# Progress Towards Academic Goals

## Highlights:

**Fall 2022 data showed that although many students are below the grade level norm, students who attend ECS for a Full Academic Year are showing growth.**

**Our local assessment data shows a strong correlation between attendance and student achievement and that more Kindergarteners are coming to school ready to learn.**

**The Winter NWEA assessment window just closed – there is observable growth in Reading and Math – especially in Grades Kindergarten through 5.**

## **Some things we currently have in place to address gaps:**

- Curriculum implementation i-Ready Math K-8
- Literacy Footprints for differentiated guided reading K-5
- High Dosage Tutoring in Math and Reading for targeted students grades 1-3
- Continued teacher collaboration and Multi-tiered systems of support provide Tier 2 and 3 interventions to students
- Instructional Coaching Cycles in Reading and Math – Close Reading, Writing, Vocabulary and Problem Solving

# Next Steps

- Curriculum Adoption process to purchase high quality curricular resources for ELA K-12 and Math Grades 9-12
- High quality professional development for administrators, teachers and support staff
- Individual schools will report at upcoming BOE meetings
- Spring Benchmark Assessment Data in June 2023 – include Fall to Spring growth
- Monitor progress towards goals at all levels during Performance Management, District Turnaround Network, PLCs, etc.
- Develop action plans based on our Strategic Plan

# Making Connections ⇒ Living into our Strategic Plan

**Alignment to our district's Strategic Plan – particularly Goal 1: Student Growth and Achievement and Goal 2: Learning Environment and Supports**

Ensuring that this can happen both consistently and safely during the upcoming school year, the 2022-2023. Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning

**We will continue to revise and update this plan and the full document is available to view on our District Webpage.**

**Next, we invite feedback on our *Return to In-Person Learning and Continuity of Services Plan* during the Hearing of the Public.**
