K-5 Principal, Lisa Riccobono says, "our teachers are changing everything they do. They are doing a great job reaching our students." 6-12 Principal, Jason Kiss commented by saying, "we are in the mid-nineties for numbers on our two-way communication. Staff is doing a great job on not only checking in but checking in with a personal touch. Not only are we reaching out to our students we are reaching out to our families. We have 3 or 4 students using the media center to complete their school work. The new Hotspots are working well." Superintendent, Dorothy Blackwell added, "Pioneer Work and Learn is also well above the 90% mark. We are transitioning our Sprint Hotspots over to T-Mobile as they have proven to work better. We are doing over 400 bags of food being picked up during food distribution times while also delivering over 500 to students on our bus routes. We will deliver seven days of breakfast and lunch on Monday, December 14 and fourteen days of breakfast and lunch on Friday the 18<sup>th</sup> to get students through winter break. Teachers are working together to ensure no student is left behind. Everyone in the district is working so hard."
