

COVID-19 DASHBOARD for Verona Mills School

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services [Reporting of Confirmed and Probable Cases of COVID-19 at Schools](#) on October 6, 2020, Verona Mills School will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by Huron County Health Department, this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by the Huron County Health Department.

Updated: June 14, 2021

STATUS OF INSTRUCTION AND SCHOOL-SPONSORED FUNCTIONS

- **Instruction:** Face to Face instruction is the main means for providing instruction to students. A virtual learning option is available to students whose parents decide to have their children learn from home.
- **School-Sponsored Functions:** At this time all extra-curricular and school sponsored functions have been put on hold.

SCHOOL ASSOCIATED COVID-19 CASES

At this time, we have not been made aware of any cases of School Associated Cases of COVID-19 amongst the Verona Mills School Community. This data may include probable and confirmed cases as reported by Huron County Health Department among students, staff, administration, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

New Cases (Since Last Update)	0
Cumulative Cases (Since Reporting Began)	3
Populations Affected	9
