LIFE AND ACCIDENTAL DEATH AND DISMEMBERMENT CLAIM REVIEW PROCEDURES

DEFINITIONS

An “**Adverse Benefit Determination**” means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of the Insured Person’s eligibility to participate in a plan.

A document, record, or other information will be considered “**Relevant**” to a claim if it:

- (a) was relied upon in making the claim decision;
- (b) was submitted, considered, or generated in the course of making the claim decision, without regard to whether it was relied upon in making the claim decision; or
- (c) demonstrates compliance with administrative processes and safeguards designed to ensure and verify that claim decisions are made in accordance with the Policy and that, where appropriate, Policy provisions have been applied consistently with respect to similarly situated claimants.

INITIAL CLAIM DECISION

Initial Claim Decision. We will make a claim decision regarding a life or accidental death and dismemberment claim within 90 days after Our receipt of the claim.

Extensions. The initial 90 day period may be extended for up to 90 days, if We (1) determine that special circumstances require an extension of time for processing the claim and (2) notify the claimant, prior to the expiration of the initial 90 day period, of the special circumstances requiring the extension and the date by which We expect to render a decision.

Time Periods. The period of time within which a claim decision is required to be made will begin at the time a claim is filed, without regard to whether all the information necessary to make a claim decision accompanies the filing.

NOTICE OF ADVERSE BENEFIT DETERMINATION

We will provide the claimant with written or electronic notice of any Adverse Benefit Determination within 90 days after Our receipt of the claim, subject to the extension described above. The notice will include:

- (a) the specific reason(s) for the Adverse Benefit Determination;
- (b) reference to the specific Policy provision(s) on which the Adverse Benefit Determination is based;
- (c) a description of any additional material or information necessary to complete the claim and the reason We need the material or information; and
- (d) a description of the Policy’s appeal procedures, including the time limits for such procedures.

APPEALS OF ADVERSE BENEFIT DETERMINATIONS

The claimant must appeal within 60 days following receipt of notification of an Adverse Benefit Determination.

The request for an appeal should include:

- (a) The Insured Person's name;
- (b) the name of the person filing the appeal if different from the Insured Person;
- (c) the Policy number; and
- (d) the nature of the appeal.

The claimant will have the opportunity to submit written comments, documents, records, and other information relating to the claim.

The claimant will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the claim.

Our review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial claim decision.

APPEAL DECISION

Notice of Appeal Decision. We will notify the claimant of Our appeal decision within 60 days after receipt of a timely appeal request, unless We determine that special circumstances require an extension of time for processing the appeal. We will provide the claimant with written or electronic notice of Our appeal decision. Notice of an Adverse Benefit Determination will include:

- (a) the specific reason(s) for the Adverse Benefit Determination;
- (b) reference to the specific Policy provision(s) on which the Adverse Benefit Determination is based; and
- (c) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the claim.

Notice of Extension. If We determine that an extension is required, We will notify the claimant in writing of the extension prior to the termination of the initial 60 day period. In no event will the extension exceed 60 days from the end of the initial period. The extension notice will indicate the special circumstances requiring the extension and the date by which We expect to render the appeal decision.

Time Periods. The period of time within which an appeal decision is required to be made will begin at the time an appeal is timely filed, without regard to whether all the information necessary to make an appeal decision accompanies the filing. If a period of time is extended as described above due to the claimant's failure to submit information necessary to decide a claim, the period for making the appeal decision shall be "tolled" or suspended from the date on which the extension notice is sent to the claimant until the earlier of (1) the date on which We receive the claimant's response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.

STANDARD PROVISIONS

Insurance Contract

The insurance contract consists of:

- (a) the policy;
- (b) the Policyholder's application attached to the policy; and
- (c) your application, if required.

Changes in the Insurance Contract

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time we and the Policyholder both agree to a change. No one else has the authority to change the insurance contract. A change in the insurance contract:

- (a) does not require your or your beneficiary's consent; and
- (b) must be:
 - (1) in writing;
 - (2) made a part of the policy; and
 - (3) signed by one of our officers.

A change may affect any class of insured persons, including retirees if retiree coverage is included in the policy.

Applications

We may use misstatements or omissions in your application to contest the validity of insurance, reduce coverage or deny a claim; but we must first furnish you or your beneficiary with a copy of that application. We will not use your application to contest or reduce insurance which has been in force for two years or more during your lifetime. However, if you are not eligible for insurance, there is no time limit on our right to contest insurance or deny a claim.

Statements in an application are treated as representations, not as warranties.

Legal Actions

No legal action can be brought until at least 60 days after we have been given written proof of loss. No legal action can be brought more than three years after the date written proof of loss is required.
