

# **31A Compliance Reporting for the 2025-2026SY**

## **For Verona Mills Township School District – District # 32060**

Pursuant to Section 164l(8) of Public Act 15 of 2025, Verona Mills Township School District provides the following report on the status of funds allocated and disbursed under the grant agreement. This report is posted in a publicly accessible location on the district's website and will be updated not later than June 15 and again not later than September 15 of the current fiscal year, to reflect the most comprehensive information available at the time of posting.

### **Grant Information**

Grant Title: Rural District Supplemental Payment (Section 22d, Public Act 15 of 2025)

Legislative Sponsor: Established under the State School Aid Act through Public Act 15 of 2025.

### **Project Overview**

Project Purpose: Funding provided to support small, geographically isolated K–12 rural districts to offset the additional costs associated with operating schools in remote or low-population areas. The funding assists in ensuring equitable access to educational opportunities and maintaining high-quality instructional services district-wide.

Project Location: District-Wide

### **Financial Summary**

Total Amount Allocated: \$22,671.17

Amount Disbursed: Monthly in State Aid as determined by the Michigan Department of Education.

Funds are distributed throughout the fiscal year on a monthly basis, in accordance with the State Aid payment schedule established by the Michigan Department of Education. The district maintains detailed records of all receipts and expenditures related to the grant to ensure accountability and transparency.

### **Reporting Schedule**

In compliance with statutory requirements, this report will be updated and reposted on the district's website no later than June 15 and September 15 of the current fiscal year. Each update will include the most accurate and comprehensive information available on the status of allocations and disbursements under this grant.
