Reconfirmation Meeting for April 2021

Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:

In-Person:

Grades K-12, students will attend classes onsite 5 days/week. Students will receive a full schedule of courses consistent with course offerings in each building. Elementary students will remain in their cohort group and classroom utilizing push-in support, programs, and enrichments to the extent possible. Students may elect to change to distance learning at any time throughout the school year.

Virtual:

Grades K-12 - All students will utilize the Google Classroom platform for instruction, daily access to content presented by teachers, assignments, and weekly check-ins (2 per week) with a teacher mentor. Support will be available to students daily during designated teacher office hours. All virtual students are required to participate in content based conversations with teachers or mentors at least once per week. Students in all grade levels selecting virtual instruction must remain in that instructional program through at least the marking period. Students will have the option of returning to face to face instruction at each marking period.

Additional Instruction:

The district may offer additional in-person instruction for identified English Language Learners, Special Education students or other special populations when a building is closed for in-person learning. These students and their needs will be identified by building child study teams.

Closures for in-person learning due to COVID:
