How We Have Managed Our Resources

Fiscal Year Assumptions Notes

2018 Notes:

2018 General Fund Budget Assumptions

Revenue

Taxes: Increase of 3.0% anticipated

State Sources: Expecting a 1% increase in State Revenue Sharing

Interest and Rents: Inmate Housing contract with US Marshals is expected to increase by 12.4% based on a year of history and revised contract rates.

Expenses

Salaries: All authorized positions are budgeted for the full year. Step increases are included for all eligible employees. A 2% increase in wages has been built in for the non-union employee groups. Unions have a 1%-2% wage increase built in based on their collective bargaining agreements. The addition of .03 FTEs to the General Fund Operations are also included in the budgeted salaries.

Benefits: Healthcare is budgeted at the 2017 composite rates. Pension reflects the new assumptions used by the actuary that decreases the rate of return on investments from 8.0% to 7.75% and adjusts to the current mortality tables; which resulted in a significantly higher unfunded liability and annual required contribution. RHC Benefits are being paid for out of the RHC Trust and there is no annual contribution based on preliminary report that we are currently 106% funded for our OPEB liability.

General Fund Transfers Out to other funds decreased as the Jail Renovation Project was completed in 2016.
