Dear Ms. Wilhelm:

RE: AHERA Management Plan - ACCEPTANCE

On November 21, 2024, the MIOSHA Asbestos Program received an AHERA Management Plan for Macomb Montessori Academy located at 14057 East Nine Mile Road in Warren, Michigan. We are pleased to inform you that based upon the information received and, in our opinion, your Management Plan meets or exceeds the requirements specified in 40 CFR Part 763 (Federal Register/Volume 52, No. 210/Friday, October 30, 1987). The management plan has, therefore, been accepted.

The Environmental Protection Agency (EPA) has requested that we inform you that although the LEA's management plan has been accepted by the state, EPA may still determine, after subsequent on-site enforcement inspection, that the LEA is violating the AHERA regulations.

Thank you for your continued cooperation. Should you have questions concerning this correspondence or other asbestos related issues, please contact me at 517.284.7680.

Sincerely,

Joe Savedge, Industrial Hygiene Specialist  
Asbestos Training/Accreditation Administrator
