**ARTICLE II - BOARD RIGHTS**

- A. It is agreed that all rights which ordinarily vest in and have been exercised by the Board, except those which are clearly relinquished herein by the Board, shall continue to vest in and be exercised by the Board without prior negotiations with the Association. The Board, as in the past, will continue to have such rights which will include by way of illustration and not by way of limitation, the right to:
  - 1. Establish policies, manage, and control the RESD, its facilities, equipment and its operations and to direct its working forces and affairs.
  - 2. Continue its policies and practices of assignment and direction of its personnel, to determine the number of personnel and scheduling of all the personnel.

3. Hire itinerant employees and, subject to the provisions of the law, to determine their qualifications and the conditions of their continued employment or their dismissal or demotions and to promote or transfer the work force and lay off itinerant employees. Itinerant employees shall be evaluated annually in writing during their first two years and at least once every three years thereafter.
4. Determine the services, supplies and equipment necessary to continue its operations and to determine all methods and means of distributing, disseminating and/or selling its services, methods, schedules and standards of operation, the means, methods and processes of carrying on the work, including automation or contracting or changes therein, the institution of new and/or improved methods or changes therein.

10. Determine the size of the administrative organization, its functions, authority, and amount of supervision and structure of organization.

The foregoing is not to be interpreted as abridging or conflicting with any specific provision of this Agreement.

### **ARTICLE III - ASSOCIATION RIGHTS**

- A. The Association has the privilege of using Board owned or leased facilities at reasonable hours for meetings. Written request for such use shall be submitted in advance to the Superintendent or his designee for his approval. When such use results in additional cost to the Board, such cost will be billed to the Association.
- B. Duly authorized representatives of the Association will be permitted to transact official business on Board owned or leased property before and/or after the normal working day provided that this shall not interfere with or interrupt normal school operations. Upon arrival, such representatives of the Association shall notify the administration of their presence in the building.
- C. The Association has the privilege of using Board owned equipment at reasonable times, upon approval of the Superintendent or his designee. The Association shall be billed for the cost of all materials, supplies and repairs directly attributable to such use.

- D. The Board shall make available to the Association all public information.
- E. The Association may post notices of activities and matters of Association concern on bulletin board space designated by the Superintendent or his designee.
- F. The Association may use teacher mailboxes and email for communications.
- G. The Board will provide a report to the Association by July 1<sup>st</sup> which includes the teacher's name, current hire date, years of service, degree, and step on salary schedule.

#### **ARTICLE IV - WORKING HOURS, ASSIGNMENTS AND CASELOADS**

- A. The normal workday for classroom teachers shall be coterminous if the district building to which they are assigned has regular K-12 students. The normal workday for all other staff shall be seven (7) hours. The normal duties for employees may include, but is not limited to: student direct instruction, student personal care services, preparation time, travel time, IEPC meetings, student staffing, parent teacher conferencing, diagnostic evaluations, report writing and assisting students upon arrival and departure. Other administrative assignments such as Medicaid billing, student logging, supporting educational programs, scheduling REEDS/METS/IEPS and collaborating with staff shall also be considered normal duties.

Teachers in the classroom programs where feeding lunch is a part of the instructional program will be allowed to eat lunch during the workday.

At least twenty (20) minutes of the workday shall be without direct classroom responsibility with students. Since many classroom teachers are not getting this planning time on a consistent basis, full-time school year teachers will receive a \$1,500 stipend per year and full-time full year teachers will receive a \$1,750 stipend per year. This stipend will be paid over the normal 24 pay periods. This stipend is intended to be a temporary means to compensate teachers for this lost time while the board explores options for ensuring more consistent planning time in the future under this paragraph and, therefore this language related to stipends will terminate with the expiration of the contract on June 30, 2025.

Classroom teachers will be given planning/prep time in the form of eight (8) half days per year (no more than one per month) with students dismissed early on those days.

The normal day for itinerant staff shall consist of seven (7) hours not including lunchtime.

Itinerant personnel's approved schedules will normally include at least twenty (20) minutes but not more than fifty (50) minutes of lunch time during the day.

Itinerant personnel's schedule will include up to five (5) normal work days per month that are "indirect" days where the itinerant staff member can schedule

meetings, write IEPs, and complete other assigned duties without direct student intervention.

- B. Teachers shall be required to attend all meetings called by the Administration. These meetings shall be limited to an average of two (2) per month and an average of one (1) hour in length.
- C. When classes are canceled due to inclement weather or any Act of God or other condition set forth in Section 101(4) of the State Aid Act such as fires, epidemics, loss of power, etc., classroom teachers and itinerant staff impacted by the closure shall not report for work and shall be paid. Any time beyond six (6) days for school year employees or eight (8) days for full year employees (or equivalent number of hours) will be made up without additional salary costs to the District. The specific make up dates, if any, will be established by the District in collaboration with the Association.
- D. The Board and Association are both committed to maintaining manageable caseloads and workloads in the best interest of supporting students.

It is understood that schedule may be different for individual employees. Employees should attend to normal duties referenced above, to a large extent, within the normal workday. Scheduling of meetings and other functions before and/or after the normal working day shall be kept to a minimum and shall require advanced notification to the employee.

The Board agrees that if the caseload for itinerant staff or class size for teachers exceed the maximum recommendations put into effect by the State Department of Education (Michigan Administrative Rules for Special Education – Part 3: Administration of Programs and Services MARSE Rules 340.1732 – 340.1758) and MDE approved waivers (Section 380-1281(3) of the Michigan Revised School Code Act 451 of 1976), administration and staff will meet to bring the caseload or class size within said limits. The Administration shall provide notice to the Association upon application of any new waiver.

When itinerant staff and teachers regular schedule exceeds the normal workday due to additional administrative assigned duties and attempts by the administration and the employee to adjust their work schedule have been unsuccessful, that teacher will be compensated for the additional time in accordance with Article XV Compensation, Section I.

#### **ARTICLE V - TEACHER PROTECTION**

- A. The Board agrees to support its teachers in taking all reasonable actions in maintaining proper classroom order.
- B. The Board will reimburse teachers for any damage or destruction of necessary clothing or necessary personal property of the teachers, (autos excluded), provided, the employee exercises reasonable caution, complies with RESD procedures and policies and uses any personal insurance coverage available first. Watches will be limited to \$35. For the purpose of this section necessary shall be

defined as that which is directly related and essential to the performance of the employee's duties. Employees are required to immediately file an incident report regarding such damage or destruction.

- C. Time lost for court or administrative agency appearances whether or not ordered by a subpoena in an employment related legal action (not to include actions brought by the Association or any employee represented by the Association), shall not reduce salary or be charged against the teacher's leave time. Any compensation received for such appearances shall be returned to the Board.
- D. The Board agrees the cost of testing and inoculation related to Hepatitis B including those beyond the initial tests and inoculation, will be covered by the RESD.

**ARTICLE VI - REDUCTIONS IN PERSONNEL**
