

Montcalm Area ISD 2021-2022 Goals

Pursuant to PA48 of 2021 Sec98b

Established prior to Sep 15, 2021

Literacy and math data will be collected for students as developmentally appropriate. NWEA will be one tool that the district will administer to collect data to determine if students are making meaningful educational progress. Goals will be achieved by the end of the 2021-2022 school year.

Montcalm Area Career Center will be working with students to earn certifications that are recognized by the Office of Career and Technical Education.

Early College at Montcalm Community College staff will be moving all students toward the goal of earning an associate degree or certificate by the end of their third year in the program.

GSRP children will expand their receptive and expressive language to establish a foundation for reading and writing.

GSRP children will expand their receptive and expressive language to establish a foundation for reading and writing.
