ARTICLE VI. GRIEVANCE PROCEDURE

A. Definitions.

1. A grievance is a claim based upon an alleged misinterpretation or inequitable application of the terms of this Agreement.
2. A party of interest is the person(s) or the Association making the claim, any person(s) or the Association who might be required to take action or against whom action might be taken in order to resolve the problem.
3. The term days when used in this Section shall, except where otherwise indicated, mean working school days.

B. Purpose.

The primary purpose of the grievance procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of such procedure. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the individual has been informed that he/she has the right to have an Association representative present at such an adjustment.

C. Grievance Procedure.

All meetings and responses will be documented by the Association and Administration. The number of days indicated in each level as set forth below is considered to be a maximum, and the failure of a teacher to proceed to the next step of the Grievance Procedure within the time limits as set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance. The failure of an administrator, at any step, to communicate his/her decision to the teacher within the specified time limits shall permit the teacher to proceed to the next level.

Level 1. In the event that a teacher believes there is a basis for a grievance, within fifteen (15) days of the occurrence, he/she shall first discuss the alleged grievance with his/her Building Principal or other appropriate administrator either personally or accompanied by a

Union Representative. The Principal will arrange a meeting within five (5) days thereafter to provide a verbal response. In the event that the concern is not satisfactorily resolved at Level 1, the Association or the grievant may proceed to Level 2.

Level 2. Within five (5) days of the Principal's response at Level 1, the grievant shall file a written complaint with the Building Principal or with the Superintendent if the grievance is outside the jurisdiction of the Building Principal. The Board shall have no financial liability for any previous fiscal year.

In Level 2, the grievance must be submitted in written form as set forth in "Appendix E". A copy shall be delivered to the Principal. If the grievance involves more than one (1) school building, it may be filed with the Superintendent or a representative designated by him. Within five (5) days of receipt of the grievance, the Principal or Superintendent shall meet with the representatives of the Association in an effort to resolve the grievance. There shall be no more than three (3) representatives on either the administrative or association team. The Principal or Superintendent shall indicate the disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the Association.

Specialists shall be at the table only by mutual agreement. In the event a grievance is not satisfactorily resolved at Level 2, the Association or the grievant may process the grievance to Level 3. Grievances involving more than one (1) building, or outside the jurisdiction of a Building Principal, may be transmitted directly to the Superintendent or his or her designee for initial processing at Level 3 within 5 days.

Level 3. Upon receipt of a grievance by the Superintendent, Level 3 will be said to have commenced. Within five (5) days of receipt of said grievance, the Superintendent shall meet with the Association to discuss and attempt resolution. There shall be no more than four (4) representatives on the administration or association side. The Superintendent will indicate his disposition of the grievance, in writing within five (5) days of such a meeting and shall furnish a copy thereof to the Association. Specialists shall be at the table only by mutual agreement.

If the Superintendent does not satisfy the Association with the disposition of the grievance, or if no disposition has been made within the period above provided, the grievance may be transmitted to Level 4. If the Association decides to proceed to Level 4, it must within ten (10) days of the last meeting at Level 3, deliver to the Superintendent a copy of the Association's request for arbitration to the American Arbitration Association (AAA).

Level 4. Level 4 shall consist of submitting the grievance to arbitration. Either party may bring in outside specialists. Neither party shall be permitted to insert any issues that have not been brought forth by the end of Level 3, substantiating documents or testimony of expert witnesses being exempted.

The procedures set forth herein may be invoked only by the formal action of the President of the Association.

The arbitrator may be mutually selected, but if none is so selected the parties shall select from a list from the AAA in accordance with its rules.

- D. Powers of the Arbitrator. It shall be the function of the arbitrator and he/she shall be so empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific Articles of this Agreement.
1. He/she shall have no power to add to, subtract from disregard, alter or modify any of the terms of this Agreement.
 2. He/she shall have no power to rule on the termination of service or failure to re-employ any employee so long as the Michigan Tenure Act of 1965 is in effect.
 3. He/she shall have no power to change any practice, policy, or rule of the Board of Education or to substitute his/her judgment for that of the Board as to the reasonableness of any such practice, policy, rule or any action of the Board.
 4. He/She shall not rule on evaluation, layoff/recall, discipline, placement or assignment, or prohibited subjects of bargaining.
 5. His/her powers shall be limited to deciding whether the Board has violated the express Article or Sections of this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.
 6. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement. Decisions of the arbitrator will be final and binding upon both parties.
 7. In the event that a case is appealed to an arbitrator on whom he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
 8. The impartial arbitrator shall have the authority to order full, partial or no compensation for time lost subject to Items 1 through 7 of this Paragraph.
- E. Fee and Expenses. The fees and expenses of the arbitrator shall be shared equally by the Board and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- F. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 1st of any year and strict adherence to the time limits may result in hardship of any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

- G. Regardless of the expiration of the Agreement, any claim or grievance arising there under may be processed through the Grievance Procedure until resolution, so long as the Association continues to perform its contractual duties.
- H. There shall be no reprisals of any kind by administrative personnel taken against any party in interest or his/her Association representative, any member of the Grievance Committee, or any other participant in the procedures set forth herein by reason of such participation.

ARTICLE X. TEACHING CONDITIONS

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both teachers and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

- A. When a teacher is burdened with conditions that are contrary to the above intent in terms of class size or school facilities, said teacher should call the matter to the attention of the Building Principal. If the matter cannot be remedied by the Principal, the teacher, the Association and Principal shall meet with the Superintendent with the idea of affecting a remedy.

- F. When a school is dismissed early because of weather conditions, the teachers of that school may leave as soon as it is reasonably sure that the students will arrive home.
- G. Supervisory teachers of student teachers shall be tenured teachers who voluntarily accept the assignment. The parties recognize that "supervisory teachers" are not supervisory teachers under Public Act 379 of 1965.
- H. Teachers will receive their regular pay for days that are canceled but shall work on any rescheduled days with no additional compensation.
 - 1. If at any time during the life of this Agreement, it becomes lawful to count (for the purpose of state member aid) as days of pupil instruction days when pupil instruction is not provided due to conditions not within the control of school authorities due to severe storms, fires, epidemics, or health conditions, it is agreed that the following provision shall become immediately in effect:

Kindergarten.....	30
1 st Grade.....	32

3 rd Grade.....	32

Both parties, however, recognize that the attainment of such optimal conditions is largely dependent upon the financial resources available to the District. The parties further agree that traditionally large and small classes may be exempt from the optimal size.

When an overload arises and is brought to the attention of the Building Principal, a remedy shall be agreed upon or a remedy shall be affected by the Superintendent and the Association. The remedy may include, but is not limited to the reassignment of students, or the District will pay a daily rate of \$2.50 per student over the cap limit.

4. Bereavement - A teacher shall be entitled to receive up to three (3) days leave with pay due to the death of his spouse, mother, father, child, stepchild, brother, sister, grandparent, or his current mother-in-law, father-in-law, grandchild, aunt, uncle, niece, nephew, sister-in-law, brother-in-law, or grandparent-in-law or anyone who permanently resides with the teacher to the extent reasonably required to attend the funeral of the deceased person. In addition, a teacher shall be granted up to four additional days deducted from sick leave to attend the funeral of his/her spouse, child, stepchild, mother, father, brother, sister, grandparent, current mother-in-law, current father-in-law, or person who permanently resides with the teacher or if the funeral is 200 or more miles from the school district.
5. Maternity/Paternity/Adoption Leave – A teacher shall be entitled to receive up to one (1) day leave with pay for the birth or adoption of his/her child(ren), beginning on the date of birth or on the date of the legal order of adoption.
6. Administrative-approved visitation at other schools or for attending approved educational conferences or conventions.
7. Any employee who is off work for any approved reasons and receiving pay or a fee must sign over to the school district any money received for the service. The school district, in turn, will then authorize a full day's wages for each day of service fees received.
8. The Association President shall be allowed one (1) day of released time per month. These release days are to be used to conduct Association business. The Association shall reimburse the district the cost for the substitute and the employee's retirement.
9.
 - a. If a teacher is excused part of his/her contractual obligation for active duty in the reserves, he/she may be allowed up to seven (7) days paid leave in a school year. The affected individual's base pay (per diem) for the specified period of time, up to a maximum of seven (7) days, will be remunerated to the school district.
 - b. Every attempt will be made to minimize such leaves, including good faith effort by the Superintendent and/or the affected individual in contacting the appropriate commanding officer.
10. A total of three (3) days, cumulative to five (5), to transact personal affairs that cannot normally be handled outside school hours shall be granted upon submission of the request to the Building Principal, at least forty-eight (48) hours prior to the personal day.

a. Leave of Absence Before or After a Holiday – Teachers are eligible to request, in writing, to the Superintendent the use of one (1) personal day per school year before or after a holiday.

- Personal days may not be used consecutively with requested day without the approval of the Superintendent.
- Request of such leave must be submitted at least ten (10) working days prior to the leave day.
- No more than 20% of bargaining unit members per building shall be granted a personal day for such leave.

- At the point where more than 20% of the teaching staff in any one building request the same leave day, no other requests will be granted. Once the 20% quota has been filled, an email will be issued to bargaining members within the building(s) that have met the quota to inform members.
- All applicants will be notified at least 30 days prior to the scheduled holiday.
- All requests made after the deadline will be denied with the exception of a documented emergency at the discretion of the Superintendent.

If a teacher shall not use one (1) or more of his/her personal leave days, he/she will be reimbursed at the rate of one hundred twenty-five dollars (\$125.00) per diem at the end of the school year, or add said days to his/her sick day accumulation for any exceeding two (2). It will be the responsibility of the employee to notify the Administration of his/her choice no later than May 1st each year. If a teacher does not notify the Administration of his/her choice, the day(s) will automatically be rolled over to the next school year. If a teacher shall request more than two (2) business days consecutively, a request in writing must be presented to the Association and the Superintendent for approval. Accumulated business days shall be reported at least bi-monthly.

ARTICLE XIII. TERMINAL LEAVE

- A. A payment for unused accumulated sick leave, payable at the rate of one hundred twenty-five dollars (\$125.00) per day for each unused day of accumulated sick leave, but not to exceed fifteen thousand dollars (\$15,000.00) will be paid upon retirement from Bangor Township Schools under the Michigan Public School Employees Retirement System or resignation, provided the teacher shall have been employed in the School District for ten (10) years. Anyone who resigns or retires prior to September 1, 2021, will not receive this increase in payout.
- B. Any teacher resigning or retiring with fifteen or more years of service as a teacher in the Bangor Township Schools will receive a one-time lump sum payment of fifteen thousand dollars (\$15,000.00).

Eligible teachers hired prior to June 1, 1994 will receive an additional longevity payment of \$6,000 in their last year of employment. To be eligible, the teacher must sign an irrevocable

letter of resignation or retirement by December fifteenth (15) of his or her final year of employment. The teacher will receive two annuity payments of \$3,000 each to be paid at the close of each semester.

- C. In all cases, any teacher who resigns his or her employment with Bangor Township School District and elects payments as provided in this article shall be required, as a condition of receipt of monies, sign a voluntary resignation waiving all rights to recall.
- D. All terminal leave payments will be deposited in an approved annuity plan prior to the employee's effective separation date.

ARTICLE XIV. PROBATIONARY TEACHERS

- A. Each teacher shall have the right upon request to review the contents of his/her own tenure file. A personal representative of the Association may be requested by the teacher to accompany the teacher in such review.
- B. Probationary teachers shall be assigned a Mentor at the beginning of their first year of probation. The Mentor / Mentee relationship is to be considered growth oriented. The Mentor teacher shall have no direct or indirect input into the evaluation of the probationary teacher.

ARTICLE XV. PROTECTION OF TEACHER

- A. Any case of assault upon a teacher on school property shall be promptly reported to the Board or its designated representative. Time lost by a teacher in any judicial proceedings with any incident of violence on school property heretofore mentioned shall not be charged against the teacher, provided the incident is work related and the teacher is not found to be guilty in a court of competent jurisdiction.
- B. Employee personnel files will contain the documents outlined in the Bullard-Plawecki Personnel Records Act: certifications, transcripts, and evaluative and disciplinary documents. Only one personnel file will be maintained and kept at Central Office. Building administrators will not keep any other records, either formal or informal, regarding employees without the knowledge of the employee.
- C. Employees will be notified in writing before any document is placed in employee personnel files. Said documents will be initialed and dated by employee and administrator. (Initialing does not reflect employee agreement with the contents of said documents.)

ARTICLE XVI. SENIORITY

- A. A district-wide seniority list, based on length of service in the bargaining unit, shall be jointly maintained by the Association and the Board of Education. An employee who receives unemployment compensation during a scheduled break and returns for his/her regularly scheduled work year shall have such district paid unemployment compensation withheld from their salary or reimburse the district for sums paid.

B. Length of service shall begin on the board-approved hiring date. In the event more than one (1) teacher has the same starting date, the teacher shall be placed on the seniority list using the last four (4) digits of the Social Security number, with the highest number being given the most seniority. (In the event that two teachers have the same last four digits, the last five digits will be used.) The language of Article XVI, Section B, will determine placement on the seniority list for those hired after September, 2005. An approved leave does not break contiguous service.

ARTICLE XVII. SCHOOL CALENDAR

By no later than March 1 of each school year, the superintendent and the Association shall meet to develop the calendar for the ensuing school year. The Association will present a draft calendar by February 1 of the ensuing school year for consideration.

ARTICLE XVIII. INSURANCE PROTECTION

A. The B.T.E.A. agrees to abide by all cap limits established by PA152. During the fiscal years 2021-2025, the contract will follow the Board's annual decision.

The Board of Education will provide one (1) of two (2) insurance options to each teacher. The cost of this insurance option will be shared between the Board of Education and the teacher. Each teacher shall exercise his/her option during the open enrollment period.

1. Option A-

80/20 Employer/Employee contribution

MESSA ABC 1 w/Saver Rx card (\$1400/\$2800); with orthodontics rider.

It is understood that the employer shall fully fund the HSA deductible contribution for each qualified employee on January 1st of each year.

The premiums for the coverage listed below is to be fully paid by the employer:

Delta Dental 75/75/75/75 - \$1500 annual maximum; \$2000 lifetime maximum.

Vision VSP-3 Gold

Life Insurance/Accidental Death and Dismemberment - \$50,000

Employee's choosing Option A will have their 20% contribution deducted from their paychecks in equal amounts from the maximum regular paychecks beginning at the end of the annual regular MESSA September open enrollment period through the last paycheck in June.

Any new employee that joins the district after January 1st will be required to take the MESSA Choices II Plan with a \$500/\$1000 deductible for the remainder of that calendar year. The employee will then switch over to the MESSA ABC Plan during the next open enrollment period.

When an employee leaves the district or changes insurance options (Choice A to B or B to A) the employee must satisfy the 20% portion of the 80-20 requirement of PA 152 at the time of change or departure.

2. Option B-

This option will be an annuity payment. The amount will be a minimum guaranteed payment of One Hundred Fifty Dollars (\$150.00) per month per person signing up for this option. This will increase to six thousand (\$6,000.00) less the cost of Delta Dental 50/50/50/50, \$1500 maximum, VSP-3 Gold Vision Care and \$5,000 Term Life if fifteen (15) or more members enroll for the benefit. If less than fifteen (15) Association members enroll for this increased option, it will revert back to the previously agreed One Hundred Fifty Dollars (\$150.00) per month. The number of enrollees will be determined at the end of the regular MESSA September enrollment period.

- B. If both a husband and wife are covered by this Agreement, only one (1) may elect Option A above. The other must elect Option B.
- C. A section 125 plan shall be in place before employee payment of non-taxable contribution to the health plan.
- D. All MESSA Insurance options are available at the teachers' own expense.
- E. The effective date for medical and dental coverage shall be September 1. All newly hired personnel shall not begin insurance benefits until the same effective date.
- F. The Board will make available applications for the insurance programs. It is the responsibility of the employee to fill out all forms for insurance coverage.
- G. There will be no change in any insurance coverage herein unless it is mutually agreed upon by both parties.

ARTICLE XIX. STRIKES

- A. No Strike. During the term of this Agreement, neither the Association or any person acting in its behalf nor any individual teacher covered by this Contract will cause, authorize or support, nor will any Association members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of a teacher from his/her position, or stoppage of work or abstinence, in whole or in part, from the full, faithful and proper performance of the teachers' duties of employment) for any purpose whatsoever. It is further agreed the Association will not itself, and will not request any other organization to place a sanction of any form on the Bangor Township School District.
- B. Association Violation of Strike and Sanctions. The Association will not support the action of any teacher taken in violation of this Article, nor will it directly or indirectly take reprisals of any kind against a teacher who continues or attempts to continue the full, faithful and proper

performance of his/her contractual duties or who refuses to participate in any of the activities prohibited by this Article.

- C. Violation of this Article will result in such disciplinary action as will be determined by the Board of Education.

ARTICLE XX. MISCELLANEOUS PROVISIONS

- A. A teacher may request the Administration for reimbursement for loss or damage of clothing and personal property incurred while on duty or on the school premises.
- B. The Board agrees at all times to maintain an adequate list of substitute teachers. Teachers must report absence before 6:00 a.m. on the day of the absence to the Substitute System. Notification of the absence must be made to the Substitute System by telephone or through online access. It shall be the responsibility of the Administration to arrange for a substitute teacher in the event the Substitute System does not assign a substitute teacher.
- C. This Agreement supersedes and cancels all previous agreements, verbal or written, or based on alleged past practices, between the School District and the Association and constitutes the entire Agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
- D. Copies of this Agreement shall be printed at the expense of the Board and be made available to all teachers now employed, or hereafter employed by the Board during the term of this Contract. Said copies will be delivered to the Association after ratification by both parties as soon as is practicable. A secured online version will be available to all teachers.
- E. Any changes in the School Code that impact or are in conflict with the language of this contract will be resolved through the Living Agreement – except as provided by law.
- F. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the School District and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not referred to or covered by this Agreement.
- G. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement. Any individual contract hereafter executed shall be in the form provided in Appendix D and shall be expressly made subject to and consistent with the terms of this or subsequent Agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.
- H. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall

not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- I. If an emergency financial manager is appointed by the state under PA 4 of 2011, Fiscal Accountability Act, the emergency manager may reject, modify, or terminate the collective bargaining agreement in his/her sole discretion. This authority is a prohibited subject of bargaining under the Public Employment Relations Act (PERA).
- J. It is mutually agreed that both parties involved will comply with any new laws regarding union dues.

ARTICLE XXI. SCHOOL IMPROVEMENT PLANS

- A. The Board and the Association encourage and support the concept of continued school improvement efforts designed to assist the School District to reach its mission. Any outcomes from school improvement efforts that call for change in any of the provisions of this Contract or affect wages, hours, terms or conditions of employment must be agreed to by both the Board and the Association before implementation of such changes.
 - 1. Building level committees will be established to work collaboratively on solving building concerns.
 - 2. A District level committee will be established to meet periodically during the school year to address District concerns.
- B. The Association and the Administration will mutually agree upon the process of establishing these committees. Participation in the aforementioned committee shall be voluntary on the part of Association members.

ARTICLE XXII. DURATION OF AGREEMENT

This agreement shall be effective July 1, 2021 and shall continue in effect until June 30, 2025 except for articles VII, XVII and XVIII.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed June 30, 2021.
