# Two-Way Interactions (TWI)

- TWI Definition: a communication that occurs between a pupil and the pupil's teacher or another district employee who has responsibility for the pupil's learning, grade progression, or academic progress, where 1 party initiates communication and a response from the other party follows that communication, and that is relevant to course progress or course content for at least 1 of the courses in which the pupil is enrolled or relevant to the pupil's overall academic progress or grade progression.  
(Ex.: Electronic mail, Telephone, Instant messaging, Face-to-face, Zoom)
- Schools are expected to complete 2 TWIs per week with at least 75% of **all** students
- Schools are required to report twice weekly two-way interaction rates to the school board and post the rates on the district transparency website
