

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.THcmi.com or call Customer Service at 1-800-826-2862. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-800-826-2862 to request a copy.

IMPORTANT QUESTIONS	ANSWERS	WHY THIS MATTERS:
<p>What is the overall <u>deductible</u>?</p>	<p>In Network: <u>Deductible</u> does not apply to <u>preventive</u> care. Out of Network: N/A Integrated <u>deductible</u> applies to both Medical and Pharmacy.</p>	<p>See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p>Are there services covered before you meet your <u>deductible</u>?</p>	<p>Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other <u>deductibles</u> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p>In Network: Out of Network: N/A. <u>Out-of-pocket limit</u> combined for medical and pharmacy.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p>What is not included in the <u>out-of-pocket limit</u>?</p>	<p><u>Premiums</u>, <u>balance-billing</u> charges and health care this <u>plan</u> does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>

<p>Will you pay less if you use a <u>network provider</u>?</p>	<p>Yes. See www.THCMi.com or call 1-800-826-2862 for a list of <u>participating providers</u>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the plan's <u>network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p>Do you need a <u>referral</u> to see a <u>specialist</u>?</p>	<p>Yes, Chiropractic/Podiatry visits require written PCP <u>referral</u>. No <u>referral</u> for other <u>specialists</u>.</p>	<p>This <u>plan</u> will pay some or all of the costs to see a Chiropractic or Podiatric <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u>.</p>

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
