PITTSFIELD CHARTER TOWNSHIP
Year 2023
Glossary of Terms

Amended budget: the original adopted budget plus any amendment passed as of a certain date.

Budget public hearing act: requires that the Township hold a public hearing on its proposed budget. Notice must be given in a newspaper of general circulation within the Township at least six days prior to the hearing.

Charter township act: passed in 1947 by the State of Michigan, the Act affords the Township added local discretions, general taxing power, and greater territorial integrity.

Contingencies: a budgetary reserve to provide for emergency or unanticipated expenditures during the fiscal year.

Capital assets: assets of a significant value having a useful life of several years.

Capital outlay: expenditures for the acquisition of capital assets.

Capital expenditures: items that normally last more than one year and cost more than a specified dollar amount; capital general includes personal property such as vehicles, computers, office furniture, and playgroups equipment.

Depreciation: (1) expiration in the services life of capital assets attributable to wear and tear, deterioration, inadequacy, or obsolescence; (2) that portion of the cost of a capital asset which is charged as an expense during a particular period.

Enterprise funds: funds maintained to support commercial-type operations such as public utilities, where the costs of providing the services are financed by user charges.

Final millage: the tax rate adopted in the final public hearing of a taxing authority.

Freedom of information act (FOIA): requires that all public records be disclosed except those that are specifically exempted (MCL 15.243). Sometimes the Township may charge a fee for requesting the documents or incur an expense for providing documents.

Fund balance: the excess of the Township's assets over its liabilities; a negative fund balance is called a deficit.

General fund: general unrestricted revenues of the Township government, or funds whose use is not restricted to a specific purpose.

Headlee amendment: keeps the Township's revenue increase on the existing tax base at or below the rate of inflation.

PITTSFIELD CHARTER TOWNSHIP
Year 2023
Glossary of Terms

Internal service funds: funds derived from transfers from one department of the Township to another to account for services rendered such as printing and vehicle maintenance.

Law enforcement information network (LEIN): through the LEIN, the Township's firefighters are able to obtain complete information about the hazardous materials being carried in their vehicle and how to deal with them in the event of a spill.

Mill: how property tax rate is expressed with one mill being one-tenth of a percent. As applied to property taxes, a one-mill rate yields \$1 of revenue for every \$1,000 of assessed value. For example, a property tax rate of 68.5 mills as applied to a \$120,000 property assessed at 20 percent of market value would yield \$1,644 ($120 \times 0.2 \times 68.5 = 1,644$).

Millage rate: the rate used in calculating taxes based upon the value of property, expressed in mills per dollar of property value; a mill is equal to 0.1 percent.

Special revenue fund: funds broken down into a number of individual units whose use is earmarked for a specific purpose; these might include federal and state grant funds, specialized fees, etc.

Truth-in-taxation: the Township board must reduce its tax rate on last year's tax base so that it does not generate more revenue than the amount it did during the prior year. The Township board must hold a public hearing and advertise the hearing in a newspaper of general circulation in the area. The public hearing can be held in conjunction with the regularly required hearing on the Township budget.

Zoning board of appeals (ZBA): this body serves as the first step in the appeals process as it considers requests for relief from zoning rules that may be too stringent under certain circumstances. Its main duty is to consider appeals from previous decisions regarding requests for variances and special use permits allowed in the zoning ordinance.

2022 Millage and Tax Levy Information

2022 Assessed Value is	\$2,860,877,200
2022 State Equalized Valuation is	\$2,860,877,200
2022 Taxable Value is	\$2,372,207,474
