The Employer shall notify the Union in writing of any such temporary job, which has been placed into effect upon the institution of such job.

The negotiated rate, if higher than the temporary rate, shall be applied to the date the employee first began working in the classification, except as otherwise mutually agreed. In the case where the parties are unable to agree on the classification and/or rate of pay, the issue may be submitted to the Grievance Procedure. As many days may be used for this purpose as required for recovery up to the number of accrued leave days earned by the employee.

against an employee's paid sick/personal leave allowance). The immediate family, for the purposes of this provision, shall be defined as mother, father, husband, wife, child, stepchild, spouse of child, sister, brother, grandparent, grandchild, mother-in-law, father-in-law, or any other relative who is a permanent resident in the employee's house. The employee will be allowed a maximum of three (3) days in the event of a death of a sister-in-law or brother-in-law. The immediate family for the purposes of this Section shall be defined as an employee's mother, father, husband, wife, child stepchild, or any relative who is a permanent resident of the employee's home. Critical illness shall be defined as a life threatening condition requiring the presence of the employee.

B. Personal or Business Leave

Personal or Business leave days will be deducted from paid/sick leave allowance, and may be granted for emergency or critical business purposes when advance permission of the Superintendent or his designee has been secured by the employee. Emergency or critical business leave will be limited to the following circumstances, and the duration will be dependent upon requirement of the specific.

1. Marriage or graduation of a member of the immediate family or the employee himself.
2. Birth of a child to the wife or an employee.
3. Time necessary for travel due to a death in the immediate family as defined in Section B of this Article.

(Immediate family for the purposes of this Section shall be defined as employee's mother, father, husband, wife, child or any relative who is a permanent resident of the employee's home.)

D. Upon the death of an employee, the unused portion of his accrued sick leave shall be paid to his estate at the rate of thirty (\$30) dollars per day of unused accumulated sick leave.

E. Leaves of absence without pay may be granted for the following reasons:

1. Military leave of absence for up to two (2) years shall be granted to any employee who shall be inducted or shall enlist for military duty in any branch of the Armed Forces of the United States. 2. The reinstatement rights of any employee who enters the military service shall be determined in accordance with the provisions of Federal, State, or local law granting such rights.
3. Leave of absence will be granted to employees who are active in the National Guard or a branch of the Armed Forces Reserves for the purpose of fulfilling their annual field training obligations, provided such employees make written requests for such leave of absence immediately upon receiving their orders to report for such duty.
4. The Board may grant a leave of absence of up to one (1) school year to any employee to campaign for or serve in a public office. The employee shall not accrue seniority during such leave of absence.
5. A seniority employee shall be granted a pregnancy leave of absence, provided the employee shall notify the Employer of the pregnancy. The Employer then may request periodic verification of the health of the employee in relation to the performance of the employee's normal job duties. When the medical verification of the physician will not allow the employee to continue in her normal job function because of such pregnancy, the employee shall then be granted a leave of absence for the duration of the pregnancy. (Normally, an employee shall be expected to return to work three [3] months after delivery, unless a doctor's statement is furnished establishing the fact that she is not able to return to work at that time, wherein the Board may grant additional leave time not to exceed one [1] year.) The employee shall accrue seniority during such leave of absence.
6. Any employee in the bargaining unit who is elected or appointed to a position as a full-time employee of the Union shall be granted a leave of absence of the term of

such office, not to exceed three (3) years, and the employee's seniority shall accumulate during said leave.

- a) Upon termination of said leave of absence, the employee shall be entitled to return to any vacant position in the Bargaining Unit for which he is fully qualified and capable of performing.
7. An employee who, because of illness or accident which is non-compensable under the Worker's Compensation Law, is physically unable to report for work and has exhausted any means of compensation from the Employer, may be granted a leave of absence for the duration of such disability, not to exceed two (2) years, provided he promptly notifies the Employer of the necessity therefore, and provided further that he supplies the Employer with a certificate from a medical or osteopathic doctor of the necessity for such absence, and for the continuation of such absence when the same is requested by the Employer. Seniority will accumulate during such medical leave of absence. The Board will discontinue their contribution to fringe benefits as of the effective date of the unpaid leave of absence. Employees not providing the Employer with the certificate described in this paragraph shall be considered a voluntary quit.
 8. Leaves of absence may be granted, at the discretion of the Board, for a specified period of time, not to exceed one (1) year, for training related to an employee's regular duties in an approved educational institution. The employee shall accrue seniority during such leave of absence.
 - a) All reasons for leaves of absence shall be in writing stating the reason for the request, and the approximate length of leave requested, with a copy of the request to be maintained by the Employer, a copy furnished to the employee, and a copy sent to the Union Steward.
 - b) An employee on an approved leave of absence shall notify the school district of his intent to return to employment with the district at least fifteen (15) days prior to the expiration of the approved leave of absence. An employee granted a leave of absence shall be entitled to re-employment to the same position, if available, or a substantially equivalent position, as soon as one is available. This re-employment privilege shall extend for not more than two (2) years following the date of termination of the leave of absence, and refusal of an offer of employment during these two (2) years shall immediately sever any employment obligation by said employee and the Board.
 9. Family Medical Leave

A leave of absence without pay will be granted to any eligible employee in accordance with the Family and Medical leave Act of 1993. The employee may use sick leave and vacation time during this leave of absence. However, if an employee uses paid time this will not extend the amount of time allotted under the Family

Medical Leave Act. The employee shall provide the Employer with timely notice and with such health care provider certification as the Employer may require under the Act. If an employee fails to provide such certification to the Employer, the leave may not be granted. An employee granted leave under this Section shall maintain contact with the Employer. Return to work shall be governed by the provisions of the contract. An employee who fails to return to work at the conclusion of a leave and their employment is terminated shall reimburse premiums and costs paid by the Employer for that employee, according to the Act.

F. Leave of Absence With Pay

1. A leave of absence with pay, not charged against the employee's paid/sick leave, may be granted for such in-service activities as attending conferences, conventions, workshops and seminars, when such attendance is approved by the Board or its designee.
2. Leaves of absence with pay will not be charged against the employee's paid/sick leave, and will be granted for court appearances as a witness in any case in which the employee's connection with the case stems from his employment with the Board, provided that the legal action is not instigated by or on behalf of the employee or Union. If a witness fee is paid to the employee by the court, that amount will be deducted from the employee's pay.

G. Any employee who willfully misrepresents the facts pertaining to an absence for the purpose of qualifying for sick leave benefits under the provisions of this Article shall forfeit all benefits or rights accrued under the provisions of this Article, and such misrepresentation may constitute ground for dismissal.

H. Worker's Compensation will be the exclusive remedy for any work-related injury or disability, provided Worker's Compensation is available.

ARTICLE XIV

JURY DUTY

Employees required to appear as a subpoenaed witness, or for jury qualification or jury service, shall receive their pay from the Employer for such time lost as a result of such appearance or service, less any compensation received, excluding expenses and travel allowances from such witness or jury service.

The Employer's obligation for reimbursement of lost wages under this Article shall be a maximum of thirty (30) days.

Employees whose jury service is less than a full day will be expected to report to work for the remainder of any such partial day.

**ARTICLE XV

 3. The employee must have actually worked the last scheduled workday prior to the holiday and the next scheduled workday after such holiday within the employee's scheduled work week (unless prior permission is granted by the superintendent). It is expressly understood the superintendent will approve a number of such requests equaling fifteen (15%) percent of the employee group. The granting of the requests will be on a rotating basis pre-school-year, and higher seniority shall be the tie-breaker in cases of the "circumstantial tie".
 4. An employee eligible under the above provisions shall receive his regular daily rate for said holiday.
 5. An employee who is required to work on any of the designated holidays shall receive an amount not greater than double time and one-half (2-1/2x) for all hours worked on said holiday.
 6. When a holiday falls on a Saturday or Sunday, or on a day when student instruction is scheduled, the Board shall have the right to observe the holiday on the preceding Friday, on the following Monday or on another day when student instruction is not scheduled.

5. The Employer shall make a flat monthly contribution payment for each employee working under the terms of this Agreement. Payment shall be due no later than the last day of the month, two (2) months prior to the month for which coverage applies (in most cases, thirty-one [31] days prior to the coverage month).
