RE: CIPA Compliance, New Branches Charter Academy (NB)

NB is deploying Barracuda Web-filter 310 with current and active energizer updates subscription, an enterprise grade web filtering platform. Additionally MMAEC computer workstations are secured by user authentication on staff computers along with G Suite account authentication on all student workstations allowing access to the network by authorized persons only.

NB filtering activity **includes but is not limited to:**

- (a) access by minors to inappropriate content on the Internet;
- (b) the safety and security of minors when using electronic mail, chat rooms and other forms of direct electronic communications;
- (c) unauthorized access, including so-called "hacking," and other unlawful activities by minors online;
- (d) unauthorized disclosure, use, and dissemination of personal information regarding minors;
- (e) measures designed to restrict minors' access to material harmful to minors.

A handwritten signature in black ink that reads 'Andriy Kharkovyy'.
