SENIORITY

1. As of the effective date of this agreement, seniority shall be as agreed to by the parties for all existing personnel. From that date forward seniority shall be determined by the provisions of this Article.

Seniority shall be on a school district-wide basis within the bargaining unit and defined as from the date of the completion of the probationary period. In the event of conflicts arising due to identical employment starting dates ranking shall occur by the last four digits of the respective Social Security numbers, the one with the higher number being given a higher seniority rank. For example:

Driver No. 1	9-1-75	SS# 367-20-6000
Driver No. 2	9-1-75	SS# 558-30-5999

Seniority of Bus Aides: Seniority of bus aides shall be separate and distinct from seniority of drivers with no ranking between the two listings for any purpose under the terms of this Agreement. Whenever an aide becomes a driver or vice versa, seniority shall be from the date the employee loses his/her right to return to his/her former position. This seniority date shall be for all purposes except for those benefits dependent on seniority which shall continue based on original employment date. The entry date shall then become seniority ranking date for promotion, bidding, layoff, etc. Subject to this limitation, other provisions of the Article shall apply.

The Dispatcher's and dispatcher substitute's seniority shall continue to accrue as a driver until such time that he/she leaves the bargaining unit.

2. Seniority shall be a required principle in determining promotions. Ability and job experience shall also be considered.

In regard to transfer or promotions out of the bargaining unit, an employee who is transferred or promoted to a position under the Employer not included in the bargaining unit shall be given a trial period of up to thirty (30) calendar days, during which time he/she shall be entitled to transfer back to his/her former job status and location. His/Her seniority will continue to accumulate during this time.

In the event the employee remains on the job beyond the trial period, his/her accumulated seniority on his former job will be frozen as of the date of completion of his trial period.

In the event he/she desires to return to the bargaining unit after the thirty (30) day trial period and there is a vacancy, he/she shall be reinstated in the same group classification within the bargaining unit that his/her accumulated seniority within the bargaining unit entitled him/her to exercise full seniority from that date on.

8. An employee shall lose his/her seniority for the following reasons:
 - a. He/she quits.
 - b. He/she is discharged for a just cause.
 - c. He/she is absent for three (3) days without notifying the appropriate administrator.
 - d. He/she fails to return from an authorized leave on the date specified.

9. The seniority of an employee shall not be lost because of an approved absence. An employee on personal leave, after one (1) calendar year of accumulating seniority on such leaves, shall have the accumulation frozen for any future leaves.

10. An employee who is displaced by another employee with greater seniority shall have the right to select the assignment in the bargaining unit for which he/she qualifies by seniority.
11. There shall be no seniority among probationary employees. Upon completion of probationary period defined in Article 32, the employee shall be entered on the seniority list of the bargaining unit and shall rank for seniority from the date the Board formally approves the permanent hiring at its first regularly scheduled meeting following the completion of the probationary period.
12. Transportation aides who wish to move into the driver classification must request the transfer in writing to management and the union. Once his/her request is granted, he/she must get a physical examination, begin training, have a CDL certification and be registered in school for school bus drivers.

Once an aide begins his/her probationary driving period, he/she can no longer work as an aide and must work sixty (60) working days as a probationary driver. On the first day after the probationary period ends, seniority as an aide shall be frozen and seniority as a driver shall begin. Anytime during the probationary period, the employee may return to his/her aide position with no loss in seniority as an aide.

13. Any driver who wishes to move into a transportation aide position must request the transfer in writing to management and the union. Once the request is granted, the driver shall begin training as an aide.

Once a driver begins his/her probationary period as an aide he/she may no longer work as a driver and must work thirty (30) working days as a probationary aide. On the first day after the probationary period ends, seniority as a driver shall be frozen and seniority as an aide shall begin. Anytime during the probation period, the employee may return to his/her driver position with no loss in seniority.

ARTICLE 10

1. The word "layoff" means a reduction in the working force.
2. If it becomes necessary for a layoff, the following procedure will be mandatory. Probationary employees will be laid off first. Seniority employees will be laid off according to seniority. Disposition of these cases will be a proper matter for the grievance procedure.
3. Employees who are to be laid off shall be given at least fourteen (14) calendar days written notice of said layoff. The Local Union President shall be sent a list of the employees who will be laid off on the same date the notice of layoff is sent to the affected employees.
During a layoff, it is understood that only actively employed employees (non-laid off drivers and aides) will work, except when those actively employed are insufficient in number to perform the work available. In such event those on layoff may be called to work, as a substitute driver/aide, based on seniority.
4. When the working force is increased after layoff, employees will be recalled according to seniority. Notice of recall shall be sent the employee to his/her last known address by registered or certified mail. It is the responsibility of the employee to keep the Board informed of his/her correct address.
5. If an employee fails to report for work within five (5) working days from date of the receipt of said notice (Section 4 above) of recall, said employee shall be considered to have voluntarily resigned. For purposes of this article, mailing shall be by certified mail and notice shall be the date of the acknowledged receipt. In every case of recall, the Board may require a complete physical examination at the Board's expense, prior to the employee being recalled.
6. With regard to the procedures outlined in this Article, drivers and aides shall be dealt with separately according to the separate seniority ranking. Under no circumstances shall drivers bump aides or vice-versa.

ARTICLE 11
SUPPLEMENTAL AGREEMENTS

All supplemental agreements are subject to ratification by the Board of Education when the parties reach a tentative agreement as to any supplemental agreement. The Superintendent of Schools shall present such supplemental agreements to the Board of Education for its consideration and approval. In specific instances where drivers or aides believe a breakdown of the disciplinary process has occurred or where special attention is necessary the matter shall be brought to the attention of the Supervisor who will use every reasonable effort (including the possibility of a group conference with the involved parties) to resolve the problem. If a conflict should persist beyond this step, the Superintendent may be asked to resolve the issue.

These sick and personal days, when so used, may be taken in trip increments with the approval of the Transportation Supervisor. Eligible employees may use a personal day for any non-pay day during the school year. (Example: mid-winter break, Martin Luther King Day, Election Day). Unused personal days will revert to sick days at the end of each year and may be carried over. Sick days shall accumulate to a maximum of thirty (30) days.

Employees permanently assigned to a regular run after the first (1st) bid day will be allocated personal/sick days on a prorated basis based upon the total number of student days remaining in the school year from the date of such assignment.

If a substitute driver or substitute aide has the opportunity to bid onto a regular run, the number of personal/sick days he/she is entitled to will be prorated at the rate of one-half day per pay period, not to exceed the total number of personal/sick days allowed by contract.

2. Attendance Incentive: Drivers and aides who have zero absences or one absence in the quarter marking period will receive a bonus of \$100 to be paid in the first pay following the quarter. Absences from work would include personal days and sick days, but not scheduled approved vacation days.

The approval of personal business days shall be done in a consistent manner and provided within forty-eight (48) hours of the written request, provided the runs can be covered by the remaining drivers, aides, and substitutes. It is understood that a personal business day cannot be used to extend a holiday or scheduled break in the District calendar.

Sufficient information as to the reasons for the requested absence shall be made known to the Supervisor (if the request is for more than two (2) consecutive days) to allow reasonable judgment as to the validity of the request.

6. To be eligible for the provisions of this Article, a driver or aide must be permanently assigned to a regular run and have completed their probationary period.
7. Each member of the bargaining unit permanently assigned to a regular run of fifteen (15) hours or more per week shall be covered by the income protection policy presently in force for other non-certified employee groups. The coverage is to start after the 90th day of sickness. The Board agrees to pay in full the premium for the income protection policy. 12. To avoid misuse of the provisions of this Article, employees shall be required to provide a doctor's certification of illness or injury if requested, after two (2) consecutive days of absence for illness or injury should their attendance record be in question. The Board may require a second opinion by a District selected physician if misuse is suspected.

If the above conditions do not exist the employee shall then be allowed to bump in according to seniority and receive all pay raises and benefits applicable at time to return. 1. Personal leaves of absence during which seniority is accumulated may be granted by the Board, upon written request, to employees who have completed one (1) year of service to the district. These leaves shall be without pay. Eligible employees will continue to have Board-paid life insurance as negotiated, but no other benefits.

A personal leave shall be for not more than one (1) year. An employee who is granted one or more personal leaves may not accumulate more than one (1) year of seniority during any one or all of the personal leaves combined. Any member taking a personal leave may return from the leave to a job based on his/her seniority.

2. Eligible drivers and aides shall be allowed to take vacation days in accordance with the provisions in Sections 3 and 4. They shall not receive additional pay during this time but will not be charged a “non-pay day” for disciplinary purposes as explained in Article 29, Section 14. These additional vacation days shall be limited to five (5). Vacation days must be taken in the year they are allocated to the employee and cannot accumulate and be carried forward to subsequent years.

If a substitute driver or substitute aide has the opportunity to bid onto a regular run, the number of vacation days he/she is entitled to will be prorated at the rate of one-half day per pay period, not to exceed the total number of vacation days allowed by contract.

3. The vacation year shall be from July 1 to June 30. Vacations will be granted during the school year, as suitable, considering both the wishes of the employee to the extent possible and the efficient operation of the department

concerned. All days granted under this contract (sick/personal/additional vacation days beyond the standard vacation) must be exhausted before the District will consider granting “no pay” days.

4. Employees will submit vacation requests for the next school year by June 1st, when possible. The vacation schedule shall then be established by the Supervisor of Transportation on the basis of seniority and job classification. Employees may submit vacation requests (after June 1st) by the first bid day, but at least fifteen (15) calendar days in advance. Except in emergencies, the schedule shall be adhered to by the parties.
5. To be eligible for the provisions of this Article a driver or aide must be permanently assigned to a regular run and not on leave.
6. Bus drivers and bus aides assigned to a summer run may take up to one (1) week off without pay during the summer.

ARTICLE 21
ACT OF GOD DAYS

1. When the Gibraltar Schools are closed due to an "Act of God" day, employees will be paid for the day at their normal bid hours. If the District is required to make up the day, employees will work the make-up day without additional pay.
2. An Act of God Day is defined as any of the days which count for State Aid on which school is canceled by the Superintendent of Schools, or his designee, due to weather or any other circumstance beyond the control of the Board of Education.
3. If an employee is on vacation or on an approved leave, they will not be paid for an Act of God day in addition to their paid leave, unless there is no substitute driver or aide assigned to the work. If there is no substitute assigned, the employee on paid leave will be paid for the day and not charged a leave day. If there is a substitute assigned to the work, the employee may opt for an unpaid day and not be charged a leave day.
4. Normal pay shall be the normal hours on their scheduled run.
8. When a substitute driver or substitute aide has been assigned to work, and an Act of God day occurs they are eligible for this Article.

ARTICLE 22
JOB PREFERENCE

1. If a new bus run is established in the bargaining unit, it will be posted for five (5) Gibraltar school calendar working days and then assigned to the most senior driver/aide who has bid on the run.
2. If a run becomes available for more than fourteen (14) Gibraltar school calendar working days, it will be bumped immediately and then each uncovered run will be bumped until all runs are covered. To allow the District an opportunity to notify parents, drivers will assume new routes on the Monday following the bump.
3. All temporary runs will be covered by the substitute drivers in rotation and if one of these runs is more than five (5) Gibraltar school calendar working days in length, then it will be immediately given to the most senior substitute driver.
4. If a regular driver bids into a substitute driver position or a regular aide bids into a substitute aide position, he/she gives up all rights to bump or bid until all regular drivers or regular aides have had the opportunity to bump or bid.

ARTICLE 23
ESTABLISHING RUNS

1. Runs will be configured by the Transportation Supervisor. To the extent that it is operationally feasible and economically prudent, said runs will include transporting the same students to and from school. Once established, said runs may be changed only in the best interests of the total operation.
2. It is understood by the parties of this Agreement that Special and Vocational Education runs involve operating entirely or in part according to school calendars of other districts and with the exception of Act of God days declared by the Gibraltar School District those calendars shall prevail. Drivers and Aides selecting such runs shall work and be paid for hours necessary to meet those calendars.
3. Runs will be selected by drivers and aides, according to seniority, at a mandatory general membership meeting convened on the Tuesday prior to Labor Day at 7:00 a.m., unless notified otherwise. Drivers will be paid up to two (2) hours for their attendance at a professional development meeting this

day. Aides shall be paid for one hour at this meeting. Drivers and aides will first bid AM/PM runs, then shall have the option to bid on a noon run or other runs. When bidding runs, drivers and aides will be allowed to bid in into a fifteen (15) break time between runs.

By Wednesday following the fifth Friday, the Union shall provide to the Transportation Supervisor the results of a second bid by drivers and aides. Failure of the Union to so notify the Transportation Supervisor as provided herein shall result in the runs remaining as selected in the first bid for the remainder of the year. Subsequently there shall be no further general bid during the year. Drivers or aides who do not receive a regular run assignment will be assigned to the extra board. The new assignments shall take effect on the Monday following the second bid run.

Once the routes are established and verified, the Supervisor shall publish the route.

The runs shall not be altered unless necessary due to an unanticipated increase/decrease in the number of students on a particular run. If such a run must be altered, it shall be done utilizing the least number of changes in runs in order to cause the least disruption for the students and twenty-four (24) hours notice will be given to employees when possible.

4. If an AM/PM run or a noon run is reduced or increased during the school year by one half (1/2) hour or more per day in time, the driver or aide assigned to said run shall be notified in writing and a bump will be held from top seniority on down. Drivers will assume new routes on the day following the bump.
5. When additional time of less than one half (1/2) hour is to be added to a run, the additional time shall be offered to the most senior driver/aide who has less than eight (8) hours under this article, unless such assignment would not be the most cost efficient.
6. Drivers will not be allowed to bid on aide's positions and aides will not be allowed to bid on drivers' positions. Any employee who wished to move to the other classification must follow the procedure outlined in Article 9.
7. Aides will be assigned to those special education runs where in the opinion of management they are needed to protect the safety and welfare of the students.

8. Unless otherwise provided in the Agreement, when regular runs are to be changed on a permanent basis, the employer shall discuss said changes with the drivers and aides.
9. When drivers are required by their supervisor to prepare changes of maps and routes on runs beyond their normal working hours they shall be paid for documented time spent in such preparation subject to the review and approval of their supervisor.

ARTICLE 24
OVERTIME

1. All hours worked in excess of 8 hours per day or 40 hours per week shall be paid at time and one-half (1 1/2) the hourly rate.
2. All hours worked on Saturday except Holidays shall be paid for at the rate of time and one-half (1 1/2) the hourly rate.
3. All hours worked on Sunday except Holidays shall be paid for at the rate of double-time the hourly rate.
4. All hours worked on Holidays outlined in the Holiday provision of this Agreement shall be at the rate of double-time the hourly rate in addition to the Holiday pay.

ARTICLE 25
EXTRA ASSIGNMENTS/FIELD TRIP PROVISIONS

1. Extra assignments and field trips will first be offered to all bid run employees. If no bid run employee accepts the assignment(s), the least senior substitute will be placed in the position. If there are no substitute drivers, the least senior driver will be placed in the position. The rotation schedule will not be changed if it is assigned to the low seniority driver. Previous rotation schedule is preserved.

Extra assignments in excess of two (2) hours in duration will be distributed in rotation by seniority to eligible employees. Extra assignment listings, except those less than two (2) hours, or emergencies, shall be posted at least forty-eight (48) hours before departure date. The drivers and aides will indicate their willingness for an assignment by signature on the listing by 9:00 a.m. on the day preceding the trip with the Supervisor approving the appropriate party

after 9:30 a.m. but before 11:00 a.m. the day preceding the trip. Saturday, Sunday, and Monday trips will be assigned on Friday. In the event that no driver or aide accepts an assignment it shall be assigned to the least senior driver or aide with a bid run. Any assignment which has no departure time shall be listed last unless a departure time is known before it is assigned. Weekend trips that include a week day are posted on the regular board.

This paragraph pertains only to drivers and aides who are in the district with an empty bus at trip departure time. A driver or aide on a regular run will cover all possible complete trips on that run until the extra assignment departure at which point a substitute driver or substitute aide will assume the remainder of the regular run duties, until the return of the regular driver or aide.

It is understood that if an extra assignment departure time falls after the last delivery involved in a trip, but before the ending of the trip, for pay purposes, and the driver or aide can meet the extra assignment starting time, they shall be eligible for such trips. Such trips will be considered as a continuation of the driver's or aide's hours.

If an extra assignment is canceled after the assignment has been awarded the driver or aide scheduled to take the extra assignment will receive the next unposted extra assignment according to which trip was cancelled first and continue on their regular run. A canceled extra assignment is defined as an extra assignment where the event/activity does not commence.

If the driver or aide is unable to continue on their regular run, because of insufficient time to meet the scheduled departure they shall receive pay equal to the lost trip portion of their regular run, but not more than two (2) hours whichever is the lesser.

Any substitute driver or substitute aide reporting to the bus yard as relief prior to the cancellation will receive two (2) hours pay if no reassignment is available. If a driver or aide assigned an extra trip does not fulfill the assignment they shall forfeit participation in extra assignments for one full rotation of the extra assignment seniority roster.

If two (2) or more busses are going on the same field trip and one (1) or more of the busses are cancelled, the first driver circled will remain on the trip and the other driver/aide will return to the bus yard. Those who have to return will receive two (2) hours pay and the next unposted trip as per contract.

2. Extra assignments of two (2) hours or less and emergency exceptions to Paragraph 1 shall be assigned on a rotating basis to seniority employees as described in Paragraph 1. It is understood that if the Supervisor cannot contact a driver or aide she has the right to proceed in rotation until the assignment is accepted or rejected by all others in which event such an assignment shall be taken by the least senior driver or aide available.

Emergency assignments are defined as those of two (2) hours or less in duration and those assignments not feasible to be covered under the posting of Paragraph 1., i.e., vacated assignment by driver or aide originally assigned or extra assignments received by the Transportation Department after 9:00 a.m. two days prior to departure date. If an emergency assignment is canceled after the assignment has been awarded, the driver or aide scheduled to take the emergency assignment will receive the next emergency assignment and continue on their regular run.

Extra assignments/field trips on weekends shall be guaranteed two (2) hours pay.

3. In regards to Extra Assignments there shall be no crossing of duties between drivers and aides. Each group shall perform extra assignments per this section only in their job title area.
4. A stipend of \$10.00 shall be paid to each bargaining unit member who works at least ten (10) hours due to an extra assignment. A second such stipend shall also be paid if the workday extends to at least sixteen (16) hours.
5. Summer substitute driver and aide assignments will normally be offered either between the hours of 7:00 a.m. to 9:00 a.m. on the day preceding the assignment or between 5:30 a.m. and 6:30 a.m. on the day of the assignment.
6. All district-sponsored field trips within a seventy-five (75) mile radius of the board office shall be guaranteed to the transportation bargaining unit if buses are available.
7. Any driver or aide who is absent may provide a proxy to an Executive Board officer who shall sign for the driver or aide for any available board work.
8. Separate rotations shall be maintained for drop only emergency trips, regular field trips, Saturday field trips, emergency Saturday trips and extra work.

9. The driver or aide with a regularly scheduled run shall be eligible to take an extra work assignment provided the following.
 - a. The driver's or aide's run or segment of a run has been cancelled for one day or more or they are not working because they are following another district's school calendar, and
 - b. An assignment is posted due to the absence for any reason of another driver or aide, and
 - c. The driver or aide provides the Transportation Supervisor with at least forty-eight (48) hours but no more seven (7) days' notice that he/she is available to take any assignment, and
 - d. The Transportation Supervisor has not already assigned the open assignment to a substitute driver/aide.

ARTICLE 26
SUBSTITUTES

1. All drivers and aides not permanently assigned to regular bid runs will be assigned as substitutes. There shall be no less than two (2) substitutes at all times.
2. A daily standby procedure for substitute drivers and aides may be operated by the Transportation Department but assignments will be rotated. If this standby procedure is used, the substitute driver or aide will receive a minimum of two (2) hours pay if not assigned to a run within the standby period.
3. In regard to this procedure drivers and aides shall be dealt with separately according to separate seniority ranking. Each will have substitute procedures according to job title with no cross relationship. The aide will accrue seniority only as an aide.
4. Substitute drivers and aides shall be available to accept any assignment per this Article on a daily basis. Failure to be available may constitute grounds for disciplinary action.
5. When a substitute driver or regular driver substitutes for an aide, all aides will move up, if they so choose, and the driver will take the position with the lowest number of hours provided the opening is known 24 hours in advance. The driver will not be charged, in rotation, as a driver.

6. When the District has fewer than two (2) substitute aides, and a driver is required to take a double run so that another driver can substitute for an aide, the driver will be compensated for driving hours missed while doing an aide's work.

A double run shall be defined as a driver transporting two (2) full runs of students from the same school.

2. It is further agreed that beginning with the 1998-99 school year, new employees must work a regular run with a minimum of six (6) hours per day to receive the District provided health benefits and/or annuity as stipulated in #1 above.
3. Beginning with the 2005-2006 school year, employees working a regular bid run of a least five (5) hours but less than six (6) hours per day shall receive a stipend of nine hundred fifty dollars (\$950) per year (prorated if full year is not worked either by resignation, unpaid leave or bid hours changing).
