Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Ovid-Elsie Alternative High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER please contact the program director, Ms. Mary Levey, for assistance.

The AER is available for you to review electronically by visiting the following website <https://www.ovidelsie.org/browse/289333>, or you may review a copy in the main office at your child's school.
