Version: Strict Adherence to Legislation

Goal Reporting

Required by February 1, 2021 and by End of 20/21 School Year

Date: February 1, 2021

On August 20, 2020, Governor Whitmer signed House Bill 5913 into law as Public Act 149. Section 98a states that in order to receive state aid for 2020-2021, districts must provide instruction under an extended COVID-19 Learning Plan (“Plan”) that has been approved by an intermediate district or authorizing body. The Plan does not replace the District’s/PSA’s COVID-19 Preparedness and Response Plan, it is an additional plan that includes new assurances and sections on educational goals, instructional deliver, grading, and equitable access. PA 149 does not apply to districts that operate as a cyber-school.
