EVALUATION

The decision to apply any revisions to the Teacher or Staff Evaluation Tool is the sole responsibility of the district.

- 9.1 All association members will be evaluated annually by year-end with timely and constructive feedback with a district chosen Teacher or Staff Evaluation Tool. The tools will remain in place for a minimal time length of one school year to allow counselors, tenured teachers and probationary teachers to be evaluated with an identical tool formulated for their particular status.

Probationary teachers/probationary staff will be observed a minimum of 2 times per semester for a minimum time length of 30 minutes. Additional walk through observations, without a minimal time length, are also permissible during the semesters.

Tenured teachers/tenured staff will be observed a minimum of 1 time per year for a minimum time length of 30 minutes. Additional walk through observations, without a minimal time length, are also permissible during the school year. A minimum of two observations are required for all teachers not receiving a rating of “highly effective” or “effective” on their two most recent evaluations. If a teacher is rated as highly effective on three (3) consecutive year-end evaluations,

the school may choose to conduct a year end evaluation biennially instead of annually.

An Individual Development Plan (IDP) and a Mid-Year Progress Report is required for all first year probationary teachers and all teachers who received a “minimally effective” or “ineffective” rating on their most recent evaluation. The IDP will be developed in consultation with the classroom teacher.

- 9.2 To begin an evaluation cycle, the evaluator shall hold a pre-observation conference with the classroom teacher. The purpose of the conference is to review the evaluator’s expectations and to provide a tentative time schedule for the evaluation cycle and IDP if required.
- 9.3 Only a qualified building principal, or other qualified administrator shall conduct an evaluation. All formal observations shall be conducted openly and with full knowledge of the employee.
- 9.4 Mentor. A mentor shall be defined in accordance with section 1526 of the school code and shall provide professional support, instruction and guidance. Every effort will be made to provide a mentor who is a master teacher from the bargaining unit.

A mentor teacher shall be assigned in accordance with the following:

- A. Participation as a mentor teacher shall be voluntary.
- B. Every effort will be made to match mentor teachers and mentees who work in the same building and have the same area of certification.
- C. The mentor teacher assignment shall be for one (1) year subject to review by the mentor teacher and mentee after 2 months. If a change is warranted, this may be mutually agreed upon by the mentor, mentee, and administration.
- D. The relationship shall remain confidential (if desired) and shall not, in any fashion, be a matter included in the evaluation of the mentor teacher or the mentee. Neither the mentor teacher nor the mentee shall be permitted to participate in any matter related to the evaluation of the other.
- E. If there are no appropriate volunteers within the current teaching staff to serve as needed mentor teachers, the administration may seek involvement from the community, i.e., retired teachers, college or university professors, etc.

- 9.5 It is recognized that the evaluation procedures for probationary teachers and tenured teachers set forth in Sections 9.2 and 9.3 of this article are not applicable to the evaluation of members of the bargaining unit who are in non-instructional positions and that other evaluation procedures may be developed for such employees.
- 9.6 The time limits in this article shall be adjusted to address absence of the employee.

Article 10

EMPLOYEE DISCIPLINE

Article 11

Student contact hours are subject to adjustment for that purpose. Additionally, the Board/Group agree to meet to discuss the implementation of any necessary action to be taken to comply with the aforementioned State requirements during the term of this Agreement.
- 11.2 Work day may be scheduled to start and end at different times for different buildings. The normal work day may be extended for the purpose of activities normally expected of the bargaining unit member, such as faculty meetings. Normal work day for full time employees is a seven (7) to eight (8) hours per day. Part time employee hours are assigned by the Director and should be considered their work day hours. Any position that is being filled by a substitute, the substitute will work the hours of the person they are working for at a pay rate designated by the Board.
- 11.3 Professional development time will be scheduled in conjunction with the negotiated school calendar.
- 11.4 Inclement weather – With the present program existing at three different sites in three different communities it becomes a possibility that inclement weather may not effect all sites on any given day. With this understanding, each individual site will close if the school district in which the site is located closes due to the inclement weather.

- 11.5 However, if schools are closed due to reasons which do not allow scheduled days to be counted as days of student instruction and allow the school district to receive full state aid for those days, the Board shall have the right to require employees to report for work and work the rescheduled days without additional wages, compensation or benefits.
- 11.6 Overtime – Advance notice of overtime shall be given to the affected employee(s) whenever possible.
- 11.7 Student Enrollment Cap: With current staff (2) full-time Adult Education teachers, there will be the following enrollment cap: Enrollment will be capped at a total of 120 adult students enrolled at any singular time. The total number of students will be distributed equally between the two instructional staff. If numbers are capped, Fulton Schools will explore adding additional instructional staff if current budget conditions through federal and state funding will allow.

Article 12

WORKING CONDITIONS

- 12.1 All employees shall be issued the supplies, materials, tools and equipment the administration deems necessary to complete assigned duties.

At the discretion of the Board of Education the instructional day requirement may be altered.

Article 14

It is understood and agreed that to be qualified, a teacher shall meet all applicable standards for a “highly qualified” teacher under the No Child Left Behind Act (NCLB), including the NCLB Final Regulations, 34 CFR 200-55-200.56, and the Michigan Definition for identifying High Qualified teachers, as approved by the State Board of Education. It is the teacher’s responsibility to be aware of and meet the requirements to be considered highly qualified.
If a teacher cannot be assigned to a position for which they are qualified, they will be placed on layoff notice, under the provisions of this Agreement. The layoff procedure as described by this Agreement will be followed. Any teacher ultimately displaced shall be laid off and shall have recall rights to the extent provided in this Agreement.

It is understood that a vacancy shall not, however, exist until the school Board determines the position should be filled. Any bargaining unit member may apply for a posted vacancy.
- 15.2 Vacancies shall be posted on employee bulletin boards for at least five (5) working days before the appointment is made. The Group president shall receive a copy of the vacancy notice on the first day of posting. The posting will contain a description of the duties of the position, and state the requirements for the position. The school board may fill the position on an interim basis during the posting period.
- 15.3 The responsibility for the filling of any vacancy rests solely with the Board.
- 15.4 The qualifications for positions will be established by the Board. Qualified bargaining unit members seeking a position will be considered. The final discretion and authority to determine who shall be awarded a vacancy rests with the Board.

- 15.5 Any new bargaining unit position which is created by the Board will be posted accordingly. The Board will send an electronic copy of the posting along with a description of the duties to the union president via email.
- 15.6 The building administrator will utilize a minimum of one union member on the interview selection committee for a new job opening if a union representative is available and willing to participate. Before holding the interviews, the administrator will contact a maximum of three union members to determine if any have an interest, or less if a member is interested. If the three members do not have an interest, the interview can be held without a union member involved.

Article 16

- 16.1 It is recognized that it is the responsibility of the employee to maintain control and discipline in the classroom. It is the responsibility of the employee to inform his/her immediate supervisor in the event assistance is necessary or it appears that a particular pupil requires the assistance of special counselors, social workers, special education staff, law enforcement personnel, physicians or other professional persons. The Board recognizes it's responsibility to support and assist employees with respect to the maintenance of control and discipline in the classroom with the understanding that the Board shall have the ultimate discretion to determine what support and assistance should be provided.
- 16.2 A Group member may temporarily exclude a pupil from his/her class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the Group member will furnish the Administrator with knowledge of the exclusion and as promptly as possible full particulars of the incident. The report shall be presented, in writing, within twenty-four (24) hours upon request of the Administrator.
- 16.3 It will be the Group member's responsibility to follow established building procedures and policy for the handling of student discipline.
