This Agreement, entered into this 1st day of August, 2021, by and between the Board of Education of the School District of the City of Bay City, Michigan, hereinafter called the "Board," and the Bay City Association of School Administrators, hereinafter called the "Association."

WITNESSETH:

WHEREAS, the Board and the Association recognize and declare that providing a quality education for the children of the Bay City School District is their mutual aim; and

WHEREAS, educational administrators are qualified to assist in suggesting and developing policies and programs designed to improve educational standards; and

WHEREAS, the parties, following deliberate professional negotiations, reached some certain understandings which they desire to incorporate into this Agreement;

THEREFORE, in consideration of the mutual covenants and benefits to be derived, the parties respectively agree to the following Articles and/or provisions:

**ARTICLE 2

**ARTICLE 3
ADMINISTRATIVE CONTRACTS**

3.10 EVALUATION

Any Administrator who receives an “effective” rating on their annual performance evaluation shall be placed on a two-year contract for the two subsequent school years. Administrators receiving a rating less than “effective” may be placed on a one-year contract. An Administrator disciplined for unprofessional conduct, regardless of their performance rating, will not have the two-year contract for the subsequent two school years.

3.15 ADMINISTRATOR NOT EVALUATED

Should the Administrator not be evaluated as provided herein, the Administrator's efforts and professional services shall be deemed conclusively to be at least “effective” in all respects and for all purposes, subject to termination only as provided in the agreement for reduction in administrative staff.

3.20 TENURE AS A TEACHER

Administrators who earn tenure as a teacher at the District, and maintained current their teaching certificate, shall remain tenure as a teacher to the extent consistent with the Michigan Teachers’ Tenure Act. The parties agree that bargaining unit members shall not be deemed to be granted continuing tenure in their administrative position initially assigned or to which he/she may be assigned or transferred in any capacity other than that of a classroom teacher, should the probationary period required for tenure as a teacher be fulfilled, by virtue of his/her assignment or any employment assignment (requiring certification) with the District. Nor shall any decision of the Board not to continue or renew the employment of an administrator for any subsequent period in any capacity, other than as a classroom teacher, as may be required by the Teachers’ Tenure Act, be deemed a breach of the Master Agreement or the respective bargaining unit members’ employment contract, or a discharge or demotion within the provisions of the Michigan Teachers’ Tenure Act.

**ARTICLE 4
RIGHTS OF THE ASSOCIATION**

4.10

The parties hereby agree that Administrators covered by this Agreement shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly-elected body exercising governmental power under the cover of law of the State of Michigan, the parties undertakes and agrees that they will not directly or indirectly discourage or deprive or coerce any Administrator in the enjoyment of any rights conferred by laws of the State of Michigan or the Constitutions of Michigan and the United States; that they will not discriminate or retaliate against any Administrator with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership or non-membership in the Association, his/her participation or non-participation in any

activities of the Association or collective professional negotiations with the Board, or his/her institution or non-participation of any grievances or appeals or procedure under this Agreement or otherwise with respect to any terms or conditions of employment.

4.20

The Board specifically recognizes the right of its Administrators appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement.

4.30

The Association shall continue to have the right to use school building facilities at all reasonable hours for meetings subject to scheduling by the Principal. Designated bulletin boards, school mail and other established media of communication shall be made available to the Association and its members.

4.40

The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the District, to the extent allowed by the law, including but not limited to: Annual financial reports and audits, register of certificated and/or supervisory personnel, tentative budgetary requirements and allocations, agenda and open session minutes of all Board meetings, census and membership data, names and addresses of all Administrators and such other information as is necessary to assist the Association in developing intelligent, accurate, informed, and constructive programs on behalf of the schools and their students, together with any information which may be necessary for the Association to process any appeal or complaint. The Sick Leave register shall be available to designated representatives of the Association. Any voluminous requests shall be subject to a fee for processing and copying pursuant to the District's FOIA policy, if the normal processing/copy costs are above \$50.

4.50

It is agreed and recognized that except for expenditures contained in any annual budget which are required by the terms of this Agreement, the authority to adopt all or parts of the annual budget of the School District resides exclusively with the Board, and during the terms of this Agreement shall not be subject to negotiation with the Association, nor subject to any proceeding under the appeal procedure.

4.60

The rights granted herein to the Association shall not be granted or extended to any competing collective bargaining organization.

4.70

The private and personal life of any Administrator is not normally within the appropriate concern or attention of the Board unless it impacts the administrator's ability to carry out his/her duties. Inappropriate private or personal behaviors can result in discipline. Thus, if an incident arises, that in the opinion of the Superintendent would be

detrimental to professional performance or to the District, the Superintendent may exercise his/her administrative prerogatives and issue discipline. Any action taken against such Administrator shall be subject to the appeal procedure, where applicable.

4.80

The provisions of this Agreement shall be applied without regard to any protected class.

4.90

Any member may have the option to exercise their teacher tenure rights to seek returning to a classroom assignment. This assumes appropriate tenure and certification status. Any Administrator requesting transfer to a classroom shall present the request in writing, indicating the type of assignment preferred, to the Director for the Department of Human Resources & Employee Relations or his/her designee, by March 15.

ARTICLE 5 RIGHTS OF THE BOARD OF EDUCATION

The Board, on its own behalf, and on behalf of the electors of the District, hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and of the United States, including the determination and administration of policy; the operating of the school; the management and control of school properties, facilities, and equipment; and the selection, direction, transfer, promotion, discipline, or dismissal of all personnel.

The exercise of these powers, rights, authority, duties, and responsibilities of the Board, and the adoption of such rules, regulations, and policies, as it may deem necessary, shall be limited only by the specific and expressed terms of this Agreement.

“An emergency manager appointed under the Local Government and School District Fiscal Accountability Act is authorized to reject, modify, or terminate this Agreement as provided in the Local Government and School District Fiscal Accountability Act.”

This clause is included in this agreement because it is legally required by state law. It is noted the union does not agree or acknowledge this provision as binding and reserves all rights to assert this clause as unenforceable.

ARTICLE 6 BOARD SUPPORT AND ENCOURAGEMENT

6.10 The Board, recognizing that Administrators frequently are exposed to situations of great stress and pressure, hereby agrees to render to its Administrators full encouragement and support when they are acting within the scope of their employment, and written Board policy and law.

6.20

The Board shall make every effort to provide adequate support personnel to assure the safety of all students and staff supervised by each Administrator to protect the District's property for which the Administrator is responsible and to provide budget allocations sufficient to carry out the program for which he/she is held responsible.

6.30

The Board agrees to provide: (a) liability protection to cover any possibility of loss resulting from litigation against the School or the Administrator for any actions and/or job performance that are job-related up to \$2 million, per incident as allowable pursuant to the District's liability coverage.

6.40 PROFESSIONAL GROWTH:

It is recognized that it is necessary for school Administrators to participate in programs that will improve their knowledge and abilities to function in their respective positions. The Board of Education has a responsibility to facilitate the professional improvement of its staff. The Board of Education agrees to reimburse an Administrator for expenses for travel, lodging, meals, fees and other expenses to participate in seminars, workshops, or conferences, and for professional memberships and publications that have the prior approval of the appropriate Superintendent or his/her designee.

6.50

Each Administrator shall be entitled to reimbursement for Professional Membership dues to one state organization and one national organization on a yearly basis, as approved by the Superintendent or his/her designee.

ARTICLE 7 PAYROLL DEDUCTIONS

Upon appropriate written authorization from the Administrator, the Board shall deduct from the salary of any Administrator and make appropriate remittance for annuities, credit union, savings bonds, United Way, insurance programs, or any other plans or programs jointly approved by the Association and the Board.

ARTICLE 8 ADMINISTRATOR APPRAISAL

8.05

Accountability for compliance with Administrative instructions, directives, or memorandums shall be based only on communications from the Superintendent or other Administrators to which the Association member has direct line responsibility. Bargaining unit members are expected to maintain mobile phone service for communication related to their employment with the District.

8.10

No Administrator shall be disciplined, suspended, reduced in classification or pay, or dismissed except for just causes, which shall include, by way of example, the following illustrative conduct: willful disregard of Board Policies for the term of this Agreement, dishonesty, incompetence, unlawful discrimination or harassment, fraud, insubordination, or unprofessional conduct.

8.15

If the Board determines that it shall not continue to employ an Administrator in his/her position as an Administrator, the Board shall give written notice of that fact and shall provide in writing within three (3) working days of the decision, the reasons for its determination. If requested by the Administrator or the Association, the Board shall forthwith provide the Administrator with the opportunity to present his/her position to them in regards to those reasons. Should it be determined by the Board that the reasons stated for a non-continuance of employment as an Administrator do not constitute just cause for said action, the Administrator shall be entitled to be retained in position under this contract, or if expired under renewal thereof.

8.20

Each Administrator shall have the right, upon reasonable request, to review the contents of his/her own personnel file. A representative of the Association may, at the Administrator's request, accompany the Administrator in such review. The review will be made in the presence of the person responsible for the safekeeping of such file. The member may challenge any materials in the file. If the accuracy or completeness of the file is contested by the member, he/she may provide a written statement and any other relevant materials and ask that these be added to his/her personnel file, pursuant to the limits of state law. Any materials added to the personnel file shall be signed and dated.

8.25

Any complaints of a serious nature brought by a citizen, other Administrators, or member of the Board of Education shall be promptly called to the Administrator's attention.

ARTICLE 9 APPEAL PROCESS

9.10 DEFINITION:

The term "appeal" shall be interpreted to mean a complaint by an Administrator or by the Association in its own behalf that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.

9.20 PROCEDURE:

(Deadlines mentioned in the following procedures can be extended by mutual consent of the parties.)

The committee shall consist of three members selected by the Association and three members selected by the Superintendent. This committee will transmit its recommendation for a solution to the complaint to the Superintendent within ten (10) working days.

9.24 STEP FOUR

The Superintendent will consider the recommendation and render a decision relative to the appeal within five (5) days.

9.25 STEP FIVE

If the decision reached in Step Four is not acceptable to the Association or the aggrieved member, either may within ten (10) working days, submit the grievance to arbitration through the American Arbitration Association.

Arbitration of a grievance arising from the provision of this Agreement or an alleged violation thereof will be final and binding. Costs of such arbitration shall be borne equally by the Board and the Association and/or grievant involved. The arbitration shall be conducted consistent with the Uniform Arbitration Act of 2012. MCL 691.1681, *et. seq.*

9.26

Appeal of a Board decision to terminate employment as an Administrator due to unsatisfactory performance is exempt from arbitration and is limited to processes outlined in Article 8.15.

10.20

The compensation schedule is based on a normal five-day work week, and the annual compensation shall be paid in twenty-six (26) bi-weekly installments through Direct Deposit or Pay Card. It is understood that administrative responsibilities will sometimes require time beyond the normal five-day work week, and this additional time is not subject to added pay unless it is the result of altered job responsibilities.

10.30

When an Administrator earns added degrees or credits or for some reason becomes eligible for increased compensation, adjustments to salary shall be made within thirty (30) days of the receipt of the application and necessary documentation. The application for salary adjustment will be furnished through the Office of the Director for the Department

of Human Resources & Employee Relations and must be filed within ninety (90) days of the completion of the required courses. Adjusted pay will be retroactive to the completion of the necessary credits.

10.40

10.70 LONGEVITY/SEVERANCE BENEFITS

For members employed as administrators before July 1, 2018, an administrator who has at least fifteen (15) years of Bay City Public Schools' service or has reached age fifty-five (55) and who retires under the Michigan Public School Administrators Retirement System (MPSERS), or leaves District employment, shall receive a longevity/severance benefit in accordance with the following terms and conditions:

He/she shall notify the Director for the Department of Human Resources & Employee Relations of an intent to leave the District by April 1st prior to the close of the school year or December 1st prior to the second semester of such retirement/resignation. For any other mid-year retirements, at least sixty (60) days' notice must be given. Failure to do such may result in the loss of a longevity/severance benefit.

- For each accumulated unused absence day up to a maximum of 121 days, the administrator shall receive payment at the rate of \$175 per day.
- For each accumulated unused absence day above 121 days, up to 130 days, the administrator shall receive payment at the rate of \$87.50 per day.

Bargaining unit members employed as administrators prior to July 1, 2018 with sick leave days accumulated above 130 days shall be capped at their current amount for severance purposes. Further accumulation of sick time by these grandfathered members shall not qualify for any additional severance above the grandfathered/capped amount. The Longevity/Severance payout shall be deposited into the Paradigm Equity 403(b) account, or other qualified (as determined by the District) tax-deferred account for a period of five (5) years on a bi-weekly basis beginning the first scheduled pay of the next school year.

Members employed as administrators after July 1, 2018 shall not be eligible for this benefit.

10.80

In the event a retired Administrator dies prior to receiving all the installments, the retired Administrator's beneficiary(ies) shall receive the remaining installments. Upon retiring, the Administrator shall submit the name(s) of the beneficiary(ies), in writing, to the Human Resources Office.

ARTICLE 11 VACANCIES, PROMOTIONS AND TRANSFERS

11.10

Currently employed Administrators shall be given first consideration for vacancies in administrative positions for which they apply, assuming the administrator is appropriately qualified. Should an Administrator have interest in a position or future position, the Administrator shall show interest and request a meeting to discuss through an e-mail to the Superintendent and Director for the Department of Human Resources & Employee Relations.

11.20

All vacancies or newly-created positions available to members of the Association shall be posted in an e-mail communication as they occur, but not less than five (5) days prior to the deadline for filing. Also, existing vacancies may be advertised in The Bay City Times.

11.30

Any administrative vacancy or new position shall be filled permanently only after it has been duly posted with the Association.

11.40

Since both parties to this Agreement agree that the District and the schools it operates are entitled to be operated by Administrators who are fully qualified and competent within their areas, the filling of administrative vacancies shall be governed by the Board's careful consideration of the following factors: certification; experience; competence; qualifications, both personal and educational; length of satisfactory service to the District; and other pertinent factors. In arriving at its judgment as to the successful candidate, the Board shall consider objective as well as subjective factors and shall not arrive at a judgment which reflects a showing of arbitrariness, discrimination or abuse of discretion.

11.50

For the purpose of this Agreement, "length of service with the District" shall run from the date of the individual member's signing of his/her first contract of employment with the District. The Contract date which controls length of service to the District shall be the earliest contract commencing a period of continuous employment, including authorized

leaves. "Length of service as an Administrator" shall include all periods a member of the Association has held any of the positions indicated in the section on "Recognition," Article 2.00, or periods served in an "acting" capacity for any of these positions.

11.60

When it becomes necessary to transfer an Administrator from one assignment to another, it is agreed that the Administrator affected shall be notified 90 days in advance of such change in writing. The Association is to receive copies of such notification.

11.70

Any BCASA administrator involuntarily transferred to another BCASA position, for disciplinary or budgetary reasons, or if the administrator's performance rating is less than "minimally effective", for which compensation is less shall be guaranteed the compensation of his/her present position until compensation for the position to which the administrator is transferred "catches up" to his/her present compensation.

11.80

An Administrator may file with the Director for the Department of Human Resources & Employee Relations a letter requesting a transfer to another administrative or teaching position. Such letter shall be considered a standing letter of application to be considered whenever such vacancies occur.

ARTICLE 12 SICK LEAVE

12.05

The primary purpose of the sick leave allowance is to cover the absence of an Administrator from school because of personal illness or injury sufficiently severe that would make his/her presence at his/her job inadvisable. Sick leave applies only to absences resulting from illness or injury of the Administrator.

12.10

Sick leave allowance shall be accumulated by each Administrator at the rate of thirteen (13) days per year, and there shall be no limit upon the amount of sick leave so accumulated by each Administrator. Accumulated sick leave shall be reported monthly on the payroll forms and will be available in the office of the immediate supervisor. Bargaining unit members employed as administrators prior to July 1, 2018 with sick leave days accumulated above 130 days shall be capped at their current amount for severance purposes. Further accumulation of sick time by these grandfathered members shall not qualify for any additional severance above the grandfathered/capped amount. Bargaining unit members with sick leave days accumulated below 130 days shall only be allowed to accumulate up to that amount for severance purposes. Unless grandfathered, the severance benefit payout shall be limited to 130 days per bargaining unit member.

The Administrator may also use sick leave days each year to attend the following issues for a member of the Administrator's immediate family: illness, short-term emergency care,

medical care, child care, or elder care.

12.15

If there is a question or doubt regarding the illness of an Administrator, the Superintendent may require a doctor's statement verifying the illness or may require the Administrator to submit to a medical examination before sick leave pay is allowed or the Administrator may return to work.

12.25

The District shall provide bargaining unit members with a short-term disability (STD) policy with a 30-day elimination period, \$1,500 maximum weekly benefit, paid at 60% of basic earnings for a maximum of 22 weeks, or until a long-term disability (LTD) policy becomes payable. Members shall utilize their available sick leave accumulation during the 30-day elimination period and may also supplement the STD benefit by utilizing their available sick leave accumulation. Should sick leave time become exhausted, bargaining unit members may then supplement STD benefits with their available vacation time.

To afford protection against a prolonged illness, the school district shall make available for purchase, by the Administrator, a group policy of long-term disability insurance which provides compensation at a rate of not less than sixty (60) percent of the Administrator's salary and with a qualifying term of not more than 90 days. At such time as a claim arises, in order to qualify the Administrator shall use accumulated sick days up to 90 days. If the Administrator has more than 90 days available, the individual shall exhaust his accumulated personal sick leave days prior to coverage through the long-term disability insurance. The District shall withhold the necessary premiums and shall forward same to the insurer on Administrator's behalf and provide evidence of such payments upon request.

12.30

No Administrator will be credited with sick leave allowance while drawing from his/her own accumulated sick leave, short-term disability or long-term disability insurance until he/she has reported back to work.

ARTICLE 13 INSURANCE PROTECTION

13.05

Pursuant to the authority set forth in PA 152 of 2011, the Board agrees to furnish all Administrators in the bargaining unit the following insurance protection.

Upon proper application and acceptance for enrollment by the appropriate insurance underwriter, policyholder and/or third-party administrator, the Board shall make premium payments on behalf of Administrator and his/her eligible dependents for the following insurance program to include medical, dental, vision and hospitalization insurance for a full twelve (12) month period:

Beginning July 1, 2021, the District will contribute 90% of the hard cap limits (through PA 152) for Medical, Dental, and Vision Plans, and maintain the medical benefit plan coverage year at July 1 to June 30. The Union may select other products annually for the duration of this contract.

The annual Employer paid amounts shall adjust at the beginning of each plan year (July 1 through June 30), at 90% of the maximum State Hard Cap permitted by Section 3 of the Publicly Funded Health Insurance Contribution Act (PA 152).

13.10 Life Insurance

Group term life insurance coverage in the amount equal to salary of administrator rounded to the nearest \$1,000 and \$50,000 AD&D, in addition to the coverage provided in Article 13.40.

13.15 Health Insurance

The School District shall provide complete health care protection on a full twelve (12) month basis with either single, two-person, or full family benefit status as selected by the employee during the open enrollment period. Parties have agreed to offer multiple health care coverage options provided in the attached level of benefits. The plan year is July 1st through June 30th.

The following “Base Plan” level of co-pays, deductibles and level of Co-insurance are a 100% expense of the employee. The “Base Plan” (OPT 3) is \$1000/\$2000 Deductible, 20% Coinsurance Percentage up to a potential Max Paid Out of Pocket \$3500/\$7000, \$30/\$50 Office Visit Co-pay, \$80 Urgent Care Co-pay, \$150 ER Co-pay (See attached benefit level description for the Base Plan (OPT 3) attached to this contract). Included in the “Base Plan” health insurance are prescription benefits that have established co-payment levels of \$15/\$50 which are the responsibility at 100% paid by the employee based on the prescription category (See attached benefit levels description for prescription coverage).

Should the employee select one of the offered health insurance options other than the “Base Plan” and the option they select is at a higher annual premium cost, the employee is responsible (in addition to their cost outlined above) for 100% of the differential cost between the plan selected and the “Base Plan”. Under all health insurance options offered by the Board, all co-pays, levels of deductibles and levels of co-insurance are the responsibility of the employee.

Bi-weekly payments for the employee’s portion of insurance benefits costs shall be made through a Section 125 payroll deduction (pre-tax benefit) as established by the District and as allowable based on available compensation level. If the employee elects not to select the payroll deduction via a Section 125 (pre-tax benefit) plan, an election form to deduct on a post-tax basis must be signed by the employee. If the employee’s

required contribution to pay premiums for the insurance option selected is increased or decreased during the plan year, the payroll deduction will automatically be adjusted to reflect the increase or decrease. The Board shall have the right to recover any unpaid premiums by the employee (in addition to any other remedies provided by law) by deducting the premium amount in arrears from any wages remaining to be paid to the employee. If remedies described above are not available, the District reserves the right to terminate healthcare coverage of the employee who is unable to make their portion of the premium current.

There will be no double insurance coverage allowed. Whenever the employee's spouse and family are covered by a fully-paid hospitalization insurance, this section is void.

13.20 Dental

The Board shall provide dental insurance options through either a fully-insured or self-insured program. Options available are full family, single, or two-person levels of benefits. The monthly Board paid premium has been identified above. The dental coverage levels of Co-insurance as described in the summary of benefits are 100% the responsibility of the employee. The dental insurance plan is included in the Appendix of the contract.

Bi-weekly payments for the employee's portion of dental insurance benefit costs shall be made through a Section 125 payroll deduction (pre-tax benefit) as established by the District and as allowable based on available compensation level. If the employee elects not to select the payroll deduction via a Section 125 (pre-tax benefit) plan, an election form to deduct on a post-tax basis must be signed by the employee. If the employee's required contribution to pay premiums for the insurance option selected is increased or decreased during the plan year, the payroll deduction will automatically be adjusted to reflect the increase or decrease. The Board shall have the right to recover any unpaid premiums by the employee (in addition to any other remedies provided by law) by deducting the premium amount in arrears from any wages remaining to be paid to the employee. If remedies described above are not available, the District reserves the right to terminate coverage of the employee who is unable to make their portion of the premium current.

13.25

If both husband and wife are employed by the District, as between two spouses, they may carry only one hospitalization and one dental insurance policy between them.

13.30

Any additional options offered by insurance carriers will be available on an optional basis at the Administrator's expense. In addition, administrators shall be afforded insurance benefits commensurate with any contractual improvements granted to the members of the Bay City Education Association if such benefits are over and above those otherwise outlined in this section 13.00.

13.35

Association members may elect hospitalization insurance if his/her spouse who was previously covered by fully paid MESSA or other such hospitalization coverage elsewhere died, retired, or otherwise lost benefit of such hospitalization coverage for reasons beyond his/her control. Such Administrator would then be permitted to apply for health insurance benefits through the Board on the usual terms and conditions prescribed by the insurance companies.

13.40 In Lieu of Health

Covid-19 Response

Lump Sum Payment Stipulations

The parties agree that the intent of the \$10,000 lump sum payment is to cover the supplemental work performed by administrators during the COVID-19 pandemic, including time spent outside of work hours for responses to emergencies, quarantines, rapid testing, etc. In addition, the payment will be made in lieu of the fact that vacation time could not be carried over, knowing that honoring carry overs would result in lost productivity time in the future, when additional efforts will be required from administrators in the 21/22 school year. This payment will also be made in recognition of the anticipated learning recovery efforts for the upcoming (21/22 school year) that will likely require additional time and attention from administrators.
