- H. Any complaint made against an employee which is to become part of his permanent personnel file will be called to the attention of the employee. However, if schools are closed due to reasons which do not allow scheduled days to be counted as days of student instruction and allow the school district to receive full state aid for those days, the Board shall have the right to reschedule the lost days and the Board shall have the right to require employees to report for work and work the rescheduled days without additional wages, compensation or benefits.

- F. **Overtime**

Advance notice of overtime shall be given to the affected employee(s) whenever possible.
- G. **Assignment of Overtime**
 1. Overtime shall be offered to employees within the affected building according to building seniority by classification.  2. Should all employees in that classification refuse the overtime, it shall be assigned to the least senior member of the classification.
 3. Exceptions to the procedures as described in 1 and 2 above would be situations which require an employee to have a shift extension, hence, overtime directly prior to or following the regular shift.
- H. The Board agrees to work employees only within their own classification, unless otherwise mutually agreed to in writing by the affected employee(s) and the supervisor.

I. Assignment of Extra Bus Runs

2. If a driver on the list refuses a run, that driver will not be asked again until all other drivers have been offered an extra run.

It is understood by the parties that because of the occasional difficulty in contacting drivers, extra runs may from time to time be assigned out of order.

From time to time, special arrangements may be made between the Union, Superintendent and driver to cover special unforeseen trips.

3. If an extra run conflicts with a regular run, the driver of the regular run may have an opportunity to take the extra run provided a substitute is available.

The pay for the substitute driver will be deducted from the regular drivers pay. It shall be the responsibility of the bus supervisor to notify the district bookkeeper of these transactions.

4. The pay for extra trips will be as stated in the Master Contract.

**ARTICLE 7
WORKING CONDITIONS**

- C. An employee required to conduct the “weekend building check” shall be compensated at the applicable overtime rate as set forth herein for each day for the time actually worked or one (1) hour, whichever is greater.

**ARTICLE 8

- A. A vacancy shall be defined as any bargaining unit position newly created or not currently filled. Any bargaining unit member may apply for a posted vacancy.

- B. Vacancies shall be posted on employee bulletin boards for at least five (5) week days before the appointment is made. The Association President shall receive a copy of the vacancy notice on the first day of posting. The posting will contain a description of the duties of the position, state the classification of the position, and state the requirements for the position. The Board may hire a substitute to cover the position on an interim basis during the posting not to exceed twenty days.
- C. The responsibility for the filling of any vacancy rests solely with the District.
- D. The qualification for positions will be established by the Board. The qualifications established by the Board shall not be grievable. Positions which require specific abilities, skills, or experience will include a statement to that effect. Bargaining unit members who possess the stated qualifications for a position will be considered for vacancies on the following basis:

Applicants who work in the classification in which there is a vacancy will be considered first with preference given to qualified applicants within the classification. If there is more than one qualified applicant from within the classification, seniority will be the weighing factor.

If there are no qualified applicants from within the classification, consideration will be given to bargaining unit members outside the classification who meet the stated qualifications. A qualified bargaining unit member will be given preference over applicants from outside the bargaining unit.

- E. Any new position which is created by the District will be posted accordingly. The District will send the Association a copy of the posting along with a description of the duties.
- F. Bargaining unit members desiring transfer to another job classification may put in writing their interest, their qualifications, and the reasons for the transfer. The District agrees to consider any such request but is under no obligation to comply and is not required to either create a new position or assign the employee to existing vacancy in the position requested.
- G. Involuntary reassignment or transfer shall not take place without prior discussion with the affected employee, in which any objections to the assignment by the employee shall be considered. If the employee objects to the reassignment or transfer, the employee shall have the right to a full review of the case by the Association and the Superintendent. The Board will attempt to minimize and avoid un-requested transfers of employees. However, it is recognized that un-requested transfers may be necessary. The decision of the Superintendent shall be final and not subject to the grievance procedure.

Employees who are transferred or assigned to a different classification shall retain their same rate for a period of thirty (30) days as a trial period. Effective with the satisfactory completion of the trial period the employee in the new classification shall be compensated at the rate for Step 1. Then at the 3rd year of employment, those employees would automatically be brought up to present wage of that position. Employees who are transferred or assigned to different positions within the same classification shall retain their same rate for a period of thirty (30) days as a trial period. Effective with the satisfactory completion of the trail period, the employee shall be compensated at the rate for the new position and for purposes of step placement will be treated as if he/she had not changed position.

For purposes of this section, Step 1 of a classification refers to the pay rate for that position two years prior to the current year.

All new hired employees will be placed on Step 1.

- H. At its discretion, the District may affect temporary transfers between job classifications not to exceed thirty (30) days. Extensions of temporary transfers may be made if the affected employee consents to the extension. Notice of any temporary transfers will be sent to the Association President. Both parties agree that such transfers may be necessary to prevent the disruption of program or in an emergency situation as deemed necessary by the Board. An employee who is employed in a job classification on a substitute basis or due to a temporary transfer shall not gain seniority in that classification. Instead, seniority shall continue to accrue in the employee's regular classification. If, however, the employee who has been temporarily reassigned becomes a regular employee in the new classification, seniority credit will be given for the time worked during temporary reassignment.
- J. When a position is eliminated and is later reinstated, the employee transferred out of the position shall be offered that job before it is posted unless the job responsibilities have changed.

ARTICLE 9 SENIORITY, LAYOFF & RECALL

- A. All newly hired employees will be considered to be in a probationary status for a period of forty-two (42) working days. At the discretion of the Superintendent, a probation period may be extended a maximum of twenty-one (21) working days. An employee successfully completing probation shall have a seniority date effective with the date of hire. The extension of a probationary period is not subject to the Grievance Procedures. The probationary period for Bus Drivers as per Appendix A.

 - 1. District Seniority - District seniority is defined as continuous service with the district from the employee's last date of hire.
 - 2. Classification Seniority - Classification seniority is defined as the length of service with the district in a particular classification. An employee may earn seniority in more than one classification at a time. Seniority shall remain separate for each classification. Classifications are as follows:
 - a.) Bus Drivers
 - b.) Cafeteria Personnel
 - c.) Custodians
 - d.) Maintenance Employees
 - e.) Mechanics
 - f.) Secretaries

Probationary employees shall accrue no seniority until completion of the probationary period.

- C. Seniority shall be lost by retirement, resignation or discharge. Employees on layoff shall have their seniority frozen at date of layoff and shall commence accrual at date of return from layoff. Fringe benefits under this Agreement shall not accrue to any laid off employee. An employee who changes classifications but remains within the bargaining unit shall have his/her seniority in a particular classification frozen at the date he/she becomes employed in a different classification. Seniority shall again commence accruing within a classification in the event the employee later becomes re-employed in that classification.
- D. Should the Board determine that a reduction of staff within a particular classification is necessary, employees shall be laid off by classification as follows:
1. Probationary employees within the classification.
 2. Employees with the least seniority within the classification.
 3. If two or more employees have the same seniority date the employee who has worked the most regularly scheduled hours, including approved leaves (holiday, vacation, sick, personal, jury, court appearances, worker's comp., etc.) will be deemed most senior.
- E. Employees to be laid off will be given notice of possible layoff when the school district administration determines to recommend a layoff . Notice of layoff will be given as soon as the Board determines the layoff will definitely occur.
- F. Employees may “bump” back into previously held classifications only if such bumping would prevent the employee from being subject to a layoff.
- G. In the event of recall to any job classification, laid off employees shall be recalled in inverse order of layoff. Notice of recall will be sent to the employees last known address by registered mail. If the individual does not report to work within five (5) days of receipt of notice, he/she shall be deemed a voluntary quit.
- H. An employee whom is not recalled within eighteen (18) months following the last day of employment, shall have his/her employment with the Board automatically terminated.
- I. A seniority list reflecting District and Classification seniority shall be maintained by the district and shall be transmitted to the Association president not later than January 1 of each year. Changes to the seniority list will be made as they occur.
- J. The Board agrees to post a seniority list on the Association bulletin board in each building. The list will be deemed to be accurate if a question or inquiry regarding it's accuracy is not made within the next **30 calendar days**.
- K. No new employees shall be employed in a classification by the Board while there are employees of the District who are laid off within the classification.

- L. Employees shall not be entitled to receive insurance benefits at Board expense during layoff. However, a laid off employee may elect to continue insurance benefits by paying the insurance prior to the date they are due at the payroll office. This section is contingent upon the approval by the respective insurance carrier.
- M. In case the elimination of a position or major cut in hours (to cause reduction of benefits) of a position, the employee affected by the reduction shall have the right to exercise his/her seniority to displace the least senioered employee in the same classification to retain the same hours and pay. The least senioered employee possible will be displaced or reduced.

Sick leave days may be used as follows:
 - 1. Sick Leave: Employees may use available leave time as necessary to recover from a personal illness (including maternity), injury or disability. Sick leave may also be used for illness of an immediate family member (spouse, child, parent, grandchildren, parents-in-law), if such illness necessitates the employee's absence from work. Sick leave used under this provision shall be limited to an accumulative total not to exceed six (6) days in any one contractual year. This limit of six (6) days may be increased upon approval of the Superintendent. All absences due to illness or injury will be debited against the employee's record on the basis of ½ hour increments, rounded up to the next nearest half hour. The Board may require a physician's certificate verifying an illness or injury as covered elsewhere in this Agreement.
 - 2. In case of death in the bargaining unit member's immediate family (children, spouse, parents, parent-in-law, son-in-law, daughter-in law, brothers, sisters, bothers-in-law, sisters-in-law, grandparents and grandchildren), the bargaining unit member will be given approved absences not to be charged against sick leave and not to exceed three (3) days for any such occurrence.  - 4. If an employee on paid sick leave also begins receiving worker's compensation benefits, the employee's compensation shall be reduced to the difference between the employee's normal earnings and the amount of the worker's compensation benefits. Payment shall continue for the number of accrued sick leave days the employee had at the time worker's compensation benefits commenced and then sick leave will be deemed to be

exhausted. Once accumulated sick leave expires, the employee may go on unpaid leave of absence.

5. An employee who has exhausted his/her available sick leave shall be granted an unpaid leave of absence for the duration of his/her illness or disability for up to one (1) year. In the discretion of the Board, extensions may be granted.

In case of illness or death in the immediate family, request must be made, except in emergency situations, twenty-four (24) hours or one (1) work day, whichever is greatest, prior to commencement of the requested leave.
2. Both parties recognize that the practice of abuse of sick leave days is a practice to be avoided. Abuse of sick leave days is cause for discipline up to and including discharge.
3. The Board may require an employee to submit to a physical or psychological examination. When the Board requires such examination or designates a physician, the examination shall be at the expense of the Board.

Personal business days may not be used for extensions of vacations or holidays, for recreational purposes, for participation in or support of any conduct prohibited by law including withholding of services, or for any other reason for which a leave of absence is provided by this Agreement.

To be eligible to use a personal day, the employee must notify the Administration at least forty-eight (48) hours in advance. This prior notification requirement may be waived in case of emergency. The Board may place reasonable limitations upon the number of employees who may be absent for personal business on a particular date. Employees will be compensated for one half (1/2) of the personal days that are not used during the year. Payment will be made prior to the close of the fiscal year.

1. Name, date, applicant’s signature.
 2. Nature of request and supporting reasons.

Upon return from an authorized unpaid leave of absence the employee shall be restored to the same position on the salary schedule as when he/she left and be entitled to other accrued benefits earned prior to said leave.
- G. During the period of an unpaid leave of absence employees shall not be entitled to insurance benefits at District expense. Upon the approval of, and subject to the limitations established by the respective insurance carrier, insurance benefits may be continued at the employee’s expense by paying the appropriate premiums at the payroll office.
- H. The Superintendent’s decision regarding any unpaid leave of absence shall be final and not be subject to the grievance procedure. Reasons for denial will be provided upon the employee’s request.
- I. The Board shall establish a Sick Leave Bank to provide additional sick leave to employees requiring leave exceeding their total accumulated days of leave. All employees of Fulton Schools who receive sick leave as a benefit shall be eligible to participate in the Sick Leave Bank Program, subject to the following provisions:
1. In order to participate in the Sick Leave Bank Program, an employee must have contributed at least one (1) day to the program by the third full week in October (after 2017, the first full week of September). Any days contributed to the sick bank cannot be refunded to an employee’s individual personal sick leave balance. Donation to the Sick Leave Bank does not guarantee approval to receive days from the Sick Leave Bank.

2. An employee may be granted days from the Sick Leave Bank provided they, or immediate family member (as defined in 17.1 A), have a specific FMLA qualifiable need for more sick leave days than the individual employee has accumulated.

Employees may contribute to the program during the third full week of October (after 2017, the first full week of September) and the first full week of June. Days contributed shall be deducted from the sick leave balance of the contributing employee.
6. An employee may request to use no more than fifteen (15) days from the Sick Leave Bank at one time provided there are sufficient days in the bank. Additional requests may be made to the governing committee as need indicates.
7. An employee wishing to make use of the Sick Leave Bank must make written application to the Superintendent using the approved form. The Sick Leave Bank will be governed by a committee consisting of the Superintendent or designee, business manager or designee, and the president or designee from each of the District's three (3) bargaining units. The committee shall render a decision within three school days of receiving an application.
 - A. Sick bank days shall be approved by a majority vote of the above committee upon written request by the employee if the committee determines that the need is FMLA qualifiable. All applications will remain strictly confidential.
 - B. If an initial request is denied the employee may request an appeal where they will have the opportunity to provide additional information supporting the need that was not initially provided.
 - C. Decisions rendered by the committee shall not be subject to the grievance procedure.
8. The Sick Leave Bank Committee may require that an employee apply for long-term disability benefits as a condition for continued use of the sick bank. As soon as an individual qualifies for long-term disability insurance benefits, sick bank coverage shall cease.
9. The provisions and benefits of the Sick Leave Bank terminate at the end of each school year. New requests must be submitted at the beginning of the next school year. If approved, the Sick Leave Bank benefit will begin after the employee has exhausted all newly allotted leave days (personal and sick).

ARTICLE 11 VACATION

A. General Conditions:

1. Vacation time for an employee will be calculated on the basis of his seniority as of July 1 of each year and credited to the employee on that date.
2. Only full time, full year employees are eligible to earn vacation time.
3. Vacation time is not cumulative. Earned vacation must be taken before June 30 of the year following earning of the vacation.
4. Arrangements for vacations must be made with and approved by the immediate supervisor and the Superintendent. Vacations must be requested at least four (4) weeks prior to the desired beginning date.
5. Granting of vacations for specific times is discretionary with the Board. If two (2) or more employees apply at the same day for vacations covering the same periods, the following factors will be taken into consideration in granting the vacation:
 - a. Seniority in the classification;
 - b. Necessity of that person's presence during requested leave period.
6. Full day, 52 week employees shall have the option, at the discretion of their supervisor, to split their vacation time between summer and school year if so desired. This would exclude Christmas Break, Spring Break and Graduation unless pre-approved by their immediate supervisor.
7. Vacation time will be paid at the employee's normal rate.
8. If an employee is not granted a vacation at a requested time, the vacation may be scheduled by the immediate supervisor and the individual employee.
9. Vacation Days/Hours Formula for the Community Education Secretary.

Total number of hours the employee worked from July 1st through June 30th within this position during the previous year.

Divide the number of hours worked by the number of hours in a work year (2,080/yr.) to determine the percentage of vacation time available.

Divide the percentage of vacation time available into the number of vacation hours for which the employee is eligible. This equals the number of hours for which the employee is entitled.

B. Vacation time will be credited as follows:

<u>Seniority</u>	<u>Vacation Time</u>

Letter of Understanding

Pursuant to the Collective Bargaining Agreement between the undersigned parties, it is agreed, Article 6, Hours and Assignments, Section I-1, the terms "substitute drivers" shall not be interpreted to mean "WillSub Bus Drivers". Substitute Drivers are meant to be drivers who substitute for full time drivers and pay membership dues and assessments of the Association.

As per Article 18, Compensation, Section B does not allow overtime to be paid to bus drivers for extra trips. This recognizes Fulton Schools does not allow any full time district employee to be eligible as a substitute bus driver for extra trips. The district does allow a full time employee to be eligible as a substitute bus driver for regular bus runs if they agree to adjust their daily work schedule during the same day or pay period to avoid accumulating overtime compensation. Adjusted schedules will be based upon an hour-to-hour correlation with the period of time driven. Driving compensation for certified full time district employees for a bus run will be based on the last year's rate of the position being filled.
