

Bullock Creek School District

Return to In Person and Continuity of Learning Plan 2023-2024

Bullock Creek School District will continue to prioritize full, in-person teaching and learning, to which provides the greatest benefit to our students. We will ensure this can happen both consistently and safely, during the 2023-2024 school year. The Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for students in Midland County. This plan was developed by Bullock Creek School District and supported by guidance from the Midland County Health Department (MCHD), to ensure that our school district has a detailed plan for a successful and safe return to school and learning environment.

NOTE: This plan may change and/or evolve as knowledge changes, surrounding the current and potential variants or if the risks of severe disease, hospitalization, or death increase. This plan may also need to vary based upon in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or buildings to adjust mitigation strategies. Periodically, but not more than every six months during the life of the grant, the plan will be reviewed, and updates will be completed, if they are deemed necessary.

Additional Resources:

- [MDE and MDHHS "Managing Communicable Diseases in Schools"](#)
- [MDHHS Readiness, Response, Recovery Cycle](#)
- [CDC Community Levels](#)
- [Mi Safe Start Map](#)

The CDC will determine the COVID-19 community level for the county. Based upon the community COVID-19 level, as determined by the CDC, Bullock Creek School District, in consultation with MDHSS and MMDHD as necessary, will determine the number of mitigation strategies to implement to foster optimal learning environments, while simultaneously ensuring the health and safety of students and staff.

The district will comply with any and all local, state, and federal mandates and/or orders. The following plan outlines measures for the CDC COVID-19 Community Levels of Low, Medium, and High. These levels do not apply in situations of COVID-19 outbreaks in schools, classrooms, or athletics.

Recommended Prevention/Mitigation Strategies:

LOW	MEDIUM	HIGH
Instructional Format		
In-person instruction will occur.	In-person instruction will occur.	In-person instruction will occur, but some classes, grades, or buildings may be moved temporarily to remote instruction if required by the health department due to outbreaks and to control in-school spread.
Athletics		
Athletic practices and competitions will be permitted. MHSAA guidelines will be followed.	Athletic practices and competitions will be permitted and additional health and safety protocols as deemed appropriate may be put into place. MHSAA guidelines will be followed.	Athletic practices and competitions will be permitted, and additional health and safety protocols as deemed appropriate may be put into place for practices, games, competitions and for fans attending athletic events. MHSAA guidelines will be followed.
<i>Athletic testing will not be required unless mandated by the MHSAA or a local or state agency and/or a sanctioning body.</i>		
Cleaning and Disinfecting		
The district will follow regular cleaning and disinfection procedures.	The district will follow regular cleaning and disinfection procedures. Additional cleaning will be put in place in spaces where positive cases have been identified.	The district will follow regular cleaning and disinfection procedures. Additional cleaning and disinfecting procedures will be implemented in classrooms and where positive cases have been identified.
Cohorting		
Mixing of students will not be restricted.	Mixing of students will not be restricted.	Mixing of students may be restricted in some areas, activities, classrooms, and/or buildings.
COVID-19 Testing		
Testing will be not be required but may be used as a Test to Stay (TTS) option under medium to high levels of transmission.		

Extracurricular and Field Trips

<p>Extracurricular activities may occur as scheduled.</p>	<p>Extracurricular activities may occur as scheduled.</p>	<p>Extracurricular activities and field trips may be paused.</p>
<p align="center">Face Coverings (Masks)</p>		
<p>Staff, students, volunteers, and visitors are recommended to wear face masks if unvaccinated and/or immunocompromised.</p>	<p>Staff, students, volunteers, and visitors are recommended to wear face masks if unvaccinated and/or immunocompromised.</p>	<p>Staff, students, volunteers, and visitors are strongly recommended to wear face masks in all areas and for all activities. District may choose to require masks when required by the MM/DHD, MDHHS and/or CDC.</p>
<p align="center">Food Service</p>

District and building offices will be open for normal school business. Additional health and safety protocols may be put in place as deemed appropriate. Visitors and guests are allowed in buildings per district policy, but visitors and guests may be limited.
Remote/Virtual Learning		
The district does not have a virtual option. The district will do its best to provide resources for students who are unable to attend in person due to isolation or quarantine. If a classroom or school is closed, all students impacted by the closure may be provided remote learning opportunities throughout the closure.		
Social Distancing		
Social distancing measures are not required.	Feasible social distancing measures will be put in place.	Additional social distancing measures may be provided as able. Adjustments to school procedures, schedules, activities, etc., may be made to adjust to the social distancing requirements.
Health Screening		
Parents/guardians should conduct a daily student wellness check prior to sending students to school. Staff should conduct a daily wellness check for themselves. DO NOT SEND STUDENTS TO SCHOOL IF THEY ARE SICK; STAFF WHO ARE ILL SHOULD NOT ATTEND. See the Staff and Student Illness section below.		

Student/Staff Illness

Parents/Guardians are not to send children to school who are ill per PO 8450 - Control of Casual Contact Communicable Diseases. Students/ staff exhibiting the following symptoms that are new or different/worse from their baseline of any chronic illness shall remain home or excluded from school/ work or excluded from school/work until is symptom-free for 24 hours without the aid of medication or as indicated for their illness. (See: https://www.michigan.gov/documents/mdch/Managing_CD_in_Schools_FINAL_469824_7.PDF)

- Severely ill (lethargic or less responsive, has difficulty breathing)
- Fever (temp over 100.4) or feeling feverish/chills
- Cough, shortness of breath
- Sore throat
- Runny or stuffy nose (congestion)
- Muscle or body aches
- Headaches
- Fatigue (tiredness)
- Vomiting (two or more times)
- Diarrhea (two or more loose or watery stools)
- Abdominal pain
- Rash with fever
- Wearing skin sores that cannot be covered
- New loss of taste or smell

Transportation

Normal transportation operations will occur.

Normal transportation operations will occur. Additional health and safety protocols may be put in place as deemed appropriate. Additional cleaning and disinfecting procedures will be implemented.

Normal transportation operations will occur. Additional health and safety protocols may be put in place as deemed appropriate. Additional cleaning and disinfecting procedures will be implemented.

Vaccinations

The district is not requiring staff or students to be vaccinated. MCHD, MDHHS, and CDC recommend COVID-19 vaccination as the leading public health prevention strategy to end the COVID-19 pandemic as well keep schools, extracurricular activities, and sports safely operational and in person.
