

## **Ypsilanti Community Schools**

### **Return to Learn and Continuity of Services Plan**

### **2022-2023**

Ypsilanti Community Schools will continue to provide in-person teaching and learning which provides the greatest benefit to our students. We will also provide families with an online option under 50A - Distance Learning. Ensuring that this can happen both consistently and safely during the upcoming school year, the 2022-2023 Return to Learn Plan for Ypsilanti Community Schools will provide detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for all YCS students and staff. This plan was developed by Ypsilanti Community Schools and supported by guidance from the Washtenaw County Health Department (WCHD) to ensure that our school district has a detailed plan for a successful and safe return to school and learning environment.

*Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to adjust mitigation strategies. Periodically, but not more than every six months during the life of the grant, the plan will be reviewed, and updates will be completed, if deemed necessary.*

Supporting Documents: [MDE and MDHHS “Managing Communicable Diseases in Schools”](#)  
[MDHHS Readiness, Response, Recovery Cycle CDC Community Levels Mi Safe Start Map](#)

The CDC will determine the COVID-19 community level for the county. Based on the community COVID-19 level, in consultation with the WCHD, the District will determine the number of mitigation strategies to implement to foster optimal learning environments while simultaneously ensuring the health and safety of students and staff.

***The district will comply with any and all local, state, and federal mandates/orders.***

The following plan outlines measures for the CDC COVID-19 Community Levels of low, medium, and high.

The levels do not apply in situations of COVID-19 outbreaks in schools, classrooms, or athletics.

**LOW MEDIUM HIGH**

| <b>Meetings and Conferences</b>   |   |   |
| In-district/out-of-district meetings and conferences will be permitted. | In-district/out-of-district meetings and conferences will be permitted. | In-district/out-of-district meetings and conferences will be permitted. |

### Offices

District and building offices will be open for normal school business. Visitors and guests are allowed in buildings per district policy.

District and building offices will be open for normal school business. Visitors and guests are allowed in buildings per district policy.

District and building offices will be open for normal school business. Additional health and safety protocols may be put in place as deemed appropriate. Visitors and Guests are allowed in buildings per district policy, but visitors and guests may be limited.

### Remote/Virtual Learning

The district does have a virtual option. The district will do its best to provide resources for students who are unable to attend in person due to isolation or quarantine. If a classroom or school is closed, all students impacted by the closure may be provided remote learning under 50A opportunities throughout the closure.

### Social Distancing

Social distancing measures are not required.

Social distancing measures are not required.

Feasible social distancing measures will be put in place. Adjustments to school procedures, schedules, activities, etc., may be made to adjust to the social distancing requirements.

### Health Screening

Parents/guardians should conduct a daily student wellness check prior to sending students to school.

**DO NOT SEND STUDENTS TO SCHOOL IF THEY ARE SICK.**

See the student illness section.
