

## SUPERIOR CENTRAL SCHOOL DISTRICT SECTION 98c LEARNING LOSS PLAN

On July 14, 2022, Governor Gretchen Whitmer signed into law Public Act 144 of 2022. Section 98c (MCL 388.1698c) of the act appropriates \$52,056,000 in federal funding for local education agencies to address learning loss as part of the Governor’s Emergency Education Relief (GEER) Fund and part of the Secondary School Emergency Relief (ESSER) II Fund. The funds support goal 5 of Michigan’s Top 10 Strategic Education Plan. Students have the opportunity to make progress toward graduation as districts plan to address learning loss through instruction. Accordingly, the percentage of students who will graduate from high school will increase.

In 2022, National Center for Education Statistics (NCES) conducted “a special administration of the NAEP long-term trend (LTT) reading and mathematics assessments for age 9 students to examine student achievement during the COVID-19 pandemic. Average scores for age 9 students in 2022 declined 5 points in reading and 7 points in mathematics compared to 2020. This is the largest average score decline in reading since 1990, and the first ever score decline in mathematics” (“National Center for Education Statistics,” n.d.). The learning loss experienced locally is similar to what has been reported by the NCES.
