February 1, 2026

Dear Parents and Community Members:

The Laker District is pleased to present you with the Annual Education Report (AER) which provides key information on the 2024-25 educational progress for the Laker School District. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact me or your building principals for help if you need assistance.

The Laker Schools AER is available for you to review electronically by clicking [HERE](#) or you may review a copy in the main office at your child's school.

These reports contain the following information:

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 5, 8, and 11, compared to state averages for all students as well as subgroups of students

National Assessment of Educational Progress (NAEP) Data

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

Civil Rights Data

- Provides information on school quality, climate, and safety

Please review the table below listing our schools. For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Laker Elementary	Universal Supports	Multi-Tiered System of Supports (MTSS)
Laker Middle School	Universal Supports	
Laker High School	Universal Supports	

We are proud of the growth shown by students across Laker Elementary, Middle, and High School. This progress reflects the dedication of our staff and the strong partnership we share with families and our community. Laker Schools continues to improve student achievement through intentional instruction, targeted supports, and a Multi-Tiered System of Support that addresses academic, social, and emotional needs. Families are an essential part of this work, and we encourage parents to stay involved by communicating with teachers, supporting learning at home, and participating in school activities. Together, we will continue to support the success of every Laker student.

Sincerely,

Jill VerBurg

Superintendent, EPBP Laker Schools
