ARTICLE 4
PROFESSIONAL COMPENSATION

- A. The salaries of Teachers covered by this Agreement are set forth in Schedule A which is attached to and incorporated in this Agreement. Such salary schedules shall remain in effect during the term of this Agreement.
- B. Teachers hired from outside of the bargaining unit shall be placed on the salary schedule based on their prior years of teaching and/or administrative experience in other K-12 educational institutions. Normally, Teachers shall be granted one step credit for each two (2) years of prior experience up to Step 5.
1. However, the Board reserves the right to hire Teachers with greater experience at a step above Step 5, but not greater than their years of experience if the Board deems it necessary in order to hire a suitable candidate.
 2. Furthermore, the Board also reserves the right to hire all Teachers at Step 1, should the Board deem that the financial condition of the district necessitates this.

20-24 years	\$800
25+	\$1100

F. Substitute Duty

1. The administration agrees to make reasonable efforts to obtain volunteers for substitute duty; however, absent a volunteer, assignments to such duty shall be made on an equitable basis. Teachers who have either volunteered or who are assigned to substitute during another teacher's absence shall receive \$35 per class period as assigned.
2. The administration will continue to put forth efforts to have substitutes so that undue disruption of a regular teacher's day for substituting is minimized. Such efforts may be grieved through level three (3) of the grievance procedure.

As a result of mutual desire of both parties to continue to improve education in the District, the Superintendent or the designee will facilitate appointment of a District Leadership Team, Building Leadership Teams, and High School Department Heads (non-probationary when possible) to be compensated as listed in Schedule B. Should a teacher appointed be unable to fulfill their responsibilities, the stipend will be prorated.

**ARTICLE 5
TEACHING HOURS**

- A. The duty day, excluding special committee work as per Article 15, Section D, for teachers in grades 6-12 shall not exceed 445 consecutive minutes and for teachers in grades K-5 shall not exceed 455 minutes. Said regular duty day shall be inclusive of those contract provisions as set forth in paragraph B below.

- B. Teachers shall be:
 - 1. At place of duty prior to class time as established annually.
 - 2. Teachers in grades 6-12 shall have a duty-free lunch period of twenty-five (25) minutes.
 - 3. Teachers in grades K-5 shall have a duty-free lunch period of thirty-five (35) minutes.

- C. The elementary Teachers shall not be required to have noon playground duty.

- D. Teachers at the elementary level shall not be required to supervise children during lunch periods. However, on the rare occasion that the building administrator is out of the building, or otherwise unable to oversee the lunchroom, Teacher(s) may volunteer or may be asked to volunteer to serve in this leadership capacity. The Teachers(s) shall be compensated at half of the prep subbing rate Article 4.F.1 per lunch period.

- E. Elementary (K-3) teachers, in coordination and scheduling with their principal, will provide students with a daily 25-minute recess period (brain-break), Monday – Thursday, supervised by teachers on a rotating basis. Teachers will rotate student supervision, with two teachers for three or four classrooms of students at recess. Teachers not supervising students will utilize this time for planning/preparation. Existing specials staff will be utilized as much as scheduling allows to provide additional planning time for general education classroom teachers.

- F. Each elementary teacher shall be released for classroom preparation/conference purposes, during five (5) periods per week (totaling 225 minutes per week).

- G. Teachers do not have to report when school is called off due to inclement weather or other emergency conditions as defined by the State School Aid Act. Such canceled days and instructional hours not already scheduled in the school year calendar shall be rescheduled to comply with State requirements by adding all such days and instructional hours to the end of the school year. Teachers shall report to work on the rescheduled days and hours. If the District decides to delay the opening of school as the result of inclement weather or other emergency conditions, Teachers shall be expected to report not less than thirty (30) minutes before the time set for the instructional day to commence. Such days and hours will be counted as instructional days and hours, to the extent allowed under the State School Aid Act.

**ARTICLE 6
TEACHING LOADS AND ASSIGNMENTS**

- A. The normal teaching schedule the senior high school will include five (5) unassigned regular class-hour preparation periods per week. The normal weekly teaching schedule in the middle school will include five (5) unassigned regular class-hour preparation periods per week.
- B. There shall be no more than one (1) regularly scheduled class per teaching station except in those areas designed to accommodate multiple teaching stations. Variances from this policy shall only be made by mutual consent between the teacher and building principal.

**ARTICLE 7
TEACHING CONDITIONS**

The parties acknowledge that the primary duty and responsibility of the Teacher is to educate children and that the organization of the school and school day should be directed at insuring that the energy of the Teacher is primarily utilized to this end.

- A. Establishing and maintaining excellence in education is the primary goal of the Teachers and the Board of Education of Pinckney Community Schools. Both parties recognize the importance of acceptable pupil-teacher ratios in the equation of educational excellence. In continuous efforts to reach this commitment both parties agree to the following class size language:

Grade Level	Recommended	Maximum
KinderReady	18	20
Kindergarten	25	29
First Grade	25	30
Second and Third Grade	29	32
Fourth and Fifth Grade	30	33
Sixth through Twelfth Grade	32	34

Split Classes at Elementary Level	Maximum
Kindergarten/First/Second Grades	24
Third/Fourth/Fifth Grades	27

Pathfinder School and High School	32 per class except as follows:
Industrial Arts and Vocational Shops	4 pupils/station with a maximum of 30
Seventh Grade Technology Rotation	30 pupils maximum
Computers	Not more than the number of computers
Drafting	One per station maximum
Physical Education Classes	45 pupils
Band and Choirs	Unlimited

- B. If an elementary teacher's class size is over the recommended class size stated above:
Allowing for adjustment of class sizes prior to fall count day, the teacher will be paid \$600 per semester per student for each student on the class roster who has been physically in attendance exceeding the recommended limit (prorated for total number of student days exceeding the limit) to be paid on the last pay in June.

Pathfinder and High School: The daily student load assigned to a respective staff member at Pathfinder School and the High School level on a six period schedule shall not exceed one hundred sixty (160) students, (teaching an additional period would be 192) except for physical education classes, health taught as a unit which is part of a physical education class and music classes, in which case said exempt classes may not exceed the individual class size plus two (2) during any given class period; music classes, as stated, are unlimited. Daily student load figures stated shall be prorated for classes with "Article 7, Section A" class sizes greater than 32 pupils. The above stated "Article 7, Section A" class sizes may not be exceeded on an individual class period course basis by more than two (2) students.

Allowing for adjustment of class sizes prior to fall count day, a teacher shall be paid \$300 per semester per student for each student on the class roster who has been physically in attendance exceeding 32 students for an individual class or 160 students total (192 if teaching an additional period) prorated for total number of student days exceeding the limit, to be paid on the last pay in June.

- C. The Board agrees at the elementary level to limit the total number of split classes district-wide to a number equal to two (2) per operating building.
- D. An individual teacher may waive individual class size limits and/or daily load limits at their discretion.
- E. Special education students assigned to a general education Teacher shall be counted as part of the Teacher's student load.
- F. It is further agreed to between the parties that:
1. If a lack of facilities to adequately house students in accordance with Sections A, B and C above exists due to an "Act of God", growth in student enrollments, or if the district would be required to discontinue any existing student program offerings in order to accommodate for a shortage of facilities, then the language agreed to in Sections A, B and C above shall be relaxed to the extent necessary to accommodate the prevailing conditions until the beginning of the next semester that the condition or conditions no longer exist, and further;

2. If the school district's financial condition is such that the June 30 year end audit establishes a General Operating Fund deficit which will require the district to file a deficit elimination plan with the Michigan Department of Education, then the Board of Education may exercise its responsibility to offset such by setting aside the language agreed to in Sections A, B and C until the beginning of the next school fiscal year in which an actual deficit no longer exists. Class size overages will still be paid as listed above.
- G. It is the responsibility of the Board to supply each teacher with the necessary supplies, equipment, educational materials and training during the contractual workday that are required for the attainment of the educational goals that have been prescribed by the Board.
- H. The purpose of the K-12 District Leadership Team, composed of the related department chairpersons, will be to collaborate with the administration in the development of curriculum and the accompanying program of studies within the Pinckney Community Schools. Teachers serving as Department Chairpersons shall represent their division on the K-12 District Leadership Team and on content area committees. They shall meet on a regularly scheduled basis with the Assistant Superintendent for Curriculum and Assessment relative to curriculum development and the Assistant Superintendent shall chair divisional and K-12 Curriculum Committees.
- I. The Board shall attempt to make available in each school, a lunchroom and lavatory facility exclusively for professional and non-professional staff use, as well as a professional staff lounge, furnished, in which smoking shall not be permitted.
- J. Telephone facilities shall be made available to Teachers for their reasonable use. Personal long distance phone calls may be made, but only at the Teacher's expense. Personal long distance phone calls shall not be charged to the employer.
- K. Parking facilities shall be provided for Teacher use. Parking lots and walkways to and between buildings on the same site shall be lighted and maintained in such a manner that Teachers shall not have to continually contend with excessive mud, water, snow or ice.
- L. Religious or political activities of any Teacher or the lack thereof outside the scope of their teaching assignment shall not be grounds for any discrimination with respect to the employment of such Teacher.
- M. Pathfinder School and High School Teachers will have no more than three (3) preparations unless mutually agreeable to the parties involved. It is not the intention of the district to assign any member of the High School teaching staff more than three preps at any point during the course of the school year. However, the need to maximize staff as a result of scheduling needs may require the formation of staff assignments

having four preps. This situation will be limited to one year and will not involve the same staff member for two consecutive years unless mutually agreed in writing. Any teacher facing the probable four prep schedule shall be informed of such schedule by the end of the preceding school year or as soon as the schedule is known by the building principal.

- N. If the Pinckney Community School District and the Livingston County Educational Service Agency determine that the Pinckney Schools will provide services to medically fragile/special education students (defined as medically fragile or special education students not currently served in a regular education classroom setting) in a least restrictive environment (LRE), the Board and Teachers agree to bargain the issues dealing with medically fragile students in a least restrictive environment (LRE). This shall not preclude the Board from enrolling the student and determining the educational placement as per the student's IEP.
- O. The Board will allocate time for K-12 teacher participation in IEPs and student staffings. A substitute for both a special education teacher and a general education teacher will be provided and a monthly schedule developed to allow staff to participate in these meetings during the workday. It is the intent that most IEPs and related student staffings will be planned within this schedule, however, if an IEP or administratively initiated student intervention cannot be scheduled within the time above, the teacher may opt to arrive later or depart earlier than their 445 (6-12) or 455 (K-5) minute contractual obligation after consultation with their administrator or mutual agreement of an alternative relief time with their administrator. The teacher must still fulfill the student contact requirement.

**ARTICLE 8
VACANCIES, TRANSFERS AND PROMOTIONS**

- A. VACANCIES
 - 1. A vacancy shall occur whenever a bargaining unit member vacates a unit position as the result of resignation, dismissal or transfer. Newly created bargaining unit positions shall also be considered a vacancy. A leave of absence by a Teacher for the entire school year shall also be considered a vacancy.
 - 2. When any bargaining unit vacancies occur, the Board shall inform the Association, provide electronic notice to employees, and post the vacancy on the District website. It is agreed between the parties that notification of vacancies through email is a courtesy and failure to have received same shall not be subject to the grievance procedure.

3. Vacancies shall be posted for seven (7) calendar days before being filled. Vacancies on or after August 15 and prior to the end of the second week of school shall be posted for twenty-four (24) hours before being filled. The Board agrees to consider certification, qualifications, and length of service to the school system for any transfer requests and internal applications prior to hiring an outside applicant.
4. If an internal candidate is not selected, the administration will make a personal contact (phone call or in person) to discuss the basis for the non-selection.

B. TRANSFERS

Teachers may apply for specific posted positions by submitting a written request to the Human Resources Office by the end date listed on the specific posting. Those Teachers possessing the appropriate certification and qualifications as posted will be given consideration. Teachers interested in transferring to another unit position which may become available shall submit a Transfer Request Form to the Human Resources Office by May 1. Teachers may be transferred to another building due to scheduling needs and other reasons that are not arbitrary or capricious. The District will ask for volunteers to be transferred. If there are no volunteers, the District will transfer the lowest senior teacher affected provided all other factors distinguishing those teachers from each other are equal as stated in Article 9E.

C. PROMOTIONS

Any Teacher who shall be promoted to an educational administrative position in the district shall have the right to return, or be placed by the Board, to a unit position within the first two years after promotion. Should a promoted Teacher return to a unit position within the first two years, they shall be entitled to such rights as they may have had under this Agreement at the point that they left the unit.

**ARTICLE 9
LAYOFF AND RECALL**

It is understood by the parties that determining teacher staffing level and any reduction of staff is within the sole discretion of the Board. The procedures set forth in this Article shall be used in any reduction of staff, laying off and recalling teachers.

- A. If the District needs to restructure the teaching schedule so that any current teaching positions are eliminated, the teachers in positions being eliminated are considered displaced. A displaced teacher shall be transferred into a vacant position within their area of certification prior to any teacher being laid off.
- B. If layoffs are necessary, teachers in that area of certification will be laid off in inverse order of seniority provided all other factors distinguishing those teachers from each other are equal as stated in Section E below.

- C. The Association will be notified of a contemplated reduction in personnel at least ten (10) calendar days prior to layoff notices being given to teachers. Teachers being laid off shall be notified in writing no less than thirty (30) calendar days prior to the effective date of layoff.
- D. Certification shall be defined as holding the required certificates, endorsements, licenses, and/or approvals required by law to serve in the position assigned.
- E. Qualifications (being qualified) shall be defined as holding appropriate certification for the position, the teacher's disciplinary record, relevant special training (in accordance with MCL 380.1248), and the most recent year-end evaluation rating.
- F. The certification and qualifications of a teacher to be laid off shall be the certification and accumulated qualifications on file with the Board at the time the layoff notification to the Association occurs. The certification and qualifications of a teacher to be recalled from layoff shall be the certification and qualifications on file with the Board at the time the notice of recall from layoff. It is the teacher's responsibility to notify the Board, in writing, of any inaccuracies in Board records and/or any changes to their certificates, as they occur.
- G. The Board shall give written notice of layoff or recall by sending a registered or certified letter to the teacher at their last known address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoff, recall, or other notice to the teacher. It shall be the responsibility of the teacher to notify the Board of any change in address.
- H. Teachers have a right to recall for two (2) years from the effective date of layoff provided they did not receive an overall rating of less than effective in their most recent year-end evaluation. They will be recalled in each area of certification in seniority order (highest senior teacher first) provided all other factors distinguishing those teachers from each other are equal as stated in section E above. If a teacher has no right to recall, they may still apply for any open position for which they are certified. If hired, they would be placed one step higher from the year of layoff (if steps were granted in an ensuing year).
- I. If the teacher fails to report to work within ten (10) calendar days of the date of the recall notice of a position for which the teacher is adequately certified and qualified, the teacher shall be deemed a voluntary separation and shall forfeit any further right of recall. If the teacher needs additional time to report to work, the teacher must contact the Human Resource Officer to work out the start date at the discretion of the HR Officer.

- J. The Board's obligation to pay salary, fringe benefits and all other benefits under this collective bargaining agreement is suspended for the duration of any layoff. All insurance benefits will continue in effect until the effective date of layoff. Thereafter, upon carrier approval, a laid off teacher may continue insurance coverage under COBRA at no expense to the employer.

**ARTICLE 10
SENIORITY**

- A. Teachers hired into the bargaining unit shall be placed on the seniority list on their first day of work in the bargaining unit.
- B. A seniority list shall be maintained by the district. Teachers shall be ranked in order of seniority. Accompanying the name of each Teacher shall be a listing of the Teacher's certification and endorsements. Said seniority list shall be emailed to each bargaining unit member by October 31 each year. Corrections shall be brought to the attention of the administration within thirty (30) days thereafter.
- C. If there is a "tie" on the seniority list, the tie shall be broken according to the last four digits of the social security number, with the person having the lowest number having the greatest seniority, the second lowest number the second greatest seniority, and proceeding in a similar manner until all persons with the tie are assigned a seniority position.
- D. All seniority shall be lost when a Teacher retires, resigns, transfers to a non-bargaining unit position in the District for more than two (2) years or is discharged.
- E. Seniority shall continue to accrue during periods of layoff and/or leaves of less than one (1) school year and the full duration of a qualified military duty leave. Seniority shall be frozen if a teacher transfers to a non-bargaining unit position in the District. Should a Teacher return to a unit position within the first two (2) years, they shall be entitled to such rights as they may have had under this Agreement at the point that they left the unit. Time on layoff and unpaid leave do not count as service time for Board-paid longevity.

**ARTICLE 11
BUSINESS AND LEAVE DAYS**

- A. Personal Business Days: Each Teacher shall be credited four personal business days per year with pay which may be used for any reason and without explanation, upon giving forty-eight (48) hours' notice to the immediate principal. No more than two (2) separate applications per shift at Country Elementary, Farley Hill Elementary, Navigator School, and Pathfinder, and no more than three (3) separate applications per shift at Pinckney High School shall be granted by said administrator for the same day or days.

The administrator may exceed these quotas at their discretion and may allow a personal business day with less than 48 hours' notice in the event of extenuating circumstances. Any unused personal business days shall be accumulated as sick leave days.

- B. Sick Leave Days: Each tenure Teacher shall be allocated twelve (12) full days with pay per year for sick leave. Each probationary Teacher shall be allocated up to seven (7) full days per year with pay for sick leave. Teachers shall only be permitted to use sick leave in half or full day increments. Usage of less than a half ($\frac{1}{2}$) day shall be charged to the Teacher as a half ($\frac{1}{2}$) day. Usage of more than ($\frac{1}{2}$) day and less than one (1) full day shall be charged to the Teacher as usage of one (1) full day. Unused sick leave shall accumulate from year to year to a maximum of 160 days at the end of each fiscal year (those with more than 160 days shall be grandfathered and capped at their current level if it remains above 160). *(Example: Teacher has 180 days as of June 30, 2021 and receives 12 days for 2021-22, they would have access to 192 days for 2021-22. They use 4 days and as of June 30, 2022, they revert to 180 cap. They get 12 days for 2022-23 and have access to 192 days, use 15 days, as of June 30, 2023, they would have 177 days. They get 12 days in 2023-24, have access to 189 days, use 4 days, as of June 30, 2024, they would revert to 180 cap. They receive 12 days for 2024-25 and have access to 192 days, use 40 days, go down to 152 days. For 2024-25, receive 12 days giving access to 164, use 1 day, as of June 30, 2025, revert to 160 cap, since the teacher fell below 160 days.)*

A teacher may use accumulated sick leave when they are incapacitated from the performance of their duties by sickness or injury. A teacher may also use their accumulated sick leave to provide care for a member of their immediate family. Immediate family is defined as spouse, children/stepchildren, parents/stepparents, brother, sister, parents-in-law, grandparents and any relative or dependent living in the home. Fathers may utilize up to ten (10) days of their accumulated sick leave to care for their spouse and newborn after the birth of a child. Teachers may utilize up to twenty (20) accumulated days for family illness in a school year (July 1 - June 30). A teacher needing extended time off for family illness should consider a medical leave of absence (See Article 19). Parents may utilize up to ten (10) days of their accumulated sick leave to care for a newly adopted child. Additional time for childcare for an adoption may be requested pursuant to Article 19.

- C. Upon completion of ten (10) years of service to the district, a Teacher leaving the school district shall receive payment for said accumulated days on the following basis:
1. At times of voluntary separation, \$33 per day up to 45; \$50 per day for those in excess of 45.
 2. At retirement, all accumulated days at \$50 per day. A teacher announcing retirement before April 1st may opt to receive payment for up to thirty (30) days from their accumulated sick leave after announcement. The payout must be paid back in full if retirement is withdrawn.

In the event of a Teacher's death, the above payment will be made to the Teacher's estate.

- D. A teacher whose unused sick leave day accumulation exceeds forty-five (45) days (before the next year's allowance is granted) may request by May 1 that Sick Days in excess of forty-five (45) be paid out at \$50 per day with a cap of 10 days per year (unless the teacher is grandfathered above the 160 day cap, then the cap is sixteen (16) days per year). This payment will be made in the last pay of June.
- E. Any Teacher who is absent from duty because of an injury or illness compensable under the Michigan Workers' Disability Compensation Act shall receive from the Board the difference between the allowance under the Workers' Compensation Law and his regular salary until the accumulated sick leave equivalent (pro-rated) is exhausted, except that in no case shall the staff member be compensated more than he would have received in net earnings had he worked during such period.
- F. SICK LEAVE ADVANCE
1. Any Teacher may borrow up to fifteen (15) days of sick leave from future allocations for an illness certified by a doctor and which occurs within a limited and continuous period.
 2. All borrowed days must be repaid:
 - a. Of the sixteen (16) allotted tenure Teacher days per year, ten (10) days shall be repaid annually until the sick leave advancement is reimbursed. A Teacher's remaining six (6) days will consist of four (4) sick days and two (2) personal business days.
 - b. Of the eleven (11) allotted probationary Teacher days per year, six (6) days will be repaid annually until said probationary Teacher becomes a tenured Teacher at which time the tenured Teacher's payback schedule will apply. A probationary Teacher's remaining five (5) days will consist of three (3) sick days and two (2) personal business days.
 3. Any Teacher leaving the district with borrowed sick leave shall, upon written Board of Education request, have the borrowed days deducted from their final yearend check at the Teacher's current daily wage rate. If final payment has already been made, said Teacher must reimburse the Board of Education this same amount, upon written Board of Education request.
 4. If the district has reason to believe that there has been an abuse of sick leave, a Teacher may be required to submit a doctor's statement. Each Teacher's status of accumulated leave days will be reported to them at the beginning of each school year.

- G. In the event of a death in a Teacher's immediate family, up to three (3) school days of absence will be granted without loss of pay or sick days. The immediate family constitutes a brother, sister, mother-in-law, father-in-law, grandparents and any relative or dependent living in the home. Five (5) school days of absence without loss of pay, will be granted due to death of spouse, child or parents. This time is to be used to attend services and to settle the affairs of the deceased.
- H. Teachers may be absent without pay with administrative approval.
- I. A Teacher called for jury duty will be paid by the Board of Education the difference between the Teacher's salary and jury duty pay for up to a maximum of sixty (60) days. Within the limits prescribed above, said absence shall not be chargeable against accumulation. If a Teacher is subpoenaed to appear in a legal proceeding the Board may, at its option, pay the difference between the Teacher's salary and witness fees.
- J. Upon return from sick leave within a given school year, the Teacher shall be returned to their position held prior to the leave.
- K. Both parties agree that abuse of earned personal business and sick leave can occur. If this occurs, discipline will be imposed according to procedures in Article 14.

**ARTICLE 12
SABBATICAL LEAVES**

- A. A sabbatical leave of absence may be granted to a Teacher, at Board discretion, for educational improvement through further training or travel, either of which must be related to the Teacher's current or future assignment in education.
- B. The conditions for an approved sabbatical shall be:
 - 1. Employed by the Pinckney Board for no less than seven (7) full years.
 - 2. No previous leaves of absence in the preceding five (5) years.
 - 3. Holder of a Masters' Degree (except that the Board may consider some applications where the purpose is to fulfill the residency requirements for a Masters' Degree when those cannot be obtained during the summer session).
- C. The application for a sabbatical leave shall be in writing and shall:
 - 1. Be accompanied by sufficient documentation to support the purported nature of educational improvement and the value to the school system.
 - 2. Have commencement and termination dates established utilizing natural breaks in the school calendar.
 - 3. Be filed with the Board no less than sixty (60) days prior to the end of the semester.
 - 4. Be accompanied by both principal and superintendent written approval.

- D. The Teacher granted sabbatical leave shall, as a condition of said grant, be under the duty at the end of said leave time to return and teach in this school system for at least three (3) years thereafter.
- E. Further, such Teacher shall receive as compensation the difference between starting base salary and their pay as shown on Schedule A at the time the leave was granted. Should said Teacher for reasons within their control, fail to return as herein provided, or voluntarily terminate employment with this Board at any time during said three-year period, they shall be obliged and required to return the compensation received from the Board while on leave on the pro rata basis that the unfulfilled time bears to the total three year requirement. The Board has the right to apply any paycheck due and owing the Teacher toward this sum at the time of termination of employment but said application shall not forego the Board's right to recover any additional unpaid amount.

The Teacher shall further be required upon completion of said leave to file with the superintendent an official transcript of college credits earned on said leave and/or an outline summary of the travel completed.

- F. Should an individual Teacher, granted a leave under the terms and conditions of this Article, accept employment and/or be employed in a full or part-time position in another school district or educational institution then said Teacher's leave shall be terminated immediately and shall be considered to have resigned from the Pinckney Community School District, and shall have severed all employment and/or contractual relationships said Teacher may have enjoyed with the Pinckney Community School District. This section shall not apply to individuals granted leaves for the purpose of educational improvement where employment in another school district or educational institution may be mandated.
- G. The Teacher on a sabbatical leave may continue their health insurance coverage by submitting a check by the first of each month for one-half ($\frac{1}{2}$) the cost of the monthly premium.

ARTICLE 13 PROTECTION OF TEACHERS

- A. When a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Superintendent of Schools shall so determine and the Board will take reasonable steps to relieve the Teacher of responsibility with respect to the pupil.
- B. Any case of assault upon a Teacher associated with Teacher-student or Teacher-parent relationships shall be promptly reported to the Board or its designated representative. The Board shall render all reasonable assistance to the Teacher in connection with the handling of the incident by law enforcement and judicial authorities.

- C. Teachers will continue to be included in the liability coverage as established by the Board.
- D. Any actionable complaint made against a teacher by any parent, student, or other person shall be called to the attention of the teacher within ten (10) school days of becoming known.
- E. Time lost by a Teacher in connection with any incident mentioned in this Article shall not be charged the Teacher provided the time lost was allowed by a representative of the Board, or required by a court of competent jurisdiction, or required by law enforcement agencies, or in the case of an assault, as advised by a Teacher's physician. In the case of an assault, full compensation will be made by the Board until such time as the Teacher qualifies for Worker's Compensation and/or Disability Insurance. If a Teacher is found to be at fault by a court of competent jurisdiction the Board may at the time charge the Teacher for the time lost.
- F. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of negligence or neglect of duty, for any damage or loss to person or property.
- G. Public school board meetings are not courts of law. Reasonable efforts will be made by the Board to see that, within the guidelines set forth in Public Act No. 267 of the Acts of 1976 (Open Meetings Act), Teachers are not accused, ridiculed, libeled or demeaned during public meetings. This section shall not be subject to step four of the grievance procedure.
- H. All communications received by a counselor in the course of his professional duties and deemed, by said counselor, to be of a confidential nature, need not, except with the consent of said counselor, be disclosed to anyone unless said disclosure is required by law or court order.
- I. The Pinckney Community Schools' goal is to educate its students in the American tradition, to recognize individual freedom and to instill in the individual social responsibility, to know and respect the value of the Constitution and the Bill of Rights, and to know the value of self-respect and the preservation of an individual's personality and personal image. The Board recognizes that these values can best be transmitted in an atmosphere which is free from censorship and artificial restraints on free inquiry and learning and in which academic freedom is encouraged, except academic responsibility is also necessary in that:
 - 1. The Teacher must be acting within his certified area and in accord with the accepted and/or adopted curriculum and courses of study.

2. The Teacher must remember to exercise responsibility and prudence at either the elementary or secondary level and to carefully consider the maturity level of the student and the special circumstances that surround the Teacher-learning relationship.
 3. The Teacher must have approval from the building principal prior to the use of special materials or a resource speaker.
 4. If a controversial issue is to be presented, it shall be the responsibility of the Teacher to have both sides of the issue effectively presented with equal care.
- J. Teachers shall be informed to the extent permitted by law and/or parental permission, about any specific medical needs of students assigned to them.
- K. No Teacher shall be assigned nor expected to perform any medical procedure or provide personal hygiene care on a student except to provide emergency first aid until such time as other assistance is available.
- L. If an inoculation may protect the Teacher from contacting any medical condition from a student, the Teacher shall be promptly notified and if the Teacher elects to have such inoculation, it shall be paid for by the district.
- M. The Board recognizes that new Teachers need time to review and understand the many policies and procedures received during the first orientation days. Therefore, each building principal may hold a second group orientation period with new Teachers after class hours during the first marking period of the first semester to review policies, procedures and techniques that may not have been clearly understood during the first orientation. Problems thereafter shall be discussed on a one to one basis with the building principal by appointment.

**ARTICLE 14
TEACHER DISCIPLINE**

- A. A bargaining unit member may only be discharged, demoted, or otherwise disciplined for a reason that is not arbitrary or capricious. Discipline for the purpose of this Agreement includes warnings, reprimands, and suspensions up to fifteen (15) days. Probationary teachers shall not have the right to the grievance procedure for any discipline. Non-probationary teachers may only grieve discipline up to Level Three.
- B. Disciplinary action that includes suspensions over fifteen (15) days or discharge shall occur in accordance with the statutory requirements under the Michigan Tenure Act.

- C. Discipline may include but is not limited to:
 - 1. Verbal warning or written warning
 - 2. Verbal reprimand or written reprimand
 - 3. Suspension
 - 4. Discharge
- D. The District does not have to apply discipline in a progressive manner, but rather, may impose discipline consistent with the seriousness of the teacher's conduct, as determined by the District. Additionally, nothing in this Article limits the District's right to take other appropriate action, such as placing a teacher on administrative leave during an investigation or issuing a counseling memorandum, which is considered instructional, not disciplinary.
- E. Any teacher shall, upon request, be entitled to Association representation during investigative interviews that could lead to disciplinary action against the teacher or any meeting that the teacher is being reprimanded, warned, or disciplined for any infraction or delinquency or inadequacy in professional performance.
- F. No materials resulting from any complaint or discipline will be placed in a teacher's personnel file unless the teacher has had an opportunity to review the material.
- G. Each Teacher shall have the right to review their personnel file in the presence of the Human Resources Officer. A representative of the Association may be requested by either party to accompany the Teacher to such review.

ARTICLE 15
PROFESSIONAL GROWTH

- A. Each Teacher may request to attend a professional conference. Conference request approved by the building principal and the Board will be at no expense to the Teacher except as otherwise established by the Board prior to the Teacher's departure to the conference.
- B. The parties recognize the value of continued professional growth. Each Teacher shall annually participate in in-service programs, professional conferences, professional workshops, professional seminars, travel related to their teaching activities or post-graduate study. Costs incurred in compliance with this Article shall be borne by the individual concerned, except as provided elsewhere in this Agreement.
- C. Professional Development
 - 1. Teachers will be expected to participate in professional development as determined in the calendar annually. Part-time teachers will be expected to participate in the same number of hours of professional development annually to be scheduled with their building administrator.

2. All staff are expected to attend the professional development activities in their building scheduled on the professional development days, unless approved by the building administrator to participate in some other professional development activity that day. If a teacher is not present on a professional development day or session (PD Fridays), they will be responsible for the content presented during the PD session.
 3. Professional development activities that teachers have engaged in from July 1 to June 30 shall count toward the requirement, with the exception of college coursework that is being applied to salary schedule enhancements (Half MA, MA or MA+).
- D. The professional responsibilities of Teachers include serving on professional committees. Committee assignments will be done on a volunteer basis. Should a Teacher not volunteer for a committee, they may be assigned by the principal on an equitable basis and paid according to Schedule B.
- E. **MENTORS:** Each non-experienced bargaining unit member in the first three (3) years in the classroom and non-probationary teachers on an IDP shall be assigned a mentor Teacher. The mentor Teacher shall be available to provide professional support and guidance for the mentee. The purpose of the mentor assignment is to provide a peer who will offer assistance, resources, and information in a non-threatening, supportive fashion. Mentor Teachers shall be tenured Teachers, except that after two years of teaching a probationary Teacher with exceptional experience may be considered for such assignment. Efforts will be made to match mentors and mentees who work in the same building and who have similar grade and/or subject assignments. A mentor shall be assigned to only one mentee unless approved by the administration.

The principal shall make mentor assignments on a three year basis, subject to review as appropriate. Participation as a mentor Teacher shall be voluntary with compensation listed in Schedule B.

- F. **New Teacher Orientation**
All teachers new to the District will be required to attend up to a three (3) day orientation prior to the start of school. The Association will plan with the administration to meet with the new teachers for one hour during the orientation.

**ARTICLE 16
EVALUATION**

The District shall follow the provisions of the Revised School Code MCL 380.1249, as amended, and PCS/PEA Evaluation Procedures regarding the evaluation of teachers. The 5D+ Teacher Evaluation shall be the performance evaluation tool unless the parties mutually agree to a different tool. Student growth and assessment data or student learning objectives metrics will be 20% of the evaluation and the other 80% of the evaluation will be objective criteria as determined by the evaluation tool. The grievance procedure may only be utilized if the PCS/PEA Evaluation Procedures are not followed and the teacher receives a final rating of less than effective on their year-end evaluation. Any changes to the PCS/PEA Evaluation Procedures must be mutually agreed upon between the PEA and the District.

**ARTICLE 17
GRIEVANCE PROCEDURE**

- A. A grievance shall be an alleged violation of the expressed terms of this contract. It is expressly agreed that the following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:
1. Any claim, complaint or matter for which the Teacher has sought redress via another forum established by law or by regulation having the force of law.
 2. Any matter in which the grievant has sought redress under the Teacher Tenure Act.
- B. A Teacher engaged in arbitration or grievance procedures on behalf of the Association with any representative of the Board shall be released from regular duties without loss of salary. The PEA Grievance Chairperson shall be released from regular classroom duties when necessary to facilitate the processing of grievances in conjunction with administratively called meetings. The Association may designate the representative to process a grievance when requested by a grievant. The Board hereby designates the principal of each building to act as its representative at Level One as hereinafter described and the Superintendent or his designated representative to act at Level Two as hereinafter described. If the particular grievance is a "class" grievance affecting Teachers in more than one building, the grievance shall be processed directly to Level Two and shall be subject to the same time limitations and other requirements as set forth for the institution of grievances at Level One.
- C. The term "days" as used herein shall mean days in which school is in session; however, during the summer vacation "days" shall mean weekdays (excluding legal holidays).
- D. Written grievances as required herein shall contain the following:
1. A synopsis of the facts giving rise to the alleged violation.
 2. The section or subsections of this contract alleged to have been violated.

3. The date(s) of the alleged violation(s).
4. The relief requested.
5. The signature of the grievant(s) or the Association in the case of a class action grievance.

Any written grievance not substantially in accordance with the above minimal requirements may be returned to the originator for reconciliation; however, time limitations shall run anew from the date of such return of the grievance to the originator.

- E. Should a Teacher fail to institute a grievance within the time limits specified, the grievance will not be processed. Should a Teacher fail to appeal a decision within the time limits specified, all further proceedings on the previously instituted grievance shall be barred. Should the administration or Board not respond within the specified timelines, the grievance shall advance to the next level.

- F. PROCEDURE:

LEVEL ONE

A Teacher alleging a violation of the express provisions of this Agreement shall, within fifteen (15) days of its alleged occurrence or gaining knowledge thereof, orally discuss the grievance with the building principal in an attempt to resolve same. If no resolution is obtained, the Teacher shall have fifteen (15) days of such oral discussion to reduce the grievance to writing and deliver it to the principal. The Principal shall respond in writing within fifteen (15) days of receipt of the grievance in writing. If the written response is unacceptable, the Teacher shall have fifteen (15) days from the date of the written response to file the grievance at Level Two. A copy of the written decision of the principal shall be forwarded by the principal to the Superintendent of Schools and the Grievance Chair for permanent filing.

LEVEL TWO

A copy of the written grievance shall be filed with the Superintendent. Within fifteen (15) days of receipt of the grievance, the Superintendent shall arrange for a meeting to be held with the grievant and/or the designated Association representative to discuss the grievance. Within fifteen (15) days of the discussion, the Superintendent shall render their decision in writing, transmitting a copy of same to the grievant, the Association grievance chairman, the building principal in which the grievance arose, and place a copy of the same in a permanent file in the office.

If the decision is unsatisfactory to the grievant and the Association, the grievant shall have fifteen (15) days from the date of the decision to appeal same to the Board of Education by filing the written grievance along with the decision of the Superintendent with the Secretary of the Board, with a copy sent to the Superintendent of Schools. The date on which the above copy is received by the Superintendent of Schools shall be determinative in establishing the effective filing date.

LEVEL THREE

Upon receipt of a grievance, the Board shall hold a hearing, designate a committee to investigate the grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance; provided, however, that in no event, except with express written consent of the Association, shall final determination of the grievance be made by the Board more than twenty-five (25) days after its submission to the Board.

A copy of the written decision of the Board shall be forwarded to the Superintendent for permanent filing, the building principal for the building in which the grievance arose, the grievant, and the grievance chairman of the Association.

LEVEL FOUR

Individual Teachers shall not have the right to process a grievance at Level Four except as prescribed under MCL 380.1249.

1. If the Association is not satisfied with the disposition of the grievance at Level Three, it shall, within twenty-five (25) days after the decision of the Board, refer the matter for arbitration to the American Arbitration Association, in writing, and request the appointment of an arbitrator to hear the grievance. If the parties cannot agree upon an arbitrator within fifteen (15) days, they shall be selected in accordance with the rules of the American Arbitration Association, which rules shall also govern the arbitration proceedings.
2. Powers of the arbitrator are subject to the following limitations:
 - a. They shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
 - b. They shall have no power to establish salary scales or to change any salary scale.
 - c. They shall not hear a grievance barred through this Agreement from the scope of the grievance procedure.
 - d. If a case is appealed to the arbitrator on which they have no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
 - e. More than one grievance may not be considered by the arbitrator at the same time except upon express written mutual consent and then only if they are of a similar nature.
 - f. The arbitrator shall have no power to award punitive damages.
 - g. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance is filed.

- h. The arbitrator shall have no power to hear, consider or make a determination on a grievance issue which is claimed as a violation of state or federal law. A single grievance which has a combined claim of a contract violation and a violation of state or federal law, shall have only the contract violation considered by the arbitrator.
 - 3. The cost of the arbitrator shall be borne equally by the parties. Each party shall assume its own costs for transcripts, representation (including any expense of witnesses), etc.
 - 4. The arbitrator shall document all pertinent findings that influenced and/or were used directly in formulating his opinion. The decision of the arbitrator shall be binding.
- G. A written grievance shall be submitted on the mutually agreed upon grievance forms with the designated signatures so affixed throughout the procedure. A copy of the form is included as Appendix E.

APPENDIX D
STUDENT AND FAMILY SPECIALIST/SOCIAL WORKER POSITIONS

This appendix is intended to outline the terms and conditions of employment that pertain specifically to the Student and Family Specialist (social worker) position, which is different than other unit members. All articles of the Master Agreement shall apply to this position except as noted below.

- A. Sections F and I of Article 4 shall not apply to this position.
- B. The work year for Student and Family Specialists shall consist of up to 190 workdays per year. Generally, the work week shall be a 40 (forty) hour work week on average, with hours similar to the teachers' day, but flexible to accommodate evening presentations, meetings, workshops, etc. The work schedule will be at the direction of the building administrator, with appropriate notice of evening or weekend responsibilities, unless extenuating circumstances prevent timely advance notice. This position does not qualify for overtime compensation. Section H of Article 5 shall apply to this position; Sections A-G are not applicable.
- C. Article 6 shall not apply to this position. Article 7 sections A-F, H, M-O shall not be applicable to this position. Article 7 Sections G and I-L shall apply to this position.
- D. Student and Family Specialists may apply for other similar positions within the district and will be given consideration for any said positions. Student and Family Specialists are not positions requiring teacher certification and do not acquire tenure in positions. A Student and Family Specialist who possesses teacher certification may apply for a teaching position and will be granted an interview if they meet the qualifications, however, selection to any other position will be at the discretion of the Board. Subject to this paragraph, Article 8 shall apply to this position.
- E. Student and Family Specialists shall have seniority in the district from date of hire, with one year of seniority for completion of a full work year and pro-rated for employees working less than a full work year or employees working less than full-time. This seniority list shall be separate from the teacher seniority list. Seniority shall not accrue during times of unpaid leave and layoff, and shall be lost if the employee retires, resigns or is discharged for cause. "Ties" in seniority shall be governed by Article 10C. A teacher applying and being selected for a Student and Family Specialist position shall have their teacher seniority frozen at the level they are at on the teacher seniority list at the time of transfer and will then be placed on the Student and Family Specialist seniority list from date of transfer.
- F. Should it become necessary to lay off a Student and Family Specialist, the Board shall provide at least twenty-one (21) calendar days notice to the employee being laid off. Student and Family Specialists shall be laid off by inverse order of seniority. Recall of

Student and Family Specialists shall be by seniority with the most senior laid off employee being recalled first, provided they meet the qualifications for the position. The Board shall file written notice of recall from layoff by sending a registered or certified letter to said Student and Family Specialist at their last known address. It shall be the responsibility of each Student and Family Specialist to notify the Board of any change in address. The Student and Family Specialist's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the Student and Family Specialist. If a Student and Family Specialist fails to report to work within ten (10) calendar days of the date of the sending of the recall, unless an extension is granted in writing by the Board, said Student and Family Specialist shall be considered as a voluntary quit and shall thereby terminate his individual employment contract and any other employment relationship with the Board.

A Student and Family Specialist who is to be laid off pursuant to this Article has the right to be administratively placed in a teaching position for which they are certified and qualified to fill and which is occupied by a Student and Family Specialist with less seniority.

A Student and Family Specialist on a Board approved leave shall be subject to the layoff provisions of this Agreement. However, the Student and Family Specialist shall not be subject to actual layoff until their return from said leave.

The Association shall have the right to review the reduction list prior to notification of the individuals involved. After the reduction list has been prepared, the Association and administration shall review said list in an attempt to resolve potential misunderstandings which could result in conflict.

A person on layoff who rejects recall to a temporary vacancy or to a position which is less time (on an FTE basis) than the position from which they were laid off, shall not lose rights to recall. Laid off Student and Family Specialists may sign up for substitute teaching work and be given first consideration. Rejection of substitute work shall not affect the Student and Family Specialist's right to recall.

- G. The Student and Family Specialist will be credited twelve (12) sick days and four (4) personal business days per work year. All other provisions of Article 11 shall apply.
- H. Student and Family Specialists shall be considered probationary employees during their first four (4) years of employment. If their performance is deemed by the Board to be unsatisfactory, the Board may choose not to renew their contract by giving written notice by May 1 of a school year. A Student and Family Specialist shall be evaluated at least annually in their first four (4) years of employment and at least once every three years thereafter. All monitoring or observation of the work performance of a Student and Family Specialist shall be conducted openly.

No Student and Family Specialist shall be disciplined, reprimanded, reduced in rank or compensation or denied renewal of contract without just cause. Any such discipline, reprimand, or reduction in rank or compensation including unjustified and undocumented adverse evaluation of Student and Family Specialist performance asserted by the Board or any agent or representative thereof shall be subject to the grievance procedure hereinunder set forth. When disciplining or questioning staff members regarding delinquency in professional performance, the administration shall take reasonable measures to conduct the questioning or discipline privately.

In evaluating Student and Family Specialists the evaluator shall provide those Student and Family Specialists that have performed unsatisfactorily during the evaluation period with (1) a statement of specific problem areas observed; (2) specific suggestions as to how the problems are to be resolved; and (3) a statement of the types of assistance that may be available to the Student and Family Specialist in improving his performance.

- I. Article 13, Sections A-H and J-M, shall apply to this position; Section I shall not apply. Add to Section A, "While the teacher may be relieved of responsibility with this student, the Student and Family Specialist may have continued responsibilities with this student and/or the family as long as the district has legal responsibilities for this student."
- J. Article 15, Sections A-D and F shall apply to this position. Article 15E shall not apply.
- K. Only the MA Lane of Schedule A shall apply for this position.
- L. Prior to making a home visit, the Student and Family Specialist and the building administrator will mutually agree as to whether the Student and Family Specialist will be accompanied by another district employee or support person from another agency.
