A promotion is an upward change in an open job classification within the bargaining unit, which results in additional compensation during the regular work day. Promotions are not meant to include the taking on of additional duties within the same job classification or work involving over time or shift premium pay. Employee(s) interested in a promotional position shall apply within the above stated posting periods to be considered for the promotion.

1. The Administration will screen all applicants to select the finalists to be interviewed. If deemed necessary by the Administration, an interview and test will be conducted to determine the final applicant's ability to meet the demands and responsibilities of the open position. Factors considered will be demonstrated proficiencies, knowledge, experience, skills, abilities and special qualifications. Based upon these factors the final decision for placement rests with the Board or its designee.

The following procedures will be followed in awarding the position:

In the event the said individual is reverted to his former position for reasons other than his/her own desire, he/she will be given the reasons in writing by the Board and in the event that the employee disagrees with the reason, the matter shall be a proper subject for the grievance procedure. The employee returned to his/her former position shall retain salary and seniority status as previously enjoyed before the promotions.

An employee moving to another position of greater responsibility must demonstrate the ability to perform responsibilities of such position by successfully passing tests or competencies related to the demands of the desired position.

4. Promotions to positions outside the bargaining unit shall be covered by the above provisions except that the trial period shall be determined by the Board or its designee.

3. Any necessary amounts beyond the Board's contribution, as specified above, which are required to maintain the selected coverage are the responsibility of the Employee

and shall be payroll deducted or, when payroll does not cover the deduction, paid directly by the individual Employee. To the extent allowable by law or regulation, the Board will payroll deduct in two equal payments per month.

To the extent allowable by law or regulation, the Employee may sign an agreement authorizing that any such amounts be payroll deducted through the Board's Section 125 Plan. If making direct payment, the Employee shall present payment directly on the 1<sup>st</sup> of each month prior to the date at which the payment becomes due. Failure of an Employee to pay their portion of the costs shall alleviate the Board of any duty to pay the Board's contribution. The Board shall have the right to make deduction of any amounts due from the Employee's wages, and shall be held harmless from any liability arising from the deduction.

4. Employees who have access to another Employee's Board funded insurance shall not be eligible for separate Board provided health insurance. Exceptions shall be made for employees who are less than twenty-six (26) years of age and who are covered by a parent's PPACA compliant insurance, but have dependents of their own. Those individuals may take the Board funded insurance. During open enrollment, Employees electing health care coverage will sign a statement that they are complying with this paragraph.
5. Unless otherwise noted within this Agreement, or as required by law or regulation, Employees on unpaid leave status or who have exhausted leave allowed under this Agreement are financially responsible for the Board's portion of insurance contributions for those days.
6. Employees are hereby advised that they may have a right pursuant to Section 4438 of the Insurance Code of 1956, MCL 500.4438, to convert their life insurance policy, and that the Employee must make application to the life insurance carrier within thirty-one (31) days of any termination of their employment status.
7. To the extent permitted by law or regulation, and/or insurer's policies, Board-paid insurance contributions and/or cash in lieu payments shall continue as long as the Employee is in a pay status, but terminate at the end of the month during which the Employee ceases to be in a pay status. Employees may continue the coverage at their own expense to the extent permitted by law or regulation.
8. The Board reserves the right to change the identity of the insurance carrier, policyholder, underwriter, or third-party administrator for any and all of the above coverages upon advance notice to the Union and provided that comparable or better benefits are maintained. The Board agrees not to change the identity of the insurance carrier, policyholder, underwriter, or third-party administrator if the change will result in higher insurance premiums or higher co-pays/deductibles.
9. The Board shall not be required to remit premiums for any insurance coverages on behalf of a bargaining unit member if enrollment or coverage is denied by the insurance underwriter, carrier, policyholder or third-party administrator.

10. The terms of any insurance contract or policy issued by an insurance underwriter, carrier, policyholder or third-party administrator shall be controlling as to all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters. The Employee is responsible for assuring completion of all forms and documents required for his/her participation in the above-described insurance programs. Failure to complete the forms shall alleviate the Board of any requirements to fund insurance on behalf of that individual. The Board, by payment of its share of the medical benefit plan contributions indicated above, shall be relieved from any and all liability with respect to insurance benefits. Such matters shall be excluded from the scope of the grievance procedure, except the Board's failure to remit contractual premium amounts required of it (unless the failure to remit contractual premium amounts is pursuant to Public Act 54 of 2011 or the requirements of this Article).
11. Changes in family status shall be reported by the Employee to the Board within thirty (30) days of such change. The Employee shall be responsible for any overpayment made by the Board on his/her behalf for failure to comply with this paragraph, and the Board is specifically authorized to deduct any such amounts from future wages.
12. Unless otherwise delineated by law or regulation or the terms of the policy then in effect, eligible Employees shall receive insurance as of the 90<sup>th</sup> calendar day since hire. Those employees opting to take cash-in-lieu shall not be eligible for Board paid medical benefit plan contributions. An Employee shall be eligible for Board paid medical benefit plan contributions or cash-in-lieu up to the maximum amounts allowed in this Article if the Employee is employed on a full-time basis as defined by the PPACA (currently, working an average of thirty [30] hours or more per week in the District).
13. The "medical benefit plan coverage year" shall run from January 1 to December 31 of each school year.

  - b. Regular drivers must be available and willing to take the dropped run if a driver desires to drop a part of his/her daily run schedule.
  - c. Elementary runs, K-5, are to be picked up only as a combination pick up and take home. P.M. K-5 may be dropped after school has started the same as included in (b) above.
6. If a driver drops an individual run after the start of school, then that driver will not be allowed to pick up additional runs in that time slot for the remainder of that year. Kindergarten runs, for the purpose of this article, shall be considered a separate time slot.
7. Individual runs which are dropped or additional runs added after the start of school will be picked up according to seniority on the rotating basis. If all drivers turn them down, then they will be assigned in available time slots in the reverse order of regular driver's seniority.
8. If a driver terminates his/her employment, then that full set of runs will be offered to a regular driver starting each time at the top of the seniority list.

Termination is defined as the resignation, discharge, retirement, or death of the employee.

9. Other openings will be filled by using the following procedure:
  - a. 7:00 a.m. and 2:00 p.m. runs will be filled with a regular driver, if available, if not, substitutes will be used.
  - b. 8:00 a.m., 3:30 p.m. and Kindergarten runs will be filled with seniority drivers, on a rotation basis, who have signed up on the subbing list.
  - c. If an employee receives an assignment on a subbing basis, that employee remains on those runs until the regular driver returns. If sub is sick, upon return the sub will go back to that position until regular driver returns.
  - d. The most senior driver will return to the top of the list when available.
  - e. No employee will be eligible for any subbing duties if the employee has not signed up on the subbing list.
  - f. Allow the most senior available driver from the school, from which a regular driver will be off for a long term approved absence, to receive the shuttles, provided connections can be made.
10. If runs are split or combined during the school year, those drivers whose runs are affected will have their choice according to seniority level.
11. Adjustments to runs, either equalization of students and/or miles, will be made as soon as practical but no later than the fourth Friday after the start of school.

#### D. BOARD APPROVED LEAVES

According to seniority, drivers will fill in during an extended leave or illness of over five (5) days and will keep that run until the regular assigned driver returns.

### OTHER PROVISIONS

#### I DRUG FREE SCHOOLS

“The Swartz Creek Board of Education and AFSCME Local 3524 are concerned with the well-being of the employees and the need to maintain employee productivity and the successful accomplishment of providing education and support to the students of the Swartz Creek Community schools. Moreover, the Board of Education and AFSCME Local 3524 recognize that employees serve as role models to students. Substance abuse by employees constitutes a grave threat to their physical and mental well-being, significantly impedes their work objectives and job performance, and is a detriment to their effectiveness as a positive role model. Accordingly, it is the policy of the Board of Education to implement a drug prevention program and to prohibit the unlawful possession, use, distribution being under the influence of illicit drugs and alcohol by all employees on school premises or as part of any school business, activity or function pursuant to Public Law 101-226, otherwise known as the Drug-Free Schools and Communities Act Amendments of 1989, 20 USC S 3171 et seq., and its promulgated regulation, 34 CFR Part 86. Board Policy 4116.3P”

#### II. USE OF BARGAINING UNIT MEMBERS FOR SUMMER WORK

Employer and Union agree as follows:

The Employer shall have discretion to determine whether to use substitutes for absent bargaining unit members in the summer and to determine whether additional Board paid help is needed for summer work normally performed by bargaining unit members. In the event substitutes or additional Board paid help are used:

- (a) Five (5) such positions will be reserved for bargaining unit members who have previously expressed a desire to work that summer.
- (b) Such positions will be offered to non bargaining unit members who are not working in such positions who have previously expressed a desire to work that summer decline offers to work in such positions or cannot be contacted when the positions are offered.
- (c) The Employer will have the discretion, using prior experience, seniority and qualifications, to select which bargaining unit members should be retained for such positions. Union agrees that the Employer’s selection decision will not be grieved unless it is arbitrary and capricious and clearly an abuse of discretion.

Bargaining unit members employed in such positions shall be paid at the substitute rate.

### III. DIRECTOR OF OPERATIONS AND TRANSPORTATION WORK

Employer and Union agree that the Director of Operations and Transportation may occasionally need to perform operations and maintenance work (such as snow plowing) that is also performed by union employees. The Director of Operations and Transportation has the authority and ability to perform this work, providing all employees in the affected classifications have been asked to work and/or are working. The Director of Operations and Transportation will not perform work that he/she is unqualified or untrained to perform. It is mutually understood that this section is not intended to replace or eliminate bargaining unit positions, but to create an opportunity for additional support in occasional times of need.

This Agreement shall not be construed to limit the Employer's rights under Article V, subsection E-7, of the collective bargaining agreement between Employer and Union.

## Letter of Understanding/Cooperative Agreement

March 30, 2020

### Swartz Creek Community School District and AFSCME Local 3524

Working together and with the Union support, listed below is the district's plan to move forward during this very unique situation.

1. This letter of understanding is made in order to "temporarily" address certain situations associated with the COVID 19 global pandemic due to the Governor of the State of Michigan issuing an Executive Order on March 23, 2020 stating that effective March 24, 2020, all Michigan residents are ordered to "stay at home" through April 13, 2020.
2. All hourly employees will be compensated with their regularly scheduled default hours per day, paid on a bi-weekly basis, through April 13, 2020.
3. Spring Vacation week, March 30 through April 3, 2020, will be treated as Spring Vacation for the purposes of payroll and all AFSCME members will be paid their regularly scheduled default hours for Monday, March 30, 2020 as a holiday, per contract, and only 52 week employees who were scheduled to work will be paid for March 31, 2020 through April 3, 2020.
4. During the time of this shutdown, all AFSCME members are considered "on call" to perform essential functions and can be called in by the district at any time Monday through Friday between 7am and 5pm, not to exceed their default hours per week.
5. Until further notice, the district agrees to voluntarily pay AFSCME members their default hours so that members can maintain their personal financial obligations during the shutdown. However, it is understood that the district can only compensate AFSCME members one time. This means that in the event that the Governor or Legislative body of our state extends our school year, AFSCME members will be expected to work and fulfill their employment obligations without additional pay. The current regular pay that the district is agreeing to pay should be considered "pay in advance" for services rendered should the school year be extended.
6. Should an AFSCME member separate employment from the district during the shutdown or for an extended school year, they will be expected to repay the district for their advanced payments for which they did not work.
7. In the event that the school year is not extended, the district will continue to take care of its employees, including AFSCME members, and pay them for their regularly scheduled default hours for the 2019-20 school year so long as state aid payments stay consistent and unchanged.

### Cooperative Agreement Regarding Cash In Lieu

June 30, 2020

#### Swartz Creek Community School District and AFSCME

##### FRINGE BENEFITS CASH IN LIEU

##### ARTICLE 26 INSURANCE BENEFITS A. MEDICAL #2

##### Clarifying language regarding Cash In Lieu of Insurance payments

AFSCME members not electing health insurance coverage shall be eligible to receive \$3500.00 per year in Cash In Lieu (CIL) of insurance. Beginning September 2021, CIL will be paid in monthly installments over 10 pays (first pay of each month September through June) of \$350.00 per month. If a change in benefit election is made during open enrollment, or a life event occurs, the CIL monthly payments will be prorated and will begin the month that health insurance coverage ceases. Cash in lieu payments will cease upon resignation, retirement, or termination in the last month employed.

For the 2020/2021 fiscal year only, the district will continue to pay the \$145.83 per pay in July and August 2020, and the remaining balance of \$2916.68 will be paid in monthly installments of \$291.66 over 10 pays (first pay of each month September 2020 through June 2021), total equaling \$3500.00. Then starting in July 2021, CIL will not be paid in July and August.

CIL payments being paid in July and August 2020 are advance payments for employees who will be working in the upcoming school year. If an employee who received CIL payments over the summer of 2020 does not return to work for the 2020/2021 school year, excluding layoff, they will owe those advance CIL payments back to the district. The advance payments will be deducted out of their last paycheck, or they will be invoiced and held responsible to repay the CIL payments.

Letter of Understanding between Swartz Creek Community Schools and the AFSCME Union

Swartz Creek Community Schools will employ one <sup>5.5</sup>~~5.25~~ hour Edustaff position at the High School to work in the new coffee shop. This position will require some coffee barista experience as well as ServeSafe certification or a willingness to become certified.

This position would begin as soon as it is filled and will be open ended until an evaluation of sales takes place. The evaluation will take place on or before April 30th, 2020 at which time the district would determine to either; eliminate the position, extend the temporary posting until the end of the school year, or create an AFSCME position that would replace the Edustaff position.

This will serve two purposes, one being the ability for the district to determine if having a coffee bar is fiscally successful and to decide whether or not to continue operating it with a temporary position.

If agreed to the district will post the Edustaff position at its earliest convenience.
