Similarly, the Association will not by force, intimidation or unlawful threats compel or attempt to compel any employee to join and support the Association, to pay dues or any other payment in support of the Association.

The employee has the right to remove any written material of which he/she is sole author from the personnel file at any time. The Central Office file is the official personnel file.

D. COMPLAINTS

No material, including student, parental, or school personnel complaints, will be placed in the employee's personnel file unless the employee has had an opportunity to review the material. Complaints against the employee shall be reduced to writing with the complainants, administrative action taken, and remedy clearly stated. The employee may submit a written notation regarding any material, and the same shall be attached to the file copy of the material in question. If the employee is requested to sign any material, such signature shall be understood to indicate awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material.

Evaluations will be based on observed work performance (head cooks will receive two observations of one half (1/2) hour) and/or the results of work performance of the employee and said evaluations are to serve a dual purpose of (1) providing a basis for improvement and (2) providing a measurement of effectiveness. Written evaluations will be discussed with the employee by the last day of work for the school year, but not later than August 15 for twelve-month employees, and prior to placement in the employee's personnel file. The employee shall have the right to attach a written response to their evaluation. All monitoring and observation of the work of an employee shall be conducted openly. Criteria will be related to the evaluation form. Employee evaluation shall not be considered a step in the progressive disciplinary process. A copy of the current form shall be attached to the Agreement (Appendix F) and if/when the form is modified in accordance with the terms of the agreement, the new form shall be distributed to the employees.

F. ASSOCIATION REPRESENTATIVE CONDUCTING BUSINESS

Duly authorized representatives of the Association (KHSSA/KCEA/MEA/NEA) will be allowed to transact official business on school property provided it is during a time when members of the Association are on appropriate breaks or are not being compensated. **ARTICLE V
NEGOTIATIONS PROCEDURES**

A. NO OBLIGATION TO NEGOTIATE

This Agreement represents the agreement of both parties on all issues which were the subject of negotiations. During the term of this Agreement, neither party is required to renegotiate with respect to any matter either directly or indirectly related to this Agreement.

B. PROBLEMS RELATING TO AGREEMENT

When problems arise relative to the administration of this Agreement, representatives of the Board and the Association's Bargaining Committee will meet at a mutually agreed time for the purpose of reviewing the administration of the Agreement and to resolve problems that may arise. These meetings are not intended to bypass the Grievance Procedure. Should a meeting result in a mutually acceptable amendment of the Agreement, then the amendment will be subject to ratification by the Board and the Association. The Bargaining Committees are empowered to effect temporary accommodations to resolve special problems.

C. BARGAINING AUTHORITY

In any reviews described in this Article, neither party has any control over the selection of the negotiating or bargaining representatives of the other party; and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each have the necessary power and authority to make proposals, consider proposals, and make tentative agreements. It is not the intent of this paragraph to provide for continuous negotiations.

D. CONTRACT VARIANCES

The parties recognize the Board's right to implement pilot or experimental programs, not to exceed three (3) years. The Board and the Association are experimenting with a wide range of educational techniques and reforms. The parties recognize that some of the experiments may conflict with the terms and conditions of the Agreement. Such variations are acceptable under the Agreement provided each variation is approved by the Association and the Board. Provided further that no such variations shall be deemed precedent setting, nor shall they extend beyond the life of the Agreement. The contract variance does not apply to pilot or experimental programs adopted by the Board. Any pilot program to exceed three (3) years may do so by mutual agreement of the Association and the Board.

Any modification of the current contract must be submitted on the approved deviation form. Said modifications must be mutually agreed upon by both the Board and the Association. See Appendix C for contract variance form.

Any contract request for variance shall be submitted to the District Professional Council for review. The Professional Council will meet within two (2) weeks after receiving a request for variance to review the request. If the request is approved, it will go to the KHEA, the KHSSA and the Board for final approval. The Professional Council shall be composed of the Superintendent, Director of Finance, KHEA President, the KHSSA President and others mutually agreed upon.

ARTICLE VI GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A "grievance" is a claim, by one (1) or more employee(s), or the Association, of an alleged violation or improper application of this Agreement
2. Association grievances will commence, in writing, at Level Two. Grievances involving more than one (1) employee may be filed by the Association commencing, in writing, at Level Two.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. Both parties agree these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is consistent with the terms of this Agreement.

C. PROCEDURE

1. Time Limits – Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum and every effort should be made to expedite the process. If appropriate action is not taken by the aggrieved within the time limit specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. If the time limits of Level One are violated, no grievance can be processed. In the event the written answer is not submitted in the time specified, the aggrieved may proceed to the next level. The time limits specified may, however, be extended by mutual agreement, in writing, between the Association President or designee and the Superintendent or designee.
 - a. For the purpose of the time limits in the grievance procedure, legal holidays, Saturdays, Sundays, the Wednesday before Thanksgiving, Christmas break and spring recess shall not be counted.
 - b. All other days that are normal Administration Office work days will be counted in the time limits. It is understood that the time limits are maximums and can be extended with the written mutual consent of both parties.
2. Grievance Form - Grievances will be filed only on the form specifically designed for such a purpose and referred to as "Grievance Report Form - Kenowa Hills Public Schools." Copies of this form will be available from the Administration Office and Officers of the Association (A sample grievance form is shown under Appendix E in the back of this Agreement).
3. Levels
 - a. Level One - An employee shall, within ten (10) working days of the occurrence of the grievance, orally discuss the matter with the immediate Supervisor with the objective of resolving the matter informally.
 - b. Level Two - If the aggrieved is not satisfied with the disposition from the oral discussion and wishes to further pursue the matter, he/she shall file the grievance in writing with the Supervisor within five (5) working days of the oral discussion of the grievance with the Supervisor.

Within five (5) working days of the filing of the written grievance, the Supervisor or his representative will meet with the aggrieved employee, or the aggrieved employee and his/her Association Representative if the employee requests the Association Representative to be present, in an effort to resolve the grievance. The Supervisor will have five (5) work days from the date of this meeting to respond in writing as to his/her disposition.

An Association grievance commencing at this level shall be filed within ten (10) work days of the alleged occurrence of such a grievance.

- c. Level Three
 - i. If the aggrieved is not satisfied with the disposition of the grievance at Level Two, he/she shall within five (5) working days thereafter transmit the grievance to the Director of Finance indicating a desire to pursue the grievance to Level Three. At this level, the grievance must be signed by the aggrieved and the Association.
 - ii. Within ten (10) working days of receipt of such grievance, the Director of Finance or his designee may meet with the aggrieved and the Association Representative(s) to discuss the issues. A written answer shall be given to the aggrieved and the Association Representative within ten (10) working days after receipt of such grievance if the Director of Finance or

Designee elects not to hold a conference to discuss the grievance, or within twenty (20) work days after receipt of the grievance if a conference is held.

An employee who has satisfactorily completed the probationary period and whose personal illness or disability extends beyond the period compensated under Article XI shall be granted a medical leave of absence without pay for up to twelve (12) months. Upon request to return from such a leave, the employee shall be assigned to the first available position provided that the employee is able to perform the duties required. The Board may require medical verification prior to the commencement of such a medical leave and prior to the return from such a leave. Any employee returning from a leave without pay, shall return to the position he/she occupied immediately prior to the beginning of the leave, provided the leave duration is ninety (90) calendar days or less. Any employee who is on a leave of more than ninety (90) calendar days and returns after the beginning of the school year shall be assigned to the least senior position within his/her classification. Any employee who is on a leave of more than ninety (90) calendar days and returns before the beginning of the school year shall have right of assignment in accordance to seniority within the given classification. NOTE: The Board may, at its discretion, extend the ninety (90) days or less leave requirement for an employee to return to his/her position occupied prior to the beginning of an unpaid leave.

B. GENERAL UNPAID LEAVES

An unpaid leave of absence may be granted at the option of the Board to an employee who has successfully completed a probationary period. Each case will be looked at individually and final determination will rest with the Board as to whether or not a general unpaid leave of absence may be granted. In no case will an unpaid leave of absence extend beyond a twelve (12) month period from date of leave (ART. XII, C,3).

C. CONDITIONS FOR ALL UNPAID LEAVES

When a leave of absence is granted under the conditions specified under A. or B. above, such a leave of absence shall:

1. Not entitle the employee to accrual of sick leave or any Board paid fringe benefits, except under the provisions of Article XI, F (Adoption Leave)
2. Not entitle the employee to advancement on the salary schedule for the time away from actual employment.
3. To be eligible to return to work the employee must, within twelve (12) months notify the Director of Finance in writing of his/her intent to return. Timely notification of intent to return shall entitle the employee to the first vacant position (comparable to the vacated position) for which he or she is qualified. Should no comparable vacant position exist, the employee would remain on leave and entitled to the first comparable vacancy for a total of twenty-four (24) months. NOTE: The total duration of leave would not exceed twenty-four (24) months. The refusal of offered comparable employment will terminate the employee's contractual rights and sever employment between the board and the employee.

4. A physician's statement will be required prior to the return from a medical leave of absence. The Board reserves the right to send the employee (at Board expense) to its own doctor for a second opinion.
5. A leave of absence and all contractual rights will automatically terminate, if the employee on the requested leave of absence files for unemployment with the Michigan Employment Security Commission.
6. An employee on a leave of absence will automatically forfeit all contractual rights if he/she takes employment with any other employer during the period of unpaid leave granted by the Kenowa Hills Board of Education.
7. While on a leave of absence, a bargaining unit member may maintain his/her own insurance benefits at the bargaining unit member's own initiative and on a self-pay basis whenever that conforms with the policy of the applicable insurance carrier (Art. XIV A.6).

Example: An employee works week 1 and week 2. The employee then reports time worked in week 3. The payroll check for this time period reported would occur or be dated the Friday of week 4.

2. Employees shall report hours worked. The employer may require any classification of support staff employees to utilize a time keeping system for the purpose of determining time worked.
3. Employee pay advices or employee website will show sick leave, personal days and vacation day accumulation totals.

D. OVERTIME

No employee may work more than forty (40) hours in a given week without the prior approval of his/her immediate Supervisor. The explanation of additional hours must be listed on the time card. When an employee is away from his/her job for any reason, this must be reflected on the time card with an explanation listed as well. Compensation for overtime is described in Article VIII, B., of this agreement. Compensatory time off may be given instead of overtime pay, if mutually agreeable to the Supervisor and the employee.

E. COMPENSATORY TIME OFF (COMP TIME)

Employees may opt to accumulate overtime hours worked as comp time instead of paid overtime. Hours worked over forty (40) on a weekly basis are eligible to be treated as comp time for payroll purposes. Comp time accumulates at the rate of 1-1/2 hours for every hour worked that exceeds 40 hours weekly.

Comp time may be accumulated to a maximum of thirty (30) hours for school year employees and forty (40) hours for calendar year employees. At the end of the school year, any compensatory time of five (5) hours or less or any compensatory time earned during the last ten (10) work days, may be carried over to the next school year, but cannot be taken until after the first ten (10) days of school. Support staff must notify the building administrator by June 1 of each school year as to their desire to carry over compensatory time or be paid for it. Any comp time noted on time cards which exceeds the maximums will be paid in wages for the pay period in which it is earned. Employees are responsible for listing any comp time earned or used on their time card covering the affected pay period. Comp time that is not noted on time cards will be disallowed.

Comp time may be used as paid time off from work. Employees may use comp time for this purpose with the prior approval of their immediate supervisor. Requests to use comp time must be made at least two (2) weeks prior to the time off date requested.

F. COMPENSATION

The basic compensation of each employee shall be as set forth in Appendix B. There shall be no deviation from said compensation rates during the life of this Agreement, except that Board may, in its sole discretion, grant credit on the wage schedule for outside experience/training when hiring new employees, not to exceed one year for each year of job related experience.

This stipend will be treated as retirement reportable wages. The stipend will be reduced by the applicable retirement rate as part of the calculation. The stipend shall remain in effect until the employee receiving the stipend terminates employment with the district.

ARTICLE XIV SENIORITY, LAYOFF AND RECALL

A. SENIORITY

1. The term "unit seniority" means continuous employment service with the Kenowa Hills Board of Education while performing Bargaining Unit work as defined in Article I, A.
2. "Classification seniority" means employment service in a specific position of the Board of Education represented by the Association and as defined in A, 3. of this Article. Employees shall accrue seniority in each classification they work for the period of their employment in that classification.
3. For the purpose of stating classification seniority, there shall be six (6) classifications. They are as follows:
 - a. ASD Paraprofessionals
 - b. Bilingual Paraprofessionals
 - c. Food Service
 - d. Grounds and Maintenance
 - e. Paraprofessionals
 - f. Secretaries

B. UNIT SENIORITY AND CLASSIFICATION SENIORITY

1. Employee seniority shall accrue from the employee's date of hire in the unit and the classification. Date of hire is considered to be the employee's first scheduled day of work per the district calendar.
2. Seniority for employees who have the same date of hire shall be granted seniority based on the last 4 digits of their Social Security Number ranked from lowest to highest.
3. When an employee moves into a different classification the seniority in the prior classification shall be frozen (for no more than 2 years from the date the employee leaves the classification).
4. Each employee who is laid off shall retain their seniority date for a period of twenty four (24) months. Employees who are on an unpaid leave of absence shall retain their seniority date for a period of twelve (12) months (See Article XII, C, 3.).
5. Each new employee hired by the Board shall serve a ninety (90) calendar day probationary period within the school year (days during the summer break do not count for completing the ninety (90) day probation period) during which time he/she shall have no unit seniority or classification seniority. This probationary period may, with mutual agreement of the Association, be extended to one hundred twenty (120) days. Upon successful completion of the probationary period by the new employee, such employee shall receive unit seniority and classification seniority from the date of his/her hire in the bargaining unit. In the event that more than one employee has the same seniority date, there shall be a meeting to establish a tie-breaker. The tie-breaker meeting will be administered by the Association utilizing a "luck-of-the-draw" process.

Following the tie-breaker meeting, the Association will provide written notice of rank order of seniority to the Director of Finance for all affected employees. The lack of seniority for probationary employees shall be interpreted to mean that the Board may discipline and/or discharge such employees and the employee and/or the Association shall have no recourse to the grievance procedure.

C. LOSS OF UNIT SENIORITY AND CLASSIFICATION

Unit seniority and classification seniority shall be lost if any of the following apply:

1. The employee retires, quits, or is discharged.
2. The employee is absent three (3) consecutive work days without properly notifying the building administrator or supervisor. If the building administrator or supervisor is notified of extenuating circumstances which are beyond the control of the employee, the building administrator or supervisor may waive this condition.
3. The employee does not return from a leave of absence within three (3) working days after the leave expires.
4. The employee does not return from layoff status within ten (10) working days from date of recall, except as provided in Article XIV, H (Recall).
5. The employee is transferred to a Board position outside this unit (see Article I, A), excluding layoff by reduction of hours. Employees laid off by reduction of hours shall retain seniority in the bargaining unit for recall purposes only. In the event the employee returns to this unit, his/her former unit seniority and classification seniority in this unit shall be reinstated.
6. An employee laid off for two (2) years will be considered terminated and all contractual rights, etc, will end on the anniversary date of the layoff.

D. SENIORITY LIST

The Board shall maintain a list indicating unit seniority and classification seniority of the position in which the employee is currently employed and which shall be available to the Association upon written request. This list shall be posted each semester. If no objections are received within fifteen (15) working days, then each list as posted shall not be subject to the grievance procedure. The Association shall be responsible for the initial seniority lists and compiling, and obtaining agreement from bargaining unit members to all official seniority lists. The initial seniority list, once presented to the Board by the Association, cannot be changed and is not grievable. All employees employed prior to July 1, 1977 will be credited with full-time unit and classification seniority.

E. BUMPING RIGHTS

An employee whose position has been eliminated may, within 10 working days, exercise his/her right to bump any less senior employee in that classification provided they have the necessary qualifications to assume that position. The employee will have the right to bump the least senior employee in the same classification working the same or closest number of hours as the employee whose job was eliminated.

F. LAYOFF

1. Procedure - The word "layoff" means a reduction in the number of employees employed in a bargaining unit position(s) represented by the Association. A layoff can result from an employee's loss of a bargaining unit position, or the employee's loss of regularly scheduled hours resulting in the employee working fifteen (15) hours or less per week for thirty (30) working days. If a layoff occurs for any reason, the following procedure will be used.

- a. The Superintendent or designee will meet with the Association President or designee and discuss the reduction.
- b. The Superintendent or designee will attempt to reduce staff through attrition or voluntary layoff.
- c. If reduction is still necessary, probationary employee(s) employed in those classifications where layoffs shall occur shall be the first to be laid off. Employee(s) who are not on probation, in positions affected by layoff shall be laid off according to the inverse order of their seniority in that classification, provided that a higher seniored person is available and has the necessary qualifications to perform the job responsibilities of the person being laid off in that classification. Layoff notice shall be given at least thirty (30) working days prior to the effective date of the layoff, except in event of an employee work stoppage.

G. REDUCTION OF HOURS

Employees regularly scheduled hours of work shall not be reduced except for the least seniored employee in each seniority classification. The intent of this provision is to maintain the employee(s)' regularly scheduled hours from the previous school year. When a reduction in hours occurs, the district has the option to change work schedules, work assignments or any combination thereof in an effort to maintain the hours of the reduced employee. If travel is required, time for travel is paid but mileage will not be paid. The district has the option to change the hours of positions at the time of a vacancy or job creation.

However, in the event of a serious financial concern or budgetary crisis, the Association agrees to meet with the Director of Finance or designee to discuss the method of staff reduction.

If an employee voluntarily takes a position that is fewer hours than their current assignment, that move would not be considered a reduction of hours.

Employees who have been displaced due to a reduction in hours or have had their position eliminated will have first rights to select open positions during the positions selection process for the following school year.

H. RECALL

1. A recall can result from the employee being recalled to a vacancy that is more than fifteen (15) hours. A recall can also result by adding regularly scheduled hours that result in working more than fifteen (15) hours per week for a period exceeding two (2) full pay periods. The employee shall endeavor to notify the business office whenever their regularly scheduled hours have been increased or decreased.
2. The Board shall not be required to recall any probationary employee(s). When the work force is increased following a layoff, employees (not on probation) shall be recalled in the inverse order of layoff within a given classification. An employee recalled to a position with fewer hours and/or lower pay, shall have the right to reject that position and remain on the recall list for future positions, not to exceed the period of recall provided under Article XV, C, 6. It is understood by all concerned that such rejection may cause loss of unemployment benefits. Notice of recall shall be given by mailing, by certified mail, to the employee's address which is on file with the Board at the time of recall.

I. TERMINATION

Each employee not returning to employment with the Board within ten (10) working days after the recall is considered to be a voluntary termination by the employee of employment with the Board.

J. ANNEXATION, CONSOLIDATION

It is understood and agreed that should the Association survive any consolidation or annexation as the collective bargaining representative of the combined bargaining units of Kenowa Hills and any other school district, the Kenowa Hills Board shall and will meet its collective bargaining obligations with respect to the Association and

the resulting bargaining unit, provided, however, that this shall not require the Board to bargain prior to any consolidation or annexation nor shall it require the Board to apply the terms of this Agreement to the resulting bargaining unit.

**ARTICLE XV
VACANCIES, TRANSFERS AND PROMOTIONS**

A. POSTING VACANCIES AND POSTING INFORMATION

A vacancy shall be defined as any Association position (defined in Article I, A,1.), either newly created or a present position, that is not filled. All vacancies shall be posted in a conspicuous place in each building of the district for a period of five (5) working days. Said posting shall contain the following information:

1. Classification
2. Hours to be worked
3. Location of work
4. Starting date
5. Qualifications

B. APPLICATION PROCEDURE

Interested employees may apply in writing to the Director of Finance or designee, within the five (5) days posting period.

C. FILLING VACANCIES

Vacancies will be filled with the most qualified applicant from within the affected classification. The Administration shall determine the qualifications for the position based upon the job to be performed. The Administration may invite the Association to have a representative present during the selection process to participate in an advising role. Copies of all district postings shall be sent to the KHSSA President. If the qualifications of two (2) or more applicants are equal, seniority will determine the appointee to the posted position. Should no qualified employee from the affected classification apply, the vacancy shall then be filled with the most senior qualified applicant from the other classifications. If there are no qualified applicants from the bargaining unit the Administration reserves the right to hire a person from outside the bargaining unit. Within ten (10) work days after the expiration of the posting period, the Director of Finance or designee shall make known his/her decision as to which applicant has been selected to fill a posted position or state that the position is not to be filled. Upon request, the Director of Finance will discuss the reasons an individual applicant was not selected for a vacancy. The Board may fill a vacancy on a temporary basis for no more than forty-five (45) working days following the creation of the vacancy.

D. PROBATIONARY PERIOD

In the event of transfer in the classification or transfer from one classification to another, the employee shall be given a thirty (30) work day probationary period in which to show his/her ability to perform on the new job. The Board shall give the employee transferred reasonable assistance to enable the employee to perform up to the Board's standards on the new job. If the employee is unable to demonstrate ability to perform the work required during the trial period, then the employee shall be returned to his/her previous assignment.

E. INVOLUNTARY TRANSFER

Employees shall not be placed on a lower step on the salary schedule due to an involuntary transfer or promotion. The parties agree that involuntary transfers of employees are to be minimized and avoided whenever possible. In all cases the Administration reserves the right of final determination as to building assignment and work shift (See Article II, E, 2), but will give a written notice of reason for permanent change upon request of the employee. If an employee is being considered for an involuntary transfer due to a job performance problem, the following steps shall take place:

1. Notification of the employee involved.
2. A plan of improvement or changes that can correct the performance problem(s).
3. A minimum of 60 calendar days to change.

The Association shall be informed of the problem and be involved in the process. Immediate involuntary transfers are possible in an emergency. Transfers due to program changes, bumping, hours protection, reassignment, etc. do not need to follow this transfer plan.

F. PARAPROFESSIONAL ASSIGNMENTS

All paraprofessionals will be notified of their assigned positions at a single meeting to be held on by June 30th of the current fiscal year. Assignments will be based on qualifications, seniority and the average number of hours worked per week the previous year. The Director of Finance or designee will make the assignments with input from the Association and building administrators. These assignments will be based on vacancies and jobs known to exist for the next fiscal year. The Director of Finance or designee, the Association President and the affected employees will meet to discuss the assignments. Notice of this meeting will be sent to all bargaining unit paraprofessionals at least seven (7) days prior to the meeting. Employees interested in changing their hours or assignment (examples could be working at a different building, working in a different room or working more hours) should notify the Director of Finance at least five (5) days prior to the meeting.

EMPLOYEE RIGHTS

UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- x The birth of a child or placement of a child for adoption or foster care;
- x To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- x To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- x For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- x For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with HTXLYDOHQWSDIEHQHÄVVDQGRWKHUHPSORIPHQWWHUPVDQGFRRQGLWLRQV

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

BENEFITS & PROTECTIONS

ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- x Have worked for the employer for at least 12 months;
- x Have at least 1,250 hours of service in the 12 months before taking leave;* and
- x Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine L1WKHOHDYHTXDOLÄHVIRU)O`SSURWHFWLWRQ6XÄFLHQWLQIRUPDWLRQFRXOGLQFOXGHQIRUPLQJQDQHPSORIHUWKDWWKHHPSORIHHLVRU will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

(PSORIHVVPDÄOHDFRPSODLQWZLWKWKH86`HSDUWPHQWR/DERU:DJHDQG+RXU`LYLVLQRUPDIEULQJDSULYDWHODZVXLV against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.
