AGREEMENT

THIS AGREEMENT entered into this 14th day of June, 2022 by and between the BENTON HARBOR AREA SCHOOLS, BERRIEN COUNTY, MICHIGAN hereinafter referred to as the “Board” and the BERRIEN COUNTY EDUCATION ASSOCIATION/MEA/NEA and its local affiliate, the BENTON HARBOR EDUCATION ASSOCIATION/MEA/NEA, hereinafter referred to as the “Association.”

WITNESSETH:

The general purposes of this Agreement are to set forth the salaries, hours and all other terms and conditions of employment, which shall prevail for the duration of this Agreement and to promote orderly and peaceful Employer-Employee relations for the mutual interest of the Board, the faculty, and the students who attend the Benton Harbor Area Schools. Recognizing that providing a quality education for the students in the District is the primary objective and obligation of the parties hereto, the Board and the Association, for and in consideration of the mutual promises, stipulations, and conditions hereinafter specified, agree to abide by the terms and provisions set forth herein for the duration of this Agreement. The Mission of Benton Harbor Area Schools is to educate, guide, and inspire students by developing their skills and knowledge to be globally competitive. The Board of Education, the Administrative Staff, and the Professional Teaching Staff have definite responsibilities in providing such education, therefore, we hereby declare:

WHEREAS, the Board under law, has the responsibility for establishing the policies for the District, and

WHEREAS, the Administrative Staff has the responsibility for carrying out the policies established, and

WHEREAS, the Professional Teaching Staff has the responsibility for carrying out the established educational policies in the classroom, and

WHEREAS, the parties to this Agreement have a common goal of providing the best possible education for all students, and

WHEREAS, the Board has a statutory obligation, pursuant to the Public Employment Act, Act 379 of the Michigan Public Acts of 1965, to negotiate with the Association as the representative of its teaching personnel with respect to salaries, hours, terms, and conditions of employment, and

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I – RECOGNITION

SECTION A: BARGAINING UNIT DESCRIPTION

The Board hereby recognizes the Association as the sole and exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, for all school certified professional personnel employed by the Board, including all classroom teachers, speech therapists, psychologists, social workers, guidance counselors, librarians/media specialists, literacy and math interventionists. For psychologists, speech therapists and social workers to be covered, they must be school certified. Such representation shall exclude the Superintendent, assistant superintendents, directors, principals, assistant principals, administrative assistants, coordinators, supervisors, paraprofessionals, secretaries, custodians, bus drivers, cooks and other food service employees, maintenance personnel, substitutes, contracted speech therapists, non-degreed annually authorized CTE instructors, teachers-in-training, and all other administrators and non-teaching employees of the Board, including employees who are not school certified and any individuals employed through a vendor contract.

SECTION B: TEACHER DEFINITION

The term “teacher” when used hereinafter in this Agreement shall refer to all employees who are included in the bargaining unit.

The term “ancillary staff” shall refer to all bargaining unit employees who are school certified but not subject to the Tenure Act or are outside the bargaining unit assigned to positions for which a teaching certificate is not required. Certificated counselors and certificated speech therapists who are not employed pursuant to a third party contract are considered “teachers” for purposes of this agreement.

SECTION C: BARGAINING AGENT

The Board agrees not to negotiate with or recognize any teachers’ organization other than the Association for the duration of this Agreement.

SECTION D: TEACHER RIGHTS

Nothing contained within this contract shall be construed to deny or restrict any teacher or the School Board rights that either entity may have under the Revised School Code, or other applicable laws and regulations. The rights granted to teachers and the Board hereunder shall be deemed to be in addition to those provided elsewhere. It is understood and agreed that this contract shall supersede and govern all individual teacher employment contracts, except as applicable to prohibited subjects of bargaining.

ARTICLE II - ASSOCIATION RIGHTS

SECTION A: ASSOCIATION REPRESENTATIVES

Upon advance notice to the building administrator or other functional area administrator, the Association and its representatives shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations. Notwithstanding the provisions of this Section, nothing herein shall be construed to prohibit the Benton Harbor Area Schools District from requiring visitors to a particular building to check in at the Principal's Office upon entering and leaving said building. It is understood that state law requires the Association to reimburse the Board for an employee's MPERS cost of release time permitted during the scheduled work day.

SECTION B: ASSOCIATION MEETINGS

The district shall avoid scheduling events immediately following the workday on Mondays. Upon completion of their responsibilities to the students, teachers will be released. Teacher organizational and/or association meetings may be held at that time. Meetings will be scheduled through the normal building facilities use procedure.

SECTION C: ASSOCIATION DAYS

Leaves of absence without pay or benefits shall be granted to those teachers representing the Association at meetings with the Administration and to attend educational classes or conventions at the Association's discretion unless otherwise mutually agreed upon between the Association and the Board. Meetings held by administration where a union representative's attendance is required and held during the normal teacher workday will be paid without cost to the representative other than the ORS requirements. A written request for such leaves shall be presented to the Superintendent or his/her Designee by the Association at least one (1) week prior to the beginning of the anticipated absence. No more than ten (10) days will be granted for such leaves of absence in any one school year and the duration of any one leave shall not exceed five (5) school days, provided that a substitute teacher is available for the day. Upon request the Superintendent or Designee may grant additional days.

Those teachers who are granted leaves of absence under this Section shall reimburse the Benton Harbor Area Schools for any monies placed into MPERS for the employee.

SECTION D: ASSOCIATION PRESIDENT'S RELEASE TIME

- (1) For the board's convenience, The BHEA President shall be granted a maximum of six (6) days per school year to be used to work with the board in ensuring contract compliance. Release hours may be utilized in one-half day increments. Subject to ORS rules, the BHEA President shall be released without loss of pay or other benefits. A BHEA president may leave his/her assigned building during his/her conference or planning period which shall be scheduled for either the first or last period of each day.

- (2) The BHEA also agrees to reimburse the Board for costs listed below, incurred for substitutes when the President is from the elementary (K-5) level. Such reimbursement shall be for one-half (1/2) the daily substitute rate. Should an individual substitute exceed sixty (60) one-half (1/2) days substitution for the BHEA President, the BHEA agrees to assume the additional cost of contractually provided health insurance. The BHEA and the Board agree to share this cost proportionately, based upon substitution time for the parties, any incurred costs of unemployment compensation. The BHEA financial obligation to the Board for the President's release time shall be limited to regular elementary (K-5) classroom teachers.
- (3) The Board reserves the right to select the substitute and to require continuity of service from that substitute when the BHEA President is from the elementary (K-5) level. In no case shall the selection process or continuity waive the right to the specified release time.
- (4) The Association President granted release time in accordance with this Section shall reimburse the Benton Harbor Area Schools for any monies paid to MPSERS for employee.

SECTION E: USE OF FACILITIES AND EQUIPMENT

The Association shall have the right to use school buildings and facilities, e-mail, telephones, computers and printers, fax, internet access, copying machines, and other duplicating equipment at times other than when the equipment is not otherwise in use or needed for school business, provided approval is obtained from the individual directly responsible for said equipment. The Association shall pay for the reasonable cost of all materials and supplies incident to such use. No charge shall be made for the use of school facilities any time when buildings are operational and not secured. Use of the district's facilities or equipment shall not violate state or federal law.

SECTION F: BULLETIN BOARDS

The Association shall have the right to post notices of activities in matters relating to Association business on teacher bulletin boards. One bulletin board shall be provided at each educational site, and shall be monitored by the building Association Representative. Any materials posted shall not contain anything of a defamatory nature. Posting of materials on political candidates is not allowed.

SECTION G: MAIL SERVICE

The Association may use the regularly established mail service and teacher mailboxes for communication of Association business to teachers, provided the material transmitted contains nothing of a defamatory nature. All material placed in the district mail service shall be signed by an official of the Association. Use of mail service shall not violate state or federal law.

SECTION H: DISTRICT RELATED INFORMATION

The Board agrees to furnish to the Association in response to reasonable requests all available information (pursuant to the Freedom of Information Act and the Public Employee Relations Act)

concerning the financial resources of the District, including but not limited to: annual financial reports and audits; register of certificated personnel; tentative budgetary requirements and allocations (including ISD budgets); agenda and minutes of all non-executive Board meetings; treasurers report; and the census and membership data. The Board will also make available the names and addresses of all teachers; salaries paid thereto, and any educational background; and such other information as will assist the Association in developing intelligent, accurate, informative, and constructive programs on behalf of the teachers and their students, together with information which may be necessary for the Association to process any grievance or complaint. The Association shall reimburse the District for the reasonable cost in preparing and furnishing any information not normally compiled and not readily available.

If the District hires non-certificated individuals, the District shall provide the Association, if requested, a copy of any documentation provided to the State Department of Education to verify that there was not a certificated applicant to fill said position.

SECTION I: TAX, CONSTRUCTION, AND EDUCATIONAL POLICY

Whenever the Board is desirous of Association assistance in the promotion of any new or modified budgetary or tax program, construction program (exclusive of site options), proposals for major educational policies, or additional operational and/or building millage, the Association shall be given the opportunity to advise the Board's designee with respect to said matters prior to their adoption and/or general publication.

SECTION J: COPIES OF AGREEMENT

The District shall provide a copy of the collective bargaining agreement on the District's web site within 60 days of ratification.

ARTICLE III - TEACHER RIGHTS

SECTION A: TEACHER RIGHTS

Academic freedom and the right to be treated with dignity and as a professional shall be guaranteed to all teachers. SECTION B: NON-DISCRIMINATION CLAUSE

The parties hereto recognize and agree that neither shall discriminate in dealing with employees or applicants for employment because of their race, color, creed, religion, gender or sexual orientation, height, weight, age, qualified disability, marital status, national origin, genetic information, or political belief, nor shall either party discriminate against any employee because of his/her membership or non-membership in the Association, or because of his/her participation or lack of participation in the Association's functions and/or activities. It is understood and agreed that this provision shall not expand the time limits specified in any applicable law.

SECTION C: TEACHER PERSONNEL FILES

A teacher shall have the right to review, upon written request, the contents of his/her personnel file, excluding initial employment references which reveal the identity of the person making said reference, maintained by the District following initial employment. A teacher may be accompanied by a representative of his/her choice during such a review. All material related to a teacher's employment which is used to determine the teacher's qualifications for employment, promotion, transfer, additional compensation or which is disciplinary in nature will be kept in a central personnel file in the Human Resources Office. All records not covered in this provision shall be subject to examination by the teacher in accordance with the Freedom of Information Act.

A copy of anything placed in a personnel file will be given to the affected individual.

The following minimum items of information will be available in the personnel file:

- All teacher evaluation reports
- Transcripts of academic records
- Individual contracts
- Requests for transfer and leaves
- All disciplinary documents

When a teacher is requested to sign material placed in the personnel file, such signature shall be understood to indicate his/her awareness of the material but shall not be interpreted to mean agreement with the content of the material. A teacher shall have the right to submit a written statement regarding any material contained in the personnel file. Such statement shall be attached to the disputed document. Teachers wishing to correct or expunge material within their personnel file shall follow the procedure contained within the Bullard-Plawecki Employee Right to Know Act.

SECTION D: PROTECTION OF BARGAINING UNIT WORK

Teaching vacancies in the bargaining unit may be filled by a qualified person not covered by the bargaining agreement provided there are no qualified applicants or bargaining unit employees and upon prior notice to the Association.

SECTION E: POLITICAL/ORGANIZATIONAL ACTIVITIES

The Board and the Association shall not interfere with a teacher's right to join and/or participate in legal organizations and political parties unless such participation is inconsistent with a teacher's official duties.

ARTICLE IV - PROFESSIONAL TEACHER RESPONSIBILITIES

SECTION A: CONDITIONS OF EMPLOYMENT

It shall be the responsibility of each teacher to keep his/her teaching certification current and valid. In addition, the following conditions shall be required:

- Each new teacher must assume the responsibility for filing his/her valid Michigan teaching certificate, or other document indicating same, with Human Resources, before the date of employment. Each teacher shall also file an up-to-date certified transcript of college or university credits or a dated copy of a letter requesting that such transcript be forwarded directly to Human Resources.
- Each teacher shall be required to present evidence of freedom from active tuberculosis in accordance with state health department requirements, to the extent consistent with state and federal law. It shall be the responsibility of the Board to provide each newly employed teacher, with the following:
 - Appropriate health/option insurance forms
 - Uniform Code of Discipline and Student Rights and Responsibilities

If any document listed above is revised, the District shall provide an updated copy to all teachers within a reasonable amount of time.

SECTION B: PROVIDING PROFESSIONAL SERVICES

The teacher, in signing a contract with the Board of Education, agrees to perform those professional services as defined by the Board and in conformity with this Agreement. A teacher further agrees to make his/her services available to all students who have been assigned to him/her, taking into account the needs of each individual student and the student's range of ability, experience, performance and goals. It shall be the responsibility of each teacher, within the limits of the resources provided by the Board, to motivate each student, to inspire in students an inquiring mind and respect for truth, a recognition of individual freedom, social responsibility and the democratic tradition, to provide them with understanding and respect for the Constitution, Bill of Rights, the law, and an appreciation of individual personality.

SECTION C: TEACHER-STUDENT RESPONSIBILITY

A teacher being legally responsible for the students assigned to him/her, shall not leave a class or group of students unattended, except, in an emergency situation affecting the health, safety or welfare of the teacher or students; or where there is an absolute necessity which cannot be taken care of at a time other than break or non-instructional time. In such event, the teacher shall secure supervision by another teacher from the immediate area. If the teacher is to be out of the classroom more than ten (10) minutes, the teacher shall notify the principal.

SECTION D: STUDENT PROGRESS

The Board and the Association recognize that the ability of students to progress and mature academically is a combined result of school, home, economic and social environment. Teachers shall be held accountable for providing the opportunity for academic achievement of the students in the classroom.

SECTION E: ATTENDANCE AND TARDINESS

The Board and the Association recognize that the regular attendance by a teacher is important for the continuous instruction of students. A teacher's abuse of sick leave or other leaves such as excessive tardiness or absence, as evidenced by a pattern of behavior, shall be handled as a disciplinary matter.

SECTION F: PROFESSIONAL APPEARANCE

It is the responsibility of teachers to be cognizant of their appearance with respect to dress, grooming, personal hygiene, and manner because it influences the reaction of students to the staff member and to the general learning environment.

SECTION G: TRANSPORTATION OF STUDENTS

No teacher shall be required to transport students.

SECTION H: LEAD TEACHER

In those buildings which have no assistant principal, the principal shall with the consent of the tenure teacher concerned, appoint a Lead Teacher. This teacher shall be the person designated to report to the principal and/or an administrator any student related problems that need special attention during said administrator's absence.

The Lead Teacher shall be remunerated at the rate of \$500 per semester; co-lead teachers may share the duty at \$250 per person per semester. The Lead Teacher shall not be required to act in the manner inconsistent with their membership in the bargaining unit. The principal shall notify the Lead Teacher when he/she will be absent from the building and the length of said absence.

ARTICLE V - COMPENSATION

SECTION A: SALARY

The basic salaries of teachers covered in this Agreement are set forth in **Appendix A** which is attached hereto and incorporated in this Agreement.

SECTION B: TEACHING EXPERIENCE CREDIT

A teacher may be given credit on the salary schedule for previous teaching experience, provided said teacher's credentials are recognized for certification by the State of Michigan. The Board may grant additional credit for extraordinary experience or critical skills when hiring new employees. By the end of each semester, the Association President shall be notified if a teacher is allowed credit for experience. The Board's discretion in this regard is not subject to the grievance procedure.

SECTION C: VERTICAL ADVANCEMENT ON THE SALARY SCHEDULE

Unless otherwise agreed, any teacher employed prior to the beginning of the second semester during the course of the school year shall be credited with one year's experience increment toward vertical advancement on the following year's salary schedule, provided that the teacher was rated at least Effective on the most recent year-end performance evaluation.

Teachers who receive an Ineffective or Minimally Effective rating on their evaluations, will advance a half step on the salary schedule the following year (Appendix A). If, however, at the subsequent mid-year evaluation, the teacher achieves Effective or higher rating, he/she will advance another half-step on the salary scale effective February 1 (prorated to the remainder of contract days).

SECTION D: HORIZONTAL ADVANCEMENT ON SALARY SCHEDULE

The following definitions and conditions shall apply with respect to horizontal advancement on the salary schedule. For the purpose of this Section, all semester credits shall be from an accredited college or university. Further, all applicable credits shall be defined as credits earned after the date confirming the last highest degree earned and shall be credits of graduate level or above.

- B.A. Schedule shall apply to all teachers possessing a Baccalaureate Degree from an accredited college or university and holding a provisional, permanent, continuing, or professional certificate.
- M.A. Schedule shall apply to all teachers possessing a Master's Degree or higher from an accredited college or university and holding a provisional, permanent, continuing, or professional Teaching Certificate, and school social workers or speech pathologist/therapist.
- All credits must be submitted to the Human Resources Office on an official transcript of credits from an accredited institution of higher learning.
- All credits must be at a level at least commensurate with the degree presently held by the teacher, be directly related to the District's school curriculum (for example, but not

limited to, school administration), or be directly related to a District approved program of study.

- Salary schedule adjustment based on experience or credit hour improvement shall be computed and applied twice per year on September 30th and January 31st. To qualify for credit hour improvement on the salary schedule, the course work must have been completed prior to August 31st from an accredited University or College for the first semester adjustment or December 31st for the second semester adjustment, and an official copy of the transcript submitted to the Human Resource Office within forty-five (45) days.

SECTION E: ELIGIBILITY - FRINGE BENEFITS

The provisions of this Article on fringe benefits shall apply to those teachers in the regular school year day-school program only. Full-time day regular school year employees shall be entitled to full benefits, and half-time day regular school year employees shall be entitled to a pro-rated share of the benefits. Full-time employee for purposes of health insurance eligibility is any teacher regularly scheduled to work at least 30 hours per week.

SECTION F: BOARD PAYMENT OF INSURANCE PREMIUMS

The Board shall make payments of specified insurance premiums for all eligible employees to assure insurance coverage for the full individual contractual period, up to twelve (12) months, commencing July 1 and ending June 30. Payment shall not exceed the amounts contained in Subsection G. These premiums shall be paid throughout that period even though the teacher may not be returning to work the next school year. The open enrollment period is in November, to be effective January 1. Should there be a qualifying event (i.e., birth, adoption, job change, divorce, death, etc.), the employee should notify Human Resources to discuss coverage options. The Board shall be responsible for providing insurance information including applications and claim materials. If the cost is less, the Board may elect to package the health, life, dental, vision and LTD insurance into a MESSA PAK.

SECTION G: HEALTH INSURANCE

Effective upon ratification of the Agreement, and for the life of this Agreement the Board shall provide a portion of the health care cost to eligible employees, for any Association selected MESSA Plan Options.

The Board will contribute 90% of the Treasury approved hard cap amounts towards health insurance premiums starting with the first pay period of 2022-2023 school year. Effective January 1, 2023, the Board will contribute 100% of the Treasury approved hard cap amounts towards health insurance premiums.

The definition of healthcare costs contribution by the school district shall include all costs identified in P.A. 152 of 2011, as amended. Such employee contributions shall be payroll deducted from bargaining unit employees' wages/salaries by the District. The Board shall provide a pre-tax premium payment plan to allow eligible bargaining unit employees to pay contributions for

healthcare coverage with pre-tax dollars upon receiving a valid written authorization from the member and in accordance with the IRS Code.

The insurance costs are pro-rated over 26 or 27 pays. The medical benefit coverage year and plan year is January 1 through December 31 and any changes in cost will occur on January 1 of each year.

SECTION H: INSURANCE OPTIONS

Where more than one member of the same family, i.e., husband, wife, or unmarried children are employed by the Board and are eligible employees, the Board may specify whether both or all shall enroll as individuals, or whether one shall enroll for full Family Coverage and list the other or others, provided that all such members of the family shall have, at all times, the coverage to which they are entitled by virtue of the employment status of any members of the family. In the event an employee's spouse is employed by someone other than the Board, and his/her employer provides comparable health insurance coverage paid for by that employer, the Board shall be relieved of any liability for the purchase of health insurance for said employee.

It shall be the responsibility of the employee to inform the Administration of his/her desire for coverage or of any change in family status that may affect the insurance.

The cash-in-lieu per month will be four-hundred (\$400). In order to receive cash in lieu, teachers must provide proof that they receive PPACA compliant health insurance from another source.

SECTION I: LIFE INSURANCE

For the life of this Agreement, the Board shall provide as part of PAK B a total of \$20,000 Term Life Insurance with \$20,000 Accidental Death and Dismemberment for each employee. For those employees who select a MESSA Plan, the Board will provide a total of \$15,000 Term Life Insurance with \$15,000 Accidental Death and Dismemberment for each employee.

SECTION J: DENTAL INSURANCE

For the life of this Agreement, the Board shall provide as part of PAK A, PAK B, PAK C dental insurance under Delta Dental Plan with Co-pay 85/85/50/50, including internal and external coordination of benefits.

SECTION K: VISION CARE

For the life of this Agreement, the Board shall provide as part of PAK B MESSA vision insurance, Plan VSP 2 Silver.

SECTION L: CONTINUITY OF BENEFITS

All full-time bargaining unit staff shall be entitled to insurance coverage under this Article. For employees working less than full-time, but at least half-time, shall be prorated based upon the normal work day or work year.

Employees working less than half-time are not entitled to any Board paid insurance benefits.

The Board shall maintain insurance coverage provided in this Article from July 1 through June 30 for all eligible employees provided the employee has completed his/her contractual work year. Should an employee complete his/her contractual work year and be covered through another employer prior to June 30, it shall be that employee's responsibility to so inform the Board to avoid redundant coverage. Any employee who has completed the entire school year and whose employment with the District terminates at the end of the school year, shall continue to receive insurance benefits under this Article through August 31 of the year in which their employment terminates, unless they notify the Human Resources Office that they have alternate coverage through MPSERS or another employer.

An employee who is hired with an effective first work day after the first required work day of the school year shall be entitled to employee benefits for a duration determined on a pro-rata basis.

For those employees who are laid off due to lack of work or on prolonged leaves of absence, the Board will pay the subscription (premium) rate for the employee's insurance coverage through August 31. In order for such employees to continue coverage beyond such time, they must make arrangements for the payment of the total premium or subscription rate for succeeding months, in which event coverage will be available to them to the extent permitted by the respective policies and/or certificates.

In the event an employee is laid off, terminated, resigns, or retires with notice during the school year, the insurance shall be continued until the employee has received the pro-rata portion of the twelve (12) month insurance year earned at the time of the termination, lay off, resignation, or retirement.

In the event an employee dies during the school year, the Board shall continue insurance coverage until the employee has received the pro-rata portion of the twelve (12) month insurance year earned at the time of the employee's death. If the employee dies after the completion of the school year, and providing the policy permits continued dependent coverage, the Board shall continue payments of the applicable premiums through August 31 of that year.

SECTION M: PAYROLL DEDUCTIONS

If the conference/meeting registration expense is known in advance, the District shall pay the same amount in advance directly to the organization conducting the conference/meeting. Teachers attending such conferences and meetings will be granted sufficient leave time without loss of compensation. Teachers will, upon request, submit a written report regarding such conference.

SECTION P: EXTRA-DUTY COMPENSATION

Teachers involved in voluntary extra-duty assignments as set forth in **Appendix B**, which is attached hereto and incorporated in this Agreement, shall be compensated in accordance with the provisions of this Agreement without deviation. In the event that no teacher who meets the posted minimum qualifications requests or is available for Appendix B duties, the Board may fill the position with someone from outside the bargaining unit.

SECTION Q: TEACHER INDIVIDUAL HOURLY RATE

SECTION T: LONG TERM DISABILITY INSURANCE

The Board shall provide, without cost to the employee, Long-Term Disability Insurance including Social Security Freeze. Benefits shall be paid at sixty percent (60%) of salary up to a monthly maximum of \$3,000.00 and shall begin after expiration of the employee's accumulated sick leave or sixty (60) calendar days. Elementary teachers shall remain in the school building ten (10) minutes after student dismissal for the remainder of the teacher work day or professional learning committee (PLC) time, as applicable, whichever is longer. All secondary teachers shall remain in the school building twenty (20) minutes after the student dismissal. All teachers will attend PLC time, as applicable. Each teacher will be informed in writing of the beginning and ending time of the teacher work day and student days.

Each building principal will make such reasonable rules as conditions permit to waive the teacher dismissal rules following student dismissal to allow teachers to leave their building on Fridays and the day before holidays, so long as teachers fulfill their professional responsibilities to the district.

Teachers shall be provided with the required number of, state mandated professional development days.

SECTION B: STUDENT SUPERVISION

Teachers shall be responsible for the supervision of students during the school day, including, for those periods of time designated before and after school. This supervision shall include the classroom and assist with security in the hallways during student passing time. However, it shall not include bus supervision or lunchroom supervision. At the close of the student day, teachers may be required to escort students to a designated building exit or to a central waiting area. The principal may assign teachers to student supervision in an emergency, or when an unusual condition or situation exists, not to exceed the teacher's contractual time without compensation set forth in **Appendix B**.

All teachers, grades K-12, shall be responsible for the supervision of students ten (10) minutes before the start of the student day and ten (10) minutes after student dismissal.

If a teacher is voluntarily assigned to supervise students beyond the teacher work day, he/she shall be remunerated at the rate of .001 of the B.A. base to the nearest fifteen (15) minute interval. Should no teacher volunteer for said supervision duty, the building principal shall rotate such duty on a month-to-month basis, beginning with the least senior teacher and continuing in ascending order thereafter.

SECTION C: TEACHER BREAK/PLANNING TIME

Elementary (K-5) Teachers:

- All K-5 teachers will normally be provided one forty (40) minute planning/preparation period either before or at the end of the scheduled instructional day. Every 10th planning

- Grade level teams and the building principal shall collaboratively develop and publish the PLC calendar no later than the Friday of the first week of school. PLC shall not be scheduled on Fridays or a day before a holiday. If the PLC would have been scheduled to fall on the day before a holiday, it must be rescheduled.
- Non-classroom teachers will follow all starting and ending times as classroom teachers, including planning time provided outside the student day. All classroom teachers grade K-5 will receive a total of one hundred twenty (120) minutes of planning time each week during the regular instructional day in a manner to be determined by the District.

Secondary (6-12) Teachers:

The planning shall be done in the teacher's classroom or other location in the building. The teacher may use the planning/preparation time as a conference period with a parent when the conference is held within the school building to which the teacher is assigned. A teacher may leave the building during his/her planning/preparation time when authorization to leave the building has been pre-approved by the building principal.

However, every 10th planning period shall be a PLC meeting. Department and/or grade level teams and the building principal, as appropriate, shall collaboratively develop and publish the PLC calendar no later than the Friday of the first week of school. PLC shall not be scheduled on Fridays or a day before a holiday. If the PLC would have been scheduled to fall on the day before a holiday, it must be rescheduled.

At the middle and high schools, the normal weekly teaching load for regular classroom teachers will not exceed six (6) teaching periods and one (1) academic advisory or academic tutor lab and

five (5) forty (40) minute planning/preparation periods, after the instructional day, and every 10th school day shall be a Professional Learning Community (PLC) meeting.

At the secondary level, Academic Advisors mentor and coach students around their school work and school day checking on their test scores, grades, homework, attendance, and study skills. Academic tutors provide assistance to students who have questions about their classes in the content area of the tutor.

Additional PLC time may be required through release time or stipends at the hourly rate specified in Appendix B.

SECTION G: ADDITIONAL TEACHER RESPONSIBILITIES COMPENSATION

If a teacher is required to teach during his/her respective planning time for a semester, and assumes all of the teaching duties and responsibilities including planning for the additional class period/assignment, the teacher shall receive additional compensation as stated in Appendix B.

SECTION H: FACULTY MEETINGS

One (1) faculty meetings may be regularly scheduled each month. If necessity arises, a building principal may schedule up to five (5) additional faculty meetings during the school year. These meeting will be scheduled through mutual agreement with the Principal and Staff with a calendar distributed the first month of the school calendar. Other meetings will be called as necessary with forty-eight (48) hour notice, except in the case of emergency, and will not extend beyond thirty (30) minutes after student dismissal.

All teachers shall be required to attend faculty meetings unless excused by their building principal. Teachers who are enrolled in a class related to their teaching duties or another degree in education for which credit is being earned, shall be excused from these faculty meetings in sufficient time to attend said classes, provided notice is given to the building principal one (1) week prior to the start of the first class.

Faculty meetings will convene within fifteen (15) minutes of the dismissal of students and will be restricted to one (1) hour duration (not including time for building Association Representative). Teachers may submit items to be included on the agenda, if done forty-eight (48) hours in advance to the building principal. Said teacher(s) shall assume full responsibility for ascertaining and complying with that, which was discussed at the faculty meeting.

Teachers shall have the right to request faculty meetings with their building principal which will be held within two (2) working days of said request, where possible. If an itinerant teacher is based in a specific building, he/she shall attend all faculty meetings in that building, as well as up to two (2) meetings for his/her specified area per month.

SECTION I: TEACHER MEETINGS WITH PARENTS AND STUDENTS

Teachers are expected to be available to parents and/or students for consultation. The responsibility of the teacher to be available for conferences with parents and/or students is recognized as a

teacher's professional responsibility and shall be encouraged. Such conferences shall be accomplished by personal appointment, or by mutual agreement between the parent and teacher.

SECTION J: PARENT-TEACHER CONFERENCES

Parent-teacher conferences in the fall and spring shall be scheduled by the District in accordance with the Board approved calendar and published at the beginning of the school year.

The District shall provide security personnel for said evening conference times. All teachers are required to attend parent-teacher conferences unless excused by their building principal.

SECTION K: NORMAL TEACHER MEETINGS AND RESPONSIBILITIES

Nothing herein contained shall be construed to relieve teachers of their obligations to attend, and participate in parent teacher conferences, building meetings, departmental and/or vertical coordination meetings, and other meetings and programs called by members of the Administration. Further, it is recognized that the nature of teaching and service in public education is such that duties and responsibilities will normally be performed outside the scheduled day without additional compensation, unless explicitly stated otherwise within this agreement.

With the exception of the meetings and activities identified in this Article, no teacher may be required to attend more than three (3) meetings, programs, or activities per semester after their regular scheduled work day. This shall include required Parent Teacher Organization (PTO) meetings.

SECTION L: TEACHER RECORD DAYS

Teacher record days are to be reserved solely for record keeping and preparation of materials. Teachers shall be at their building on record days at the regular established time and shall not leave the building until the end of the established time, except for a sixty (60) minute lunch period, including District-wide professional development scheduled prior to the commencement of the school instructional year.

Teachers shall not be responsible for the completion of student report cards until the close of the record day. To ensure proper completion of student report cards, the principal shall have the right to require a teacher to return the following workday to properly complete student report cards deemed unsatisfactory.

SECTION M: NEW TEACHER ORIENTATION

Any teacher who is newly employed by the School District shall be required to attend two (2) additional days, which shall be added to the beginning of the teacher's work year. New staff hired prior to the start of the school year shall receive one-hundred-fourty (\$140) dollars per day for those two additional days. Teachers who may be employed after the beginning of the teacher's normal work year shall be provided with a minimum of one-half (1/2) day paid release time to meet with the building principal for the purpose of orientation. This time shall be provided within the first week of the individual's employment.

It shall be the responsibility of the building administrator to orient the new teacher to the various forms and policies that the new employee will be required to utilize in the performance of his/her job.

The Chief Academic Officer and/or the Chief Human Resources Officer and such other persons as the Superintendent deems appropriate shall conduct two (2) meetings per semester limited to two (2) hours duration for newly hired teachers for the purpose of orienting them to the District and answering questions that may arise.

ARTICLE VII- TEACHING CONDITIONS

SECTION A: TEACHER DISTRICT FACILITY AND EQUIPMENT USE

The Board agrees to provide, within the budget limitations, the following:

- Fax, computers, printers, internet access, materials, and a copying machine, in accordance with building policy, to aid teachers in the daily preparation of instructional materials during the school day.
- Parking facilities in a reserved area near each building, when available, for the loading and unloading of materials and equipment.
- Telephones will be provided in all buildings for incoming and outgoing school related calls.
- Lunchroom and lavatory facilities for adult personnel and a faculty lounge appropriately furnished.
- A desk and filing cabinet for each classroom teacher.
- Space, which can be locked, shall be provided for a teacher's personal articles in each classroom.
- Storage in each classroom for instructional materials.
- A teacher's edition of basic texts used in each of the courses he/she is required to teach. Teacher's editions of other levels and Board approved texts are to be obtained and returned through the building principal. All efforts will be made, district-wide, to locate and provide these editions.
- Materials required in daily teaching responsibility.
- Both the Board and the Association share a common concern regarding the creation of a proper environment, which impacts both students and teachers. When a teacher believes that the physical environment is affecting the educational process, he/she shall notify his/her building principal. If the situation is not rectified within a reasonable period of time, the teacher shall notify the Superintendent or his/her designee in writing. The teacher shall receive a response within a reasonable period of time.

SECTION B: TEACHING TOOLS

The Board recognizes that appropriate texts, library reference facilities, maps, globes, laboratory equipment, audiovisual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. Basic instructional materials, for required teaching units, within budgetary limitations will be provided for teachers at the beginning of the school year, or the students' first attendance day, where possible. A student text and related activity unit books shall be provided for each student whenever possible.

SECTION C: INSTRUCTIONAL MATERIALS

SECTION D: TEACHER RESPONSIBILITY FOR MATERIALS, EQUIPMENT AND FACILITIES

Teachers shall be responsible for the proper care and utilization of materials, equipment, and facilities assigned to them.

SECTION E: STUDENT-TEACHER RATIO

The Board recognizes that the pupil-teacher ratio is an important aspect of an effective educational program. The Board agrees that where, in its judgment, smaller classes will enhance the learning opportunities of the students, it will continue its efforts to maintain equal class size, at or below maximum class size, as much in keeping with this necessity as is dictated by the financial conditions of the District, the building facilities available, the availability of qualified teachers, and the best interest of the District as administratively deemed feasible. The following recommended standard class sizes will be used at each grade level and subject. The Board and the Association may mutually agree to make necessary deviations from these maximum class sizes due to financial conditions or problems involving student placement.

Calculations of class enrollments shall be made on the current official fall student count day of the school year as established by law or regulation. Any equalization of class size shall be completed no later than five (5) working days after the official fall student count.

In the event class enrollments in any particular room exceed the maximum allowable class size, enrollment in such class shall be administratively closed. The Central Administration shall be allowed five (5) working days to make any student count adjustments necessary. Should the student enrollment thereafter decline below the maximum class size, the class shall thereafter be open for additional student enrollment.

If an assigned classroom's student count exceeds the current classroom maximums (agreed to by both parties) the teacher will be responsible for notifying the building administrator in writing immediately upon the occurrence so the administrator may take steps to relieve the overload, within available resources.

The parties agree that if overload continues for a period of more than five work days beyond the date of the teacher's notification, on the sixth school day the teacher will begin to receive a pro-rata amount as follows:

- Elementary teachers (Grades K-6) – twenty (\$20) per day, per student for a maximum of \$120 per day.
- Secondary teachers (Grades 7-12) - \$3.40 per class period for each student, maximum of twenty (\$20) per class period, up to one-hundred-twenty (\$120) per day.

Moreover, teachers with overloads will be responsible for immediately notifying administration in writing when the number of enrolled students in the classroom is diminished. Students will be distributed as equitably as possible among all similar classes before any overages, or additional overage, will be made to any one class.

Overage payments shall be made as soon as administratively feasible after the end of the semester.

SECTION L: DUTY DURING EMERGENCIES

Teachers shall remain on duty, as long as necessary, in the event of emergency situations involving severe weather warnings. Other situations where there is a threat to the health or safety of students/employees and the teacher is required to remain beyond his/her normal work day, said teacher shall be compensated at his/her hourly rate of pay on a pro rata basis.

ARTICLE VIII- STUDENT DISCIPLINE

SECTION A: STUDENT DISCIPLINE

The Board recognizes its responsibilities to give all reasonable support and assistance to teachers with respect to maintenance of control and discipline in the classroom. The Board and the Association agree to carry out the provisions of the Uniform Code of Discipline consistently so that the educational process may continue with the minimal amount of interruption. When possible, each student shall be provided with a current copy of the Student Disciplinary Code and each principal or designee shall review same during the first two weeks of the student year or within the first week a new student attends the building.

Whenever it appears that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, or in cases where the presence of a particular student in the class will impede the education of the balance of the class because of disruptions caused by said student, the teacher will consult with the building principal concerning the student. Appropriate discipline, including removal from the class and suspension shall be administered in accordance with the Uniform Code of Discipline. Teachers shall be expected to exercise all due care with respect to the safety and welfare of students and property, and to report suspected instances of child abuse, neglect or other situations that compromise student safety and welfare, to the principal, or in the principal's absence, to the Superintendent, and to comply with mandatory reporting requirements of the Child Protection Law.

SECTION B: PHYSICAL FORCE AND STUDENT DISCIPLINE

Any teacher may, at any time, use such reasonable force as is necessary to protect himself/herself, a fellow teacher, District employee, or student from attack, physical abuse, or injury. All disciplining of students must be in accordance with the current Uniform Code of Discipline.

SECTION C: STUDENT REMOVAL

Pursuant to Michigan Revised School Code Section 380.1309 and the BOE Policy 5610, a student may be suspended from a class, subject, or activity for one (1) day by his/her teacher for certain conduct as specified in the BHAS Student Code of Conduct. Prior to the suspension, the teacher should first consider if restorative practices could remediate the offense.

The teacher shall immediately report the suspension and the reason for the suspension to the school principal and send the pupil to the school principal (or designee) for appropriate action.

As soon as possible after a suspension under this section, the teacher shall ask the parent or guardian of the student to attend a parent-teacher conference regarding the suspension. Whenever practicable, a school counselor, school psychologist, or school social worker shall attend the conference.

The teacher shall not utilize the suspension under this term in such a fashion as to result in more than total ten (10) school days of suspension in a school year.

During a suspension under this section, that school day the pupil shall not be returned to the class, subject, or activity from which he/she was suspended without the concurrence of the teacher of the class, subject, or activity, and the school principal.

Nothing within this section supersedes or preempts the rights of students with disabilities under IDEA and/or Section 504. All procedures for suspension of students with disabilities are to be followed as outlined by the Student Code of Conduct. The teacher will maintain a record of compliance with these conditions.

SECTION D: TEACHER ASSAULT

Any case of attempted or actual physical or sexual assault upon a teacher shall be promptly reported to the immediate supervisor. The immediate supervisor shall immediately report any such incident to the Human Resources Department.

SECTION E: CHILD ABUSE OR NEGLECT REPORTING

The parties recognize that the handling of suspected child abuse or neglect is governed by the provisions of the Child Protection Act Law. Among other things, the Child Protection Law, requires that teachers who have reasonable cause to suspect child abuse or neglect must report same to the Department of Human Services/Child Protective Services. Therefore, the Board will adopt no policy nor shall the administration establish any rule or regulation, practice, procedure, or requirement which is inconsistent with the provisions of the Child Protection Law, provided however, in the event the teacher makes a referral to the Department of Human Services/Child Protective Services, a copy of any written report or form submitted by the teacher shall also be provided to the building principal by such teacher, and in the principal's absence, to the Superintendent.

The report shall include the date filed, the specific non-disciplinary complaint, and the names and signatures of all complainants. A copy of the non-disciplinary complaint shall be provided to the employee within five (5) working days of the time that said complaint was filed with the administration. A non-disciplinary complaint will not become part of a personnel file.

SECTION C: DISCIPLINE OF MEMBERS NOT SUBJECT TO MICHIGAN TEACHERS' TENURE ACT

All bargaining unit members who are not subject to the Michigan Teacher Tenure Act shall not be disciplined (including warnings, reprimands, demotions, discharges, or other actions of a disciplinary nature) without just cause. The parties shall subscribe to the concept of progressive discipline, which unless the seriousness of the offense warrants accelerated discipline, minimally includes oral warning, written reprimand, suspension with or without pay, with discharge as a final and last resort. Any disciplinary action taken against a non-tenured member shall be appropriate to the behavior which precipitates said action. Any such action which is claimed to be unjust shall be subject to the professional grievance procedure. Information to be utilized in any grievance shall be shared by both parties.

SECTION D: TEACHER LEGAL ASSISTANCE

If a teacher is the subject of civil action brought by a student or parent for action taken within the scope of one's professional employment, and the teacher acted consistent with Board policy, the Board will provide legal counsel and render all necessary assistance to the teacher's defense. Teachers shall have the right to retain outside legal counsel at their own expense. The Board may provide such counsel through their insurance carrier.

SECTION E: TEACHER DEFENSE

When legal proceedings occur in which the District is involved in the defense of a teacher against a suit brought by a student or parent, any time lost will not be charged against a teacher provided the teacher acted consistent with Board policy.

SECTION F: PROPERTY DAMAGE REIMBURSEMENT

The Board will reimburse teachers for any damage or destruction of clothing or personal property, excluding vehicles, up to four-hundred-dollars (\$400), not due to negligence on the part of a teacher, which is not covered by other insurance in connection with any incident arising out of and in connection with one's professional employment.

SECTION G: COMMUNICABLE DISEASES

If the District intends to adopt communicable diseases policy that would affect the wages, hours, or working conditions of any member of the Benton Harbor Education Association, the District shall notify the Association that it wishes to commence bargaining on said issue. Bargaining shall commence within fifteen (15) work days of the written notice from the District.

ARTICLE X – NOTICE OF RESIGNATION

SECTION A: NOTICE OF FUTURE RESIGNATION

In order for the Board to plan for and provide a qualified teaching staff, any teacher resigning at the end of the school year shall notify the Board in writing as early as possible. Any teacher resigning prior to the beginning of the ensuing school year shall notify the Board in writing at least 60 days before September 1. Failure to do so, in the absence of mutual consent, may result in the teacher's loss of continuing tenure.

SECTION B: RELEASE FROM EMPLOYMENT CONTRACT

Teachers will not request release from their contract obligation during the school year except in case of dire necessity. The Board may respond with any or all of the following: demand specific performance of the contract, consent to the release contingent upon the Board finding a qualified replacement, require a minimum of two (2) weeks' notice, and accept the request while specifying that failure to give the required notice may lead to forfeiture of continuing tenure.

SECTION C: NO RETURNING TO BARGAINING UNIT

Except as specified in the Teachers Tenure Act, a teacher who, after July 1, 2019, transfers to or is hired for an administrative or supervisory position forfeits all rights under this Agreement.

SECTION D: DISCRETIONARY TRANSFER RIGHTS

A teacher may request for a transfer for the following school year to a different building unit. Requests must be made in writing, and presented to the Chief Human Resources Officer with a copy of the request sent to the building principal. The application shall set forth the school, grade, or position sought. The foregoing does not in any way restrict the district's sole right of placement. Placement decisions cannot be grieved.

ARTICLE XI – SENIORITY

SECTION A: SENIORITY: LENGTH OF BARGAINING UNIT SERVICE

For the purposes of this Article, length of bargaining unit service in the District shall be measured in semester units of employment from the initial date of hire (when the person first reported for work and received pay) in a bargaining unit position in the District. If a teacher has served as an administrator/supervisor prior to July 1, 2019, only those semesters worked as a bargaining unit member as provided in Article X, Section J shall be counted in this Section. When a teacher does not work an entire semester, credit will be given for any semester in which employment in the bargaining unit position is for half or more of the semester. Time spent on layoff by tenure teachers shall be counted as service time under this Section; however, time spent on layoff by probationary teachers shall not be considered as service time. Teachers who work less than full-time will have their semester credits pro-rated.

The first year of any approved leave of absence shall be counted towards seniority credit. Subsequent years of leave shall not be counted towards the seniority credit.

SECTION B: SENIORITY LIST

For the duration of this Agreement, the Board and the Association agree to recognize the Master Seniority List as was determined by lottery on November 14, 1981, and subsequently amended, with the mutual consent of the parties. Effective June 1, 2003, the rank and order placement on the seniority list of newly hired teachers with the same initial date of hire will be determined by a drawing. Affected staff will be notified of the date, time and place of the drawing and be permitted to be in attendance, along with the President of the Association.

Any teacher who enters a new semester seniority unit category due to:

- Break of professional services;
- Return from leave of absence of over one (1) year's duration;
- Return to the bargaining unit after administrative service;
- Acquiring fractional seniority because of less than full-time service; or
- Not being included in the lottery conducted on November 14, 1981 shall be placed at the end of his/her appropriate semester seniority list conforming to the provisions of this Section, not later than December 15 and April 15 of each school year.

SECTION C: RECALL BENEFITS

Teachers who were laid off and subsequently recalled shall be entitled to all sickness and leave benefits as provided herein. Utilization of such benefits at the time of recall shall not be considered proper reasons for failure to be reinstated.

SECTION D: NOTIFICATION OF RECALL

It shall be the responsibility of each laid-off teacher to keep the Board informed of his/her current address, email address and telephone number. If a teacher fails to accept an offer of re-employment

within ten (10) days from the date of receipt of the letter, or when the District receives notice that the certified letter is “non-deliverable,” the teacher shall be considered as voluntary quit and shall have no further rights of reinstatement.

SECTION E: RETURN OF UNEMPLOYMENT COMPENSATION BENEFITS

In the event that any bargaining unit employee is laid off at the end of the school year and is recalled before or at the beginning of the succeeding year, the employee shall reimburse the District for the unemployment compensation benefits received, if any, during the summer, by permitting the District to reduce the teacher’s salary in the ensuing year by the amount of benefits received. The manner of reduction shall be mutually agreed and if agreement cannot be reached the Superintendent or designee shall determine the manner of the reduction.

ARTICLE XII – SICK LEAVE

SECTION A: GENERAL SICK LEAVE PROVISIONS

The provisions hereinafter provided shall be automatically temporarily suspended any time ten percent (10%) or more members of the teachers report in sick coincidentally with a labor dispute involving Benton Harbor teachers. Teachers whose illness precedes the dispute will not be affected.

SECTION B: SICK LEAVE CREDITS

At the beginning of employment, each regular full-time teacher shall be pre-credited with sick leave days on the basis of one (1) day per month to a maximum of ten (10) days per year, which shall be cumulative from year to year. The Association agrees to cap the sick day accumulation at one-hundred-twenty (120) days. Employees with more than 120 days currently, will be held harmless and will retain their current sick day counts, with no accumulation of additional days.

SECTION C: SICK LEAVE STATEMENT

The Board shall furnish each teacher with a written statement by October 1 of each year setting forth his/her total accumulative sick leave credit.

SECTION D: UTILIZING SICK LEAVE CREDITS

Teachers who have accumulated sick leave credits may utilize sick leave for personal illness, disability or quarantine, and as otherwise provided in this Article. In the event the teacher has exhausted all sick leave credits and a medical doctor certifies that it is necessary for said teacher's personal health to continue off duty, said teacher shall apply for a leave of absence without pay or fringe benefits for the duration of the illness or temporary disability but in no event will sick leave extend beyond one (1) calendar year.

Qualified employees shall be eligible for paid sick leave in increments of not less than one-half (1/2) day from and to the extent of their unused accumulated sick leave credits in the following situations:

- When an employee's absence from work is due to the employee's non-duty incurred illness or injury provided such illness or injury was not attributable to the intemperate use of alcoholic beverages or controlled substance, unless the employee has committed one's self to a recognized and medically accepted cure program, or was not attributable to causes occurring while performing work for which the employee is paid by someone other than the Board.
- When an employee's spouse, child, or parent becomes ill, or is accidentally injured, the employee shall be entitled to five (5) days of accumulated sick leave credits when it is necessary for said employee to be absent.
- A father, upon the birth of his child, may use sick leave credits, concurrently with any application for FMLA, when it is necessary that he be absent from work for the purpose of caring for his other children.

- Evening Parent-Teacher conferences shall be considered as one-half (1/2) day for the purpose of utilizing sick leave credit. Further, the one-half (1/2) compensatory time day shall be considered as one-half (1/2) day for the purpose of utilizing sick leave credit.
- An eligible employee may on a once-a-year basis elect to convert up to a maximum of ten (10) sick leave days into a year-end merit payment at the rate of \$50 per day. To be eligible for such merit payment, an employee must maintain a balance of at least seventy-five (75) accrued sick leave days in his/her account after the conversion of the sick days. Requests for merit payments shall be given to the Human Resources Department in writing and be signed by the employee no later than December 1 each calendar year. Payment of the merit payment shall be made during December.

SECTION E: SECURING A SUBSTITUTE

In the event a teacher is going to be unavailable for work, the teacher shall follow the Board's designated procedure for securing a substitute as early as possible. The failure of a teacher to timely notify the Board or its designee of unavailability for work so that a substitute may be obtained shall result in the regular teacher losing a day's pay. Teachers are not to employ substitute teachers directly under any circumstances. If a teacher becomes ill during regular school hours, the teacher shall promptly notify the building principal so that other arrangements may be made to cover the teacher's responsibilities.

SECTION F: DOCTOR'S CERTIFICATION

The principal or appropriate administrator may require a medical doctor's statement if the District believes there is a pattern of abuse of sick days, or to ascertain a teacher's physical and/or mental fitness to return to duty at the conclusion of an extended sick leave due to illness or injury, or as needed to verify eligibility for FMLA leave.

ARTICLE XIII- OTHER LEAVES OF ABSENCE

SECTION A: TEACHER PERSONAL LEAVE DAYS

At the beginning of each school year, each full-time teacher will be credited with two (2) paid personal leave days per year. Personal leave days are entirely separate from sick leave and may be used at any time provided the following requirements are met:

- The teacher has completed six (6) months of continuous service with the District.
- The request for time off is submitted, in writing on a form provided by the Board, to the building principal/supervisor who shall forward it to the Chief Human Resources Officer for his/her approval. At the time the request is submitted, the teacher shall inform the building principal/supervisor of the requested day(s) off. The request must be filed in advance of the desired time off so that it reaches the Chief Human Resources Officer at least five (5) school days before the intended date of absence in order for the request to receive consideration, and if approved, the necessary arrangements can be made. Permission for such leave will not be unreasonably withheld. Emergency requests will be given consideration, and if approved, they will be granted as soon as possible. "Personal Leave" shall be sufficient reason for such requests.
- Except in emergency situations as determined by the Chief Human Resources Officer, such personal leave will not be permitted on the last school day prior to, or the first school day following a recess period, or during parent conference days, or student record days. Personal leave days shall be available for the practice of individual religious preferences. In addition, teachers may take days without pay, as needed to fulfill these obligations.
- Unused personal leave days shall be added to the teacher's accumulated sick leave.

SECTION B: FUNERAL LEAVE

A teacher shall be paid his/her salary for each day necessarily lost for each death in the immediate family, not to exceed three (3) days, to enable the teacher to make arrangements for and attend the funeral. When travel, distance, or other circumstances warrant, additional days of absence may be allowed without pay, or may be deducted from an employee's personal leave or sick leave days. If there is no personal or sick leave credit available, a salary deduction will be made on a pro-rated contractual daily salary basis. Immediate family is interpreted to include spouse, child, parent, foster parent, grandchild, grandparent, brother, sister, father-in-law, mother-in-law, brother and sister-in-law, son and daughter-in-law, stepchild, step-parent, and any other person for whose financial or physical care the teacher is solely responsible. Any other funeral leave shall be granted for one (1) day upon the sole discretion and approval of the administrator.

SECTION C: OTHER FUNERAL LEAVES

In the event of the death of a student or colleague employed by the District, the Board agrees to allow teacher representation at the funeral as determined by the Superintendent or designee.

SECTION D: JURY/WITNESS DUTY

A teacher called for jury duty or to give testimony before any judicial or governmental tribunal shall be compensated for the difference between the teacher's pay and the pay received from the performance of such obligation, with the exception of cases involving legal action brought against the Board by the Association or any member thereof.

If a teacher is released from jury/witness duty in ample time to report to the assigned work station one (1) hour or more before the end of the teacher's work day, said teacher shall so report in order to receive pay. Any witness, jury or subpoena fee, excluding mileage or meal reimbursement, received by the teacher shall be deducted from said compensation.

A grievant and the grievance chairperson who are called to testify during working hours at any arbitration hearing shall be paid his/her full compensation for such time.

SECTION E: UNPAID LEAVE

Teachers may request up to five (5) days of leave without pay. Such leave may be granted by the Superintendent or CHRO.

SECTION F: LEAVES IN CONJUNCTION WITH RECESS PERIOD

Leaves of absence will not be granted for the extension of school recess periods, except in cases of dire necessity, as determined by the Superintendent or designee. The Association agrees that absences for such purpose are a violation of this contract and are cause for withholding and deducting the teacher's salary at the teacher's daily rate of pay.

SECTION G: DISABILITY LEAVE (OTHER THAN FMLA)

In the event a teacher becomes temporarily disabled, the teacher may use accumulated sick leave days. Upon expiration of all such sick leave, or at any time during the disability, the teacher shall be granted a disability leave of absence without pay or Board paid fringe benefits for a period not to exceed one (1) calendar year providing certification from a medical doctor supports the necessity for such leave and the parties have engaged in the interactive process.

Should a teacher be able to reasonably anticipate the need for a temporary disability leave because of illness, injury, or disability, such teacher shall notify the Superintendent or his/her designee one (1) month prior to the anticipated beginning of the disability leave of absence. Said teacher shall be granted a temporary disability leave of absence without pay or Board paid fringe benefits for a period of up to one (1) calendar year, unless the teacher desires to return to work earlier, in which event the teacher shall:

- Submit in writing notice of intent to return to work to the Superintendent or his/her designee one (1) month prior to the expected date of return; and,
- Provide a certificate from a medical doctor attesting to the fact that the teacher's physical condition is such that said teacher is able to return to work to an assignment for which he/she is qualified and certificated.

In the event the work and/or attendance of a teacher is adversely affected due to a disabling condition prior to the teacher's voluntary taking a leave of absence, the teacher shall be required to take an involuntary disability leave of absence should the Board's medical doctor substantiate the need for such involuntary leave. In the event a teacher fails to return to work upon the expiration of a disability leave, the teacher shall be terminated and forfeit any further rights the teacher may have had under this Agreement or individual contract.

Teachers who desire to continue their health insurance while on a disability leave may do so at their own expense, subject to the conditions and terms of the insurance carrier.

Upon return from disability leave, the District shall reinstate a bargaining unit member consistent with the law. During any such voluntary or involuntary disability leave, seniority shall accrue to the affected teacher. Regular salary increment advancement shall accrue if such temporary disability leave of absence duration is ninety (90) teacher work days or less.

SECTION H: CHILD CARE LEAVE

A tenure teacher may be granted a child care leave, up to one (1) year, without pay or Board paid fringe benefits. No salary increment shall occur during said leave.

SECTION I: FAMILY AND MEDICAL LEAVE ACT

Leaves, pursuant to the Family and Medical Leave Act of 1993, as amended, shall be available in accordance with the Act.

This Family and Medical Leave section is not intended to interfere with the use of any other leave provision within this Article, but FMLA leaves shall run concurrently with other applicable contractual leaves.

SECTION J: MILITARY LEAVE

A teacher who enters the military service by draft or enlistment shall be granted a leave of absence without pay or Board paid fringe benefits for that purpose, and at the conclusion of such leave shall be reinstated in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA). The right to a leave of absence shall be consistent with the USERRA.

SECTION K: PROFESSIONAL IMPROVEMENT

The parties support the principle of continuing training of teachers, participation by teachers in professional organizations in the areas of their specialization work on advanced degrees, or special studies related to their job duties, foreign travel related to their teaching field, and participation in community educational projects. Leaves for the above purposes may be granted on a case-by-case basis.

SECTION L: **TEACHER DEVELOPMENT/PROFESSIONAL GROWTH**

A leave of absence without pay or Board paid fringe benefits may be granted to a tenured teacher upon written application and with Board approval for the following purposes:

- Study related to the teacher's certificated field;
- Study to meet eligibility requirements for a certificate other than that held by the teacher, except for people who do not hold a provisional certificate;
- Study, research, or special teaching assignment involving probable advantage to the School District.
- For the purpose of participating in exchange teaching programs in other school districts, states, territories, or countries, foreign or military teaching programs; the Peace Corps, Teacher's Corps, or Job Corps as a full-time participant in such programs; or cultural travel or work program related to the teaching responsibilities, provided said teacher states the intention to return to the School District upon expiration of the leave.
- The Board may grant a leave of absence without pay or Board paid fringe benefits of up to one (1) year to any teacher for meritorious reasons not otherwise provided within this Article. Meritorious leave will not be granted for the purpose of employment elsewhere. No salary increment shall occur during said leave.

Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as the teacher would have been had the teacher taught in the District during such period. The regular salary increment occurring during such period shall be allowed.

A leave of absence without pay or Board paid fringe benefits for a period of up to one (1) year may be granted to any tenure teacher, upon written application.

SECTION M: **UNPAID LEAVE CONDITIONS**

Any teacher on an unpaid leave of absence may continue his/her insurance benefits by paying monthly the normal per subscriber group rate premium for such benefits to the Board, as permitted by the insurance carrier and in accordance with the teacher's COBRA rights.

SECTION N: **DISCIPLINARY ACTION**

Bargaining unit members should be aware that willful violation of any of the provisions relating to a leave by any employee, or the willful making of a false report regarding any type of leave, may subject the employee committing such violations, or making such false report, to disciplinary action by the Superintendent of Schools and may constitute cause for reprimand, suspension, and/or discharge.

ARTICLE XIV- PROFESSIONAL GRIEVANCE PROCEDURE

SECTION A: GRIEVANCE DEFINED

A grievance shall be defined as any dispute regarding the meaning, interpretation, application, or alleged violation of the terms and provisions of this Agreement.

SECTION B: GROUP GRIEVANCE

If a grievance involves more than one (1) teacher and that group of teachers work under the supervision of a common principal/administrator, those teachers shall file any written grievance, at STEP ONE, with the common administrator, within ten (10) working days after the occurrence of the event upon which it is based or upon the reasonable ability to have knowledge of the occurrence. If the group of teachers has no common supervisory administrator, it shall file the written grievance, at STEP ONE, with the Superintendent or his/her designee.

SECTION C: ASSOCIATION GRIEVANCE

If there exists a dispute which involves the Association as an entity itself, or one of contract maintenance, the Association President may file a written grievance, at STEP ONE, with the Superintendent or his/her designee, within ten (10) working days after the occurrence of the event upon which it is based or upon the reasonable ability to have knowledge of the occurrence.

SECTION D: DEFINITION OF TEACHER

For the purposes of this Article, the word teacher shall refer to a single teacher or group of teachers who have filed a grievance.

SECTION E: WORKING DAYS DEFINED

The use of "working days" in this Agreement shall be defined as those days on which the District's Administration Office is scheduled for work between Monday and Friday (both inclusive) excluding holidays recognized under this Agreement.

SECTION F: GRIEVANCE PROCEDURE

In the event a teacher believes there is a basis for a grievance, the teacher is encouraged by both the Board and the Association to first discuss the alleged grievance with the building principal or appropriate administrator. The teacher shall be entitled to have an Association representative present during such discussion, and the principal shall be entitled to have present a member of the administrative staff.

It is understood and agreed that the processing of a grievance by a teacher and/or Association representative shall not interfere with any teacher duties and responsibilities. If, as a result of the discussion with the principal, or if no discussion is requested, a grievance still exists, the grievance shall be processed as follows:

Step One. The grievance must be reduced to writing, state the facts upon which it is based, when they occurred, specify the Section of the contract which allegedly has been violated, must be signed by the aggrieved teacher or the Grievance Chairperson and must be presented to the building principal/administrator concerned, the Superintendent or his/her designee, the Association President, and the Chairperson of the Association grievance committee, within ten (10) working days after the occurrence of the event upon which it is based or upon the reasonable ability to have knowledge of the occurrence. The Grievance Report Form is in **Appendix C**. The building principal/administrator shall meet with the grievant within ten (10) working days following receipt of the written grievance. The teacher shall be entitled to an Association representative and the building principal/administrator shall be entitled to representation by the Superintendent or his/her designee. The building principal/administrator shall issue a written answer to the grievance within ten (10) working days following the hearing and shall furnish a copy thereof to the aggrieved teacher, the Chairperson of the Association grievance committee, Association President, and Superintendent or his/her designee.

Step Two. If the teacher desires to appeal the decision of the building principal/administrator, the teacher or Chairperson of the Association grievance committee shall notify, in writing, the Superintendent with a copy to the Superintendent or his/her designee, within ten (10) working days after receipt of the STEP ONE answer. If such appeal is made, the Superintendent or designee shall meet with the teacher, the Chairperson of the Association grievance committee, and a maximum of five (5) Association grievance committee members to attempt to resolve the grievance, within ten (10) working days after receipt of the teacher's notice of appeal to this step. A copy of the Superintendent's/designee's disposition of the grievance shall be furnished to the aggrieved teacher, Chairperson of the Association grievance committee, and the Association President, within ten (10) working days after such hearing. The teacher shall be entitled to present witnesses at the hearing at this level; however, any witnesses shall be sequestered while not personally testifying at the hearing.

Step Three. If, at this point, the grievance has not been satisfactorily resolved, either party hereto shall have the right to submit the grievance to the American Arbitration Association, in accordance with its Voluntary Arbitration Rules and the Michigan Uniform Arbitration Act. The answer is then obtained, providing such submission is made within ten (10) working days after receipt by the Association or the Superintendent/designees'. If the grievance has not been submitted to arbitration within said ten (10) working day period, it shall be considered as being withdrawn by the Association.

SECTION G: **ARBITRATION**

The Arbitrator will have no authority to add to, subtract from, change or modify any provisions of this Agreement, but shall be limited solely to the interpretation and application of the specific provisions contained herein. The arbitrator is specifically prohibited from hearing or deciding any matter that is a prohibited subject of bargaining under PERA. The arbitrator's decision shall be in keeping with Michigan Law. The expenses and fees of the arbitrator and the American Arbitration Association shall be shared equally by the Board and the Association, except as otherwise agreed to by the Board and Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.

SECTION H: EXPEDITED ARBITRATION

The Association and the Board may mutually agree to process a grievance via the expedited grievance procedure according to the Expedited Labor Arbitration rules of the American Arbitration Association.

SECTION I: REPRESENTATION

Any party of interest shall have the right to representation of his/her choice and at his/her own expense including legal counsel, at all levels of the grievance procedure, except that a teacher may not be represented by a representative of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association will have the right to be present and to state its views at all stages of the grievance procedure.

SECTION J: GRIEVANCE HEARINGS

It is agreed by the parties hereto that grievances shall be processed during times which do not interfere with assigned duties. However, in the event it is mutually agreed by the aggrieved teacher, the Association, and the Superintendent to hold proceedings during regular working hours, a teacher participating in STEP ONE and STEP TWO of the grievance procedure, on his/her behalf, or on behalf of the Association, shall be released from assigned duties for the period necessary, without loss of salary. The building principal/appropriate administrator, who has supervisory responsibility over the grievant and is a party to the grievance, will be present at all level hearings.

All grievance hearings shall be conducted during times which have been mutually agreed upon by the Association and the Administration. Notice of all grievance hearings shall be furnished to the teacher, grievance Chairperson and Association President.

SECTION K: TIME LIMITATIONS

The time limits at any level of the grievance procedure may be extended by mutual agreement. In the event a grievance is not appealed from one level to the next within the time limits specified, the grievance shall be deemed to have, been settled on the basis of the last answer thereto. In the event the Administrator does not meet or respond to an oral complaint or a grievance is not answered at any level of the grievance procedure within the specified time limit, the grievance may, at the discretion of the Association, be advanced to the next level. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school year or as soon thereafter as possible.

SECTION L: GRIEVANCE CONTINUATION

Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution, unless the Board otherwise notifies the Association.

SECTION M: **GRIEVANCE REPRISALS**

No reprisals of any kind will be taken by either party or by any member of the Administration against any party in interest, any school representative, any member of the Associations grievance committee, or any other participant in the grievance procedure by reason of such participation.

ARTICLE XV- CONTINUITY OF OPERATIONS

SECTION A: NO STRIKE PROVISION

Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties have established a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association and/or its members accordingly shall not instigate, aid, and/or engage in a slowdown, strike, absenteeism, tardiness, or any concerted activity which adversely affects the operation of the School District. The Association acknowledges that the participation in such proscribed activity constitutes cause for the discharge of any teacher so involved and such other legal action as the Board deems appropriate.

SECTION B: INCLEMENT WEATHER

Nothing in this Article shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by an act of God. When the schools are closed to students due to the above conditions, teachers shall not be required to report for duty.

In the event schools are closed due to inclement weather, or other reasons deemed necessary, the District shall utilize all inclement weather days as permitted by state statute to ensure no loss of state aid.

Make-up days shall be scheduled by mutual agreement between the Board and the Association.

SECTION C: MECHANICAL FAILURE

In the event a school must be closed because of a mechanical failure and/or Act of God prior to or after the school is in session, and the students are sent home, teachers may be reassigned to another school building for the remainder of the day or until the school is deemed operable by the principal of the building.

ARTICLE XVI- BOARD RIGHTS

SECTION A: MANAGEMENT'S RIGHTS

The Association recognizes and agrees that, except as specifically limited or abrogated by the terms and provisions of this Agreement or by law, all rights to manage the operations of the School District and to direct and supervise the teachers who come within the jurisdiction of this Agreement are solely and exclusively vested in the Board.

SECTION B: COMPLIANCE WITH RULES AND REGULATIONS

Teachers are required to conform with all Board policies, all administrative guidelines, and all reasonable rules, regulations, and directives adopted by the Board or its representatives which are not in conflict with the provisions of this Agreement, provided that a teacher may reasonably refuse to carry out an order which poses an immediate threat to the teachers' health and safety.

Building rules and regulations affecting all staff members, and not concerning prohibited or illegal subjects of bargaining, will be issued in writing.

ARTICLE XVII- SUMMER SCHOOL

The District reserves the right to provide a summer school program and to establish such terms and conditions as it deems appropriate.

ARTICLE XVIII- ALCOHOL AND DRUG POLICY

In an effort to improve safety and health, including elimination of the presence and influence of illegal substances and alcohol from the workplace, all bargaining unit members who possess alcohol or drugs on the job site, except for medication prescribed by the employee's physician or over the counter medication, and employees under the influence of alcohol and/or drugs during working hours shall be subject to disciplinary action, up to and including discharge, in accordance with the rules and regulations as established by the Employer.

All bargaining unit members shall be subject to ongoing drug and alcohol screening tests. These chemical tests may be at random or may be implemented individually based upon the Employer's reasonable suspicion that an employee is under the influence of drugs and/or alcohol during working hours. All random testing shall be done on a designated group or on a bargaining unit wide basis. All drug and/or alcohol screening tests shall be conducted by a physician or health care professional. Such testing shall be in accordance with accepted standards of conduct within the medical industry.

ARTICLE XIX- MISCELLANEOUS

SECTION A: SUPPLEMENTAL AGREEMENTS

This Agreement incorporates the entire understanding of the parties on all issues which are or could have been the subject of negotiations and shall constitute the full and complete commitments between both parties. During the term of this Agreement, the parties may mutually agree to enter into supplemental agreements which must be reduced to writing and signed by the parties hereto to be valid.

SECTION B: INCONSISTENT TERMS

This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms.

SECTION C: SAVINGS CLAUSE

If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found to be contrary to law, then such provision or application shall be deemed invalid except to the extent permitted by law, but all other provisions of this Agreement shall continue in full force and effect.

SECTION D: RENEGOTIATING MASTER AGREEMENT

Sixty (60) days prior to the expiration of this Agreement, or at such other time as may be established by law, either party may initiate negotiations over a successor Agreement. Such negotiations will include but not be limited to, the subjects covered by this Agreement. Any Agreement so negotiated will apply to all bargaining unit personnel and will be reduced to writing and signed by the Board and the Association.

Wage reopener negotiations for the 2024-2025 school year may occur upon request of either party. During negotiations for a successor agreement, the Board's costs for any form of compensation shall not increase.

SECTION E: EMERGENCY MANAGER

If an emergency manager is appointed under the Local Financial Stability and Choice Act, he/she is authorized to reject, modify, or terminate this collective bargaining agreement as provided in the Local Financial Stability and Choice Act. (2012 Public Act 436).

ARTICLE XX- DURATION

THIS AGREEMENT supersedes all previous agreements between the parties and shall become effective as of the ratification of this agreement by both parties, and shall remain in effect until June 30, 2025.
