August 9, 2017

To Whom it May Concern

This letter is to certify that Bradford Academy is currently using a SonicWALL NSA 4600 firewall with content filtering for internet content and bandwidth management. By utilizing the NSA 4600, the school has been able to ensure that students are unable to access inappropriate websites in compliance with CIPA guidelines. Attached is a screenshot, taken on August 9, 2017, verifying that content filtering is currently in place.

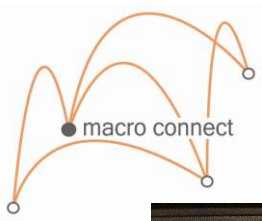

Please feel free to contact me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin Morin", with a long horizontal line extending to the right.

Kevin Morin
Macro Connect, Inc.
