ARTICLE IV - HEALTH

- A. The Administrative Offices of the school district may at any time request a report of a physical examination, at Board expense, when in their opinion the welfare of the school district will be served by this action.
- B. The school district may require any auxiliary employee to be examined by the school designated physician. Such examination shall only be required for reasons pertaining to the employee's ability to perform the duties of his/her job or the job to which he/she is requesting to be transferred.
- C. The Board shall pay for required DOT bus driver physicals to be performed locally (in Manistique) unless otherwise approved by the superintendent. If performed in Manistique, the driver shall be allowed ½ day (district paid) for completion of the physical, and submission of proof that the appointment was held during normal scheduled work hours.

The cost of such tests or reports shall be borne by the Board.

ARTICLE V - SENIORITY

- A. In all cases of promotion, demotion, transfer, layoff and recall, due consideration will be given to the following factors:
 - 1. Length of service.
 - 2. Ability to perform the duties of the job as defined by the job description, based on related experience, training, and performance on any required test documenting proficiency in skills listed as minimum requirements for the position.
 - 3. Ability to perform essential functions of the job.
- B. If factors 2 and 3 are equal, length of service will govern. If factors 2 and 3 are not equal, length of service will not govern.

- C. Seniority shall be computed on length of service, from the first date of employment as bargaining unit members, except that effective 9/10/87, seniority shall not accrue while on voluntary (elected) layoff or unpaid leave of absence. In cases of layoff, seniority computed on length of service shall govern provided the employee has the ability to perform essential functions of the job.
- D. A seniority list of all employees shall be posted by October 1 of each year. The Employer will assume the responsibility of keeping said list current. Employees shall have thirty (30) days from the date of posting to challenge the seniority list date. If no objections are filed, the list shall be final and conclusive. In the event that two employees are hired on the same date, the MESPA leadership will arrange for lots to be drawn to establish seniority.
- E. An employee shall lose his/her seniority if he/she retires, resigns, or is discharged for a just cause.
- F. New Employees (directly hired by the Manistique Area Schools)
 - 1. New employees shall be on probation for a period of ninety (90) calendar days in attendance.
 - 2. Seniority rights shall not accrue while on probation; however, all employees who complete their probationary periods in the future shall be given credit from their first day of continuous employment for all seniority purposes.
 - 3. The right to release a probationary employee shall be vested exclusively with the Employer, and the discharge of a probationary employee is not subject to the grievance procedure.
 - 4. Probationary employees are not covered by the provisions (other than wages) of this contract, and shall be covered by health insurance coverage after ninety (90) calendar days of employment.
- G. An employee transferring to another position shall be on temporary probation subject to an evaluation by his/her immediate supervisor in relation to the ability to perform the work involved. Such temporary probation shall not exceed ten (10) working days nor affect the benefits previously earned. Similarly, any increase in the level of fringe benefits shall not take effect until the month after the completion of the 10-day probationary period.

An employee has ten (10) working days from date of transfer in which to decide if he/she wishes to continue in their new position. The decision to remain at the new position or to return to the previous position rests with the employee, provided that the work performance is deemed to be satisfactory by the administration in the evaluation by the immediate supervisor mentioned in the above paragraph. The employee's previous position is to be posted immediately, but not awarded permanently until the 10 day time period is completed. This new vacancy is to be filled after the posting period by the most senior employee who wishes the position in accordance with the terms and conditions of this Agreement. This employee has ten (10) working days from date of transfer in which to decide if he/she wishes to continue in his/her new position at his/her option.

H. **Regular Vacancies:** A vacancy shall be defined as a position that is open, for which there is no bargaining unit member with recall rights. All regular vacancies shall be posted in a conspicuous place in each building of the district for a period of five (5) workdays, and a copy sent to the MESPA President. Such posting shall contain the following information:

2. Temporary or summer vacancies shall be filled with the most senior applicant possessing the minimum requirements for the position. A bargaining unit member who meets the minimum requirements shall be deemed qualified for that position.

3. Upon expiration of the temporary position, the bargaining unit member shall be returned to his/her former position.

J. Interested bargaining unit members may apply in writing to the Superintendent, or designee, within the five (5) day posting period for regular vacancies posted under Section I of this Article, for temporary vacancies posted under Section J, the posting period shall be three (3) days. The Employer shall notify bargaining unit members of vacancies occurring during the summer months (June, July, August) by sending notice of same to each bargaining unit member by U.S. mail to their last known address, with a copy to the MESPA President.

The Employer shall administer on unpaid time any required proficiency tests to all otherwise qualified bargaining unit applicants who apply for the vacancy, unless they already have test results on file that have been taken within the last two (2) years and the employee does not wish to be retested, and decide which applicant is to be appointed to a posted position. Such testing shall be at no cost to the bargaining unit member. Each applicant shall be so notified in writing with a copy provided to the Association/Union. Proficiency Tests shall not be used until the Administration has consulted the Union President (or his/her designee) about that test.

K. The parties agree that involuntary transfers are to be minimized and avoided.

- L. Bargaining unit members shall have the right to apply for and be appointed to a second position in accordance with Sections I and J of this Article, provided that the second position does not conflict with the first, nor result in overtime. Pay rates and fringe benefits of each of the positions to which the employee is appointed shall be computed independently, rather than cumulatively, based on the classification and number of hours scheduled per week, except for employees whose initial probationary period leading to becoming a member of the bargaining unit began, and whose seniority date is before August 6, 1990, for whom past practice shall apply pertaining to fringe benefits.
- M. The employer shall not change the job description of any bargaining unit member without consulting with the Association.

ARTICLE VI - GRIEVANCE PROCEDURES

- A. The Association, believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement, may file a written grievance with the Board or its representative. No grievance shall be processed unless it is presented at Step 1 within thirty (30) calendar days from the alleged occurrence.
- B. Within five (5) working days of the receipt of the grievance, the affected employee's immediate supervisor shall meet with the representatives designated by the Association in an effort to resolve the grievance. The affected employee may or may not be present at such meeting. If, after meeting with the immediate supervisor, the parties cannot agree, the grievance shall be promptly transmitted to the superintendent who shall have five (5) days thereafter to approve or disapprove the grievance. If the grievance is transmitted directly to the superintendent, he/she shall have five (5) days from receipt to approve or disapprove the grievance.
- C. If the grievance shall be denied in writing (Grievance Form - Appendix B) by the superintendent, the Association may, within ten (10) school days after receiving the superintendent's decision, appeal the grievance to the Board of Education. The appeal shall be in writing and shall contain the reasons for the appeal, and a copy of the superintendent's decision.
- D. Within thirty (30) calendar days, or at the next regular or special Board meeting for which the Agenda has not already been issued, whichever is first from receipt of grievance, the Board shall pass upon the grievance. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing, or otherwise investigate the grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance, provided, however, that in no event, except with express written consent of the Association, shall determination of the grievance be made by the Board more than thirty (30) calendar days after the Board has received it. A copy of the disposition shall be furnished the Association.
- E. If the grievance is not resolved through Steps A, B, or C, the Association may invoke binding arbitration procedures within 30 calendar days. If the parties cannot agree to the arbitrator, he shall be selected by the American Arbitration Association in accordance with the rules governing arbitration proceedings.

Both parties agree to be bound by the award of the arbitrator and agree that the judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be paid by the losing party.

- F. If any employee for whom a grievance is sustained with full reimbursement of all compensation lost, if he/she shall have been found to have been improperly deprived of any compensation or advantage, the same or its equivalent in money shall be paid to him/her.
- G. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution as long as it complies with the thirty (30) day filing limitation.
- H. Filing of any grievance shall in no way interfere with the right of the Employer to proceed in carrying out its management/responsibilities subject to the final decision of the grievance procedure. In the event the alleged grievance involves an order, requirement or direction, the grievance shall fulfill or carry out such order, direction or requirement pending the final decision of the grievance procedure.
- I. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with the assignment of duties; provided, however, in the event it is agreed by the Board to hold proceedings during regular working hours, a member participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary or time.

ARTICLE VII - EMPLOYEE RIGHTS AND PROTECTION

Employees shall be entitled to full rights of citizenship, and no religious or political activities of any employee or the lack thereof shall be grounds for any disciplinary action or discrimination with respect to the employment of any employee. The private and personal life of any employee is not within the appropriate concern or attention of the Board except to the extent it affects the employee's job performance or the reputation of the school district.
- C. No employee covered by the terms of this Agreement shall be disciplined (including warnings, reprimands, suspensions, reductions in rank or occupational advantage, discharges, or other actions of a disciplinary nature) without just cause. Any such discipline, including adverse evaluation of employee performance resulting in disciplinary action shall be subject to the grievance procedure hereinafter set forth, including arbitration. The specific grounds forming the basis for disciplinary action will be made available to the employee and the Union in writing.

- D. An employee shall be entitled to have present a representative of the Union during any meeting which leads or may lead to disciplinary action. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the Union is present. Unless representation of the union is not readily available, then the Board retains the right to place the employee immediately on paid Administrative Leave on any offense that the Board or its designees determines warrants such action. The Board's designee and the union shall meet within two (2) working days to discuss the charge(s) and the pending measures the Board or its designees are considering to take on the pending charges. Should disciplinary action likely occur at a given meeting, the employee shall be advised immediately of said possibility and be advised by the employer of the right to representation under this provision of the agreement.
- E. An employee will have the right to review the contents of all records, excluding initial references, of the district pertaining to said employee originating after initial employment and to have a representative of the Union accompany him/her in such review. Other examination of the employee's files shall be limited to qualified supervisory personnel.
- F. No material of an adverse or disciplinary nature shall be placed in an employee's personnel file without the employee having had the opportunity to review it. The employee shall affix his/her signature upon reviewing any such materials. The employee's signature shall only signify awareness of the material, not acceptance of it. The employee shall have the right to attach a statement of dissent or explanation to any such materials placed in his/her personnel file.
