Assistant Superintendent

Dear Parents and Guardians,

We want to inform you about an important initiative within our school district: the 23g MI Kids Back on Track Plan. This plan, which is a requirement to post, outlines the activities we are undertaking with the grant funding.

Primarily, we are utilizing this funding to bolster our educational support system. This includes initiatives under 98c, a previous grant which included Math coaches and instructors to implement key math initiatives such as small group instruction and *Number Talks*. To view the plan which we are required to post, please refer to the document linked below.

We understand the importance of parental involvement in these programs, and we encourage you to reach out if you wish to learn more or have your child participate. You can contact me directly at either 313-827-2121 or at tafelski@appublicschools.com

Sincerely,

Dr. John J. Tafelski
