The purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interests of the Employer and employees.

The Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

Article II- Recognition

Section 1. The Employer hereby recognizes the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, grievance procedure or other conditions of employment, for the term of this Agreement, of all employees of the Employer included in the following bargaining unit:

All full-time and part time employees including cooks, cook assistants, food assistants, drivers, and food service specialists in the Food Services Department of the Wyandotte School District. Excluding all administrators, managers, kitchen managers, directors, licensed personnel, clerical personnel, custodial/maintenance personnel, aides, paraprofessionals, security personnel, substitutes and all other employees of the School District.

The Employer agrees not to enter into any agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement, which in any way affects wages, hours or working conditions of said employees.

Section 2. Regular employee is defined as an employee who regularly works or is paid for at least two (2) hours per day, other than students, substitutes, or temporary help.

Article III- Representation

Section 1. *Bargaining Committee and Stewards.* The Union shall have the right to be represented by a Bargaining Committee, which shall consist of a Chairperson, Steward, and Recording/Secretary Steward. The representatives shall be employees of the Food Service Department elected in any manner determined by the Union. It is further agreed that when employees are recalled from layoff, the Chairperson shall be the first recalled.

Section 2. *Notification of Representatives.* It is agreed that the Union will file with the employer a complete list of its Bargaining Committee and will advise the Employer in writing of any changes made in the Bargaining Committee from time to time; and the Employer will file with the Union a list of its supervisory employees and will advise the Union of any changes made in this list.

Section 3. Union representatives shall notify an employee's immediate supervisor or other designated individual that the employee has requested Union representation to investigate a grievance.

If the employee can be released at that time, the supervisor will release the employee to talk to the Union representative. If, because of the immediate nature of the employee's work, i.e. the employee is handling a situation the employee cannot be released at that time, the supervisor will release the employee as soon as possible. The supervisor shall explain to the Union representative the nature of the emergency and confirm the explanation in writing, if requested.

The Board and the Superintendent retain and reserve full rights, authority and discretion in the proper discharge of their duties and responsibilities to control, supervise, and manage, the School District and its food service program including the right to hire, reprimand, suspend or discharge, and the right to assign, transfer, or relieve employees from duty, provided it does not conflict with any provisions of this Agreement.

Article V- Grievance and Arbitration

Section 1. Procedure. Should difficulties or any local trouble of any kind arise between the Employer and the Union, or its members employed by the Employer in the Food Service Department, as to the meaning or application of the provisions of this Agreement, these difficulties shall be settled as expeditiously as possible in the following manner:

Step 1. All grievances of the Food Service employees shall be presented by the Steward to the immediate Manager/Supervisor within five (5) working days of the occurrence giving rise to the grievance. If not satisfactorily settled, *it shall be reduced* to writing by the Steward, signed by the aggrieved employee and referred to Step 2 within five (5) working days of the Step 1 presentation. Any grievance involving two (2) or more employees can be signed by such employees or a member of the Bargaining Committee.

Step 2. A meeting shall be held within five (5) working days of referral to Step 2 between the Steward and the Manager/Supervisor. If not satisfactorily settled, it shall then be referred to Step 3 within five (5) working days of the Employer's written answer. The Employer must give such answer within five (5) working days of such meeting.

Step 3. A meeting shall be held within five (5) working days of referral to Step 3 or a date mutually agreed upon between the Chairperson and the Superintendent or her/his designee. If not satisfactorily settled at this meeting, it shall then be referred to Step 4 within five (5) working days of the Employer's answer. The Employer must give such written answer within ten (10) working days of such meeting. Reasonable time

may be added between the steps of the grievance procedure upon written mutual agreement of the parties.

Step 4. If the parties are unable to arrive at a settlement of a grievance after the above steps have been concluded, the Union may appeal it to arbitration within fifteen (15) working days after the Employer's final written answer in Step 3 by giving them written notice.

After the Union appeals the grievance to arbitration, representatives of the Employer and the Union shall attempt to select an arbitrator. If the parties are unable to agree on an arbitrator within five (5) days, the parties shall request the American Arbitration Association to submit a list of seven (7) arbitrators.

The Union shall strike the first name from the list and the Employer shall then strike one (1) name and thereafter the parties shall strike alternately. The person whose name remains shall be the arbitrator. Either party has the right to reject one (1) complete list of arbitrators, in which case another list shall be requested of the American Arbitration Association.
