

Kingston Community Schools Evaluation Training

The district will be using the tools described by the research and authors. The research, reliability, validity and efficacy behind these tools and the performance level descriptors are posted separately on the district website. The training plan was comprehensive and encompassed all involved.

Teachers

Kingston Community Schools is using the Charlotte Danielson Framework for Teaching for teacher evaluations.

The district had all principals and the superintendent trained in the Charlotte Danielson Framework in 2013-14 and 2015-16. Teachers were trained in 2015-16. The training for the Charlotte Danielson Framework for Teaching was led by Danielson trainers in 2015-16.

Principal/Administrator

School Advance administrative evaluation system for principals.

For the principal evaluation tool School Advance, district administrators were trained in the summer of 2016 by an approved trainer from School Advance evaluation model, utilizing the training schedule and plan recommended outlined in the postings and assurances document linked above.

Superintendent

The superintendent evaluation is the MASB supported tool.

Lastly, the Kingston Community Schools Board of Education along with the Superintendent was trained on the MASB Superintendent Evaluation tool on December 7th, 2016 by an approved MASB evaluation trainer.
