Review the table below listing our schools. For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Early College at Montcalm Community College (01813)	This school has not been assigned one of these labels.	Continuing to monitor and improve student engagement in all classes through professional development and training of all staff.
Seiter Education Center (01813)	This school has not been assigned one of these labels.	Implementing school wide positive behavior intervention strategies (SW-PBIS) through professional development and training of all staff.
ISD/Local Center Programs (09238)	This school has not been assigned one of these labels.	Implementing school wide positive behavior intervention strategies (SW-PBIS) through professional development and training of all staff.

MAISD staff values all children and the relationships that have been fostered with our school families. Working together, we strive for our children to reach their full potential.
