RE: **Resolution to Consider Approval of Reconfirmation of the Plymouth-Canton Extended COVID-19 Learning Plan (First and Final Reading)**

Recommended Resolution

It was moved by Member Kehoe and seconded by Member Brooks to reconfirm the Plymouth-Canton Community Schools Extended COVID-19 Learning Plan that was approved on September 29, 2020. This plan recommends that students continue to receive instruction through two distinct models: (1) The P-CCS Virtual Academy, a 100% virtual model, and (2) Safe Start Remote Learning with P-CCS, a model that began 100% virtually with a planned phase-in approach to in-person learning:

- All **Kindergarten through 5th grade Safe Start students** continue in a full five day per week in-person learning model.
- All **6th, 7th, and 8th grade Safe Start students** continue in a full four day per week in-person learning model **for the week of March 22-26 only** (Wednesday, March 24 will remain fully remote live instruction)
- All **Starkweather Academy Safe Start students** continue in a full five day per week in-person learning model.
- **Madonna ASD Center-Based program / GOALS Post-secondary Program** continue in a full four day per week in-person learning model **for the week of March 22-26 only**.

Beginning March 22, 2021:

- All **9th, 10th, 11th, and 12th grade Safe Start students** begin in a five day per week half day in-person learning model.

Beginning April 5, 2021:

- All **6th, 7th, and 8th grade Safe Start students** begin in a full five day per week in-person model.
- **Madonna ASD Center-Based program / GOALS Post-secondary Program** begin in a full five day per week in-person model.

Programming will remain remote for all students in the P-CCS Virtual Academy; however, schedules will need to shift to mirror the above plan.

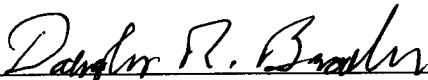

If necessary, based on the review of school, district, community, and county metrics and in consultation with the local health department, the district may pause in-person instruction for a specified period of time at a particular school, level, or districtwide.

This reconfirmation is a requirement of MCL 388.1698a of the State School Aid Act.
