1. Getting Started

1 REGISTER FOR AN ONLINE MEMBER ACCOUNT

With a secure member account at bcbsm.com, you can manage your health care plan, including selecting a primary care physician. You can also see a summary of your benefits, recent claims and out-of-pocket costs, such as your copayments.

 Get started by going to bcbsm.com/register or downloading the Blue Cross® app. Search "**BCBSM**" in the Apple App Store® or Google Play™.

Always carry your BCN Member ID card.

Using the Blue Cross app, you'll always have your BCN member ID card with you. Just log in to your account and tap the card icon.

2 CHOOSE A PRIMARY CARE PHYSICIAN

Your primary care physician is the person you think of as “your doctor.” **We must have one on file for you and everyone on your contract, and each doctor has to be a primary care physician in your plan’s network.** For care to be covered or cost you the least, your primary care physician must coordinate your health care from preventive services to referrals for specialists. If we don’t have a primary care physician on file for you, we’ll assign one to you. We’ll mail you a letter with the details if we do.

 To view or change your PCP, log in to your member account at bcbsm.com using any device. Click *Doctors & Hospitals* in the navigation menu, then click *Primary Care Physicians* from the drop-down menu.

 Or call Customer Service at **1-800-662-6667**, and we’ll help you choose.

1. GETTING STARTED

3 MAKE AN APPOINTMENT WITH YOUR DOCTOR
Get to know your primary care physician — make an appointment for your annual wellness visit or to discuss a medical condition. Your doctor can also write and renew your prescriptions.

4 KNOW THE REFERRAL PROCESS
Your primary care physician will provide your care or refer you to a specialist. If your care isn't coordinated by your doctor, it may not be covered by your plan. For more information, see the referrals page in this section.

5 LEARN ABOUT YOUR HEALTH SAVINGS ACCOUNT
Your plan allows you to create a health savings account, or HSA, and use pretax dollars to pay for health care expenses. For details, see Page 4.

NOTE

Covered services
These are health care services, prescription drugs and equipment or supplies that are medically necessary, meet requirements and are paid in full or in part by your plan.

How you may share costs with us

Your plan dictates whether you have to pay out of pocket when you receive health services. See explanations below. For specifics about your plan, log in to your account at bcbsm.com. Click *My Coverage* in the navigation menu, then *Medical* and then *What's Covered*.

Beginning of your plan year

- Depending on your plan, BCN pays for certain preventive care and wellness costs throughout the year at no cost to you.
- You pay **copayments** for certain covered services, like PCP office visits and urgent care.
- You pay for other medical costs until you meet your **deductible**, if your plan includes a deductible.

Copayment (or copay)

A fixed dollar amount you pay each time you get certain types of care (for example, \$25 for a visit to your PCP or \$50 for an urgent care visit).

Coinsurance

Your share of the costs of a covered service, calculated as a percentage (for example, you pay 20 percent of the BCN approved amount, and BCN pays 80 percent).

Deductible

The amount you must pay for most health care services before BCN begins to pay. The deductible may not apply to all services.

Out-of-pocket maximum

The most you may have to pay for covered health care services during the year. The out-of-pocket maximum includes your deductible, copays and coinsurance.

Once you've met your deductible (if applicable)

- You continue to pay **copayments** and **coinsurance** until the total you've paid for copayments, coinsurance and deductibles meets your **out-of-pocket maximum**.
- If there's more than one person on your plan, you may have to meet a family, as well as an individual, **out-of-pocket maximum**.

Once you've reached the out-of-pocket maximum(s)

- BCN pays for all other covered services. You don't owe a thing. (Please note your plan may not have an out-of-pocket maximum.)

At the end of the plan year

- Your **deductible** and **out-of-pocket maximum** reset for the next year.

Your health savings account

Your plan allows you to create a health savings account, or HSA, to pay for health care expenses. An HSA is like a 401(k) account for your health care because the funds you save from payroll deductions are not taxed.

HOW YOUR HSA WORKS

- **Anyone can contribute to your HSA** — you, your employer, your family, and your friends. There's no minimum contribution. Contributions are tax-free.
- **Spend the money on out-of-pocket expenses** (copayments, coinsurance and deductible) for services covered by your plan and qualified medical expenses not covered by your plan.
- **Keep your receipts in case of a tax audit.** You'll have to pay income taxes plus a 20 percent tax penalty on any HSA funds used for something other than health care.
- **Your HSA rolls over from year to year** — the money stays there until you use it.
- **If you don't use the money in your HSA,** it builds up and earns interest. You won't have to pay taxes on the interest.

OPENING AN HSA

To open an HSA, you:

- Must be covered by this plan on the first day of the month that you'll be opening the account
- Can't be covered by any other medical plan that's not HSA-compatible
- Can't be enrolled in Medicare
- Can't be claimed as a dependent on anyone else's tax return

GROW YOUR SAVINGS

Your HSA administrator can help you manage your account so you save and spend your health care dollars most efficiently. If you have HealthEquity®** as your HSA administrator, you'll get an informative welcome package from HealthEquity upon enrollment.

Qualified medical expenses include medical services that may not be covered by your plan, certain prescriptions, some over-the-counter drugs, long-term care insurance and dental and vision care.

Visit [irs.gov](https://www.irs.gov)* for a complete list of these expenses.

* [irs.gov](https://www.irs.gov) is not controlled by BCN, and BCN is not responsible for its content.

** HealthEquity is an independent company that provides HSA administrative services for Blue Care Network of Michigan.

1. GETTING STARTED

Referrals / COORDINATING CARE WITH YOUR DOCTOR

Your primary care physician provides your care or coordinates it through BCN's referral process. When your doctor decides that you need specialty care, he or she will provide a referral, which allows you to receive treatment or services from another health care provider. Some PCPs are affiliated with certain groups of doctors and hospitals and will generally refer you to them for any care you need. This helps them better coordinate your care.

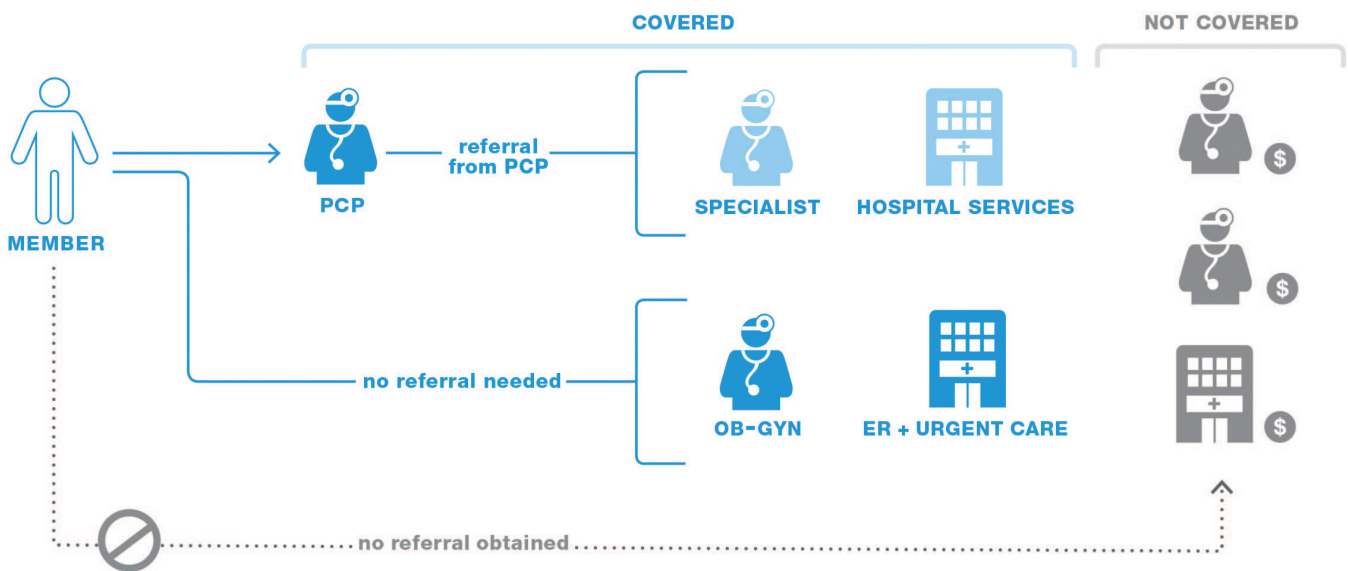

- It's important to confirm that your PCP refers you to an in-network specialist to ensure you're covered for treatment. You may need special approval from BCN for certain services and for services from specialists who aren't part of your plan's network.
- Your referral for treatment can range from 90 days to 365 days.
- Changing your PCP while a specialist is treating you may change your treatment referral. Check with your new PCP.
- Without a referral, you're responsible for the cost of services.
- View your referrals and authorizations by logging in to your member account at **bcbsm.com**, or through our app. Select *My coverage* and then *Referrals and authorizations*. When a new or updated referral and authorization is posted to your account, you'll get an email notification.* We'll also mail you an approval or denial letter.

i NOTE You don't need a referral for emergency care.

i NOTE You don't need a referral for behavioral health, but you must be seen by a network provider. For more information, see "How to use your benefits."

i NOTE No referral needed when female members see a network gynecologist or obstetrician for annual well-woman visits and obstetrical care (Woman's Choice program).

To find a gynecologist or an obstetrician, log in to your member account at **bcbsm.com**, and click *Doctors & Hospitals* in the navigation menu.

*Not all approval and denial letters are handled by Blue Care Network. Only letters we send to you are available through your member account.

BCN authorization

Sometimes, special authorization is required for medical services such as hospital care, elective surgeries and specialty drugs. This means your doctor must contact us, and we must approve care before you receive it, or you may be responsible for the cost of the service.

In-network vs. out-of-network care

A network is a group of providers (doctors, hospitals and vendors) that have contracted with BCN to provide health care services. Note: You're always covered for emergency care.

IN NETWORK

In-network providers are part of your plan's network. Be sure that your PCP refers you to in-network providers so your care is covered.

OUT OF NETWORK

Out-of-network providers aren't part of the network. You can choose to get care from an out-of-network provider, but you'll pay more. Certain out-of-network services must also be authorized by BCN before you receive them. Otherwise, you'll be responsible for the entire cost of the service.

If your doctor isn't in your plan's network

To continue care with a doctor who's not in your plan's network, one of these situations **must** apply to you:

- You're receiving an ongoing course of treatment and changing doctors would interfere with recovery (care may continue through the current course of treatment — up to 90 days).
- You're in the second or third trimester of pregnancy (care may continue through delivery).
- You have a terminal illness (care may continue for the remainder of your life).

This continuity of care may also apply when your doctor leaves the BCN network. Authorization from BCN is required.

 To ask for continuity of care, call Customer Service at **1-800-662-6667**.

Update your records / LIFE EVENTS

Report address changes or life events to your group benefits representative within 31 days of when they happen:

- Birth of a child
- Adoption or legal guardianship
- Marriage
- Divorce
- Death
- Name change
- New address or phone number
- Medicare eligibility

Coordination of benefits

WHEN YOU HAVE MORE THAN ONE PLAN

Coordination of benefits means lower costs and the best possible benefits. Tell us if you or anyone in your family has other medical or prescription drug coverage, such as:

- **Spousal coverage:** You have additional medical or prescription coverage through your spouse's employer.
- **Medicare:** You or someone in your family has Medicare coverage.
- **Dependent coverage:** Your children have coverage with BCN and also through their other parent's plan.
- **Accident coverage:** You have an automobile or workplace injury and another insurer may be responsible for coverage.

 To update your information online, log in as a member at bcbsm.com and click *Account Settings*.

Advance directives / MAKE YOUR WISHES KNOWN

If you were to become severely injured or too ill to make health care decisions on your own, who do you want to be in charge?

Advance directives are legal documents that state your wishes.

Types of advance directives are:

- **Durable power of attorney for health care** — allows you to name an individual to make health care decisions for you when you are unable to do so.
- **Do not resuscitate order** — tells providers that you don't wish to receive CPR if your breathing or your heart stops.

 Download the forms from bcbsm.com. Type "advance directive" into the search box.

 Call Customer Service at **1-800-662-6667** to get the forms by mail.

Coordination of benefits

When you have more than one health care or prescription drug policy, coordination of benefits determines which plan pays your claims first (this is called your primary plan). If your primary plan doesn't pay the claim or pays only part, it's passed on to your secondary plan for payment review.

Advance directives

Instructions regarding what future health care actions or medical treatments you want done, and when. These instructions are used when you're unable to communicate them yourself.

Michigan doesn't recognize living wills.

Lab services

Medical supplies and equipment

Your PCP may order **durable medical equipment**, such as a wheelchair or oxygen tank, to maintain your quality of life.

Your doctor will write a prescription. BCN only covers basic equipment that you can use at home. If the equipment you want has special features that aren't medically necessary or are considered a luxury, you can choose to pay the cost difference between the basic item and the one with special features.

When you purchase medical equipment, you might have to share the cost with BCN through copays or coinsurance.

Some services aren't covered

Here are a few examples of services your medical plan doesn't cover:

- Services obtained without following BCN procedures
- Cosmetic services or supplies
- Custodial care
- Experimental or investigational treatment
- Personal convenience items
- Rest cures
- Acupuncture
- Routine exams related to employment, insurance licensing, a court order or travel
- Self-help programs

Special care for women

We comply with all federal laws relating to the care of female members. These include:

BREAST RECONSTRUCTION FOLLOWING A MASTECTOMY

Our health coverage complies with the Women’s Health and Cancer Rights Act of 1998. It includes the following important protection for breast cancer patients who elect breast reconstruction in connection with a mastectomy:

- Reconstruction of the breast on which the mastectomy has been performed for treatment of cancer
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses and other care to alleviate physical complications of all stages of a mastectomy

HOSPITAL STAYS FOR CHILDBIRTH

The Newborns’ and Mothers’ Health Protection Act of 1996 prohibits health plans from restricting hospital stays for childbirth to less than 48 hours following a vaginal delivery or 96 hours following a cesarean section.

A physician or other health provider doesn’t need to obtain authorization for prescribing a hospital stay up to 48 hours following a vaginal delivery or 96 hours following a cesarean section. However, the attending physician or certified nurse midwife, in consultation with the mother, may discharge the mother or newborn earlier than 48 hours following a vaginal delivery or 96 hours following a cesarean section.

How tiers work

Your drug list is organized by tiers, with the most cost-effective drugs in the lower tiers.

TIER 1 • Lowest copay

You pay the lowest copay for generic and certain brand-name medications. *Some members have a benefit that places generic drugs into these two tiers:*

TIER 1A • Lower generic copay

These drugs are used to treat chronic diseases like high blood pressure, high cholesterol, diabetes, heart disease and depression.

TIER 1B • Higher generic copay

Includes generic medications that don't fall into Tier 1A.

TIER 2 • Preferred brand copay

This tier includes brand-name drugs that don't have a generic equivalent. These drugs are generally more expensive than generic medications.

TIER 3 • Nonpreferred brand copay

This tier has a higher copay than Tier-1 or Tier-2 drugs, and includes brand-name drugs for which there's either a generic alternative or a more cost-effective brand. Please note that these drugs may not be covered.

Specialty drugs

TIER 4 • Preferred specialty

These specialty drugs are generally more cost-effective than specialty drugs in Tier 5 and have the lowest specialty drug copay.

TIER 5 • Nonpreferred specialty

These specialty drugs have the highest copay because there may be a more cost-effective generic or brand option available.

Specialty drugs

treat complex conditions, such as cancer, chronic kidney failure and multiple sclerosis, and may require special handling and monitoring.

For these drugs, you'll pay coinsurance up to a maximum per prescription. All specialty drugs must be obtained from AllianceRx Walgreens Prime.*

*AllianceRx Walgreens Prime is an independent company that provides specialty pharmacy services for Blue Care Network of Michigan.

Keeping down costs with generic drugs

Brand-name medications are expensive. The good news is that generics have identical active ingredients in the same strengths as their brand-name equivalents, but often cost far less. Your prescription will be filled automatically with the generic version of a drug if a generic is available.

DISPENSE AS WRITTEN

Sometimes, physicians prescribe brand-name drugs to be "dispensed as written." In addition to your copay, you'll have to pay the difference in cost between the brand-name drug and the price of its generic equivalent.

Some drugs don't have a copay

Under the Affordable Care Act, some members can receive certain commonly prescribed drugs without any cost sharing. To get these drugs, you need a prescription from your doctor, and you must meet plan requirements.

 For a complete list of these products, please see the *Preventive Drug Coverage* list online at bcbsm.com/BCNdruglists.

Some drugs need approval

We review the use of certain drugs to make sure that our members receive the most appropriate and cost-effective drug therapy. For example, you may be required to try one or more preferred drugs to treat your health condition (called step therapy), or your doctor may have to get approval before a drug is covered.

If the drug is not approved, you may have to pay the full cost of the drug.

 Have your doctor contact the BCN Pharmacy Help Desk to request approval for a drug. Or, call Customer Service at the number on the back of your member ID card.

Coordination of drug benefits

If you're covered by more than one prescription drug plan, present both cards to your pharmacy when you get a prescription filled. The plan that's primary pays first.

Depending on your prescription drug coverage, the pharmacy may be able to bill BCN directly to cover some or all of your costs, or you may be eligible for reimbursement.

The reimbursement request form can be downloaded from bcbsm.com/billform. For a paper copy, call Customer Service.

Filling a prescription

AT A RETAIL PHARMACY

More than 2,400 retail pharmacies in Michigan and 70,000 retail pharmacies outside of Michigan accept your BCN member ID card. You may fill all prescriptions (except for specialty drugs) at any of these pharmacies.

- You may also save on your copays by getting up to a 90-day supply of your prescription at a retail pharmacy.
- An initial 30-day trial period is required before a 90-day supply of a brand-name prescription is covered.

MAIL ORDER (HOME DELIVERY)

You can receive your prescriptions from our mail-order vendor, Express Scripts.* Mail-order prescriptions for most nonspecialty medications can be written for up to a 90-day supply. What you pay depends on your drug rider.

 Contact Express Scripts at **1-800-229-0832**.

SPECIALTY DRUGS

Your pharmacy benefit may require you to get specialty drugs from our exclusive pharmacy network. If you must use our exclusive specialty provider, the *Exclusive Pharmacy Network for Specialty Drugs* rider will appear in your plan documents.

 Log in to your account at **bcbsm.com**. Click *My Coverage* in the navigation menu. Click *Medical* in the drop down menu. Click *Plan Documents* and scroll down to the *Certificates and Riders* section. If you're using the Blue Cross mobile app, log in to your account. Tap *My Coverage*, then *Medical*, then *What's Covered*, and scroll down the page.

LIMITED DISTRIBUTION SPECIALTY DRUGS

There are times when the specialty drug you're taking may not be available from your designated specialty pharmacy. In this case, the pharmacy you use will depend on the drug you're taking. Refer to the *Specialty Drug Pharmacy Benefit Member Guide* at **bcbsm.com/BCNdruglists**, and search for the drug you take.

YOUR DOCTOR MUST MAIL OR FAX A NEW PRESCRIPTION

Express Scripts doesn't accept telephone orders for new prescriptions. Your doctor can mail or fax the first prescription. Or, you can mail a request form with your original prescription. Download the form at **bcbsm.com**, or call Customer Service.

 If you have questions about where to get your prescription, please call Customer Service at the number on the back of your ID card.

 Or visit **bcbsm.com/pharmacy**.

Quantity limits

Because BCN strives to provide you with the most cost-effective therapy, a drug may have a limit on the amount that can be dispensed.

Prescriptions for specialty drugs are limited to a 30-day supply for all fills. Some specialty drugs are limited to a 15-day supply.

*Express Scripts® is an independent company that provides pharmacy benefit management services for Blue Care Network of Michigan.

Some drugs and medical supplies aren't covered

Certain types of drugs and medical supplies may not be covered under your drug plan. These include:

- Prescription drugs for which there's an over-the-counter equivalent in both strength and dosage form (unless the drug is considered preventive by the U.S. Preventive Services Task Force)
- Drugs used for experimental or investigational purposes
- Cosmetic drugs
- Drugs included as a medical benefit (such as injectable drugs and vaccines that are usually given in a doctor's office)

Note: BCN members can get select vaccines at network retail pharmacies (quantity and age restrictions may apply).

- Replacement prescriptions resulting from loss, theft or mishandling
- Compounded drugs — with some exceptions
- Drugs not approved by the FDA
- Proton pump inhibitors, non-sedating antihistamines and nasal steroids (These medications have over-the-counter alternatives that are available without a prescription.)

Check your drug rider for additional items that may not be covered.

If you refill a prescription too soon or if your doctor prescribes an amount that's more than the limit that BCN allows, the drug may not be covered.

4. Your Benefits at a Glance

This section has an easy-to-read description of frequently used information about your benefits. This is an overview; it's not a contract. An official description of your benefits is in your *Certificate of Coverage* and riders.

Understanding your benefits

The table in this section lists some commonly used benefits and their coverage details.

When reading the table, keep in mind that only your primary care physician, or PCP, can refer you to specialty care. If your PCP doesn't refer you, you're responsible for the cost of services. BCN also needs to authorize certain services.

Note that your plan has a combined medical and prescription drug deductible and out-of-pocket maximum. Your medical and pharmacy deductible, copayment and coinsurance apply toward your out-of-pocket maximum amount. For more information about all your benefits and how your deductibles, coinsurance and copays work, refer to your legal documents, your *Certificate of Coverage* and riders.

The table is intended to be a summary of your benefits and not a contract. It doesn't include all benefit limitations and exclusions. You also have access to a *Summary of Benefits and Coverage*, or SBC, customized for you as required by the Affordable Care Act. The SBC has medical examples to illustrate the benefits of your health care coverage.

Your health savings account is a way to pay for your share of the costs outlined in this section. For more information, see "How Your Plan Works."

You're always welcome to call Customer Service with any question or problem you have.

If you're not able to resolve your issue by calling us, we have a formal process that you can use. You have two years from the date of discovery of a problem to file a grievance about a decision made by BCN. There are no fees or costs.

 For the grievance policy, which includes more detail about your grievance rights and how soon we must respond, go to bcbsm.com/BCNresolveproblems.

 Or call Customer Service at **1-800-662-6667** from 8 a.m. to 5:30 p.m. Monday through Friday. TTY users can call 711.

5. INFORMATION ABOUT US

STEP ONE

You, or someone authorized by you in writing, must submit a standard grievance in writing.

✉ **By mail: Appeals and Grievance Unit, Blue Care Network, P.O. Box 284, Southfield, MI 48086-5043**

☎ **Or by fax: 1-866-522-7345**

We'll review your concern and reply within 15-calendar days for preservice requests and 30-calendar days for postservice requests. The individuals who review the first level grievance are not the same ones involved in the initial decision. If we deny your grievance, we'll write to you and explain the reasons for the denial and the next steps in the process. If the grievance is about a clinical issue, we'll send it for review to an independent medical consultant in the same or similar specialty as the doctor who provided the service.

STEP TWO: REVIEW AND DECISION MADE BY BCN GRIEVANCE PANEL

If your grievance is denied, you may request review by BCN's Member Grievance Panel. You must file the request within 180-calendar days of receiving the adverse Step One decision. For preservice requests, you'll be notified of the Step Two grievance decision within 15-calendar days. For postservice requests, you'll be notified within 30-calendar days.

If the panel denies your grievance, we'll write to you within five days (but no more than 30 days for preservice or 60 days for postservice requests) and explain the reasons for the denial. Please note that the decision may take an additional 10 business days if BCN needs to request medical information. We'll also tell you what you can do next. At your request and at no charge to you, we'll provide all documents used in making the decision.

EXTERNAL REVIEW BY THE DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES

If you don't agree with our decision at Step Two or if we are late in responding (add 10 business days if we ask for additional medical information), you'll be considered to have exhausted the internal grievance process. At this point, you may appeal to the Department of Insurance and Financial Services. You must send your grievance no later than 127-calendar days following receipt of our decision. Send your external review request to: Appeals Section — Office of General Counsel, Department of Insurance and Financial Services.

✉ **By mail: P.O. Box 30220, Lansing, MI 48909-7720**

☎ **or by personal delivery: 530 W. Allegan Street, 7th Floor, Lansing, MI 48933-1070**

☎ **By phone: 1-877-999-6442, or by fax: 517-284-8838**

💻 **Online*: difs.state.mi.us/Complaints/ExternalReview.aspx**

OTHER STEPS FOR APPEALING CLAIM DECISIONS

If you're a member of an ERISA- (Employee Retirement Security Act) qualified group, you have the right to bring a civil action against Blue Care Network after completing BCN's internal grievance procedures.

Non-ERISA group members and nongroup members must exhaust all grievance steps (including review by the Department of Insurance and Financial Services) before filing civil action. If you don't know if your group is an ERISA-qualified group, check with your employer.

EXPEDITED REVIEW FOR APPEALS

Under certain circumstances — if your medical condition would be seriously jeopardized during the time it would take for a standard grievance review — you can request an expedited review. We'll decide within 72 hours of receiving both your grievance and your physician's confirmation. If we tell you our decision verbally, we must also provide a written confirmation within two business days.

If we fail to provide you with our final determination in a timely fashion or if we deny your request, you may request an expedited external review from the Department of Insurance and Financial Services within 10-calendar days of receiving our final determination. In some instances, we may waive the requirement to exhaust our internal grievance process.

Quality assurance

MEDICAL REVIEW STANDARDS

Our medical review staff works closely with your doctor to make sure you get good medical care according to standard medical practice and your health benefits package.

Decisions on a member's care and service are based solely on the appropriateness of care prescribed in relation to each member's specific medical condition. Our clinical reviewers don't have financial arrangements that encourage denial of coverage or service. Nurses and physicians employed by Blue Care Network don't receive bonuses or incentives based on their review decisions. Medical review decisions are based strictly on medical necessity and providing high-quality care for members within the limits of their plan coverage.

OUR PHYSICIANS HAVE THE CREDENTIALS

Your physician is required to meet our strong network affiliation standards. We screen our physicians to find out if they meet our quality requirements for professional training and medical practice.

 Verify the license status of our health care providers at [michigan.gov/healthlicense*](https://michigan.gov/healthlicense).
 Or call the Michigan Department of Consumer and Industry Services at **517-241-7849**.

WE MONITOR THE CARE YOU GET

Our primary goal is to help you receive appropriate medical care from your physician. Our medical review staff are in close communication with your physician, and we routinely monitor potential underuse of health care services. This activity is part of our comprehensive Utilization Management program that promotes cost-effective and medically appropriate services for members. Call the Customer Service number (with TDD/TTY services) on the back of your BCN ID card to discuss our utilization activities. We're available by phone during and after normal business hours, and we offer language assistance. Our staff identify themselves by name, title and organization when receiving or returning calls.

Chapter 1 — GENERAL PROVISIONS

Section 1: Eligibility, Enrollment, and Effective Date of Coverage

This section describes eligibility, enrollment and effective date of Coverage.

You must meet eligibility requirements set by the Group and BCN. Certain requirements depend on whether you are one of the following:

- Group Subscriber
- Family Dependent
- Dependent under a Qualified Medical Child Support Order
- Principally Supported Child

You must live in the BCN Service Area unless stated otherwise in this chapter.

1.1 Group Subscribers

Eligibility

You must do all of the following:

1. Live in the BCN Service Area at least 9 months out of the year
2. Be an active employee or eligible retiree of a Group
3. Meet the Group's eligibility requirements

Enrollment

You must enroll within 31 days of becoming eligible or during an Open Enrollment Period.

NOTE: If you decline enrollment because of having other coverage, and that coverage ends, you may enroll if any COBRA coverage is exhausted, or if the other coverage was terminated as a result of loss of employer contributions or loss of eligibility.

You must request enrollment within 31 days after the other coverage ends.

Effective Date

The effective date of Coverage depends on the contract between the Group and BCN.

1.2 Family Dependent

Eligibility

A Family Dependent is:

- The legally married spouse of the Subscriber and who meets the Group's eligibility requirements

- A Dependent Child - a Subscriber's child including natural child, step child, legally adopted child or child placed for adoption. The Dependent Child's spouse is not covered under this Certificate. The Dependent Child's children may be covered in limited circumstances.
NOTE: Newborn children, including grandchildren, may qualify for limited benefits immediately following their birth even though they are not listed on your contract. If the newborn's mother is covered under this contract, see maternity care in the Inpatient Hospital Services section of this Certificate.
- A Dependent under a Qualified Medical Child Support Order

Dependent Children and a Dependent under a Qualified Medical Child Support Order are eligible for Coverage until he or she turns 26 years of age. The child's BCN Membership terminates at the end of the Calendar Year in which he or she turns 26 years of age.

Exception: An unmarried Dependent Child and a Dependent under a Qualified Medical Child Support Order who becomes 26 while enrolled and who is totally and permanently disabled may continue health care Coverage if:

- The child is incapable of self-sustaining employment because of developmental disability or physical handicap
- The child relies primarily on the Subscriber for financial support
- The child lives in the Service Area
- The disability began before their 26th birthday

Physician certification, verifying the child's disability and that it occurred prior to the child's 26th birthday, must be submitted to BCN within 31 days of the end of the Calendar Year in which the child turns 26.

If the disabled child is entitled to Medicare benefits, BCN must be notified of Medicare coverage in order to coordinate benefits.

NOTE: A Dependent Child whose only disability is a learning disability or substance use disorder does not qualify for health care Coverage under this exception.

Enrollment

All eligible Family Dependents may be added to the Subscriber's contract as follows:

- During the annual Open Enrollment Period
- When the Subscriber enrolls
- Within 31 days of a "qualifying event," that is, birth, marriage, placement for adoption, qualified medical child support order. NOTE: See below for additional requirements for Dependents under a Qualified Medical Child Support Order
- Adopted children are eligible for health care Coverage from the date of placement. NOTE: Placement means when the Subscriber becomes legally responsible for the child; therefore, the child's Coverage may begin before the child lives in the Subscriber's home.

If the eligible Family Dependents were not enrolled because of other coverage, and they lose their coverage, the Subscriber may add them within 31 days of their loss of coverage with supporting documentation.

NOTE: Other non-enrolled eligible Family Dependents may also be added at the same time as the newly qualified Family Dependent.

Effective Date of Coverage - Other than Dependent under a Qualified Medical Child Support Order

- Coverage is effective on the date of the qualifying event, if the Family Dependent is enrolled within 31 days of the event.
- If the Family Dependent is not enrolled within 31 days, Coverage will not begin until the next Open Enrollment period's effective date.
- For a Family Dependent who lost coverage and notifies BCN within 31 days, Coverage will be effective when the previous coverage lapses. If you do not notify BCN within 31 days, Coverage will not begin until the next Open Enrollment Period's effective date.
- Adopted children are eligible for Coverage from the date of placement.

1.3 Dependent under a Qualified Medical Child Support Order Eligibility

The child will be enrolled under a qualified Medical Child Support Order if the Subscriber is under court or administrative order that makes the Subscriber legally responsible to provide Coverage.

NOTE: A copy of the court order, court-approved settlement agreement or divorce decree is required to enroll the child. If you have questions about whether an order is "qualified" for purposes of State law, call your Group representative or Customer Service at the number provided on the back of your BCN ID card or refer to Section 7 Obtaining Additional Information.

Enrollment

The child may be enrolled at any time, preferably within 31 days of the court order. In addition:

- If the Subscriber parent who is under court order to provide Coverage does not apply, the other parent or the state Medicaid agency may apply for Coverage for the child.
- If the parent, who is under a court or administrative order to provide coverage for the child, is not already a Subscriber, that parent may enroll (if eligible) when the child is enrolled.
- Neither parent may dis-enroll the child from an active contract while the court or administrative order is in effect unless the child becomes covered under another plan.

Effective Date of Coverage

- If BCN receives notice within 31 days of the court or administrative order, Coverage is effective as of the date of the order.

- If BCN receives notice longer than 31 days after the order is issued, Coverage is effective on the date BCN receives notice.

1.4 Principally Supported Child

Eligibility

A Principally Supported Child must:

- Not be the child of the Subscriber or spouse by birth, legal adoption or legal guardianship
- Be related to the Subscriber by blood or marriage (for example, grandchild, niece or nephew)
- Be less than 26 old
- Be unmarried
- Live full-time in the home with the Subscriber
- Not be eligible for Medicare or other group Coverage
- Be dependent on the Subscriber for principal financial support in accordance with Internal Revenue Service standards, and have met these standards for at least six (6) full months prior to applying for Coverage.

Enrollment

You may apply for Coverage for a Principally Supported Child after you have been the principal support for 6 months; Coverage will begin 3 months after the application is accepted by BCN.

To apply, you must furnish the following:

- Evidence that the child was reported as a dependent on the Subscriber's most recently filed tax return, or evidence of a sworn statement that the child qualifies for dependent tax status in the current year
- Proof of eligibility if we request it

Effective Date of Coverage

Coverage for a Principally Supported Child begins on the first day of the month, 3 months after application and proof of support is received and accepted by BCN. The premium payment must be received by BCN prior to the effective date of Coverage.

1.5 Additional Eligibility Guidelines

The following guidelines apply to all Members:

- **Medicare:** If you become eligible to enroll in Medicare, you are eligible to enroll in only the applicable Medicare program except when Medicare is secondary payer by law.
Note: If you are Medicare eligible and a service is covered under Medicare, benefits will not be payable under this Certificate. This Certificate is not a Medicare Certificate. It is not intended to fill the gaps in Medicare Coverage and it may duplicate some Medicare benefits. If you are eligible for Medicare, you will need to switch to an applicable BCN Medicare plan. If this Certificate is maintained, you will be responsible for the cost Medicare would have paid and you will incur larger out of pocket costs.

- **Service Area Waiver:** Under certain circumstances, BCN may waive the Service Area requirement for a Subscriber or other Member on the Contract that lives outside the Service Area. Any waiver must be in writing.
- **Change of Status:** You agree to notify us within 31 days of any change in eligibility status of you or any Members on the Contract. When you are no longer eligible for Coverage, you are responsible for payment for any services or benefits.
- We only pay for Covered Services you receive when you are a BCN Member covered under this Certificate. If you are admitted to a Hospital or Skilled Nursing Facility either when you become a Member or when your BCN membership ends, BCN will only pay for Covered Services provided during the time you were a Member.

Section 2: Other Party Liability

IMPORTANT NOTICE

BCN does not pay claims or coordinate Benefits for Services that:

- Are not provided or Preauthorized by BCN and a Primary Care Physician
- Are not Covered Services under this Certificate

It is your responsibility to provide complete and accurate information when requested by us in order to administer Section 2. Failure to provide requested information, including information about other coverage may result in a denial of claims.

Applicable to Members who participate with a HSA

You (and your family dependent if you have dependent Coverage) generally cannot have any other health coverage that is not a HDHP. You can have additional insurance that provides benefits only for the following:

- Liabilities incurred under workmen's compensation laws, tort liabilities, or liabilities related to ownership or use of property
- A specific disease or illness
- A fixed amount per day (or other period) of hospitalization

You can also have coverage (whether provided through insurance or otherwise) for the following items:

- Automobile insurance
- Disability
- Dental care
- Vision care
- Long term care

2.1 Non-Duplication

- BCN Coverage provides you with the Benefits for health care services as described in this Certificate.
- BCN Coverage does not duplicate Benefits or pay more for Covered Services than the Approved Amount.
- BCN does not allow “double-dipping,” meaning that the Member and/or provider is not eligible to be paid by both BCN and another health plan or another insurance policy.
- This is a coordinated Certificate, meaning Coverage described in this Certificate will be reduced to the extent that the services are available or payable by other health plans or policies under which you may be covered, whether or not you make a claim for the payment under such health plan or policy.

2.2 Auto Policy and Workers' Compensation Claims

- This Certificate is a coordinated Certificate of Coverage. This means that for medical care needed as the result of an automobile accident, if the Member has a coordinated no-fault insurance policy, then BCN will assume primary liability for Covered Services. The no-fault automobile insurance would be secondary.
If the Member has coverage through a non-coordinated (sometimes called a “full medical”) no-fault automobile insurance policy, then the automobile insurance will be considered the primary plan. BCN would pay Coverage under this Certificate as the secondary plan.
- If a Member is injured while riding a motorcycle due to an accident with an automobile, then the automobile insurance for the involved automobile is primary for the Member's medical services. BCN would provide for Covered Services under this Certificate as the secondary plan.
- If a Member is injured in a motorcycle accident that does not involve an automobile and if the motorcycle insurance plan provides medical coverage, then the motorcycle insurance plan is primary. BCN would pay for Covered Services under this Certificate as the secondary plan.
- If the motorcycle insurance does not provide medical coverage or if that medical coverage is exhausted, then BCN will pay for Covered Services under this Certificate as the primary plan. Members who ride a motorcycle without a helmet are required by Michigan State law to purchase medical coverage through their motorcycle insurance plan and BCN will pay secondary.
- Services and treatment for any work-related injury that are paid, payable or required to be provided under any workers' compensation law or program will not be paid by BCN.
- If any such services are paid or provided by BCN, BCN has the right to seek reimbursement from the other program, insurer or Member who has received reimbursement.
- Applicable BCN Preauthorization and Coverage requirements (i.e. seeking services from a Participating Provider except for Emergent situations) must always be followed for auto or work-related injuries. Failure to follow applicable Preauthorization and or Coverage requirements may leave you solely responsible for the cost of any services received.

2.3 Coordination of Benefits

We coordinate Benefits payable under this Certificate per Michigan's Coordination of Benefits Act.

When you have coverage under a policy or certificate that does not contain a coordination of benefits provision, that policy will pay first as the Primary Plan. This means benefits under the other coverage will be determined before the benefits of your BCN Coverage.

After those benefits are determined, your BCN benefits and the benefits of the other plan will be coordinated to provide 100% coverage whenever possible for services covered partly or totally under either plan. In no case will payments be more than the amounts to which providers or you as a Member are entitled, and you may still have a remaining Member Liability after all plans have made payment.

2.4 Subrogation and Reimbursement

Subrogation is the assertion by BCN of your right, or the rights of your dependents or representatives, to make a legal claim against or to receive money or other valuable consideration from another person, insurance company or organization.

Reimbursement is the right of BCN to make a claim against you, your dependents or representatives if you or they have received funds or other valuable consideration from another party responsible for benefits paid by BCN.

Definitions

The following terms are used in this section and have the following meanings:

“**Claims for Damages,**” means a lawsuit or demand against another person or organization for compensation for an injury to a person when the injured party seeks recovery for medical expenses

“**Collateral Source Rule**” is a legal doctrine that requires the judge in a personal injury lawsuit to reduce the amount of payment awarded to the plaintiff by the amount of benefits BCN paid on behalf of the injured person

“**Common Fund Doctrine**” is a legal doctrine that requires BCN to reduce the amount received through subrogation by a pro rata share of the plaintiff's court costs and attorney fees

“**First Priority Security Interest**” means the right to be paid before any other person from any money or other valuable consideration recovered by

- Judgment or settlement of a legal action
- Settlement not due to legal action
- Undisputed payment

“Lien” means a first priority security interest in any money or other valuable consideration recovered by judgment, settlement or otherwise up to the amount of benefits, costs and legal fees BCN paid as a result of the plaintiff’s injuries

“Made Whole Doctrine” is a legal doctrine that requires a plaintiff in a lawsuit to be fully compensated for his or her damages before any Subrogation Liens may be paid

“Other Equitable Distribution Principles” means any legal or equitable doctrines, rules, laws or statutes that may reduce or eliminate all or part of BCN’s claim of Subrogation

“Plaintiff” means a person who brings the lawsuit or claim for damages. The plaintiff may be the injured party or a representative of the injured party

Your Responsibilities

In certain cases, BCN may have paid for health care services for you or other Members on the Contract which should have been paid by another person, insurance company or organization. In these cases:

- You assign to us your right to recover what BCN paid for your medical expenses for the purpose of subrogation. You grant BCN a Lien or Right of Recovery.
- Reimbursement on any money or other valuable consideration you receive through a judgment, settlement or otherwise regardless of 1) who holds the money or other valuable consideration or where it is held, 2) whether the money or other valuable consideration is designated as economic or non-economic damages, and 3) whether the recovery is partial or complete.
- You agree to inform BCN when your medical expenses should have been paid by another party but were not due to some act or omission.
- You agree to inform BCN when you hire an attorney to represent you, and to inform your attorney of BCN rights and your obligations under this Certificate.
- You must do whatever is reasonably necessary to help BCN recover the money paid to treat the injury that caused you to claim damages for personal injury.
- You must not settle a personal injury claim without first obtaining written consent from BCN if the settlement relates to services paid by BCN.
- You agree to cooperate with BCN in our efforts to recover money we paid on your behalf.
- You acknowledge and agree that this Certificate supersedes any Made Whole Doctrine, Collateral Source Rule, Common Fund Doctrine or other Equitable Distribution Principles.
- You acknowledge and agree that this Certificate is a contract between you and BCN and any failure by you, other Members on the Contract or representatives to follow the terms of this Certificate will be a material breach of your contract with us.
 - a. When you accept a BCN ID card for Coverage, you agree that, as a condition of receiving benefits and services under this Certificate, you will make every effort to recover funds from the liable party.
 - b. When you accept a BCN ID card for Coverage, it is understood that you acknowledge BCN’s right of subrogation. If BCN requests, you will authorize this

action through a subrogation agreement. If a lawsuit by you or by BCN results in a financial recovery greater than the services and benefits provided by BCN, BCN has the right to recover its legal fees and costs out of the excess.

- c. When reasonable collection costs and legal expenses are incurred in recovering amounts that benefit both you and BCN, the costs and legal expenses will be divided equitably.
- d. You agree not to compromise, settle a claim, or take any action that would prejudice the rights and interests of BCN without getting BCN's prior written consent.
- e. If you refuse or do not cooperate with BCN regarding subrogation, it will be grounds for terminating membership in BCN upon 30 days written advance notice. BCN will have the right to recover from you the value of services and benefits provided to you.

Section 3: Member Rights and Responsibilities

3.1 Confidentiality of Health Care Records

Your health care records are kept confidential by BCN, its agents and the providers who treat you.

You agree to permit providers to release information to BCN. This can include medical records and claims information related to services you may receive or have received.

BCN agrees to keep this information confidential. Consistent with our Notice of Privacy Practice, information will be used and disclosed only as preauthorized or required by or as may be permissible under law.

It is your responsibility to cooperate with BCN by providing health history information and helping to obtain prior medical records at the request of BCN.

3.2 Inspection of Medical Records

You have access to your own medical records or those of your minor children or wards at your provider's office during regular office hours. In some cases, access to records of a minor without the minor's consent may be limited by law or applicable policy.

3.3 Primary Care Physician (PCP)

BCN requires you to choose a Primary Care Physician (PCP). You have the right to designate any PCP who is a Participating Physician and who is able to accept you or your family members. If you do not choose a PCP upon enrollment, BCN will choose one for you.

For children under the age of 18 ("Minors"), you may designate a Participating pediatrician as the PCP if the Participating pediatrician is available to accept the child as a patient. Alternatively, the parent or guardian of a Minor may select a Participating family practitioner or general practitioner as the Minor's PCP, and may access a Participating pediatrician for general pediatric services for the Minor (hereinafter "Pediatric Services"). No PCP referral is required for a Minor to receive pediatric services from the Participating pediatrician.

You do not need Preauthorization from BCN or from any other person, including your PCP, in order to obtain access to obstetrical or gynecological care from a Participating Provider who specializes in obstetrics or gynecology. The Participating specialist, however, may be required to comply with certain BCN procedures, including obtaining Preauthorization, following a pre-approved treatment plan, or procedures for making Referrals. The female Member retains the right to receive the obstetrical and/or gynecological services directly from her PCP.

Information on how to select a PCP, and for a list of PCPs, Participating pediatricians and Participating health care professionals (including Certified Nurse Midwives) who specialize in obstetrics or gynecology is available at bcbsm.com. You can also call Customer Service at the number shown on the back of your BCN ID card.

If after reasonable efforts, you and the PCP are unable to establish and maintain a satisfactory physician-patient relationship, you may be transferred to another PCP. If a satisfactory physician-patient relationship cannot be established and maintained, you will be asked to disenroll upon 30 days written advance notice; all Dependent Family Members will also be required to disenroll from Coverage. (See Section 5)

3.4 Refusal to Accept Treatment

You have the right to refuse treatment or procedures recommended by Participating Providers for personal or religious reasons. However, your decision could adversely affect the relationship between you and your physician, and the ability of your physician to provide appropriate care for you.

If you refuse the treatment recommended and the Participating Provider believes that no other medically acceptable treatment is appropriate, the Participating Provider will notify you. If you still refuse the treatment or request procedures or treatment that BCN and/or the Participating Provider regard as medically or professionally inappropriate, treatment of the condition or complications caused by failure to follow the recommendations of the Participating Provider will no longer be payable under this Certificate.

3.5 Grievance Procedure

BCN and your Primary Care Physician are interested in your satisfaction with the services and care you receive as a Member. If you have a problem relating to your care, we encourage you to discuss this with your Primary Care Physician first. Often your Primary Care Physician can correct the problem to your satisfaction. You are always welcome to contact our Customer Service Department with any questions or problems you may have.

We have a formal grievance process if you are unable to resolve your concerns through Customer Service, or wish to contest an Adverse Benefit Determination.

At any step of the grievance process, you may submit any written materials to help us in our review. You have two years from the date of discovery of a problem to file a grievance regarding a decision by BCN. There are no fees or costs charged to you when filing a grievance.

If you are member of an ERISA (Employee Retirement Security Act) qualified group, you have the right to bring a civil action against BCN after completing the BCN internal grievance procedures under the terms applying to ERISA groups. Non-ERISA group members, including their dependents, and non-group members, including their dependents, must exhaust all grievance steps (including external review by the Department of Insurance & Financial Services) prior to filing civil action. You may obtain further information from the local U.S. Department of Labor or by contacting the Department of Insurance & Financial Services at the number and address below.

Definitions:

Adverse Benefit Determination - means any of the following:

- A request for a benefit, on application of any utilization review technique, does not meet the requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness or is determined to be experimental or investigational and is therefore denied, reduced, or terminated or payment is not provided or made, in whole or in part, for the benefit
- The denial, reduction, termination, or failure to provide or make payment, in whole or in part, for a benefit based on a determination of a covered person's eligibility for coverage.
- A prospective or retrospective review determination that denies, reduces, or terminates or fails to provide or make payment, in whole or in part, for a benefit.
- A rescission of coverage determination
- Failure to respond in a timely manner to request for a determination

Pre-service grievance is an appeal that you can file when you disagree with our preapproval decision for a service that you have not yet received.

Post-service grievance is an appeal that you file when you disagree with our decision for a service that you have already received.

Step One

Review and Decision by the Appeals and Grievance Unit

To submit a grievance, you or someone authorized by you in writing, must submit a statement of the problem in writing to the Appeals and Grievance Unit in the Customer Services department at the address listed below:

Appeals and Grievance Unit
Blue Care Network
P. O. Box 284
Southfield, MI 48086-5043
Fax 866-522-7345

The Appeals and Grievance Unit will review your grievance and give you our decision within 15 calendar days for pre-service grievances and within 30 calendar days for post-service grievances.

The person or persons who review the first-level grievance are not the same individuals involved in the initial determination. If an adverse determination is made, BCN will provide you with a written statement containing the reasons for the adverse determination, the next step of the grievance process and forms used to request the next grievance step. BCN will provide, upon request and free of charge, all relevant documents and records relied upon in reaching an adverse determination.

If you are dissatisfied with the determination, you may appeal to Step Two within 180-calendar days of receipt of BCN's adverse determination. You, or a person authorized in writing to act for you, must notify the Appeals and Grievance Unit in writing and at the address above of your decision to appeal. If you do not file a Step Two grievance within the 180-calendar day timeframe, your grievance is considered abandoned and no further action may be taken.

Step Two

Review and decision by a BCN Step Two Member Grievance Panel

If you appeal from Step One, BCN's Step Two Member Grievance Panel will review and reconsider the determination made at Step One. You, or someone authorized by you in writing, may present the grievance to the Step Two Member Grievance Panel in person or by telephone conference. For pre-service and post-service grievances, notification of the Step Two grievance resolution will be sent to you within 15 calendar days for pre-service and 30 calendar days for post-service. If the grievance pertains to a clinical issue, the grievance will be forwarded to an independent Medical Consultant within the same or similar specialty for review. If BCN needs to request medical information, an additional 10 business days may be added to the resolution time. When an adverse determination is made, a written statement will be sent within 5-calendar days of the Panel meeting, but not longer than 15-calendar days for pre-service and 30 calendar days for post-service after receipt of the request for review. Written confirmation will contain the reasons for the adverse determination, the next step of the grievance process and the form used to request an external grievance review. BCN will provide, upon request and free of charge, all relevant documents and records relied upon in reaching an adverse determination.

External Review

If you do not agree with the decision at Step Two or our internal grievance process is waived, you may appeal to the Department of Insurance & Financial Services (DIFS) at <https://difs.state.mi.us/Complaints/ExternalReview.aspx> or at the addresses listed below:

Office of General Counsel – Health Care Appeals Section

Department of Insurance & Financial Services

(By mail)

P. O. Box 30220

Lansing, MI 48909-7720

(By delivery service)

530 W. Allegan St., 7th Floor

Lansing, MI 48933-1521

Phone: 877-999-6442

Fax: 517-284-8838

When filing a request for an external review, you will be required to authorize the release of any medical records that may be required to be reviewed for the purpose of reaching a decision on the external review.

If we fail to provide you with our final determination within 30-calendar days for pre-service grievances or 60-calendar days for post-service grievances (plus 10 business days if BCN requests additional medical information) from the date we receive your written grievance, you will be considered to have exhausted the internal grievance process and may request an external review. You must do so within 127 days of the date you received either our final determination or the date our final determination was due. Mail your request for a standard external review, including the required forms that we will provide to you, to the address listed above.

Expedited review

Under certain circumstances – if your medical condition would be seriously jeopardized during the time it would take for a standard grievance review – you can request an expedited review. You, your doctor or someone acting on your behalf can initiate an expedited review by calling Customer Service or faxing us at 866-522-7345.

We will decide within 72 hours of receiving both your grievance and your physician's confirmation. If we tell you our decision verbally, we must also provide a written confirmation within two business days. If we fail to provide you with our final determination timely or you receive an adverse determination, you may request an expedited external review from DIFS within 10-calendar days of receiving our final determination. In some instances, we may waive the requirement to exhaust our internal grievance process.

3.6 Additional Member Responsibilities

You have the responsibility to do the following:

- Read the Member Handbook, this Certificate and all other materials for Members,
- Call Customer Service with any questions.
- Comply with the plans and instructions for care that you have agreed to with your practitioners.
- Provide, to the extent possible, complete and accurate information that BCN and its Participating Providers need in order to provide you with care.
- Make and keep appointments for non-emergent medical care. You must call the doctor's office if you need to cancel an appointment.
- Participate in the medical decisions regarding your health.
- Participate in understanding your health problems and develop mutually agreed upon treatment goals.
- Comply with the terms and conditions of the Coverage provided.

3.7 Member's Role in Policy-Making

At least one third of the Board of Directors of BCN will consist of BCN Members, elected by Subscribers. BCN provides nomination and election procedures to Subscribers every 3 years.

Section 4: Forms, Identification Cards, Records and Claims

4.1 Forms and Applications

You must complete and submit any enrollment form or other forms that BCN requests. You represent that any information you submit is true, correct and complete. The submission of false or misleading information in connection with Coverage is cause for Rescission of your Contract upon 30 days written advance notice.

You have the right to appeal our decision to Rescind your Coverage by following the grievance procedure as described in Section 3 and in the Member Handbook. The grievance procedure is on our website at bcbsm.com. To obtain a copy, you can call Customer Service at the number shown on the back of your BCN ID card.

4.2 Identification Card

You will receive a BCN identification card. You must present this card whenever you receive or seek services from a provider. This card is the property of BCN and its return may be requested at any time.

To be entitled to Benefits, the person using the card must be the Member for whom all premiums have been paid. If the person is not entitled to receive services, the person must pay for the services received.

If you have not received your card or your card is lost or stolen, please contact Customer Service immediately. Information regarding how to obtain a new BCN ID card is on our website at bcbsm.com.

4.3 Misuse of Identification Card

BCN may confiscate your BCN ID card and may terminate Coverage if you misuse your BCN ID card by doing any of the following:

- Permit any other person to use your card
- Attempt to or defraud BCN

4.4 Membership Records

- We maintain membership records.
- Benefits under this Certificate will not be available unless information is submitted in a satisfactory format by the Group or the Member
- You are responsible for correcting any inaccurate information provided to BCN. If you intentionally fail to correct inaccurate information, you will be responsible to reimburse BCN for any service paid based on the incorrect information.

4.5 Authorization to Receive Information

By accepting Coverage under this Certificate, you agree that:

- BCN may obtain any information from providers in connection with Coverage

- BCN may disclose your medical information to your Primary Care Physician, other treating physicians or as otherwise permitted by law
- BCN may copy records related to your care

4.6 Member Reimbursement

Your Coverage is designed to avoid the requirement that you pay a provider for Covered Services except for applicable Copayments, Coinsurance or Deductible. If, however, circumstances require you to pay a provider, ask us in writing to be reimbursed for those services. Written proof of payment must show exactly what services were received including diagnosis, CPT codes, date and place of service. A billing statement that shows only the amount due is not sufficient.

Additional information on how to submit a claim and the Reimbursement Form is available at bcbsm.com and in the Member Handbook.

Send your itemized medical bills promptly to us.

Section 5: Termination of Coverage

5.1 Termination of Group Coverage

This Certificate and the contract between a Group and BCN will continue in effect for the period established by BCN and the Group. The agreement continues from year to year, subject to the following:

- The Group or BCN may terminate the Certificate with 30 days written notice including reason for termination. Benefits for all Members of the Group will terminate on the date the Certificate terminates; and
- If the Group terminates this Certificate, all rights to Benefits end on the date of termination to the extent permitted by law.

BCN will cooperate with the Group to arrange for continuing care of Members who are hospitalized on the termination date.

5.2 Termination for Nonpayment

Nonpayment of Premium

- If a Group fails to pay the premium by the due date, the Group is in default. BCN allows a 30-day grace period; however, if the default continues, the Group and its Members may be terminated.

- BCN will allow a 30-day grace period; however, if the Group or Member is terminated, any Covered Services incurred by a Member and paid by BCN after the date of last full payment will be charged to the Group or, as permitted by law, to the individual Member.

Nonpayment History

BCN may refuse to accept an application for enrollment or may decline renewal of any Member's Coverage if the applicant or any Member on the contract has a history of delinquent payment of their share of the costs for Covered Services.

Nonpayment of Member's Cost Sharing

BCN may refuse to renew Coverage for any contract under either of the following conditions:

- You fail to pay applicable Copayments, Deductible, Coinsurance or other fees within 90 days of their due date
- Or
- You do not make and comply with acceptable payment arrangements with the Participating Provider to correct the situation

The termination will be effective at the renewal date of the Certificate. BCN will give reasonable notice of such termination.

5.3 Termination of a Member's Coverage

Termination

Coverage for any Member may be terminated for any of the reasons listed below. Such termination is subject to reasonable notice and grievance rights required by law:

- You no longer meet eligibility requirements
- Coverage is cancelled for nonpayment
- The Group's Coverage is cancelled
- You misuse your Coverage
 - Misuse includes illegal or improper use of your Coverage such as:
 - Allowing an ineligible person to use your Coverage
 - Requesting payment for services you did not receive
- You fail to repay BCN for payments we made for services that were not a benefit under this Certificate, subject to your rights under the appeal process
- You are satisfying a civil judgment in a case involving BCN
- You are repaying BCN funds you received illegally
- You are serving a criminal sentence for defrauding BCN
- Your group changes to a non-BCN health plan
- We no longer offer this coverage

Rescission

If you commit fraud that in any way affects your Coverage or make an intentional misrepresentation of material fact to obtain, maintain or that otherwise affects your Coverage, BCN will consider you in breach of contract and, upon 30 days written advance notice your

membership may be Rescinded. Once we notify you that we are rescinding your Coverage, we may hold or reject claims during this 30-day period. In some circumstances, fraud or intentional misrepresentation of a material fact may include

- Misuse of the BCN ID card; (Section 4)
- Intentional misuse the BCN system
- Knowingly providing inaccurate information regarding eligibility

You have the right to appeal our decision to Rescind your Coverage by following the BCN complaint and grievance procedure in Section 3 of this Certificate. You can also find a copy of the procedure in the Member Handbook and on our website at bcbsm.com or you can contact Customer Service who will provide you with a copy.

5.4 Extension of Benefits

All rights to BCN Benefits end on the termination date **except**:

- Benefits will be extended for a Preauthorized Inpatient admission that began prior to the termination date. Coverage is limited to Facility charges; professional claims are not payable after the termination date.

As noted in Section 1 Benefits are only provided when Members are eligible and covered under this Certificate. However, as permitted by law, this extension of Benefits will continue only for the condition being treated on the termination date, and only until **any one** of the following occurs:

- You are discharged;
- Your Benefit exhausted prior to the end of the contract; or
- You become eligible for other Coverage.

NOTE: If Coverage is Rescinded due to fraud or intentional misrepresentation of a material fact, this extension does not apply.

Section 6: Continuation Coverage

6.1 Loss Because of Eligibility Change

If you no longer meet eligibility requirements as described under Section 1, you may transfer to an alternate benefit program offered by the Group, if any. If no alternate benefit program is available or if you are unable to meet any alternate benefit program eligibility requirements, you may apply for non-group coverage through BCN or Blue Cross® Blue Shield® of Michigan. To obtain information, you can call us at the number shown on the back of your BCN ID card.

6.2 COBRA Coverage

If you no longer meet the eligibility requirements as described under Section 1, you may be able to continue coverage at your own expense under federal law known as COBRA (Consolidated Omnibus Budget Reconciliation Act). Most employers with 20 or more employees are required

by federal law to offer this coverage (continuation coverage). The employer is the administrator of its COBRA plan. If you have questions, you should contact your Group.

NOTE: Employers under 20 employees, church-related groups and federal employee groups are exempt from COBRA.

If your employer is required by COBRA to offer you the option of purchasing continuation coverage, you will need to be aware of the following conditions:

- You may apply and pay for Group continuation coverage directly to your employer, but you must do so within the time limits allowed by law. You must also comply with other requirements of federal law.
 - This coverage may continue for up to 18, 29 or 36 months, depending on the reason for your initial ineligibility:
 - a. You are considered a Group Member for all purposes including termination for cause; however, events that would otherwise result in loss of eligibility are waived to the extent that the federal law specifically allows continuation.
 - b. Continuation coverage and all benefits cease automatically under any of the following:
 - i. The period allowed by law expires
 - ii. The employer no longer includes BCN as part of its Group health plan
 - iii. You begin coverage under any other benefit program or health coverage plan (with some exceptions)
 - iv. You become eligible for Medicare
- Or
- v. You do not pay for coverage fully and on time

Section 8: Your Benefits

8.1 Cost Sharing

NOTE: Your employer may have chosen Cost Sharing to be applied to this Certificate. Cost Sharing is detailed in any Riders attached to this Certificate.

Deductible

The Deductible is the fixed amount you are responsible to pay each year before BCN will pay for Covered Services. Your Deductible is based on amounts defined annually by the federal government for High Deductible Health Plans. Changes in the federal government amounts will affect your Deductible.

BCN begins paying for covered medical Services and prescription drugs only after the total amount of the Deductible has been met with the exception of Preventive Services. The Deductible does not apply to Preventive Services (Section 8).

Aggregate Deductible

If there are more than two Members on a family Contract, the entire family Deductible amount (Aggregate Deductible) must be met before BCN pays for any expenses for any one person covered under the Plan. **Aggregate Deductible** means there is one family Deductible amount that must be met first. The entire family Deductible may be satisfied by one family member or the combined (**aggregate**) of the entire family. The Deductible accumulates towards the Out-of-Pocket Maximum.

The Approved Amount is applied to the Deductible for Covered Services. Charges paid by a Member in excess of the Approved Amount or for non-covered services do not apply toward the Deductible.

Your Deductible renews each Calendar Year. It does not carry over to the new year.

NOTE: Your Deductible amount is defined by a Rider attached to this Certificate.

Copayment

You have no Copayments under this Certificate *unless* a Rider is issued to you that amends your Coverage and applies a Copayment to specific services. Copayments count toward your Out-of-Pocket Maximum. Once you meet your Out-of-Pocket Maximum, you will not be responsible for Copayments for the remainder of the Calendar Year.

Coinsurance

You pay no Coinsurance under this Certificate with the exception of the following Services. Your Coinsurance is 50% of the Approved Amount after the Deductible is satisfied for the Services listed below:

- Infertility counseling and treatment
- Male sterilization
- Reduction mammoplasty and male mastectomy
- Durable medical equipment
- Prosthetics and orthotics
- TMJ treatment
- Orthognathic surgery
- Weight reduction procedures

NOTE: A Rider may be attached that amends your Coverage and applies a Coinsurance to Services with 100% Coverage. The Coinsurance will not apply to Preventive Services (Section 8).

Cost Sharing – Deductible, Coinsurance and Copayment Calculation

If you have a Coinsurance or Copayment for a particular Service as well as a Deductible, you will first be responsible for the payment of the Deductible. The Coinsurance or Copayment will be based on the remaining balance of the Approved Amount. BCN will be responsible to make payment to the provider only after the Deductible, Coinsurance, and Copayment have been paid.

Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the most you will pay for Covered Services under this Certificate and any attached Riders per Calendar Year. The Out-of-Pocket Maximum includes your medical and BCN Prescription Drug Deductible, Copayment and Coinsurance. The maximum amount is set annually by the federal government.

Once you reach the Out-of-Pocket Maximum, you will not pay Deductible, Copayments or Coinsurance for Covered Services for the remainder of the Calendar Year with the following exceptions:

- Any Premium or contributions paid toward the Premium do not apply to the Out-of-Pocket Maximum;
- Charges paid by you in excess of the Approved Amount do not apply toward the Out-of-Pocket Maximum; and
- Services that are not a Benefit under this Certificate do not apply to the Out-of-Pocket Maximum.

NOTE: This plan has an Aggregate Out-of-Pocket Maximum. This means that for a two-person or Family contract, the entire Family Out-of-Pocket Maximum must be met before \$0 Cost Sharing applies to Covered Services.

Out-of-Pocket Maximum renews each Calendar Year and does not carry over to the next Calendar Year.

NOTE: Out-of-Pocket Maximum amount is defined by a Rider attached to this Certificate.

Benefit Maximum

Some of the Covered Services described in the Certificate are covered for a limited number of days or visits per Calendar Year. This is known as the Benefit Maximum. Once you reach a maximum for a Covered Service, you will be responsible for the cost of the additional services received during that Calendar Year even when continued care may be Medically Necessary.

Examples of Covered Services that may have a Benefit Maximum include but are not be limited to:

- Medical rehabilitation
- Spinal manipulations

Treatment and consultation recommendation made online, including issuing a prescription, are to be held to the same standards of appropriate practice as those in traditional settings.

NOTE: Not all Online Visit services are considered an Online Visit, but maybe considered Telemedicine. Telemedicine services will be subject to the same Cost Sharing as services rendered in an office setting.

Online Visit exclusions include but are not limited to

Mechanical traction once per day is covered when it is performed with chiropractic spinal manipulation.

Radiological services and X-rays are covered when Preauthorized.

See Outpatient Services section and any attached Riders for Cost Sharing information.

Benefit Maximum:

Osteopathic manipulative therapies on any location of the body and chiropractic spinal manipulations to treat misaligned or displaced vertebrae of the spine are limited to the Benefit Maximum of 30 combined visits per Member per Calendar Year. For example, a spinal manipulation performed by a Chiropractor will reduce the number of spinal manipulations available from an Osteopathic Physician.

Visits for mechanical traction are applied toward your Benefit Maximum for physical, speech and language pathology, and occupational therapy services. The therapies (mechanical traction or physical, speech and language pathology, and occupational therapy) are limited the Benefit defined under Outpatient Therapy section.

8.3 Continuity of Care for Professional Services

Continuity of Care for Existing Members

When a contract terminates between BCN and a Participating Provider (including your Primary Care Physician) who is actively treating you for conditions and under the circumstances listed below, the disaffiliated physician may continue treating you.

Physician Requirements

The Continuity of Care provisions apply only when your physician

- Notifies BCN of his or her agreement to accept the Approved Amount as payment in full for the Services provided
- Continues to meet BCN's quality standards
- Agrees to adhere to BCN medical and quality management policies and procedures

It is the responsibility of the physician to notify you of his or her willingness to continue accepting payment from BCN for Covered Services within 15 days of the date the BCN contract ended.

Medical Conditions and Coverage Time Limits

- **Pregnancy Related:** If you are in your second or third trimester of pregnancy at the time of the treating physician's disaffiliation, Services provided by your physician may

continue through post-partum care (typically six weeks) for Covered Services directly related to your pregnancy.

- **Terminal Illness:** If you were diagnosed as terminally ill (with a life expectancy of six months or less) and were receiving treatment from the disaffiliated provider related to your illness prior to the end of the Provider's BCN contract, Coverage for Services provided by your provider may continue for the ongoing course of treatment through death.
- **Life-threatening condition:** If you have a life-threatening disease or condition for which death is likely if the course of treatment is interrupted. Coverage for Services provided by the disaffiliated provider may continue through the current period of active treatment or 90 calendar days from the time the provider's contract with BCN ended, whichever comes first.
- **Other Medical Conditions:** For Chronic (on-going) and Acute medical conditions (a disease or condition requiring complex on-going care such as chemotherapy, radiation therapy, surgical follow-up visits) when a course of treatment began prior to the treating physician's disaffiliation, Coverage for Services provided by the disaffiliated provider may continue through the current period of active treatment or 90 calendar days from the time the provider's contract with BCN ended, whichever comes first. The treating physician or health care provider must attest that your condition would worsen or interfere with anticipated outcomes if your care were discontinued. Your Participating Primary Care Physician must coordinate all other Services in order for them to be Covered Services.

Coverage

If the former Participating Provider (including your Primary Care Physician) provides notification to you and agrees to meet the "Physician Requirements" listed above, BCN will continue to provide Coverage for the Covered Services when provided for an ongoing course of treatment, subject to Medical Conditions and Coverage Time Limits detailed above. In order for additional Covered Services to be paid, your Participating Primary Care Physician must provide or coordinate all such Services.

NOTE: You will be responsible for any amount charged by the Non-Participating Provider if the above criteria are not met unless you obtain a Referral to the physician from your Primary Care Physician and Preauthorization from BCN.

Continuity of Care for New Members

If you are a new Member and want to continue an active course of treatment from your existing, Non-Participating Provider, you may request enrollment in BCN's Continuity of Care program. In order for the Services to be paid by BCN, at the time of enrollment you must have selected a Primary Care Physician who will coordinate your care with the Non-Participating Provider. You may participate in the Continuity of Care program only for the following conditions and only for the time periods described below:

Coverage Time Limits and Qualification Criteria

- **Pregnancy Related:** If you are in your second or third trimester of pregnancy at the time of enrollment, coverage provided by your Non-Participating Provider may continue through post-partum care for Covered Services directly related to your pregnancy.
- **Terminal Illness:** If you were diagnosed as terminally ill (with a life expectancy of six months or less) and were receiving treatment from the Non-Participating Provider related to your illness prior to enrollment, Coverage for services provided by your Non-Participating Provider may continue for the ongoing course of treatment through death.
- **Other Medical Conditions:** For Chronic and Acute medical conditions when a course of treatment began prior to enrollment, Coverage for services provided by the Non-Participating Provider may continue through the current period of active treatment or 90 calendar days from the time of enrollment, whichever comes first.

Coverage

Coverage will be provided for Covered Services for an ongoing course of treatment, subject to Coverage Time Limits and Qualification Criteria detailed above. In order for additional Covered Services to be paid, your Participating Primary Care Physician must provide or coordinate all such Services.

NOTE: You will be responsible for any amount charged by the Non-Participating Provider if the above criteria are not met unless you obtain a Referral to the physician from your Primary Care Physician and Preauthorization from BCN.

8.7 Emergency and Urgent Care

Definitions

Accidental Injury - a traumatic injury, which, if not immediately diagnosed and treated, could be expected to result in permanent damage to your health

Emergency Services – Services to treat a Medical Emergency as described below.

Medical Emergency - the sudden onset of a serious medical condition resulting from injury, sickness or mental illness that manifests itself by signs and symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in serious jeopardy to your health or to your pregnancy, in the case of a pregnant woman, serious impairment to bodily function, or serious dysfunction of any bodily organ or part.

Stabilization - the point at which, it is reasonably probable that no material deterioration of a condition is likely to result from or occur during your transfer

Urgent Care Services - Services that appear to be required in order to prevent serious deterioration to your health resulting from an unexpected, sudden illness or injury that could be expected to worsen if not treated within 24 hours. Examples include flu, strep throat, or other infections; foreign material in the eye; sprain or pain following a fall; and a cut, sore or burn that does not heal.

Coverage

Emergency Services and Urgent Care Services are covered in full after Deductible up to the point of Stabilization. Services must be Medically Necessary and needed for immediate treatment of a condition that is a Medical Emergency. Your Primary Care Physician can also direct you to go to an emergency care Facility.

In case of such Medical Emergency or Accidental Injury, you should seek treatment at once. We urge you, the hospital or someone acting on your behalf to notify your Primary Care Physician or BCN within 24 hours, or as soon as medically reasonable. Inpatient emergent admissions require Preauthorization by BCN.

Emergency Services include professional and related ancillary services and Emergency Services provided in an Urgent Care Center, or Hospital Emergency room.

Emergency Services are no longer payable as Emergency Services at the point of the Member's Stabilization as defined above.

If you are admitted as an Inpatient because of the Emergency, the Inpatient Hospital Benefit as described in this chapter and attached Riders will apply.

NOTE: Observation stay resulting from Emergency Services is subject to Emergency room Cost Sharing.

Follow-up care in an Emergency room or Urgent Care Facility, such as removal of stitches and dressings, is a Covered Benefit only when Preauthorized by your Primary Care Physician and BCN. This applies even if the Hospital Emergency staff or physician instructed you to return for follow up.

Admission to Non-Participating Hospital after Emergency Services

If you are hospitalized in a Non-Participating Hospital, we may require that you be transferred to a Participating Hospital as soon as you have Stabilized. If you refuse to be transferred, all related non-Emergency Covered Services will not be covered from the date of Stabilization.

Out-of-Area and Non-Participating Provider Coverage

- Medicare rate.

These rates are calculated according to the requirements of the Patient Protection and Affordable Care Act.

You are responsible for any Cost Sharing required under this Certificate or amended Rider. Additionally, you will be responsible to pay the difference between BCN's Approved Amount and the amount the Non-Participating Provider's bill if the Non-Participating Provider does not accept BCN's Approved Amount as payment in full (also referred to as Balance Billing). This amount does not apply to your Out-of-Pocket Maximum.

- A drug trial that is exempt from having an investigational new drug application; or
- A study or investigation conducted by a federal department that meets the requirements of Section 2709 of the PPACA

Clinical Trials of experimental drugs or treatments proceed through four phases:

- **Phase I:** Researchers test a new drug or treatment in a small group of people (20-80) for the first time to evaluate its safety, to determine a safe dosage range and to identify side effects. Phase I trials do not determine efficacy and may involve significant risks as these trials represent the initial use in human patients.
- **Phase II:** The study drug or treatment is given to a larger group of people (100-300) to see if it is effective and further evaluate its safety.
- **Phase III:** If a treatment has shown to be effective in Phase II, it is subjected to additional scrutiny in Phase III. In this phase, the sample size of the study population is increased to between 1,000 and 3,000 people. The goals in Phase III are to confirm the effectiveness noted in Phase II, monitor for side effects, compare the study treatment against current treatment protocols, and collect data that will facilitate safe use of the therapy or treatment under review.
- **Phase IV:** These studies are done after the drug or treatment has been marketed or the new treatment has become a standard component of patient care. These studies continue testing the study drug or treatment to collect information about their effect in various populations and any side effects associated with long-term use. Phase IV studies are required by the FDA when there are any remaining unanswered questions about a drug, device or treatment.

6 TIER PRESCRIPTION DRUG RIDER
HIGH DEDUCTIBLE HEALTH PLAN

This Rider is issued to you in connection with your High Deductible Health Plan Certificate of Coverage. It is effective on the date adopted by your Group. This Rider amends your Certificate as set forth below.

A. DEFINITIONS:

1. **APPROVED AMOUNT** is the lower of the billed charge or the sum of the drug cost plus the dispensing fee for a Covered Drug or service. The drug cost and the dispensing fee are set according to our contracts with pharmacies. The Approved Amount is not reduced by rebates or other credits received directly or indirectly from a drug manufacturer. Deductible, Copayment and Coinsurance that may be required of you are subtracted from the Approved Amount before we make our payment. When a Participating Pharmacy fills a prescription for a Covered Drug, we will pay the pharmacy the Approved Amount for the drug after your out-of-pocket costs.
2. **BCN AFFILIATED PROVIDER** means a licensed health care provider who may prescribe prescription drugs and who is: a) contracted or employed with BCN; b) a health care provider to whom a Member was referred by BCN or BCN Physician; or, c) a licensed doctor of dental surgery or doctor of dental medicine in good standing with Blue Care Network.
3. **CUSTOM DRUG LIST** means the list of Prescription Drugs that have been approved by the U.S. Food and Drug Administration and approved by the BCBSM/BCN Pharmacy and Therapeutics Committee and are covered under this Rider. The list represents the clinical judgment of Michigan physicians, pharmacists and other experts in the diagnosis and treatment of disease and promotion of health. Medications are selected based on clinical effectiveness, safety and opportunity for cost savings. Some drugs included in the Custom Drug List require Prior Authorization and/or Step Therapy by BCN before they are covered. The drug list may be modified by BCN as needed to remove or add a Covered Drug or to modify the requirements for authorization of a Covered Drug.
4. **BIOLOGICAL PRODUCTS** mean Prescription Drugs including biosimilars and interchangeable biologics that are used to treat or cure disease and are manufactured

in, extracted from or semi-synthesized from biological sources. Biological sources include microorganisms or plants or animal cells.

5. BRAND NAME DRUG generally means a drug that is manufactured and marketed under a registered trade name or trademark.
 - MULTI-SOURCE BRAND NAME DRUG means a drug that is available from a brand name manufacturer and also has generic versions available.
 - SINGLE SOURCE BRAND NAME DRUG means no generic version is available because the drug can only be produced by the company holding the patent.
6. COINSURANCE means a percentage of the BCN Approved Amount you must pay for a Covered Drug after you have met your Deductible. Your Coinsurance is not reduced by any rebate or other credit received directly or indirectly from the drug manufacturer.
7. COPAYMENT means a fixed amount of the drug's Approved Amount you must pay for a Covered Drug after you have met your Deductible.
8. COVERED DRUG means a Generic Drug, Brand Name Drug or a Biological Product which is included on the Custom Drug List, that is prescribed by a BCN Affiliated Provider and is **not excluded under Section E of this Rider**. The Covered Drug is either a) obtained through a Participating Retail or Mail Order Pharmacy, or b) obtained from a Non-Participating Pharmacy in an urgent or out of area situation (Section D2). This definition may be expanded at the discretion of BCN to include other drugs or devices that meet all of the requirements of this section.
9. DEDUCTIBLE is the amount that you must pay first before BCN will pay for a Covered Drug under this Rider. Your Deductible is not reduced by any rebate or other credit received directly or indirectly from the drug manufacturer. Your Deductible is defined in your Certificate of Coverage and the applicable Rider attached to your Certificate. Your Deductible includes Covered medical and pharmacy Benefits.
10. EXIGENT CIRCUMSTANCES an Exigent Circumstance exists when you suffer from a health condition that may seriously jeopardize your life, health or ability to regain maximum function, or when you are undergoing a current course of treatment using a drug that is not on our approved drug list.
11. GENERIC DRUG means a Prescription Drug that contains the same active ingredients, is identical in strength and dosage form and is administered in the same way as the brand name drug. Generic Drugs are generally included in Tier 1A and Tier 1B and usually cost significantly less than the Brand Name drug equivalent.

12. MEDICALLY NECESSARY or MEDICAL NECESSITY means a drug must be Medically Necessary to be covered, as determined by pharmacists and physicians acting for BCN, based on criteria and guidelines developed by pharmacists and physicians for BCN. The Covered Drug must be accepted as necessary and appropriate for the patient's condition and not mainly for the convenience of the Member or physician. In the absence of established criteria, Medical Necessity will be determined by pharmacists and physicians according to accepted standards and practices.
13. OFF-LABEL means the use of a drug or device for clinical indications other than those stated in the labeling approved by the U.S. Food and Drug Administration.
14. OUT-OF-POCKET MAXIMUM is the highest amount of money you have to pay for covered services during the Calendar Year. Member Cost-Sharing for medical benefits and Prescription Drugs covered under this Rider count toward your Out-of-Pocket Maximum. This limit never includes Prescription Drugs not covered by BCN. The Out-of-Pocket Maximum is defined in your Certificate of Coverage and Rider.
15. "OVER-THE-COUNTER" DRUGS means a drug that can be sold without a prescription.
16. PARTICIPATING PHARMACY means a network of licensed pharmacies selected by or authorized by BCN to provide Covered Prescription Drugs to members.
17. PARTICIPATING 90-DAY RETAIL PHARMACY means any licensed pharmacy that has an agreement with BCN to provide a 90-day supply of Covered Drugs and is not a Mail-Order Pharmacy.
18. PERSONALIZED CARE PROTOCOL PROGRAM means a program that supports Member needing enhanced coordination of care for controlled substances. Members enrolled in this program are identified by BCN. BCN will send the Member a letter 30-days before the program takes effect that explains the program's requirements and its effective date.
19. PRESCRIPTION DRUG means a medication approved by the U.S. Food and Drug Administration (FDA) and which can, under federal or state law, be dispensed only pursuant to a Prescription Order (a Federal legend drug).
20. PRIOR AUTHORIZATION means obtaining BCN's advanced approval for certain Prescription Drugs before the requested drug is covered. Approval is based on whether the information that your physician provides regarding your medical condition meets BCN's clinical criteria.

21. SPECIALTY DRUGS mean Prescription Drugs that require special handling, administration or monitoring. These drugs treat complex and chronic conditions such as cancer and chronic kidney failure. BCN determines which specific drugs are considered specialty and payable through the pharmacy benefit. BCN may manage your care by directing you to a select pharmacy that specializes in Specialty Drug disease management. A list of covered Specialty Drugs is available at BCBSM.com.
22. SPECIALTY PHARMACY means a licensed pharmacy that specializes in Specialty Drugs and provides the associated clinical management support.
23. STEP THERAPY PROGRAM means a program where a Member must be treated with one or more generic or preferred drugs before certain drugs are covered.
24. TIER 1A VALUE includes select Generic and Brand Name Prescription Drugs that have a proven clinical value essential for treatment of chronic conditions such as diabetes and hypertension. These drugs have lower Cost Sharing compared to Tier 1B Generics.
25. TIER 1B GENERICS include generic drugs that have been determined by the FDA to be bioequivalent to Brand Name Drugs and are not manufactured or marketed under a registered trade name or trademark. These drugs generally have lower Cost Sharing compared to other Tiers.
26. TIER 2 PREFERRED BRAND Drugs are those drugs that have a proven record for safety and effectiveness. These drugs generally are more expensive than generic drugs. Generic Drug alternatives may be available, offering more cost effective therapies.
27. TIER 3 NON_PREFERRED DRUGS are Covered Drugs that are not included in Tier 1A, Tier 1B, Tier 2 or the specialty tiers. These drugs may have less favorable adverse effects, or their clinical value may not be as high as the Custom Drug List alternatives. The highest Copayment applies.
28. TIER 4 PREFERRED SPECIALTY are those generic or Single Source Brand Specialty Drugs that have a proven record for safety and effectiveness, and offer the best value to our Members. The lowest Specialty Drug Cost Sharing applies.
29. TIER 5 NON-PREFERRED SPECIALTY are those covered Single Source Specialty Drugs that may not have a proven record for safety or their clinical value may not be as high as the Specialty Drugs on Tier 4 Preferred Specialty. The highest Specialty Drug Cost Sharing applies.

D. LIMITATIONS:

1. Prescriptions for Covered Drugs are limited to a 30-day retail supply except that BCN in its discretion may recognize for benefit purposes the provision of specific prescription drugs in quantities exceeding a 30-day supply. BCN retains the right to place a lower maximum supply limit on certain Covered Drugs or for drugs whose minimal package size prevents a 30-day supply from being dispensed (e.g., inhalers). This Rider does not cover any prescription refill in excess of the number specified by the physician or any prescription or refill dispensed after the date the prescription has expired. In addition, BCN may set quantity limits based on clinical appropriateness and manufacturer recommended dosing for particular drugs.

Note: BCN reserves the right to limit the quantity of select Specialty Drugs to a 15 day supply. Your Copayment maximum will be reduced by fifty percent (50%) for the 15 day supply.

2. BCN will reimburse a Member the amount specified on BCN's fee schedule or Member's actual charge, whichever is less, minus the Copayment, if a Member obtains Covered Drugs, needles and syringes, or insulin from a non-participating pharmacy in an urgent situation or when a Member is out-of-area and a Participating Pharmacy is not available.
3. USPSTF A and B rated preventive medications and devices are covered under this Rider only when obtained from Participating Pharmacies and with a valid prescription from Affiliated Providers. Prior Authorization, Step Therapy and quantity limits may apply.
4. Included in the Custom Drug List are Covered Drugs which are benefits under this Rider only if a BCN Affiliated Provider certifies to BCN and BCN agrees that the Covered Drug in question is medically necessary for the Member, based on BCN's approved criteria. Those Covered Drugs are not payable by BCN without Prior Authorization by BCN.
5. Some drugs require step therapy before the prescribed drug is covered. These drugs require a previous trial with one or more preferred drugs before coverage is provided.
6. Certain drugs are not covered unless your BCN Affiliated Provider first certifies to BCN and BCN agrees that the available generic and preferred drug alternatives are ineffective or pose unnecessary risk to you. In such instances, the request for coverage must be approved by BCN and the highest Tier Copayment will apply.
7. If a Member obtains a Brand Name Drug when a Generic Drug or Biological Product equivalent is on the BCN Custom Drug list, the Member must pay the difference between the cost of the Brand Name Drug and the cost of its Generic Drug or Biological Product equivalent, in addition to the applicable brand cost sharing. The Member will not be required to pay the difference between the Brand Name Drug and its Generic Drug or Biological Product equivalent if the physician receives prior approval based on medical necessity from BCN to designate the prescription "Dispense as Written" and the Brand Name Drug is dispensed.
8. For Member enrolled in the Personalized Care Protocol Program, the controlled substance is only covered when prescribed by a BCN approved Affiliated Provider and dispensed by a BCN approved Participating Pharmacy. If a Member

cannot meet these requirements, such as when they are travelling, the controlled substance will be covered **only** if BCN approves the prescribing provider and the pharmacy before a controlled substance is dispensed.

Note: Only controlled substances fall under this program. For all other Covered Drugs, Members can go to a BCN Affiliated Provider or Participating Pharmacy of their choice.

This is often referred to as the Off-Label use of a drug or device. 15. Any drugs not reviewed and recommended by BCN for addition to the Custom Drug List.

BCN must Prior Authorize coverage of such Prescription Drug before it is dispensed. If Prior Authorization is not obtained for a drug not on the BCN Custom Drug List before it's dispensed, the drug will not be covered.

To request BCN's approval, you, your designee, or the prescribing provider or the provider's designee should contact us and follow our exception request process.

BLUECARD® PROGRAM ADDENDUM

If you receive Covered Services in another state, the claims will be processed through the BlueCard® Program. This Addendum explains how it works. It does not expand your Coverage to include out-of-state providers. It defines the payment method used should an incidental out-of-state claim be incurred.

Your Certificate is amended to include the following:

Out-of-Area Services

Overview

Blue Care Network (“BCN”) has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Arrangements.” These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever you, the Member, access healthcare services outside the geographic area we serve, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area BCN serves, you obtain care from healthcare providers that have a contractual agreement (“participating providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, you may obtain care from providers in the Host Blue geographic area that do not have a contractual agreement (“nonparticipating providers”) with the Host Blue. BCN remains responsible for fulfilling our contractual obligations to you. Our payment practices in both instances are described below.

BCN covers only limited healthcare services received outside of our Service Area. As used in this section “Out-of-Area Covered Healthcare Services” include, emergency care, urgent care, and/or follow-up care obtained outside the geographic area we serve, subject to BCN coverage rules. Any other services will not be covered when processed through any Inter-Plan Arrangements, unless Preauthorized by your Primary Care Physician (“PCP”) or BCN.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits except when paid as medical claims/benefits, and

those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party contracted by BCN to provide the specific service or services.

A. BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when you access Out-of-Area Covered Healthcare Services outside the BCN Service Area, the Host Blue will be responsible for contracting and handling all interactions with its participating providers.

The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Member liability on claims for Out-of-Area Covered Healthcare Services processed through the BlueCard Program will be based on the lower of the providers billed charges for Out-of-Area Covered Healthcare Services or the negotiated price made available to us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's healthcare provider contracts. The negotiated price made available to BCN by the Host Blue may be represented by one of the following:

- (i) An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
- (ii) An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
- (iii) An average price. An average price is a percentage of billed charges for Out-of-Area Covered Healthcare Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether or not it will use an actual price, an estimated price or an average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price you pay on a specific claim and the actual amount the Host Blue pays to the provider. However, the BlueCard Program requires that the amount paid by the

Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

B. Nonparticipating Providers Outside of the BCN Service Area

1. Member Liability Calculation

When Out-of-Area Covered Healthcare Services are provided outside of the BCN Service Area by nonparticipating providers, the amount(s) you pay for such services will generally be based on either the Host Blue's nonparticipating provider local payment or the pricing arrangements required by applicable state law. In these situations, you may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment BCN will make for Out-of-Area Covered Healthcare Services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

2. Exceptions

In some exception cases, BCN may pay claims from nonparticipating providers for Out-of Area Covered Healthcare Services based on the provider's billed charge. This may occur in situations where you did not have reasonable access to a participating provider, as determined by BCN in our sole and absolute discretion or by applicable state law. In other exception cases, BCN may pay such a claim based on the payment BCN would make if BCN were paying a nonparticipating provider for the same Covered Healthcare Services inside of BCN Service Area, as described elsewhere in this contract. This may occur where the Host Blue's corresponding payment would be more than BCN in-Service Area nonparticipating provider payment. BCN may choose to negotiate a payment with such a provider on an exception basis.

Unless otherwise stated, in any of these exception situations, you may be responsible for the difference between the amount that the nonparticipating provider bills and the payment BCN will make for the covered services as set forth in this paragraph.

C. Blue Cross Blue Shield Global® Core

General Information

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard Service Area"), you may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Healthcare Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard Program available in the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists you with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the United States, the Commonwealth of

Puerto Rico and the U.S. Virgin Islands, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

- **Inpatient Services**

In most cases, if you contact the service center for assistance, hospitals will not require you to pay for covered inpatient hospital services, except for any cost sharing you may owe. In such cases, the Blue Cross Blue Shield Global® Core contracting hospital will submit your claims to the service center to initiate claims processing. However, if you paid in full at the time of service, you must submit a claim to obtain reimbursement for Covered Services. **You must contact us to obtain Preauthorization for non-emergency inpatient services.**

- **Outpatient Services**

Physicians, urgent care centers and other outpatient providers located outside the BlueCard Service Area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Healthcare Services.

- **Submitting a Blue Cross Blue Shield Global® Core Claim**

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global® Core claim form and send the claim form with the provider's itemized bill(s) to the service center (the address is on the form) to initiate claims processing. The claim form is available from BCN, the service center or online at www.bcbglobalcore.com. If you need assistance with the claim submissions, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

D. Exclusions and Limitations

This addendum will not apply if:

- the services are not a benefit under your Certificate of Coverage;
- the services are performed by a vendor or provider who has a contract with BCN for those services.

E. General Information

- If you have a Deductible, you will be responsible for payment of applicable Deductible for covered services at the time those services are received.
- Your Deductible, Coinsurance and Copayment requirements are based on your Certificate and Riders and remain the same regardless of which Host Blue processes your claim for services.
