Grade	Students who reached Math Projected Winter Growth at the end of the first semester.	Percent of Students who reached Math Projected Spring Growth at the end of the year.	Students who reached Reading Projected Winter Growth at the end of the first semester.	Percent of Students who reached Reading Projected Spring Growth at the end of the year.	ECOL Educational Goals												
					The NWEA Assessment in Reading and Mathematics will be												
					Goal 1: 50% of all students (K-8), including subgroups, will score at												
					Goal 2: 50% of all students (K-8), including subgroups, will score at												
						The PSAT/SAT Assessment in Reading and Mathematics will be											
						Goal 1: 65% of all students (9-11), including subgroups, will score at											
						Goal 2: 35% of all students (9-11), including subgroups, will score at											
						Mode of Instruction											
						JES: All students receive face to face instruction. If a student is											
						QMS: All students receive face to face instruction. When students are											
						QHS: All students receive face to face instruction. If a student is
