Colon Community Schools is willing to provide auxiliary aids and services for disabilities. Please call Sherry Switzenberg at 269.386.2239 four-business days before the scheduled event to request services. This is a meeting held in public and is not fully open to the public. The Comments and Concerns section under Communications to the Board is an opportunity to direct items to the Board or to make comments regarding any agenda items. Speakers are asked to express themselves in a civil manner, with due respect for the dignity and privacy of others who may be affected by your comments. While it is not our intent to stifle public comment, speakers should be aware that if your statements violate the rights of others under the law of defamation or invasion of privacy you may be held legally responsible. If you are unsure of the legal ramifications of what you are about to say, we urge you to consult first with your legal advisor. A four-minute timeline has been set to address the board. Guest and visitor comments are a time for just that... "guest and visitors comments". It is not a time for questions and answers. If an individual has specific questions to which they want a response, please submit those questions in writing to the administrative office. Once this period is over any discussions are only open to board members and administrators.
