

# Lenawee Intermediate School District Performance Evaluation System

## Description Summary

Pursuant to Public Act 102 of 2011, this performance evaluation description summary shall serve as fulfillment of MCL 380.1249 whereas the Governor's Council on Educator Effectiveness was notified, that as of July 19, 2011, the Lenawee Intermediate School District (LISD) had implemented and was using performance evaluation systems, commonly referred to as the Lenawee ISD Annual Teacher Evaluation (for Teachers), and the Lenawee ISD Annual Administrative Evaluation (for Administrators). The annual evaluation systems referred to above include or provide for at least the following:

- Four evaluation rating categories including Ineffective, Minimally Effective, Effective, and Highly Effective. MCL 380.1249(1)(c)
- Bases the most significant portion of teacher and school administrator evaluations on student growth and assessment data. MCL 380.1249(7)(a)(i)
- Annual evaluation rating to be determined in part by using multiple research based measures included in national, state, or local measurement options in the evaluation tool. MCL380.1249(7)(a)(ii)
- Determining professional competence through multiple direct observations of classroom practices and professional practices throughout the school year. MCL 380.1249(7)(a)(iii)
- Teacher effectiveness and ratings, as measured by student achievement and growth data, are factored into teacher retention, promotion, and termination decisions. MCL 380.1249(7)(a)(iv)
- Using the teacher and school administrator performance evaluation results to inform teacher professional development for the succeeding year. MCL 380.1249(7)(a)(v)
- Evaluation of the teachers and administrators will be no less than once annually. MCL 380.1249(7)(a)(vi)
- Includes the assessment of job accomplishments. MCL 380.1250

The Lenawee Intermediate School District is in the process of developing a Board and Personnel Policy in compliance with Section 1248 of the Revised School Code. The Policies recognize teacher and administrator effectiveness and the annual evaluation rating, measured in part by student achievement and growth data, as factors in decisions for teacher and administrator retention, promotion, and termination.
