District Annual Education Report (AER) Cover Letter

February 12, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress of Wyandotte Public Schools and our schools. The AER addresses the complex reporting information required by federal and some state laws. Our staff is available to help you understand this information. If you need assistance, please contact the Director of Curriculum and Instruction.

The DISTRICT AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-D,1691,119,0 or you may review a copy in the main office at your child's school. Each school will also be communicating its own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate, and safety

Review the table below listing our schools. For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Wyandotte Early Childhood Center	No Label (Universal)	Social Emotional Learning ???
Garfield Elementary School	No Label (Universal)	Professional Learning Communities
Jefferson Elementary School	No Label (Universal)	Professional Learning Communities
Monroe Elementary School	No Label (Universal)	Professional Learning Communities
Washington Elementary School	No Label (Universal)	Professional Learning Communities
Wilson Middle School	No Label (Universal)	Professional Learning Communities
Roosevelt High School	No Label (Universal)	Professional Learning Communities
The Lincoln Center	No Label (Universal)	Professional Learning Communities
Madison Center	No Label (Universal)	Professional Learning Communities
Jo Brighton Skills Center	No Label (Universal)	Professional Learning Communities

We are extremely proud of the progress our students are making, due to the dedication of our teachers and administrators. The implementation of Professional Learning Communities (PLC's) has changed our focus to that of student learning. We are committed to this research-based philosophy of collaboration in order to increase student achievement.

Sincerely,

James E. Anderson, Ed.D.
Superintendent
