PUBLIC NOTICE

New and Accumulated Counts Associated with Ovid-Elsie Area Schools

August 25, 2021

To Whom It May Concern:

This page has been developed to notify you of any Cases of COVID-19 associated with our School District. This page will be updated regularly and will include cumulative results for the District as well as a breakdown by building.

Please note that all State and County COVID-19 information is available on the [Mi Safe Start Map](#) website. Please keep in mind that the data also reflects colleges and universities.

As a friendly reminder, if anyone in your household experiences COVID-like symptoms, please stay home. The general guidance is to wait at least twenty-four (24) hours until symptoms have improved without medication. You may also click [here](#) to find a symptom poster.

If you have been exposed to a person with a confirmed diagnosis of COVID-19, please do not attend school and see your healthcare provider.

If you have further questions, you may contact the Office of the Superintendent or Becky Stoddard, RN, MMDHD Public Health Nurse at 616-302-6435. You may also find more information at:

www.cdc.gov

Sincerely,

Dr. Ryan L. Cunningham, Superintendent, Ovid-Elsie Area Schools

(CCQ) = Close Contact Quarantine

(+) = Diagnosed with COVID-19

District Cumulative Totals Since Wednesday, August 25, 2021 **As confirmed by MMDHD**	(CCQ) = Close Contact with Possible Quarantine	(+) = Diagnosed with COVID-19
	918 (Includes non-school exposures)	301 (Includes non-school exposures)
