**Data Used for Planning:**

- District Administration team meeting input monthly
- Parent/Community/Staff Survey input
- ESSER III District Committee Meeting
- Parent/Community Forum Input
- Public Notification on District Website & Email

**Process for Planning:**

- Superintendent met with district administration team to gather information for each building to obtain the needs for our students and staff.
- Parent/Community Survey went out on November 29<sup>th</sup>
- Gathered information from the survey and met with the committee and prioritized everyone’s needs.
- Director of Finance presented to the School Board & Community at our Dec. 13<sup>th</sup> board meeting to discuss allocations & uses of the funds.
- The plan will continue to be revised and presented to stakeholders.

**Budgeted Items to Address Learning Loss:**

- Mental Health Support
- Summer Learning Program
- Additional Counselor
- Restorative Practices/Programming
- Reading Interventionist
- Early Childhood Director
