- 8.1 All association members will be evaluated annually by year-end with timely and constructive feedback with a district chosen Teacher or Counselor , and non-certified staff Evaluation Tool. The tools will remain in place for a minimal time length of one school year to allow counselors, tenured teachers and probationary teachers, and non-certified staff to be evaluated with an identical tool formulated for their particular status.

Probationary teachers/probationary counselors will be observed a minimum of 2 times per semester for a minimum time length of 30 minutes. Additional walk through observations, without a minimal time length, are also permissible during the semesters.

Tenured teachers/tenured counselors will be observed a minimum of 1 time per year for a minimum time length of 30 minutes. Additional walk through observations, without a minimal time length, are also permissible during the school year. A minimum of two observations are required for all teachers not receiving a rating of “highly effective” or “effective” on their two most recent evaluations. If a teacher is rated as highly effective on three (3) consecutive year-end evaluations, the school may chose to conduct a year end evaluation biennially instead of annually.

An Individual Development Plan (IDP) and a Mid-Year Progress Report is required for all first year probationary teachers and all teachers who received a “minimally effective” or “ineffective” rating on their most recent evaluation. The IDP will be developed in consultation with the classroom teacher.

- 8.5 It is recognized that the evaluation procedures for probationary teachers and tenured teachers set forth in Sections 8.2 and 8.3 of this article are not applicable to the evaluation of members of the bargaining unit who are in non-instructional positions and that other evaluation procedures may be developed for such employees.

The Board shall be entitled to reschedule any days lost if it is necessary to receive full state aid or in the event school is closed for reasons which do not allow such days to be counted as days of student instruction. Teachers will receive their regular pay for days which are canceled, but shall work on any rescheduled days with no additional compensation. Such days shall be built into the calendar for the school year. Any additional days needed will be added to the end of the school year, unless the Board and Association mutually agree otherwise.

- 16.6 Medical Condition Following Leave - A bargaining unit member returning from a leave of absence of any kind may be required to furnish a physician's statement as to that member's condition with respect to carrying on regular duties. If the member's condition might interfere with the performance of the member's duties, or might result in injury while working or result in aggravating the condition, reasonable conditions may be placed on reemployment including but not limited to time for commencement of reemployment and type of work performed in reemployment.
- 16.7 Any teacher that does not use more than three (3) sick and/or personal leave days during any school year will receive an additional \$100.00 in the final June pay.
- 16.8 The Board shall establish a Sick Leave Bank to provide additional sick leave to employees requiring leave exceeding their total accumulated days of leave. All employees of Fulton Schools who receive sick leave as a benefit shall be eligible to participate in the Sick Leave Bank Program, subject to the following provisions:
- A. In order to participate in the Sick Leave Bank Program, an employee must have contributed at least one (1) day to the program by the third full week in October (after 2017, the first full week of September). Any days contributed to the sick bank cannot be refunded to an employee's individual personal sick leave balance. Donation to the Sick Leave Bank does not guarantee approval to receive days from the Sick Leave Bank.
 - B. An employee may be granted days from the Sick Leave Bank provided they, or immediate family member (as defined in 17.1 A), have a specific FMLA qualifiable need for more sick leave days than the individual employee has accumulated.
 - C. In order to participate in the Sick Leave Bank, an employee must have exhausted all leave days (personal and sick).
 - D. In most circumstances, an employee must submit an application to withdraw from the Sick Leave Bank five (5) days prior to exhausting all sick and personal leave.
 - E. The Sick Leave Bank shall be created through the voluntary and confidential contributions of District employees. Employees may contribute to the program

during the third full week of October (after 2017, the first full week of September) and the first full week of June. Days contributed shall be deducted from the sick leave balance of the contributing employee.

- F. An employee may request to use no more than fifteen (15) days from the Sick Leave Bank at one time provided there are sufficient days in the bank. Additional requests may be made to the governing committee as need indicates.
- G. An employee wishing to make use of the Sick Leave Bank must make written application to the Superintendent using the approved form. The Sick Leave Bank will be governed by a committee consisting of the Superintendent or designee, business manager or designee, and the president or designee from each of the District's three (3) bargaining units. The committee shall render a decision within three school days of receiving an application.
 - 1. Sick bank days shall be approved by a majority vote of the above committee upon written request by the employee if the committee determines that the need is FMLA qualifiable. All applications will remain strictly confidential.
 - 2. If an initial request is denied the employee may request an appeal where they will have the opportunity to provide additional information supporting the need that was not initially provided.
 - 3. Decisions rendered by the committee shall not be subject to the grievance procedure.
- H. The Sick Leave Bank Committee may require that an employee apply for long-term disability benefits as a condition for continued use of the sick bank. As soon as an individual qualifies for long-term disability insurance benefits, sick bank coverage shall cease.
- I. The provisions and benefits of the Sick Leave Bank terminate at the end of each school year. New requests must be submitted at the beginning of the next school year. If approved, the Sick Leave Bank benefit will begin after the employee has exhausted all newly allotted leave days (personal and sick).

ARTICLE 17
UNPAID LEAVES OF ABSENCE

- 17.1 A leave of absence, without pay, is obtained only for special reason such as poor health; advanced study related to the teacher's academic field of study; study to meet eligibility requirements for a certificate other than that held by the teacher; study, research or special teaching assignments involving a probable advantage to the Board; and service in the Peace Corps. Each request for such leave is made to the Superintendent who will refer the matter to the Board. Leaves of absence without pay for the reason of poor health must be accompanied by a written statement from a doctor setting forth his opinion

as to whether the condition of the teacher is such that the teacher is unable to carry out the teacher's regular duties for the Board. The Board may require examination from another doctor concerning the condition of the teacher, at the expense of the Board. Leaves of absence under this provision do not exceed one (1) year, but may be renewed at the discretion of the Board. Upon return from leave, a teacher shall be assigned to the same position, if available, or a substantially equivalent position pursuant to Article 16 Seniority, Layoff and Recall.

- 17.2 A leave of absence may be granted upon application for the purpose of serving as an officer of the Michigan Education Association or the National Education Association.

ARTICLE 18 **SABBATICAL LEAVE**

- 18.2 To qualify for sabbatical leave a teacher must hold a permanent, continuing, life or professional teaching certificate and shall have accumulated at least ten (10) semester hours toward a master's degree.
- 18.3 No more than two (2) teachers may be on sabbatical leave during the year.
- 18.4 Sabbatical leave may be granted for one of the following reasons:
- A. Formal study at an accredited college or university toward an advanced degree.
 - B. Research work under the guidance of competent research personnel.
 - C. Special program accepted by the Board as recommended by the Superintendent.
- 18.5 Sabbatical leave must be applied for by February 15 of the year prior to the requested leave. Sabbatical leave must be requested in writing on the proper forms from the Superintendent. Teachers may be asked to be present during the consideration of their request for sabbatical leave at the Board meeting.
- 18.6 The Board shall act upon the sabbatical leave requests prior to June 1.
- 18.7 Any teacher granted a sabbatical leave shall be required to work for a minimum of three (3) years upon his return from sabbatical leave for the Board. Any Teacher who does not complete the three (3) years minimum will return to the Board all monies funded him under this agreement and shall proportionately return these monies funded him under this agreement as follows: works one (1) year after sabbatical, refunds two-thirds (2/3)

monies; works two (2) years after sabbatical, refunds one-third (1/3) money. Any teacher who does not work for the Board at all after his leave shall return all monies afforded him under this agreement. The teacher shall obtain a performance bond which meets these conditions prior to the final approval for said sabbatical leave.

- 18.8 Restitution of said sabbatical leave money does not apply in cases where the teacher becomes incapacitated or where the rule is waived by the Board.
- 18.9 During the sabbatical leave the teacher shall not be allowed to hold any full-time paid position. However, this section shall not be construed to deny any teacher the right to fellowships, scholarships, grants and aides, or other scholastic stipends. The granting of sabbatical leave shall be made solely upon the recommendation of the Superintendent and the authorization of the Board, providing funds for such sabbatical leaves are available. The Board reserves the right to reject any request for any reason for leaves as defined by this Agreement.
- 18.10 An employee who is absent on sabbatical leave for academic study shall be required to furnish evidence of satisfactory progress in his academic study. Specific details of this requirement shall be arranged at the time of approval of the sabbatical request. Any employee on sabbatical leave who fails to meet the agreed upon requirements in his application for said sabbatical leave shall forfeit all rights to continue leave unless specifically permitted to continue by the Board.

The conference shall be attended by the building principal, or person designated by the Board for this purpose. The grievant may request any bargaining unit member or agent of the Association, to attend the meeting. The principal, or other person designated by the board for this purpose, may request any employee or agent of the Board to attend. If both parties feel that the matter may be resolved by additional conference, they may hold one (1) or more for this purpose. If a solution is achieved in the conferences, the matter shall be terminated. Any solution achieved at the informal stage of this grievance procedure shall not constitute a binding precedent in the settlement of similar grievances.

20.5 Presenting a Formal Grievance - Level One

A. If the matter is not resolved at the informal level the grievance may be filed in writing with the building principal or other person designated by the Board. The grievance must be filed within fourteen (14) days after the occurrence of the grievance.

B. The written grievance will contain:

1. The article(s) alleged to be violated.

Any grievance not fully satisfying these requirements may be rejected. Such rejection shall not extend the time limits for filing/appealing grievances.

C. Following the submission of the written grievance, a time for meeting between the grievant (and, if he/she requests, a representative from the Association) and the principal, or other person designated for this purpose by the Board, shall be arranged. No longer than ten (10) days shall elapse before the date and time for a meeting are set by the principal, or a person designated by the Board for this purpose. The time limit may be extended by mutual agreement.

- D. The principal, or other person designated by the Board for this purpose, shall answer the grievance in writing within seven (7) days from the date of the meeting at which the grievance was discussed, unless the time limit is extended by mutual agreement. A grievance not appealed, as provided in Step Two (2) below, within ten (10) days after the answer from the principal, or a person designated by the Board for this purpose, shall be considered settled on the basis of the last answer and not subject to further review. The time limits may be extended by mutual agreement.

20.6 Level Two - Superintendent

- A. If the matter is not resolved at Level One, the grievance may be filed in writing with the Superintendent or other person designated by the Board. The grievance must be filed at Level Two within ten (10) days from the date the Level One response was received.
- B. The Superintendent shall answer the grievance in writing within seven (7) days from the date of the meeting at which the grievance was discussed, unless the time limit is extended by mutual agreement. A grievance not appealed, as provided in Step Three (3) below, within ten (10) days after the answer from the Superintendent shall be considered settled on the basis of the last answer and not subject to further review. The time limits may be extended by mutual agreement.

20.7 Level Three - Board of Education

- A. If the matter is not resolved at Level Two, the grievance may be filed in writing with the Board of Education by sending notice to the Superintendent. The grievance must be filed at Level Three within ten (10) days from the date the Level Two response was received.
- B. Within thirty (30) days from receipt of the notice, the Board will arrange to have the grievance heard by the full Board or a Board committee. The party filing the grievance shall be given written notice of the time and place of this meeting. The Board of Education shall grant an audience to all affected parties to such an issue and shall within fifteen (15) days from the date of such hearing render its judgment in the matter. Such judgment shall be made a matter of public record in the official minutes of the Board and be made known to all parties to the grievance.

20.8 Level Four - Arbitration

- A. If the Association is not satisfied with the disposition of the grievance at the Board level, it may within ten (10) days after the decision of the Board refer the

matter for arbitration to the American Arbitration Association by filing a written demand for arbitration and request the appointment of an arbitrator to hear the grievance. If the parties cannot agree upon an arbitrator, he shall be selected in accordance with the rules of the American Arbitration Association.

- B. The fees and approved expenses of the arbitrator shall be paid by the loser of the arbitration. In the event the matter is settled, a settlement agreement shall determine the manner in which the arbitrator's fee shall be paid.
- C. Grievances within the meaning of the grievance procedure and of this arbitration clause shall consist only of disputes about alleged violations of this Agreement. The arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this Agreement; nor shall he substitute his discretion for that of the Board or the Association, nor shall he exercise any responsibility or function of the Board or the Association.
- D. The decision of the arbitrator shall be binding upon the Association, its members, the employee or employees involved, and the Board. The Association will discourage any attempt on the part of its members or persons in the bargaining unit and will not encourage or cooperate with any of its members in any appeal to any court or labor board from the decision of any arbitrator.

The Association, its officers, agents, affiliates, members and employees agree that there will be no strikes, sit-downs, stoppages of work, concerted effort not to meet classes, boycott, withholding of services, or any unlawful acts that interfere with the Board's operations. Any violation of the foregoing may be made a subject to disciplinary action and damage action, including discharge or suspension, and this provision shall not be by way of limitation on the Board's right to any other remedy under law for such violation. The Association, its officers,

agents, affiliates, members and employees shall be jointly and severally liable under this provision. This section shall not be subject to grievance procedure under this Agreement.

ARTICLE 22 **COMPENSATION**

22.1 The basic salaries of bargaining unit members covered by this Agreement are incorporated into a salary schedule format as provided in Appendix B. Such Appendix B Salary Schedule shall remain in effect without deviation during the designated periods.

22.2 A. All teachers will be given credit for all years teaching experience with the Fulton Schools, unless they have terminated their teaching in the Fulton Schools and are rehired whereby the same conditions will prevail for them as those hired outside the Fulton Schools as new teachers.

B. Teachers hired into the Fulton Schools may be allowed credit for teaching experience in other school systems.

When a non-school employee is sharing a room, the additional expense for that person shall be borne by the employee.

B. Mandatory Retirement

Retirement will follow state and federal statutes

C. Severance Payment

Employees eligible for non-disability retirement through the Michigan Public Schools Employee Retirement System and having at least fifteen (15) years of consecutive service to the Board shall be paid a severance payment on the following schedule:

The adoption of a qualified plan under Section 125 of the Internal Revenue Code shall not change the level or type of fringe benefits available under the current Collective Bargaining Agreement. While the current Collective Bargaining Agreement provides employees with the option of receiving a tax deferred annuity instead of certain insurance benefits, it is acknowledged that tax deferred annuities are not an allowable option under Section 125

qualified plan. Therefore, if the board exercises their right to adopt a Section 125 qualified plan, the plan may offer employees the choice between the health insurance benefits specified in the Collective Bargaining Agreement or cash. The cash option shall be in an amount equal to the value of the tax deferred annuity option under the current Collective Bargaining Agreement. The Association shall notify the Board annually which of the aforementioned insurance options has been selected by the Association. The Board will pay the entire cost of the non-health insurance components of the selected plan and will subsidize to a level equal to the lower of the two aforementioned health insurance programs based on the year-to-year premiums. The amount of the health insurance premium which exceeds the Board's subsidy may be deducted from the teacher's salary. In calculating the Board's subsidy the premium cost that would be paid if the health insurance was not part of a PAK shall be utilized.

D. The Board shall deposit an amount to be specified by the employee up to the full deductible for their health coverage into an HSA with an effective date of January 1. The employee will choose to pay back to the district the deductible amount subject to the provision in Article 25.1 section E by choosing one of the following options:

Option 2: A lump sum payment occurring between December 1 and no later than December 15 in the year prior to deductible coverage.

E.
