be excused from his/her regularly assigned duties for jury duty, or the attendance at any court pursuant to a subpoena in a work connected or criminal case, provided he/she is a non-party witness or a party defendant with the District. He/she shall be paid the difference between his/her regular rate and such amount as he/she may receive as juror or witness fees.

Section F. Personal Business

1. Employees requesting personal business days must give notification, which includes general reasons, which shall be kept confidential, to the immediate supervisor. Except in cases of emergency, advance notice must be given.
2. All employees shall be permitted two (2) days per year for personal business. All may be granted an additional two (2) days with the approval of the Assistant Superintendent of Human Resources and District Services and without deduction from sick leave. If unused, the initial two (2) personal business days will be added to the individual's sick bank.

3. Personal business days are to be used for non-recreational purposes which cannot be handled during non-work hours.
4. Employees are permitted to use their personal business days for religious holidays. Employees will give notice of this request.
5. Up to five (5) individuals district wide may use a personal business day the day preceding or following a holiday. Only in emergencies may personal business days be taken under the provision of this Article on the last day of school or days immediately preceding or following a holiday. Any use of personal business days under this emergency provision must have approval by the Assistant Superintendent of Human Resources and District Services or designee.

Section G. Bereavement

When the District views this arrangement as a benefit to the District and grants the leave, the employee shall comply with all provisions of this Article. The member shall maintain and accumulate seniority and enjoy "return from personal leave" and "recall rights". All requests for this leave shall be in writing and the conditions shall be outlined prior to the granting of such leave.

ARTICLE XII—INSURANCE

Section A. Qualifications

Qualifications needed in order to receive full family medical healthcare, dental, and vision insurance coverage:

1. A secretary who is hired prior to June 30, 2009 shall qualify for full family benefits as long as the employee holds a secretarial position with Livonia Public Schools of twenty (20) or more contract hours a week. If the contracted hours are reduced for current employees, the employee's right to current medical insurance will not be altered.
2. A secretary who is hired after June 30, 2009 will qualify for single coverage when employed in a secretarial position with Livonia Public Schools for twenty (20) contract hours a week.

4. Employees covered under No. 2 and No. 3 above who are moved involuntarily to a position with fewer hours or who have the position held during a school year reduced in hours, will have the same level of insurance coverage throughout the school year when the change was made, regardless of any adjustments in hours that may occur after the work year begins.
5. Individuals who qualify for less than full family coverage may purchase the additional coverage at their time of hire through payroll deductions.
6. Secretaries hired before June 30, 2009 and laid off after June 30, 2009, on the obligation list and later recalled, and employees who are transferred to positions with fewer contracted hours or would have their hours reduced because of budget reductions would not be treated as new employees and would maintain the level of health, dental, and vision insurance coverage previously held before the layoff or change in assignment occurred.

7. The above qualifications do not apply for STD or LTD eligibility.

Section B. Coverage

The District shall pay the premiums to provide hospitalization, medical, income protection and life insurance for eligible employees and their dependents as defined under approved District policy. This coverage is subject to the terms and conditions of the agreement between the District and the carrier. The coverage provided will be one of the following three options:

- **MESSA Choice/Choices II \$500/\$1,000** in-network deductible; a \$1,000/\$2,000 out-of-network deductible; \$20 office visit co-pay; \$25 urgent care co-pay; \$50 emergency room co-pay; 3-Tier Rx; Mandatory Mail Rx.
- **MESSA ABC Plan 1 with \$1,400/\$2,800** in-network deductible; \$2,700/\$4,500 out-of-network deductible; ABC Rx.

Effective January 1, 2020, the Board shall contribute an amount toward the payment of monthly premium amounts for the MESSA as indicated below. Any additional health insurance premium above the Board's contribution shall be borne by the employee.

Single = \$6,300
2-Person = \$14,000
Family = \$17,800

Effective January 1, 2021, and beyond, the BOARD will contribute to health insurance premiums the maximum allowed by Michigan law under 2011 PA 152, as amended (the "hard cap") or the full premium, whichever is less. Any additional health insurance premium above the BOARD's contribution will be borne by the employee.

The employees covered by the District health insurance as defined in this Article will contribute to the insurance premiums on a pre-tax basis, deducted from twenty (20) pays.

Section C. Cash In Lieu

A LSA member choosing to opt out of medical healthcare as outlined in Article XII below will receive \$208.33 for each full month in the period from July 1 to June 30 in which the employee is not covered by the District health insurance plan. This amount, less applicable deductions, will be paid on a date as agreed upon by the District and LSA leadership. The employee will not be eligible for this payment in any month in which he/she is covered on the health insurance provided through the school district as a spouse or dependent of another employee in the school district. If after choosing to opt out of District medical healthcare, the status of the member changes, he/she may re-enroll in the District healthcare program and not receive the cash in lieu payment.

Section D. Plan Choices

Section E. Long Term Disability

Included in the Long Term Disability plan is the ability for the employee to utilize available sick days in addition to the long term disability benefit for up to one (1) year. This will give the employee the ability to collect 100% of salary during this period of time. After the one year period or when sick days are depleted, disability benefits will be as described in Appendix E. If sick days are not used in addition to the LTD benefits, the LTD benefit will be as described in Appendix E.

Section F. Dental Plan

The District will provide eligible employees and their eligible dependents a family dental insurance plan. This plan will provide a benefit level of 80% on Class I, Class II, Class III, and Class IV services. Class IV services have a dollar benefit lifetime limit of \$800, and are only available for enrolled dependents under the age of 19.

Benefits are defined as follows:

4. **Class IV**—Orthodontic Services—to include treatment for

tooth guided appliances or treatment to control harmful habits, cephalometric film and diagnostic photos. The total payable for all expenses incurred for Orthodontic Services for a dependent under 19 shall not exceed a lifetime limit of \$800.

Section G. Vision Care Plan

See Appendix F, EyeMed Vision Insurance Coverage.

Section H. Employees shall have the right to increase their insurance coverage by personal contribution through payroll deduction. This includes the ability for employees to purchase during an open enrollment period a short term disability benefit plan as described in Appendix D.

Section I. Written application must be filed by the new employee within thirty (30) days of employment. Changes in existing coverage for current employees may be made yearly during re-enrollment periods.

Section J. Deferred Compensation

All deferred compensation plans approved by the District shall be made available to employees.

ARTICLE XIII—FILLING VACANCIES

Section A. Vacancy Defined

A vacancy is an open position in the bargaining unit. Bargaining unit members who apply for vacancies (including transfer requests), members on the obligation list, and those on lay off will be given priority consideration when filling those vacancies.

Section B. Posting Vacancies

Priority will be given to current qualified LSA members for LSA openings. All vacancies and new positions shall be posted for at least five (5) working days prior to having the position filled. All members of the bargaining unit on extended leave or layoff who so request of the Human Resources Office, shall be informed of each job posting. Job postings shall state duties, qualifications, hours, length of work year, level and classification for each position. Position and wages must be commensurate with classification as shown on the salary and classification schedule.

All level one positions will be posted "In District" before substitutes and outside applicants are considered.

Section C. Interview and Selection Procedures

1. Screened applicants for promotional vacancies and newly-created positions shall be interviewed by the supervisor responsible for the vacant position.
2. The selection decision shall take into consideration the pertinent skills and unique qualifications of the applicants as demonstrated on a district identified skills and work style assessment.
3. The applicant who is selected for a new position and is a current employee shall be subject to a trial period up to ninety (90) days of work to prove ability to do the job provided. The employee in the new position will receive specific feedback from his/her evaluating supervisor after the first thirty (30) days and sixty (60) days concerning job performance in the new position. The LSA mentoring process may be used to provide additional support during this period. Nothing shall prevent the District from removing the employee prior to the 90th day in the event the employee is unable to satisfactorily perform the job. In such cases, employees who were granted the new position will work with the District and the Association to determine a placement that will cause the least amount of disruption. Members will then bump according to the bumping process. Members with low seniority and no position to bump into will be placed on the Obligation List. Employees who are new to the District will be subject to the provisions of Article XVII – Probation. Members who are in a new position as the result of the bumping process or transfer will be subject to Article XIII.

4. The District shall pay the cost for any physical examination required by the Board for initial employment.

Section D. Promotion to a job of higher classification will be to the same experience step level in the new classification. Transfer to a job of lower classification will be to the same experience step level in the new classification.

Section E. The LPS Administration and the Association will work together to determine assignments consistent with the Master Agreement. The Assistant Superintendent of Human Resources and District Services shall have the final authority to assign all classified personnel after the posting and other policies as listed above have been followed.

Section F. Transfers

1. Employees may request a transfer to a position at the same level or at a lower level. When transfers are granted at a lower level, the employee forfeits his/her right to return to a previous level.
2. Employees who wish to be considered for a voluntary transfer may submit transfer requests at any time. A new list shall be started on March 15 of each year. The old list shall be discarded.
3. An employee may withdraw a transfer request prior to any announcement that he/she has been transferred.
4. In the event an opportunity occurs for transfers because of a resignation, retirement, promotion, multiple transfer requests, etc., the Assistant Superintendent of Human Resources and District Services will consider the voluntary transfer request(s) and the need for any involuntary transfers prior to filling a vacancy from the Obligation List or posting a vacancy.
5. A vacancy need not be available to transfer employees who have transfer requests on file.
6. Multiple job transfers may be made with or without a vacancy being a part of any transfer.

7. If a transfer is implemented and a vacancy is utilized during the move(s), the resulting vacancy that occurs because of the transfer(s) shall be filled from the Obligation List.
8. The Assistant Superintendent of Human Resources and District Services will work together with the Association to determine transfer needs. After working with the employees affected by the potential change, the decision of the Assistant Superintendent of Human Resources and District Services to fill or not fill the vacancy with either a voluntary or involuntary transfer shall be final.
9. Overlap time for employees being transferred will be arranged by the District and the employees who are being transferred.
10. An involuntary transfer may be made in order to place an employee in a position where he/she is better qualified after a reduction in force situation. The employee affected by this situation will work together with Association and the District on a case by case situation to determine the needs of the employee based on seniority and qualifications of the positions. Employees will not have their overall compensation improved by an involuntary transfer while employees are on the Obligation List. Employees who have their compensation reduced will be on the Obligation List.

ARTICLE XIV—CREATION OF NEW POSITIONS

When a new job is to be placed in existence which cannot be properly placed in the existing classification and rate structure, the District shall schedule a meeting with the Association. The parties shall attempt to establish the classification and pay rate for the proposed job.

If the parties are unable to resolve the pay rate, then, the District shall establish a rate and fill the position. The Association may, within ten (10) working days following the meeting, file a Grievance at Step 2 of the Grievance Procedure.

ARTICLE XV—INCLEMENT WEATHER

Nothing in this Article shall require the District to keep schools open in the event of severe inclement weather or other Acts of God. The parties recognize that those inclement weather conditions which are judged severe enough to prohibit the safe operation of buses for the transportation of youngsters shall also be considered severe enough to jeopardize the life, limb and safety of the District's secretaries.

In those instances when it is judged appropriate not to operate the District's buses because of severe inclement weather, the schools shall be closed and secretaries shall not be required to report for duty, unless specifically requested. There shall be no deduction in pay for those employees not required to work. Employees required to work shall receive their regular rate of pay for hours worked plus their regular day's pay. The Superintendent, or his designee, shall make every effort to announce such school closings one (1) hour before the earliest secretarial reporting time by notifying the local radio stations and the main switchboard.

In those instances when school is scheduled to be in session and there is a cancellation of school for students due to extreme cold weather, secretaries may be required to report to work, with the exception of the first extreme cold day of the school year. The district will communicate with secretaries regarding the reporting to work on subsequent cold days. At the discretion of the district, secretaries may be permitted to report on a delayed start or not be required to report at all. No loss of pay shall occur.

In those instances when school is not in session and the weather (i.e. road conditions) would be such as to cause a cancellation of school for students, the secretaries who are scheduled to report on that day will be permitted to report on a delayed start or not be required to report at the discretion of the district. No loss of pay shall occur. The district will make every attempt to notify the employees of building closures on days in which the normal school cancellation procedures are not implemented.

ARTICLE XVI—GRIEVANCE PROCEDURE

Section A. It is mutually agreed that all grievances arising under and during the terms of this Agreement shall be settled in accordance with the procedures herein provided. Every effort shall be made to adjust controversies and disagreements in an amicable manner between the employer and the Association.

Section B. For the purposes of this Agreement, a "grievance" is defined as an alleged violation of a specific Article and Section of this Agreement. Written grievances shall be on the form provided by the District and shall name the employee involved, shall state the facts giving rise to the grievance, shall identify all of the provisions of the Agreement alleged to be violated by appropriate reference, shall state the contention of the employee with respect to these provisions, shall indicate the relief requested and shall be signed by the employee involved. When a grievance involves more than one employee or group of employees the grievance may be signed by only one of the aggrieved employees or by an officer of the union. In order to inform the District of the extent of liability involved in a grievance, reference to other individuals or groups of individuals involved in the grievance will be included in the statement of the grievance. All grievances must be filed with the immediate supervisor within thirty (30) days of the occurrence. Grievances that do not involve the actions of the immediate supervisor will be filed at Step Three (3) within thirty (30) days after the employee knows of the occurrence of an alleged violation.

Step One (Oral)

Within thirty (30) days after the employee knows of the occurrence of an alleged violation, the employee shall request a conference between the aggrieved (with or without his/her union representative) and the immediate Supervisor. The Supervisor shall render a decision within five (5) workdays of the conference.

Step Two (Written)

If the grievance is not settled at Step One the employee shall, within five (5) workdays after receiving the verbal response from his/her immediate supervisor at Step One, the grievant will work

with the MEA representative to reduce the grievance to writing. A copy of the written grievance shall be filed with the Supervisor and the Association. The Supervisor shall respond in writing within five (5) work days.

If the grievance is not settled at Step Two the employee shall, within five (5) days of the date the written disposition is received, appeal the grievance to the next step.

Step Three

A copy of the written grievance and the disposition of the Supervisor shall be presented to the Human Resources Office for the appeal review within the period provided. Within five (5) workdays of the receipt of the grievance appeal, the Assistant Superintendent of Human Resources and District Services and/or his/her designee shall meet with the aggrieved employee and/or the Association representatives for a review of the grievance. The Assistant Superintendent of Human Resources and District Services, or his/her designee, shall within five (5) workdays of the meeting render a written decision of the District. A copy will be given to the aggrieved, the Association representative and the Association MEA representative.

Section C. Any grievance not appealed in the aforementioned time stipulations shall be deemed settled on the basis of the last response. This and all other time limits at any step of the grievance process may be extended by mutual consent of the parties. The word "days" in this Article will refer to work- days.

Section D. No back payments or wages shall be awarded for any period prior to thirty (30) days prior to the date of filing of a written grievance. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any unemployment or other compensation that he/she may have received from any source during the period of the back wages.

Section E. Arbitration

If the grievance is not resolved in Step Three of the Grievance Procedure, either the Association or the District may submit the grievance to arbitration by notifying the other party within ten (10) days after the answer to Step Three. The submission to arbitration shall contain a statement of the issues to be arbitrat-

ed, reference to the specific Article and Section allegedly violated, the contention of the party filing for arbitration and shall be signed by the Local Association President, or his/her designee, and the employee involved.

Within the ten (10) days following receipt of the written notice of intent to arbitrate, the party desiring arbitration shall file a demand for arbitration with the American Arbitration Association with a copy to the other party. The arbitrator shall then be selected according to the Rules of the American Arbitration Association.

Failure to comply with any of these provisions shall render the grievance non-arbitrable.

It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited by this Agreement after due investigation, to make a decision in cases of alleged violation of a specific Article(s) and Section(s) of this Agreement. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. He/she shall have no power to establish salary structures or change any salary or wage. He/she shall not substitute his/her judgment for that of the District's as to the qualifications and ability of an employee if such judgment was not arbitrary or capricious.

In rendering decisions the arbitrator shall give due regard to the responsibility of management, as conditioned by this Agreement. If the District disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have to decide if the grievance is arbitrable before hearing the merits of the grievance. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Association, its members, the employee(s) involved, and the District.

The fees and expenses of the arbitrator shall be shared equally by the parties. All other costs and expenses of arbitration in-

cluding filing fees and witness expenses shall be borne by the party incurring them. NOTE: Grievance Form in Appendix B.

ARTICLE XVII—PROBATION

Section A. A probationary period of six (6) months shall be served by all new employees. New employees will receive a LSA mentor according to the LSA Mentor Program Letter of Understanding.

Section B. By the end of the third (3rd) month of the probationary period, the member will be notified orally if there are concerns. By the end of the fifth (5th) month of the probationary period, a written Evaluation, signed by the immediate supervisor and the employee, shall be filed with the Director specifying satisfactory or unsatisfactory performance. If a less than satisfactory evaluation is received after fifth month of employment, the LSA mentoring support may be increased. It is understood that the District shall have the right to discharge, discipline, transfer or demote any probationary employee and no grievance shall arise therefrom.

Section C. Former employees (if rehired) shall be treated as new employees.

NOTE: Evaluation Form in Appendix C.

ARTICLE XVIII—LAYOFF, BUMPING AND RECALL

Section A. Layoff and Bumping Procedures

Layoffs will be based upon the employee's bargaining unit seniority date, level, hours and weeks.

1. A laid off employee will bump at his/her own level/hours and if no jobs are available at his/her own level/hours; i.e., the holders of all jobs at this level have more seniority than the laid off employee, then he/she may bump at the next lowest level. Employees who are bumping into new positions will not have his/her status improved by the bumping and layoff process while other employees are on the Obligation List.
2. A twelve (12) month employee will bump a twelve (12) month

job unless there are no twelve (12) month jobs available, in which case he/she may bump downward (i.e., bump a 48-week employee). A forty-eight (48) week employee will bump a forty-eight (48) week job unless there are no forty-eight (48) week jobs available, in which case he/she may bump downward (i.e., bump a forty-four (44) week employee). A forty-four (44) week employee will bump a forty-four (44) week job unless there are no forty-four (44) week jobs available, in which case he/she may bump downward (i.e., bump a forty-two (42) week employee).

3. An eight (8) hour employee will bump an eight (8) hour job, a seven (7) hour employee will bump a seven (7) hour job, a six (6) hour employee will bump a six (6) hour job and a four (4) hour employee will bump a four (4) hour job unless there are no jobs available, in which case he/she may bump a job with the next fewer hours.
4. Those employees who do not exercise their right to bump and accept a new assignment, shall not be placed on the Obligation List. The Seniority list shall reflect the rights of these employees at the adjusted position.
5. Members whose positions have been eliminated, reduced, bumped or changed due to reductions in staff shall be given a two (2) week notice prior to the reduction and/or change. The District will make every reasonable effort to give the affected member specific details of the change and the new assignment. Laid off members will be placed in seniority sequence on the obligation list. The obligation list will reflect the seniority, level, hours, and weeks of the employee at the time of layoff and bumping.
6. Employees who exercise their seniority under this Section and bump into a new position will be paid at the rate of the level into which they bump.
7. Employees who exercise their seniority under this Section will be returned to their previous level before any other laid off employee with less seniority in the level from which the senior employee was laid off is recalled.
8. Employees who exercise their seniority under this Section shall be on a trial basis in the new position for a period of up

to ninety (90) workdays. After the first thirty (30) days, the employee will be given informal feedback from his/her supervisor. After sixty (60) days, the employee will receive more formal evaluation/feedback. In the event the employee is determined not qualified for the new position via formal evaluation by the supervising administrator, the employee shall be transferred to a vacant position at or below his/her level, or laid off with recall rights to the next vacant position at or below his/her level. The next senior laid off employee on the Obligation List shall then be recalled to the position.

Section B. Recall

1. Recalls will be based upon the employee's bargaining unit seniority date. An employee has recall rights equal to his/ her seniority or three (3) years, whichever is greater. Should such members be rehired before they will have lost their seniority, they will return to work on the same step of the salary schedule unless they completed the year, in which instance, they would automatically be eligible for the next increment. All sick and accumulated benefits would be restored to said employees upon their return.
2. When an employee has moved to a lower level as a result of layoff and bumping downward (because the employee was not able to bump laterally in his/her current level), said employee retains the right to return to his/her previous level, if a position opens or a vacancy occurs in that level. All such employees will be placed in seniority order (level, hours, weeks) on the Obligation List.
3. If the District recalls a laid off or a reduced level employee to a permanent position at his/her job level he/she held before the layoff and the employee refuses to fill said position, then he/she will forfeit all rights to his/her previous level.
4. An employee on layoff shall be recalled to any job he/she is qualified to perform at his/her former level or a lower level prior to filling a declared vacancy by a new hire or a long-term substitute.

Section C. Miscellaneous Provisions

1. Any employee whose hours or length of work year are reduced by the administration shall have the option to accept the reduction and remain on his/her job or then proceed to the bumping procedure as outlined in Section A of this Article.
2. Those employees currently working four (4) hours per day, twenty (20) hours per week, will not have their hours reduced.
3. All earned vacation days will be paid for at the time a laid off employee is paid for the final days worked prior to layoff.
4. Employees laid off shall have their health and life insurance continued until the end of the complete three month period from his/her layoff date. Within this period, if placed in a temporary position, the health insurance coverage will not be affected.
5. No positions will be posted until the layoff and bumping procedures are concluded by the Association and the administration of the Livonia Public Schools.
6. In the event of a disruption in work caused by another representative group causing a layoff of secretarial personnel, an employee to be laid off will receive a written notice within a twenty-four (24) hour period.
7. During the length of this Agreement, when a position which has been eliminated is reinstated the employee who formerly filled that position shall have the right to return to that position if possible, according to the Obligation List, if he/ she so desires.
8. The District and the Association will meet to discuss the circumstances when a temporary position needs to exist for longer than the equivalent of a semester. Current laid off employees who fill these temporary positions will receive the long term substitute wages. Temporary positions that last longer than the designated time period (semester equivalent) may be declared a vacancy and posted and filled according to Article XIII – Filling Vacancies.

ARTICLE XIX—TERMINATION OF EMPLOYMENT

Section A. The best interest of the employee and the District will be served where both share the obligation to provide reasonable notice in writing when termination of employment is under consideration. Less than two (2) weeks notice may be considered unreasonable except as circumstances warrant such action.

Section B. Employees terminating their services with the District are entitled to vacation pay for all accrued vacation, payable at the next payroll period following the date of termination, except when the initial probationary period has not been completed.

Section L. No overtime will be permitted without prior written consent of the supervisor and the Human Resources Office except in an emergency situation where it is the duty of the secretary to remain. Emergency shall be defined as a student or job related situation. Secretaries who choose to stay beyond their scheduled workday without the signed written agreement will not be compensated for that time as overtime.

Section M. Secretaries who do not receive permission to earn overtime will not be required to work beyond their scheduled workday and will not be negatively impacted as a result of overtime denial.

Section B. Sick Day Savings

A seniority employee who terminates his/her employment with the Livonia Public Schools shall receive the dollar amount indicated for each eight (8) hours of unused sick time in his/her sick bank at the time of termination.

0-10 years	No reimbursement

Section C. Special Pay Plan

Retirement pay (as described above in Section A.), sick day and vacation pay shall be granted upon retirement. As allowed by the IRS, the retirement pay and payoff for unused sick days for all retirees who are age 55 and over at the time of retirement will be paid into a tax sheltered annuity under Section 403 (b) of the Internal Revenue Code. The School District will contribute this money within 30 days of the employee's retirement. ARTICLE XXIII—EVALUATIONS

Section A. Employees shall be evaluated at least every two years by their department or building supervisor. Evaluations will not be conducted by LEA members. Employees will be notified prior to the beginning of the evaluation period. Such evaluations shall be made on a standard form to be used by the District (providing the District has the right to revise the form from time to time). The evaluation will include attitude, ability to get along with others and ability to do the job presently assigned. The employee shall initial the evaluation and be given a copy of the evaluation. Employees will be notified prior to receiving the final evaluation when immediate performance concerns are evident. Evaluations will not be subject to the grievance procedure unless the above mentioned procedures are not followed.

ing supervisor to develop a plan of support. The employee and the evaluating supervisor may utilize the LSA mentoring program as a means of providing support.

When such work is in the lower classification, the employee shall be paid his/her regular rate. This policy is not applicable during vacations except for circumstances which require added responsibilities.

ARTICLE XXV—MISCELLANEOUS PROVISIONS

Section A. At the time of employment the Assistant Superintendent of Human Resources and District Services shall evaluate all previous experience for placement on the salary schedule. A maximum of three (3) years experience may be allowed.

Section B. Copies of the Agreement shall be printed by the employer and copies given to all members of the bargaining unit.

Section C. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law but all other provisions/applications shall continue in full force and effect.

Section D. Employees shall receive reimbursement at the District rate (IRS rate) for use of personal cars on school business authorized by the District.

Section E. For the life of this Agreement, neither the District nor the Association shall be obligated to bargain collectively with respect to any subject/matter referred to or covered by the Agreement with respect to any subject/matters not specifically referred to or covered in this Agreement.

Section F. Bargaining unit work will be performed by members of the secretarial bargaining unit. In the event the District decides to take work which is regularly performed solely by members of the bargaining unit and assign the work to other employees of the District outside the bargaining unit, including but not limited to members of other bargaining units and/or long term substitutes, the District agrees to notify the Association in advance of any final action. Upon request filed by the Associa-

tion, in writing within five (5) days from the date of such notification, the District agrees to meet with the Association to discuss the ramifications on the bargaining unit, the anticipated length of the assignment (not to exceed the equivalent of one semester) and, in good faith, attempt to reach a satisfactory solution to issues particular to the situation. Said meeting shall take place within one (1) week following the request, unless otherwise mutually agreed. Failure to resolve the issue within ten (10) days of the initial meeting could result in a grievance.

Section G. The District and the Association shall form a Personnel Relations Committee composed of not more than two (2) District-appointed representatives, the Association President, and two (2) Association-appointed representatives and the MEA representative. The Committee shall meet approximately quarterly each school year (i.e., August, November, February, May) to discuss matters of importance. Additional meetings may be scheduled upon request. An agenda of the topics to be discussed shall be prepared, and exchanged by the parties in advance of the meeting. The meeting dates, times, and location shall be mutually agreed upon. The Personnel Relations Committee shall not be used to process grievances.

Section H. Supervisors will work with employees who are assigned to multiple buildings (to relieve overloaded situations) to assist in prioritizing workload expectations.

Section I. Each employee shall have the right, upon request, to review his/her personnel file maintained at the building level and/or on the District level in the Human Resources Office. A representative of the Association may, at the employee's request, accompany the employee in this review. The review shall be made in the presence of the administrator responsible for the safekeeping of these files. Employees will be notified of complaints against them if the complaints are to be placed in the personnel file and/or building file. The employee shall acknowledge he/she has read the complaint by initialing the matter with the understanding that the initialing merely signifies that the employee has read the complaint and does not necessarily indicate agreement with its contents. The employee shall have the opportunity of having a written answer to the complaint filed.

Section J. Employees who choose to work noon duty with the students will be compensated at the blended rate as determined by the District and in accordance with the Fair Labor Standards Act. The blended rate may vary between employees depending on the number of total hours the employee works in a week, the regular hourly rate of the employee and the rate of pay for noon hour duty. The parties will meet yearly to determine the base rate for the lunch room duty pay.

Section K. The District shall pay the total cost of any physical examinations specifically requested by management for the continued employment of the employee.

Section L.

The Board of Education, based on reasonable suspicion that a secretary's job performance is adversely affected by drug and/or alcohol usage will notify the employee and the Association of its concerns orally, (with written follow up) and of the circumstances/conditions that support the reasonable suspicion. The District will work cooperatively with the Association, and the secretary, to solve problems which might be identified.

The secretary may be required by the District, based on reasonable suspicion, to submit to a drug/alcohol assessment, including but not limited to testing, conducted by a certified practitioner of the District's choice. Should such assessment be negative, no further action would be necessary unless reasonable suspicion is again demonstrated. A positive assessment may be grounds for discipline. If applicable, the secretary will agree to participate in a patient treatment program, if recommended by medical or other qualified personnel.

A positive test for THC is not, in and of itself, sufficient evidence to confirm the reasonable suspicion of an employee being under the influence of marijuana. Therefore, a test for THC shall not be used for this purpose until such time as a reliable test is available. The District is not prohibited from using other factors to support the determination of an employee being under the influence of marijuana and assigning discipline. When a reliable test for THC is available, the District and the Association will enter into a Letter of Understanding or new provision in the collective bargaining agreement, whichever is more timely, to address this issue.

ARTICLE XXVI—NO STRIKE CLAUSE

Section A. During the term of this Agreement neither the Association nor any person acting on its behalf will cause, authorize, sanction, condone or support; nor will any member of the bargaining unit take part in any strike; i.e. the concerted failure to report for duty or willful absence of an employee from his/her position or stoppage of work or abstinence, in whole or in part, from the full faithful and proper performance of the employee's duties of employment for any purpose whatsoever, including sympathy strikes.

Section B. During an employee's working hours the Association shall not cause any picketing of the School District's properties or of the Board of Education premises during the life of this Agreement.

Section C. The Association agrees that it will take prompt affirmative action to prevent or stop unauthorized strikes, work stoppages, slow downs of work, picketing or work interferences of any kind by notifying the employees that it disavows these acts. In the event of a violation of this Article, the District shall have the right to discipline any or all employees who violate this Article and such action shall not be subject to the grievance procedure. If an employee is terminated for a violation of this Article, the discharge is subject to the grievance procedure.

THE EVALUATION PROCESS

Evaluation is a process whereby staff members are appraised of the quality of their performance.

DESCRIPTION OF EVALUATION FORMS:

The primary purpose of the evaluation form is to encourage positive interaction between the evaluator and the employee and for the employee to realize improvement. To be most effective, the evaluation must occur in an atmosphere of sensitivity, understanding, support, candor and trust by both the evaluator and the person being evaluated. The productivity and success of the evaluation process will depend upon the attitudes of both parties.

Each evaluation process should result in a clear understanding of both strengths and weaknesses and should lead to the greatest efficiency possible. The characteristics listed on each form, though not all inclusive, are intended to stimulate constructive discussion regarding the staff member's performance and provides an organized approach to viewing the staff member's performance.

This evaluation form should be completed by the Principal, Assistant Principal or Administrator. *Overall evaluations marked "Improvement Needed" will include a Plan of Support form which is listed on last page of this evaluation.
