If the problem is not resolved in the informal conference, it shall be reduced to writing, clearly stating the claimed basis for the grievance and shall be signed by the employee and presented to the supervisor by the Steward within fifteen (15) working days after the alleged occurrence. The written grievance may be presented to and discussed with the supervisor by no more than two (2) union representatives accompanied by the employee at the discretion of the Union. - a. Arbitration shall be invoked within ten (10) working days of the decision in Step 3 by written notice to the other party of intention to arbitrate. If the parties are unable to agree upon an arbitrator within seven (7) working days of such notice, the party desiring arbitration shall refer the matter to the American Arbitration Association for the selection of an impartial arbitrator and determination of the dispute in accordance with all applicable rules of the American Arbitration Association except where expressly provided otherwise in this Agreement.

The Employer and the Union recognize their responsibilities under Federal, State and Local laws pertaining to fair employment practices as well as the moral principles involved in the area of Civil Rights. Accordingly, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because of religion, race, color, national origin, age, gender, height, weight, disability or marital status, in accordance with the law. The parties will work together to assure equal employment opportunities to all.

ARTICLE IX

Seniority

- Section 1.
- a. Seniority standing shall be granted to all employees covered by this Agreement. The standing is to be determined on the basis of actual length of continuous service from the latest date of permanent employment in the bargaining unit with the Plymouth-Canton Board of Education. All new employees shall be placed on the seniority list as of the first day of employment, upon the completion of a probationary period of ninety (90) working days of employment, with access to paid holidays after 45 work days for employees with positive 30-day probationary evaluations. Probationary employees may be discharged or disciplined by the Employer without the same causing a breach of this Agreement or constituting a grievance.
 - b. If two or more employees have the same seniority date, their positions on the seniority list will be decided by a lottery system, upon completion of the probationary period. A representative of the Association, designated by the President, will meet with the Employer to conduct the lottery. Employees involved may be present at the lottery, if they so desire.
- Section 2. Seniority shall be broken for the following reasons.
- a. If the employee quits.
 - b. If the employee is discharged.

- c. If the employee is absent without properly notifying the management, unless a satisfactory reason is given.
- d. If the employee fails to return to work within three (3) working days after being notified to report to work, and does not give a satisfactory reason.
- e. If the employee is laid off for a continuous period equal to seniority he/she had acquired at the time of such layoff period.
- f. If the employee retires.
- g. If the employee overstays a leave (as referred to in Article XIII)
- h. If the employee gives a false reason for such a leave and/or engages in other employment during such a leave as referred to in Article XIII, Leave of Absence.

Section 3. Employees are expected to give advance notice of termination. Employees failing to give five (5) days' notice without reasonable cause for failing to give such notice shall forfeit one-fifth (1/5) of all prorated benefits due for each day less than the above five (5) working days.

- Section 4.
- a. Employees shall be laid off and recalled according to their seniority in their classifications. An employee on scheduled layoff shall have the right to displace a lesser seniority employee who is in a lower classification provided the senior employee is qualified to hold the position held by the employee. An employee reduced from his/her shift may displace the low seniority person within his/her classification and shift.
 - b. Laid-off employees will be offered substitute work and be given preference as a substitute while on layoff. Laid-off employees can be utilized as a substitute for regular employees who are absent and/or used in emergency situations.
 - c. Laid-off employees who accept substitute work will be paid at the substitute rate of pay.
 - d. Laid-off employees do not have to work as substitute and can refuse to be placed on the substitute list. This will not be held against them in determining eligibility for unemployment as applicable by statute, regulations, and/or law.

- Section 5.
- a. The Employer may make temporary transfers of employees to other locations in order to meet the requirements of the operation of the department. The Employer shall give full consideration to seniority.
 - b. Temporary transfers shall be for a period of no longer than thirty (30) working days; extensions may be given by mutual agreement between the Employer and the Union.
 - c. A position that requires more than thirty (30) days of temporary transfer (except extensions by agreement) shall be considered an open position to be posted.

- Section 6.
- a. Notice of all vacancies to be filled as shown in Appendix B and newly created positions shall be posted on employee bulletin boards and the employee shall

be given five (5) working days' time in which to make application to fill the vacancy or new position, and the Union Steward will be advised within five (5) working days of appointment to the position of who has received the vacancy or new position and, upon request, who were the internal applicants. Positions will be posted three (3) working days. The five most senior maintenance employees, who meet the posted qualifications, will be guaranteed an interview for a plant engineer position. The administration retains the right to make the final determination regarding hiring of a plant engineer.

- b. Recognizing the provisions of Article IX sections 6 (b) and 6 (c) referring to voluntary demotions, lateral transfers and promotions, the following order shall be used: A) Voluntary demotion, B) Lateral Transfer and C) Promotion. Each member of the bargaining unit who wishes to be considered for a lateral or demotion, must fill out the appropriate form during the month of June and submit it to the Central Maintenance Department by June 30th. The requests must be submitted on the lateral/demotion form and will apply to all vacancies from July 1 through June 30 of that school year. Individuals may identify up to six (6) buildings with shifts that he/she wishes to be considered for should a position become available during the time period. Exceptions to the lateral/demotion process may be made by mutual agreement of the Union and the Deputy Superintendent of Business and Operations or his/her designee. Approval will be based on seniority and meeting the qualifications of the position. When all of the lateral/demotions have occurred, the remaining vacancy will be posted. Timelines for posting a vacancy will not begin until all lateral/demotions have occurred. Each individual on the lateral/demotion list will be deemed as having accepted the placement if he/she has placed that building on his/her request list. An employee may decline an offered position and still be considered for subsequent vacancies. An employee may remove or add a building from his/her list only one time during the school year at the employee's discretion at any time during this year. All changes from the list must be in writing to the Central Maintenance Department.
- c. An employee who applies for a vacancy of the same classification as he/she currently holds, shall be granted the job based on his/her classification seniority, before any promotions shall be considered. If an employee successfully opts for a change of assignment, based on a voluntary demotion or lateral transfer, he/she shall not be eligible for a change of assignment for a period of one (1) year from placement on the job. The only exception to this one-year rule shall be where there is mutual agreement between the Business and Operations administrator, the Human Resources administrator, or their designee(s), the Association, and the employee involved. Exceptions shall not be unreasonably withheld. Effective July 1, 1997, promotions shall be made on the basis of training, qualifications and classification seniority of the next lower classification in the series (Appendix B), or to the next succeeding lower classification if there are no applicants. The senior qualified employee making application, in accordance with the above, shall be promoted to fill the vacancy or new position provided he/she has the necessary qualifications to perform the duties of the job involved. The Employer will consult with the Union prior to posting any position that has a change in qualifications from the previous posting of the same position. When more than one position is open and posted, the employee must bid jobs in order of their preference; first choice, second choice, etc. Effective July 1, 1998, applicants for positions must meet the posted qualifications as indicated by successfully completing the skills review requirement for that

position. Up to two (2) months shall be allowed after the committee determines the training requirement for a position classification before this provision takes effect.

- d. Promoted employees shall be given up to a thirty (30) workday trial period to demonstrate their ability to perform the job. If during the trial period, the employee does not demonstrate the ability to perform the job, the employee shall either be placed on an additional trial period of up to thirty (30) work days or the employee will be returned to his/her former classification and shift. An employee who has accepted a promotion and who has successfully completed either the first and/or additional trial period(s) will be eligible to bid on another promotion
- e. Newly created positions or vacancies to be filled shall be filled within fifteen (15) working days of the known vacancy. These positions shall be posted in the following manner:

The type of work, the place of work, the starting date, the rate of pay, the hours to be worked, the qualifications, training and the classification.

The Association will be notified in writing within fifteen (15) working days of positions or vacancies not to be filled.

- f. A probationary employee is not eligible for a posting.
- g. Vacancies under a posting shall not be considered a promotion, and the filling of a vacancy shall not require a new probationary period.
- h. When an employee is promoted, he/she shall be paid the sixty (60) working day rate if the beginning rate is less than his/her hourly rate prior to promotion.

Section 7. An employee who is required to work in a higher classification for two (2) consecutive working days or more, shall be paid the rate of pay of the person he or she replaces, and will be paid retroactively to the first day if two (2) days or more.

If is further understood that this applies when the respective work shifts are in effect (day, afternoons, midnights).

An employee who replaces the plant engineer at a traditional school during the summer months will receive the wage rate of the plant engineer. It is also agreed that this only applies to the plant engineer position, and that other positions (example: receiving wage rate of an afternoon supervisor) would not be applicable to this section.

Section 8. An agreed-to seniority list shall be made available to the Union and to each employee covered by this Agreement on or about July 1 of each year. Such list shall contain date of hire with the District, date of entry into bargaining unit, date of entry into classification, and employee's location. Seniority in classification shall be as of date of entry into the classification.

Section 9. An employee who has successfully accepted a vacancy posting shall not be eligible for a posting for a period of one (1) year from placement on the job. The only exception to this one-year rule shall be where there is mutual agreement between the Business and Operations administrator, the Human Resources administrator, or their designee(s),

the Association, and the employee involved. Exceptions shall not be unreasonably withheld.

- Section 10. Any employee who takes another position within the Plymouth-Canton Community Schools shall not continue to earn seniority in this bargaining group while in such position. If this person returns to this bargaining unit within one (1) year, he/she will receive only the seniority he/she accumulated up to the time of leaving this bargaining unit. When returning to the unit, this person shall be able to fill a vacancy where there are no bargaining unit member applicants or, if there are no vacancies, bump the least senior bargaining unit member.
- Section 11. An employee who is displaced by reduction or elimination of a position will have the right to displace a lesser seniority employee who is in a lower classification provided the senior employee is qualified to hold the position held by the employee. Unless otherwise agreed upon between the association and management.

 - e. December 24
 - f. December 25
 - g. December 31

- Section 2. Employees required to work on any of the above named holidays shall receive double time for hours worked in addition to the regular holiday pay.

Section 6. Holiday Eligibility

An employee will be eligible for paid holidays after 45 work days with a positive 30-day probationary evaluation. This includes Personal Holiday days which have to be loaded in the bank.

Vacation and Bonus Vacation

Section 1. Vacation for employees covered by this Agreement shall be computed as follows:

Less than two (2) years on June 30 - One day per month to maximum of 10 days.

More than two (2) years but less than five (5) years on June 30 - 12 days.

More than five (5) years but less than ten (10) years on June 30 - 15 days.

More than ten (10) years but less than fifteen (15) years on June 30 - 17 days.

More than fifteen (15) years on June 30 - 20 days.

- Section 2.
- a. Vacations will, insofar as possible, be granted at times most desired by employees according to their seniority as follows: The Employer will designate how many people in each classification in each building shall be allowed off during one given period. Vacation requests shall be submitted June 1st. The annual vacation schedule shall be posted prior to June 30. Choice of vacation shall be honored on a basis of seniority within a building classification unless otherwise agreed to by the Union. Unposted vacation time may be taken provided the Employer approves and there is no conflict with posted vacation time, except that only posted vacation time may be taken on the days preceding or following a paid holiday unless otherwise agreed to between the Board and the Union. Posted vacation time of an employee temporarily transferred for purpose of relief shall be honored.
 - b. Vacations may be taken in a period of consecutive days or split into one or more weeks.
 - c. Vacation earned in one fiscal year must be taken prior to the end of the following fiscal year. If a PCMA member does not use all of their vacation time before the end of the year, they will have a thirty (30) day window to use five (5) vacation days into the next year. If a vacation is deferred at the request of the Board, the employee shall have the option of rescheduling the vacation or receiving payment in lieu of vacation time off by June 30th.

Section 3. An employee who is separated from employment is entitled to a lump sum payment for the unused vacation standing to his/her credit on the date of separation.

Section 4. Employees having thirty-five (35) days of accumulative sick leave on December 31 may earn additional vacation days annually according to the following schedule:

<u>Days Absent During Fiscal Year</u>	<u>Number of Bonus Days</u>
0 - 1	5
2	4
3	3
4	2
5	1

Bonus vacation days will not be paid out or compensated upon separation from the bargaining unit.

Section 5. Inasmuch as the number of days absent during the fiscal year for any reason affects bonus vacation, the number of days off for workers' compensation or a death in the family (Article XII, Section 4) upon request of the Maintenance employees affected, will be reviewed by the Union Steward and the Deputy Superintendent of Business and Operations or his/her designee. A reasonable number of days to be granted will be deducted from accumulated sick leave but will not be charged against days absent in the fiscal year for determining bonus vacation days. Sick days and personal business days will be charged against bonus vacation days.

Section 6. All vacation and holiday pay will be paid at the rate that the employee is currently making with the exception of summer months when normal afternoon and midnight shift employees working days for the summer will receive their shift premium for holiday and vacations occurring during the summer months.

ARTICLE XII

Personal Leave Days

Section 1. Each employee covered by this Agreement will be entitled to sick leave of one (1) working day with pay for each month of service, beginning with the first completed full calendar month and cumulative to 200 work days. Days earned beyond 200 will be held in a catastrophe bank.

All new employees, after successfully completing the probationary period and upon working their first day as permanent employee, shall have placed in their sick leave bank one (1) sick leave day for each month between that month and June of that fiscal year. All permanent employees, at the beginning of the fiscal year after working one (1) day, will have placed in their sick leave bank twelve (12) sick leave days. Time taken off during the probationary period will be deducted from the employee's pay.

Sick leave shall be granted to employees when they are incapacitated from the performance of their duties by sickness, pregnancy, injury or for medical, dental or optical examination or treatment. (Medical proof of illness may be required.) Sick leave shall also be granted when, through exposure to contagious disease, the presence of the employee at his/her employment position would jeopardize the health of others. To receive sick pay for medical, dental or optical examination or treatment, three (3) days' notice of the appointment must be given except in the case of emergency.

Section 2. **Catastrophic Bank:** Beginning with the 2004-2005 school year, each employee covered by this Agreement will contribute one (1) sick day from his/her personal sick bank to a common Catastrophic Bank and the district will contribute an equal number of days to this bank upon ratification of this agreement (2003-2006). PCMA members who retire, leave employment with the district or are dismissed from the district will donate all of their sick days to the PCMA catastrophic bank.

Days from this Catastrophic Bank will be available only for illness of the employee and will not apply to requests related to family illness, bereavement, etc. Requests will be considered for catastrophic illnesses of long-term nature for which the employee has applied to become eligible for long-term disability. The Catastrophic Bank will be used to supplement an employee's salary until he/she becomes eligible or is determined not eligible for long-term disability. Employees who carry short-term disability will have the Catastrophic Bank coverage prorated by the amount equal to the difference between short-term disability payments and the employee's salary, if the employee exercises a short-term disability claim. Other off-sets, such as a workers' compensation payment, will off-set the coverage from the Catastrophic Bank benefit. No employee shall receive more than 100% of his/her regular, base salary at the time the bank begins, including funds from all sources.

A Catastrophic Bank Committee will govern the use of the bank. The committee will consist of two (2) individuals appointed by the Human Resources administrator and two (2) individuals appointed by the Maintenance Association President. The committee will convene whenever a request by an employee is made for use of days from the Bank. The request must be in writing by the employee to the Human Resources administrator or his/her designee with a copy to the Association President. The committee will make its decision by vote and a majority of the committee must approve all use of the Bank days. The decision of the committee shall be final. If a circumstance in the employee's health changes, the committee shall reconvene to re-evaluate the request. If the employee is denied long-term disability, the use of the Catastrophic Bank will cease when the denial is known.

The committee will consider requests for use of the Bank provided that (1) the employee's personal sick bank, vacation days, bonus days, personal holidays, and the district's 30-day extension bank have been exhausted, and (2) the use of the Catastrophic Bank will be used to carry an employee to long-term disability and will cease when the employee becomes eligible for this benefit.

The Bank is not intended to remove the obligation that sick leave is to be used only as needed and that each employee must be accountable for the amount of sick time he/she may have accumulated.

Section 3.

Workers' Compensation:

- a. Absence of seven (7) days or less resulting from a minor personal injury out of and in the course of employment with the Plymouth-Canton Community Schools shall be deducted from accumulated allowable days of absence. Days will be returned, if compensable, per the workers' compensation statute.
- b. Allowable days of absence shall be charged only for that portion in excess of the compensation payment until employee's sick leave bank is exhausted.

Section 4.

Bereavement Days:

All employees covered by this Agreement may take up to five (5) working days off with pay from the employee's sick bank balance for a death in the employee's immediate family.
