 2. In the event seniority employees must be laid off, layoff shall be determined by the following order:
 - a. The least senior within the classification being reduced, provided there are more senior employees remaining within the classification who possess the qualifications to perform the duties of the position(s) available.
 - b. In the event an employee is reduced from a position and no position is available to the employee within the classifications in which the reduced employee has acquired seniority, the reduced employee shall have the opportunity to make application to any posted vacancies within the unit. Should the employee be given one of the posted positions he/she shall retain the right to his/her job classification should a position become available for which he/she is qualified.

c. An employee reduced from a position in his/her present classification shall be retained at his/her request in a position in another classification in which he/she has previously accumulated seniority, provided there is a less senior employee in that classification and the reduced employee possesses the qualifications to perform the job.

3. Reductions will be based on positions.

4. Job eliminations will be based on positions.

5. For the purposes of this article the Board has determined the following for the paraprofessional classification:

Special Needs Paraprofessional and Instructional Paraprofessionals includes those working as a paraprofessional under the mandate of an IEP, special needs programs, a classroom, a library, a Title I program, a specialized program which requires small group instruction, and a specialized program which requires one-on-one instruction.

Non-Instructional Paraprofessionals includes those working in supervision of: recess, sick room, locker room, lunchroom, bus, and after school.

6. Beginning with the most senior employee given notice of job elimination/reduction, there will be a meeting within a week (seven working days) after the initial notices. The meeting will be held by individual to determine his/her choice of assignment. The Association President/designee will be released with pay to attend such meetings. The MEA UniServ Director will be invited to attend.

7. Beginning with the most senior Paraprofessional affected in a layoff, job elimination, or job reduction of one hour or more, he/she may exercise his/her options as follows:

a. The employee may elect to stay in his/her current position if the position continues to exist, and accept the reduction

OR

b. The employee may choose from among the vacant positions in his/her classification without displacing any other Paraprofessional

OR

c. The employee may displace any less senior Paraprofessional within their classification.

- E. When there is a vacancy employees shall be recalled in order of greatest seniority within the classification from which they were reduced, or in order of greatest seniority within another classification in which they have accumulated seniority, provided the employee possesses the qualifications to perform the duties of the position to which he/she is being recalled to. However, current employees shall be offered the position based upon seniority and criteria above before offering the position to person(s) on recall due to layoff. If a tie exists, current employees will follow the tie breaking procedure below.

In the event a tie exists, the employee with the greatest total years of service in the district shall be recalled first. In the event a tie still exists it shall be broken by the last four digits of the employee's social security number with the employee with the highest number having the most seniority.

- F. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Board's records (which shall be conclusive in any disputes). A recalled employee shall notify the employer within five (5) days after the letter is registered as arriving as to the employee's acceptance or rejection and must report to work within three (3) days after such acceptance; exceptions may be made by the Superintendent. The Board may fill the position on a temporary basis until the recalled employee is to report back for work.
- G. An employee offered his/her former position who declines recall shall forfeit his/her seniority rights.
- H. Any employee offered his/her former position or a comparable position, i.e. same job title, hours, and pay, to the one previously held who declines recall from layoff shall forfeit his/her recall rights.

ARTICLE XVIII

Employee Purchase or Re-Payment of Retirement Service Credit

The Internal Revenue Code (IRC) Section 414(h) (2) permits employer "pick-up" of the employee portion of contributions to a retirement plan, thereby resulting in tax deferral of employee contributions. Under the Michigan Public School Employees Retirement System (MPSERS) plan conditions, employees may be allowed to: (1) redeposit contributions previously withdrawn plus interest, and when full repayment is made before termination of employment, the previously forfeited service is reinstated in full; and/or: (2) purchase permissive service credit (such as Universal Service credit, maternity/paternity/child care and non-public school teaching, military active duty, sabbatical leave of absence, etc.)

Therefore, in order to permit tax deferral for these additional employee contribution amounts, the employer shall adopt the payroll resolution. The Board will provide a salary reduction (payroll authorization) agreement. This agreement will be completed for any employee wishing to purchase additional retirement service credit or to repay retirement contributions previously withdrawn (plus interest). The employee that wishes to purchase additional retirement service credit or to repay retirement contributions previously withdrawn (plus interest) shall enter into a binding irrevocable payroll deduction authorization. The employee shall not have the option of choosing to receive the amounts directly instead of having them paid by the employer to MPSERS.

**ARTICLE XIX
DURATION OF AGREEMENT**

This Agreement shall be effective upon ratification of both parties and shall continue in effect until the 30th day of June, 2024.
