

Gibraltar School District
Continuity of Learning Plan
School Year 2022/23

Plan Review, Board of Education Presentation, and Public Comment: June 15, 2023

Under the American Rescue Plan: Elementary and Secondary School Emergency Relief III (ARP: ESSER III) local districts are required to develop and maintain a Return to In-Person Instruction and Continuity of Services Plan. This plan outlines and details the district's plan for a safe return to, or maintenance of, in-person instruction and must include information regarding the district's implementation of the Center for Disease Control's (CDC's) most current guidance at the time of development.

Instructional Services	
Continuity of Instructional Services	<p>Gibraltar School District will continue to use face to face instruction 5 days per week for all students as its primary mode of instruction. As a part of face to face instruction, Gibraltar School District will continue the use of NWEA MAP Growth as an approved Benchmark Assessment System and will also create annual school goals as required by law.</p> <p>Additionally, all students in Gibraltar School District are given the opportunity to choose an all virtual setting through our existing virtual school, Lakeshore Virtual School. In this setting, students will primarily learn in an asynchronous setting with support and assistance from an appropriately certified teacher.</p> <p>GSD continues to maintain a focus on academic, social and mental health supports for its staff and students through the use of social workers and other supports for those in need. We continue to maintain a focus on staff well-being during professional development and staff meetings.</p>

Health and Safety Protocols	
Our in person learning environment and COVID-19 guidance are created with consideration of the most recent CDC Operational Guidance for K-12 Schools as well as any applicable guidance or recommendations from the local health department.
